SENT VIA EMAIL TO: john@greenewald.com

Mr. John Greenewald, Jr.
The Black Vault, Inc.
27305 W. Live Oak Road, Suite 1203
Castaic, CA 91384

Dear Mr. Greenewald:

This is the third interim response to your Freedom of Information Act (FOIA) request for “a copy of records (which includes videos/photos), electronic or otherwise, pertaining to Project No. D2021-DEV0SN-0116.000.” We received your request on May 4, 2021, and assigned it case number DODOIG-2021-000806. By emails dated August 22, 2024, and February 6, 2025, we provided you with interim responses to your request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The Evaluations Component conducted a search and located records responsive to your request. Upon review, we determined that the enclosed 92 pages are appropriate for release in part pursuant to the following FOIA (5 U.S.C. § 552) exemptions:

- (b)(5), which protects communications that are part of the deliberative process. The purpose for withholding such recommendations is to encourage the free and candid exchange of opinions and advice during the decision-making process. In applying the foreseeable harm standard, we determined that disclosure of this information is likely to diminish the candor of agency deliberations in the future; and
- (b)(6), which pertains to information, the release of which would constitute a clearly unwarranted invasion of personal privacy.

Our review included consideration of the foreseeable harm standard, as stated in DoDM 5400.07. Under this standard, the content of a particular record should be reviewed and a determination made as to whether the DoD Component reasonably foresees that disclosing it, given its age, content, and character, would harm an interest protected by an applicable exemption.

If you consider this an adverse determination, you may submit an appeal now or submit an all-inclusive appeal upon receiving the final response to your request. Your appeal, if any,

must be postmarked within 90 days of the date of this letter, clearly identify the determination that you would like to appeal, and reference to the FOIA case number above. Send your appeal via mail to the Department of Defense, Office of Inspector General, ATTN: FOIA Appellate Authority, Suite 10B24, 4800 Mark Center Drive, Alexandria, VA 22350-1500, via email to foiaappeals@dodig.mil, or via facsimile to 571-372-7498. However, please note that FOIA appeals can only examine adverse determinations concerning the FOIA process. For more information on appellate matters and administrative appeal procedures, please refer to 32 C.F.R. Sec. 286.9(e) and 286.11(a).

You may contact our FOIA Public Liaison at FOIAPublicLiaison@dodig.mil, or by calling 703-604-9785, for any further assistance with your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road—OGIS, College Park, MD 20740-6001, email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769. However, OGIS does not have the authority to mediate requests made under the Privacy Act of 1974 (request to access one's own records).

Please be advised that this office continues to work on the remainder of your request, and we will provide a final response as soon as possible. If you have any questions regarding this matter, please contact Mr. Joseph Kasper at 703-604-9775 or via email at foiarequests@dodig.mil.

Sincerely,

Searle Slutzkin
Division Chief
FOIA, Privacy and Civil Liberties Office

(b) (6) [REDACTED] - Glad you asked!

Fellow PDs - I think we should have a quick meeting today or Monday to talk through how the next few weeks will go and who will do what. I'd like to designate leads, and assistants for a variety of tasks, so we know who is going to be helping initially.

If everyone is in today, could we discuss after Randy's meeting?

The big rocks that I see at the moment are:

- announcement e-mail drafted with addresses (I think that is me, but willing to have help)
- Project Plan
- POC tracking as they come in through the EVALNET e-mail address
- Data call content: I'm thinking three (SAP, Intel, Service/COCOM) versions
- Entrance Briefing
- TeamMate setup on JWICS (maybe (b) (6) [REDACTED]?)
- 90-day plan which lays out all of the above, with including who is doing what when.

Thanks,

(b) (6) [REDACTED]

 Mike - maybe you, (b) (6) and I can set a time to discuss the announcement rollout?

- Project Plan
- POC tracking as they come in through the EVALNET e-mail address
- Data call content: I'm thinking three (SAP, Intel, Service/COCOM)
 versions
- Entrance Briefing
- TeamMate setup on JWICS (maybe (b) (6) ?)
- 90-day plan which lays out all of the above, with including who is doing
 what when.

Nice to virtually meet you. As (b) (6) said, the majority of the project info is on JWICS, but a fair amount of open source and some FOUO info is on the share drive at:

There are hardcopies of the materials we briefed during the Special EB on my desk in (b) (6), I'm tied up the rest of this week in a virtual conference, but let me know when you'd like to get together in the SCIF. Minor, but I realized that a big chunk of the addressee group won't have an intel staff or MCIO, so recommend breaking that out separately:

Good morning Ladies and Gentlemen,

On behalf of Mr. Randolph R. Stone, Assistant Inspector General for Evaluations, we plan to begin the subject evaluation in May 2021. The objective of this evaluation is to determine the extent to which the DoD has taken actions regarding Unidentified Aerial Phenomena (UAP).

We will perform the evaluation at the Offices of the Secretary of Defense, Military Services, Combatant Commands, Combat Support Agencies, Defense Agencies, and the Military Criminal Investigative Organizations. We may identify additional locations during the evaluation.

Organizations on the "To" line of this email: please provide us with a point of contact for the evaluation within 5 days of the date of this memorandum. The point of contact should be a Government employee or Military Service Member GS-15, pay band equivalent, or the military equivalent.

