SENT VIA EMAIL TO: john@greenewald.com

Mr. John Greenewald, Jr.
The Black Vault, Inc.
27305 W. Live Oak Road, Suite 1203
Castaic, CA 91384

Dear Mr. Greenewald:

This responds to your Freedom of Information Act (FOIA) request for “all emails that are to/from (bcc’d or cc’d) the Department of Defense OIG office, and Garry Reid, Director for Defense Intelligence (Intelligence and Security), Office of the Under Secretary of Defense for Intelligence,” from May 1, 2021, through December 31, 2021. We received your request on October 11, 2022, and assigned it case number DODOIG-2023-000022.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The Mission Support Team conducted a search and located records responsive to your request. Upon review, we determined that the enclosed 21 pages are appropriate for release in part pursuant to FOIA (5 U.S.C. § 552) exemption (b)(6), when the disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

Our review included consideration of the foreseeable harm standard, as stated in DoDM 5400.07. Under this standard, the content of a particular record should be reviewed and a determination made as to whether the DoD Component reasonably foresees that disclosing it, given its age, content, and character, would harm an interest protected by an applicable exemption.

If you consider this an adverse determination, you may submit an appeal. Your appeal, if any, must be postmarked within 90 days of the date of this letter, clearly identify the determination that you would like to appeal, and reference to the FOIA case number above. Send your appeal via mail to the Department of Defense, Office of Inspector General, ATTN: FOIA Appellate Authority, Suite 10B24, 4800 Mark Center Drive, Alexandria, VA 22350-1500, via email to foiaappeals@dodig.mil, or via facsimile to 571-372-7498. However, please note that FOIA appeals can only examine adverse determinations concerning the FOIA process. For more information on appellate matters and administrative appeal procedures, please refer to 32 C.F.R. Sec. 286.9(e) and 286.11(a).

Ref: DODOIG-2023-000022

During our review, we determined that the Office of the Secretary of Defense and Joint Staff (OSD/JS) is the release authority for documents that may be responsive to your request. Therefore, we have referred those pages to the OSD/JS FOIA Requester Service Center, Freedom of Information Division, 1155 Defense Pentagon, Washington, DC 20301-1155, for processing and direct response to you. If you would like to inquire about the status of this portion of your request, please contact OSD/JS directly by calling 571-372-0498 or by sending an email to whs.mc-alex.esd.mbx.osd-js-foia-requester-service-center@mail.mil. For further information, you may also visit their website at <https://www.esd.whs.mil/FOID.aspx>.

You may contact our FOIA Public Liaison at FOIAPublicLiaison@dodig.mil, or by calling 703-604-9785, for any further assistance with your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, MD 20740-6001, email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769. However, OGIS does not have the authority to mediate requests made under the Privacy Act of 1974 (request to access one's own records).

If you have any questions regarding this matter, please contact Ms. Derrica Stone at 703-604-9775 or via email at foiarequests@dodig.mil.

Sincerely,

Searle Slutzkin
Division Chief

 Subject: Office of Inspector General Exit Conference – Project No. D2021-DEV0PB-0079.000

All,
 Pursuant to the ongoing DoD Office of Inspector General project, "Evaluation of Department of Defense Efforts to Develop and Implement Policy and Procedures Addressing Ideological Extremism Within the U.S. Armed Forces" (Project No. D2021-DEV0PB-0079.000), the DoD OIG evaluation team will conduct an exit conference on Thursday October 28, 2021 at 1030 Eastern Standard Time (EST) via Cisco Jabber teleconference. Attendance to the exit conference is requested for all addressees and is recommended for any organizations and personnel that have contributed to this evaluation. Due to the discussion of the DoD OIG's preliminary findings and observations, we recommend senior managers from each organization be in attendance. For those not familiar, the purpose of an OIG exit conference is for the evaluation team to present their preliminary findings and observations to the stakeholders with whom the team engaged during the fieldwork phase of the project. Additionally, this engagement provides an opportunity for the stakeholders to provide feedback to the evaluation team on the information presented during the forum. We encourage all participants to identify any areas of concern, incorrect information, or points of clarification during the exit conference. Attached is a copy of the evaluation announcement memorandum. Call-in information, as well as read-ahead material will be provided NLT Wednesday, 27 October. Due to the ongoing CV19 pandemic and our implementation of a virtual project briefing, we request that you send contact information for all attendees to (b)(6), at (b)(6)>@dodig.mil; cc (b)(6) at (b)(6)>@dodig.mil, no later than 1200 EST on Monday, 25 October.

