Enclosure(s)
As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

(i) 5 U.S.C. § 552(c). Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.

(ii) Intelligence Records. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

(i) Requests for Records about any Individual—Watch Lists. The FBI can neither confirm nor deny the existence of any individual’s name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.

(ii) Requests for Records about any Individual—Witness Security Program Records. The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

(iii) Requests for Records for Incarcerated Individuals. The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

(i) Record Searches. The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.

(ii) FBI Records. Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.

(iii) Requests for Criminal History Records or Rap Sheets. The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks—often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an Investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

(iv) National Name Check Program (NNCP). The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

Pair Host
3-Day Safari

BY ELIZABETH GOODLAND, Times Society Editor

Mr. and Mrs. Jack Wraith, three-day safari by air, bus and auto proved beyond a doubt that the traveling, Wraithers also have unusual ideas in entertainment for their friends, JAN 23 1960.

The trek to which the hosts invited some 50 of their friends, was to compliment their close friends, Mr. and Mrs. John Loeb who have been visiting here from New York City.

Varied Activities

The unusual invitations paged the hosts in a 1900 vintage touring car and paraded up accordion-like to close that everyone would gather first in the Wraithers' penthouse offices in Beverly Hills, bus to the airport, take a Western Airlines plane to Palm Springs, stay at L'Horizon, then at Romanoff's on the Rocks, leave Palm Springs port the next day for San Diego and a delightful stay, sail party, dinner and dancing at Kona Kai Club.

Some Board Yacht

Some of those in the group who also boarded a yacht for a tour of San Diego Harbor and then went on by bus for an afternoon and evening at Disneyland Hotel (cocktails in the Presidential Suite and dinner in the Oak Room).

The William Ottos dropped by to say hello to the Wraithers (she is Bonita Granville, the actress) while the party was at L'Horizon and a lovely sunny afternoon was enjoyed by the Robert Andorsens, Monte Livingstons, Gens. and Mrs. Clarence Shoop, the Frederick Brissons, Dwight Hirsches, Art Linkletters, William Doziers and, among others, the Jack Hartfields.

Just for the Party

Mr. and Mrs. William Quinlan arrived from New York City just for the party and Mr. and Mrs. A. H. Meadows and Roy King from Dallas.

The invitations, may I add, also provided drawings of a wardrobe suggested by the thoughtful hosts for the men and women to take along.

to AMERITECH, HILTON HOTELS used PSI-HALL KIMBALL as their third party consultant. Prior to using PSI, HILTON used EMS out of Phoenix, Arizona, and prior to using EMS, HILTON used CONVERSE INCORPORATED.

During the later point of 1991, HILTON HOTELS INCORPORATED was in the process of conducting an exterior rehabilitation of the property located at 3000 Paradise Road. This rehabilitation which was referred to as "Phase One" involved the front face of the building, the lobby and casino area. It was during phase one of this project that two workers fell through the ceiling of the hotel into the lobby area. The third party consultant on this job was PSI.

The principal of HILTON INCORPORATED is BARON HILTON who is personal friends with celebrity ART LINKLETTER. LINKLETTER has an equity interest in an abatement and environmental company known as AC&C. During this period of time, AC&C had entered into a joint venture with SSII to perform abatement work throughout the west and midwest.explained that such a joint venture would have made sense from the standpoint that one entity might be licensed to do business in a number of states that the other
entity might not hold licenses for and vice versa. By forming a joint venture, the resulting entity would be able to perform abatement services in numerous states. stated that he did not know exactly how of SSI became acquainted with the principals and owners of AC&C. With respect to the preferential treatment that SSI was allowed, if they had not been related to AC&C and ART LINKLETTER.

With respect to the payment of prevailing wage to the workers of SSI stated that this was a difficult issue. explained that the State of Nevada is "right to work" state and therefore the hotel could not officially require the payment of prevailing wages. On the other hand, the town of Las Vegas is a strong union town and failure to pay prevailing wages could result in work disruptions, not just on an abatement project, but unrelated construction projects.

Office Memorandum · UNITED STATES GOVERNMENT

TO : Mr. Tolson
FROM : G. A. Nease

SUBJECT:

On the afternoon of March 11, 1958, Mr. E. H. (Dutch) Ellis of the McCann-Erickson Company, 50 Rockefeller Plaza, New York City, called at your office regarding two items he wished to discuss with you. Dutch Ellis for many years has been handling publicity and public relations matters for the Liggett Meyers Tobacco Company and has been most helpful in years gone by in promoting ventures in which the Bureau was interested, such as our major films on the Bureau, and he has done numerous favors for the Bureau, such as bringing Perry Como and the Chesterfield Supper Club to Washington to entertain at a retraining banquet of the FBI National Academy some years ago.

Ellis advised that the President of Liggett Meyers, Mr. Benjamin F. Few, has always been a great admirer of the Bureau and that anything which he, Ellis, could do to help the Bureau was thoroughly endorsed by Mr. Few.