For the Military Services, we are requesting points of contact from both your intelligence staff or service intelligence center and your Military Criminal Investigation Organization.

Please send the contact's name, title, grade/pay band, phone number, and e-mail address to

Would you mind taking a look at the attachment? (b) (6) asked me to draft some language for the email. A lot of the language is duplicative with the attachment, but I recently found that some of the IG/audit liaisons strip our memo out when they forward the email looking for POCs.

I am going to send the draft verbiage for the email shortly to have you guys take a look at it. Subject: e-mail list for UAP announcement

All - please take a look at the attached list. I didn't quite get through all of it, but I think I'm close. Based on this morning's meeting, I agree that there will be some people or organizations we reach out to after this first e-mail goes out, but I could use some backup on getting this one right.

I asked them... they are in the Tampa Office, so it makes sense that they would be the first ones called if there are questions from the command. I told them to expect something by 0830 Monday.

These are on the audit distro template as well, but here are the CCMD IG POCs for the cc line in addition to (b) (6) at Joint Staff:

CENTCOM additional addresses:

(b) (6)@mail.mil

(b) (6)@mail.mil

(b) (6)@dodig.mil

SOCOM additional addresses:

(b) (6)@socom.mil

(b) (6)@socom.mil

(b) (6)@dodig.mil

(b) (6)@dodig.mil

NORAD/NORTHCOM additional addresses:

(b) (6)@mail.mil

Just a reminder for the Navy Auditor General, you'll want to include both the Navy AND the Marine Corps addresses (b) (5):

USN:

(b) (6)@navy.mil

(b) (6)@navy.mil

USMC:

(b) (6) @USMC.MIL AND
 (b) (6) @usmc.mil
 (b) (6) @usmc.mil
 (b) (6) @usmc.mil
 (b) (6) @usmc.mil
 (b) (6) @usmc.mil
 (b) (6) @usmc.mil

The Services are pretty protective on controlling ID of their leads, so I'd just include in the text of the e-mail that you're looking for POCs for their intelligence staff or service intelligence center, AND their military criminal investigative organization.

Hi (b) (6)

Following-up on this morning's UAP meeting, my only questions and concerns were:

- (b) (6) is short-staffed, and so she is trying to understand the expected level-of-effort re: (b) (6)

(b) (6)

- I have people on my team that I can throw at you.. (b) (6) on an almost full-time basis if you want him; and/or multiple part time folks for at least the next month or two, and potentially some for longer.

- Let me know if you want me to be a part of this meeting next Tuesday, or if you just want (b) (6) as the PD, since she'll be back.

Email Subject: Evaluation of the DoD's Actions Regarding the Unidentified Aerial Phenomena (Project No. D2021-DEVOSN-0116.000)

Good morning Ladies and Gentlemen,

On behalf of Mr. Randolph R. Stone, Assistant Inspector General for Evaluations, we plan to begin the subject evaluation in May 2021. The objective of this evaluation is to determine the extent to which the DoD has taken actions regarding Unidentified Aerial Phenomena (UAP).

We will perform the evaluation at the Offices of the Secretary of Defense, Military Services, Combatant Commands, Combat Support Agencies, Defense Agencies, and the Military Criminal Investigative Organizations. We may identify additional locations during the evaluation.

Organizations on the "To" line of this email: please provide us with a point of contact for the evaluation within 5 days of the date of this memorandum. The point of contact should be a Government employee or Military Service Member GS-15, pay band equivalent, or the military equivalent.

For the Military Services, we are requesting points of contact from both your intelligence staff or service intelligence center and your Military Criminal Investigation Organization.

Please send the contact's name, title, grade/pay band, phone number, and e-mail address to (b) (6) @dodig.mil. If you have any questions, please contact (b) (6) at (b) (6) / (b) (6) @dodig.mil, or (b) (6) at (b) (6) / (b) (6) @dodig.mil.

Hi,

These are the SAP POCs you wanted. They would eventually receive the announcement letter through their chains but sending it to them directly would speed that up. If we announced a project, we normally emailed them directly.

I'm not sure if it makes a difference.

Mr. Cummings,

I sent out the attached announcement at 08:00 this morning to the department. I tried to call you a minute ago, but you didn't answer. I wanted to reach out to both you and Mr. Stratton, but I don't have an unclassified e-mail or phone number for him.

The purpose of contacting you directly is to let you both know that this project is intended to look at what the department is doing, not just what the task force is doing. Based on the briefing we received from Mr. Stratton last October, we felt that this was the appropriate time to see if we can determine who in the department is doing what for the task force and who should be doing more.

I have a large, diverse group of evaluators I can draw from to ensure we support this project fully and in a timely fashion.

Please pass on to Mr. Stratton that I hope to speak with both of you soon.

(b) (6) / (b) (6),

Greetings. I am with DAIG and one of my functions is to assist in locating the correct POC(s) from the Army. Is there an organization you had in mind or expecting to coordinate with?

I can help locate the correct HQDA level staff element or identify the correct command as POC(s). (b) (6)

(b) (6), but just wanted further confirmation. Standing by. Thanks.

Sir,

Since I didn't hear back from you right away, I checked with Mr. Roark. He asked me not to send it out again, because he didn't want to confuse them with another letter.

The team has the updated announcement for any future correspondence, and the correct version went out to the public.