Please include the following information:

- Name
- Organization and component (please clarify any organizational acronyms)
- Position
- Email
- Phone Number

We look forward to introducing our preliminary findings and observations identified during our project execution, as well as answering your questions concerning our evaluation.

The DoD Office of Inspector General (OIG) plans to begin the evaluation in January 2021. Our objective is to determine the extent to which the DoD and the Military Services have implemented policy and procedures that prohibit active advocacy and active participation related to supremacist, extremist, or criminal gang doctrine, ideology, or causes by active duty military personnel, as required by DoD Instruction 1325.06. The DoD OIG may revise or expand the objective and scope as the evaluation proceeds, and we will consider suggestions from management for additional or revised objectives.

We will perform the evaluation at the offices of the Under Secretary of Defense for Policy, the Under Secretary of Defense for Personnel and Readiness, the General Counsel for the DoD, and the Military Service Secretaries. We will include in our review the Military Departments and subordinate agencies that recruit, train, and sustain active duty military forces. We may identify additional offices and personnel during the evaluation.

Mr. Reid,
 This is (b) (6) [redacted] with the DoD Office of the Inspector General. I am sending you a copy of our announcement letter for your information and to ask you what roll the OUSD(I&S) has in the screening of Afghanistan refugees as you understand it.
 I know this is a fast paced and fluid situation. Any information you can provide would greatly help us in our evaluation.

We can communicate through email or, if you prefer, we can set up an in-person meeting with you in the next couple of weeks.

Please let me know soonest.

Thank you in advance,

MEMORANDUM FOR CHAIRMAN OF THE JOINT CHIEFS OF STAFF
SECRETARY OF THE ARMY
SECRETARY OF THE NAVY
UNDER SECRETARY OF DEFENSE FOR POLICY
UNDER SECRETARY OF DEFENSE FOR INTELLIGENCE AND
SECURITY
COMMANDER, U.S. NORTHERN COMMAND

SUBJECT: Evaluation of the Screening of Displaced Persons from Afghanistan (Project No. D2021-DEVOPD-0161.000)

We plan to begin the subject evaluation in September 2021. This evaluation will determine the extent to which the DoD is managing and tracking displaced persons from Afghanistan through the biometrics enrollment, screening, and vetting process. Specifically, we will evaluate the following areas:

- Screening of individuals biometrically, and that the processes to screen these individuals are being followed.
- Identification, tracking, and managing the biometric enrollment of individuals that have never been enrolled in DoD databases.
- Management of individuals that are identified as security risks through the screening process.
- Management and tracking of individuals' ingress and egress to a DoD-managed facility when screening/vetting is not complete.

We will consider suggestions from management on additional or revised objectives.

We will perform this evaluation at facilities such as, Fort Pickett, Virginia; Marine Corps Base Quantico, Virginia; and the Dulles Expo Center, Virginia. We may identify additional locations during the evaluation. We will perform the evaluation by gathering and reviewing appropriate policies, directives, and orders related to biometric screening, and the screening and vetting of displaced persons from Afghanistan. We will conduct a request for information to determine which DoD forces or units are being used to conduct the screening, how information is being collected, tracked, and shared with the Department of Homeland Security (DHS), and what is being done with displaced persons who are identified as a potential threat to security.

Please provide us with a point of contact for the evaluation within **5 days** of the date of this memorandum. The point of contact should be a Government employee – a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone
