GRILL FLAME SECURITY AGREEMENT

I, DAVID E. Russell, understand that the highly sensitive and classified information I have, or are about to receive as part of the GRILL FLAME Program belongs to the United States Government. I understand that the disclosure of this information is punishable under Title 18, Section 798, U.S.C., "Disclosure of Classified Information," June 1948, as amended.

I do solemnly swear that I will never divulge, publish, or reveal by word, conduct, or by any other means such classified information or knowledge, except in the performance of my official duties, and as specifically authorized in writing in each case by the appropriate agency of the United States Government.

I understand that no change in my assignment or employment will relieve me of my obligation under this agreement and that the provisions of this agreement will remain binding upon me even after the termination of my services with the United States Government.

I take this obligation of my own free will, without any mental reservation or purpose of evasion.

DATA REQUIRED BY THE PRIVACY ACT OF 1974
(5 U.S.C. 552a)

1. Authority: National Records Act, 44 U.S.C. 3102; E.O. 9397, Numbering System for Federal Accounts Relating to Individual Persons, November 22, 1943.
2. Principal Purpose: To maintain a record of those individuals who have or have had access to GRILL FLAME information through the use of their name and/or Social Security Number.
3. Routine Uses: The Social Security Number is to be used to identify the individual, and the information is to be retained strictly within the Program.
4. Mandatory or Voluntary Disclosure: Information is disclosed on a voluntary basis, but withholding information will render it impossible to grant an individual access to or participation in the Program.

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.