The first item Ellis had in mind dealt with working up an institutional type advertisement for use in national magazines which would be a salute to the men of law enforcement by Chesterfield. Ellis had in mind utilizing a photograph of the Director at his desk with several action type training scenes of our Academy at Quantico where FBI National Academy men receive their training. You told Mr. Ellis that he could work up a dummy layout and submit it to the Bureau for approval and that, of course, we would not approve any layout which had packs of Chesterfields displayed or had any of the personnel in the photograph shown smoking Chesterfields; that any layout would have to be completely dignified and of an institutional type merely with the name of Chesterfield across the bottom of the advertisement.

You had Mr. McGuire show Ellis various action type photographs we have as stock shots of our facilities at Quantico, as well as several shots of Mr. Hoover at his desk. Ellis picked out a group of Bureau photographs to take back to New York for his art department to consider in selecting several for the advertisement.

people by Mr. Hoover personally. They are:

Arthur Godfrey
Steve Allen
Ed Sullivan

John Daly
Bob Considine
Lowell Thomas

(Each of these has received a book from the Director.)

Dave Garroway
Polly Bergen
Mike Wallace
John Wingate
Gizelle McKenzie
Frank Sinatra

George Gobel
Jack Webb
Eddie Fisher
Rosemary Clooney
Dr. Armand Hammer

(Information in Bureau files is either derogatory on some of these persons or their medium is such to preclude working in a reference to the book on their shows as they have shows on film or are of a musical type into which reference to the book could not logically be made.)

The following names submitted by Dutch Ellis are worthy of consideration, and Ellis suggests that the Director autograph copies personally to these personalities. It is noted that files reflect nothing unfavorable against these people and we have not up to this point sent books to them. They are:

Perry Como
Garry Moore
Jack Paar of NBC
John Cameron Swayze
Ernie Ford
Dinah Shore
Art Linkletter
Bill Leonard ("This Is New York," Sunday radio program)
Robert Q. Lewis, New York radio commentator
Bill Cullen, New York radio and television commentator
Walter O'Keefe of NBC
Al Capstaff of NBC who is producer of Walter O'Keefe's show, as well as producer of NBC's Monitor, with whom we have had a friendly relationship

Joe Culligan, National Broadcasting Company Radio Network in New York
Walter Cronkite, radio commentator
Bob Hope
Memorandum to Mr. Tolson

March 12, 1958

Ellis advised that the Director personally autograph books to:

Perry Como  Bill Leonard
Garry Moore  Bill Cullen
Jack Paar  Al Capstaff
John Cameron Swayze  Walter Cronkite
Dinah Shore  Bob Hope
Art Linkletter

but that he merely sign his name in books to go to:

Ernie Ford  Robert Eastman
Robert Q. Lewis  Joe Culligan
Walter O'Keefe  Arthur Hull Hayes

as the Liggett Meyers contacts with these people are with the producers of their shows rather than the persons themselves.

Ellis also stated that he could use 5 or 6 blank books (not signed by the Director) as stage props in various shows where a close-up shot would be taken and the Director's book would appear in the background.

If this is agreeable to the Director, Ellis stated the books should be sent to him in care of Nelson Schrader, 55 West 54th Street, New York City, as Schrader and Ellis' son-in-law, Jack Mann, would be doing the actual contact work personally. We have had Schrader and Mann visit the Bureau previously and they did a terrific job on the promotion of the Don Whitehead book through media such as Ellis has suggested above.

RECOMMENDATIONS:

1. It is recommended we provide copies of "Masters of Deceit" for this promotional purpose and that the Director personally autograph books to:

Perry Como  Dinah Shore  Al Capstaff
Garry Moore  Art Linkletter  Walter Cronkite
Jack Paar  Bill Leonard  Bob Hope
John Cameron Swayze  Bill Cullen

(Recommendations continued page 5)
Office Memorandum

TO: Mr. Tolson
FROM: G. A. Nease

DATE: March 20, 1958

SUBJECT:

You recall that Dutch Ellis had arranged for copies of "Masters of Deceit" to be sent to certain personalities in the entertainment field and the Director in compliance did autograph various books which were forwarded to Ellis.

Mr. Nelson Schraeder is doing the actual contact work for Ellis. Schraeder advised Mr. McGuire shortly before 4:00 p.m., today, that he had personally delivered a book the Director had autographed for Perry Como and that Como was most appreciative. Como told Schraeder he would try to work in an item on his show as soon as he could. Schraeder stated he had nothing more definite than this on Como but felt that Como would do something.

Schraeder also advised he had delivered the books to Al Capstaff and Joe Culligan at National Broadcasting Company. Both are very friendly. Capstaff, you remember, handled our Monitor program. Capstaff specifically asked if he could send an NBC man to Washington to interview the Director. McGuire told Schraeder this could not be done; that the Director was not giving any interviews. Schraeder stated that confirmed what Dutch Ellis told him but, since Capstaff asked that a specific request be delivered to Mr. Hooyer, he felt he had no alternative but to check with us. He was told this was perfectly satisfactory but the Director just would not be able to help on this point. Schraeder then stated he felt sure Capstaff and Culligan would work something in on their programs and, as soon as he definitely heard when they would do so, he would let us know.

