7 APRIL 1988

There appears to be a land/water/structure interface at the target location. The land is somewhat sandy, the water seems to be contained like a lake or pond, and the structure appears to be dark, blue black, hard, smooth stone (AOL - Vietnam Memorial). Am being drawn to a structure that is a memorial, or monument. Getting impressions of death, destruction, a dead body, skull, spirits, aura, something to do with explosive "green forces."

A feeling of powerful spiritual forces surround this event. There is a tall, dark, slender, bearded man (AOL - Abraham Lincoln) involved. The event is shrouded in mystery. There is something mystical about it. The event itself is not as important as the lasting effects it produces. Other key impressions are murder, <sup>ass</sup>assination, and martyrdom.
