Information pertaining to classified contracts or projects, even though such information is considered unclassified, shall not be released for public dissemination except as provided by the Industrial Security Manual (paragraph 5c and Appendix IX).

Proposed public releases shall be submitted for approval prior to release Direct Through (Specify):

Public release is not authorized.

to the Directorate For Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs) for review in accordance with paragraph 5c of the Industrial Security Manual.

* In the case of non-DoD User Agencies, see footnote, paragraph 5c, Industrial Security Manual.

Security Classification Specifications for this solicitation/contract are identified below ("X" applicable box(es) and supply attachments as required). Any narrative or classification guide(s) furnished shall be annotated or have information appended to clearly and precisely identify each element of information which requires a classification. When a classification guide is utilized, that portion of the guide(s) pertaining to the specific contractual effort may be extracted and furnished the contractor. When a total guide(s) is utilized, each individual portion of the guide(s) which pertains to the contractual effort shall be clearly identified in Item 14b. The following information must be provided for each item of classified information identified in an extract or guide:

(I) Category of classification. (II) Date or event for declassification or review for declassification, and (III) The date or event for downgrading (if applicable).

The official named in Item 12b, is responsible for furnishing the contractor copies of all guides and changes thereto that are made a part of this specification. Classified information may be attached or furnished under separate cover.

- a. A completed narrative is (1) attached, or (2) transmitted under separate cover and made a part of this specification.
- b. The following classification guide(s) is made a part of this specification and is: (1) attached, or (2) transmitted under separate cover. (List guides under Item 15 or in an attachment by title, reference number and date).
- c. Service-type contract/subcontract. (Specify instructions in accordance with ISR/ISM, as appropriate).
- d. "X" only if this is a final specification and Item 6 is a "NO" answer. In response to the contractor's request dated _____ retention of the identified classified material is authorized for a period of _____
- e. Annual review of this DD Form 254 is required. If "X'd", provide date such review is due: _____

Remarks (Whenever possible, illustrate proper classification, declassification, and if applicable, downgrading instructions).

- a. All contractor personnel to be granted access to classified information released or generated under this contract must be US citizens granted a final SECRET clearance by the government prior to being given access.
- b. Unclassified information released or generated under this contract shall be restricted in its dissemination to contractor and government personnel involved in the contract. Release in open source literature or exhibition of such information is prohibited.
- c. Recipients of information under this contract may not release information to subcontractors without permission of the contracting agency.
- d. Final classification of the information generated under this contract is the responsibility of the contracting agency. Information generated under this contract is subject to the guidelines contained in DoD Regulation 5200.1R, which implements EO 12356 which became effective 1 August 1982.
- e. All copies of final documents generated by the contractor under this contract will be transmitted to the contracting agency for dissemination to authorized recipients.

6a. Contract Security Classification Specifications for Subcontracts issuing from this contract will be approved by the Office named in Item 16e below, or by the prime contractor, as authorized. This Contract Security Classification Specification and attachments referenced herein are approved by the User Agency Contracting Officer or his Representative named in Item 16b below.