Schraeder stated he had sent the books autographed to Dinah Shore, Eddie Fisher, Art Linkletter and Bob Hope to his West Coast representative and that so far he has not heard what was being done out there and probably would not hear until the first of next week. Schraeder stated he would keep us posted.

REQUEST TO MEET DIRECTOR
AND TOUR BUREAU

By letter to the Director dated 4-4-62, correspondent advised that he and his wife and their two sons, aged 6 and 9, together with Mr. and Mrs. Art Linkletter and their three children, plan to be in Washington on 4/17-18/62 in connection with a sightseeing trip they were making to Washington, New York and Williamsburg. Mr. Correll requested that he and the members of his party be afforded a tour of the Bureau. Mr. Correll also stated that he would appreciate having the opportunity to call on the Director at this time. The Director noted "OK, H."

BACKGROUND RE CORRESPONDENT:

Correspondent is a member of the well-known radio team, "Amos 'n' Andy," and is on the Special Correspondents' List under the first-name salutation, "Dear Andy." Freeman F. Gosden, who plays the part of Amos in this series, is also on the Special Correspondents' List. We have enjoyed cordial relations with them since 1935. Our files reflect that Correll and Gosden visited the Director in November, 1935. Since that time, both of them have appeared at the Bureau on other occasions. Mr. and Mrs. Correll and their children appeared at the Bureau in 1954, met the Director and were afforded a special tour.

BACKGROUND RE ART LINKLETTER:

Arthur Gordon Linkletter was born on 7-17-12 at Moosejaw, Canada, and became a naturalized U. S. citizen on 5-9-47. He is a prominent radio and television personality. In 1958, at the request of E. H. Ellis, McCann-Erickson, Inc., New York City, the Director personally autographed copies of "Masters of Deceit" for several celebrities which were furnished through Ellis' office. Linkletter was among those receiving a copy of the Director's book.
MA Jones to DeLoach
RE: CHARLES J. CORRELL

In 1959, Linkletter was the subject of a Fraud Against the Government investigation, Buffle 46-36108, in which the AUSA, Los Angeles, declined prosecution "due to nature of the offense." In connection with his position as a member of the board of directors of an electronics firm in California, Linkletter had executed a Personnel Security Questionnaire in which he falsely claimed no prior arrests. In fact, Linkletter was arrested by the U. S. Marshal, San Francisco, in 1942, on a charge of "False Affidavit of Citizenship." He received a sentence of a $500 fine or six months in prison. The fine was paid and he was released.

Our files also indicate that Linkletter was the victim in extortion cases investigated by the Bureau in 1954 and 1960.

OBSERVATIONS:

Our files contain no other derogatory information regarding Linkletter except as noted above. Considering the nature of this information, Linkletter's current national prominence and the fact that he will be accompanying Correll who has always been an excellent friend of the Bureau, it is not believed advisable that the Director decline to see him, since to do so would, of course, also necessitate declining Correll's request.

RECOMMENDATIONS:

(1) That the Director indicate a convenient time when he would be able to meet this group on 4/17-18/62 and that Mr. Correll be so advised when he telephones Mr. Hoover's Office.

(2) That a special tour be afforded this party.

(3) That the attached letter be sent to Mr. Correll.

ADDENDUM: CJH:jrb, 4/10/62.

Charles J. Correll and Freeman F. Gosden comprise the original "Amos 'n' Andy" radio team. When this show went on television, different actors were employed to portray Amos and Andy. Subsequently, the actor who had the part of Amos on television died. The original radio team of Gosden and Correll are alive today and furnish the voices on an American Broadcasting Company series, "Calvin and the Colonel."

MR. AND MRS. CHARLES J. CORRELL AND TWO SONS

TUESDAY, APRIL 17, 1962, 10:30 A.M.

The Director has indicated that he will meet the captioned individuals on Tuesday, April 17, 1962, at 10:30 A.M., and he has instructed that they should be given a very special tour. Mr. Correll, of course, is a member of the well-known radio team, "Amos 'n' Andy," and his name appears on our Special Correspondents! List under the first-name salutation "Dear Andy." Art Linkletter is a prominent radio and television personality.

Inspector B. M. Suttler of the Crime Records Division will meet this group in the Director's Office at the indicated time and take them in to Mr. Hoover's Office. After this, Mr. Suttler will conduct them on a very special, behind-the-scenes, tour of the Bureau. Arrangements have been made to insure that the youngsters in the party will receive used silhouette targets and empty cartridge cases, as well as appropriate reprint material, as souvenirs of their visit. In the event the Director desires that a photograph be made, a Bureau photographer will be standing by.

In line with Mr. Hoover's instructions, every possible courtesy will be extended this group to make their visit to the FBI a memorable one.

BACKGROUND:

Jones to DeLoach Memorandum of 4-9-62, captioned "Charles J. Correll, 10250 Sunset Boulevard, Los Angeles 24, California, Request to Meet Director and Tour Bureau," noted receipt of a letter from Mr. Correll requesting the opportunity to meet the Director and for a tour of the Bureau for captioned individuals on 4-17-62 or 4-18-62. It was pointed out that Correll was a member of the original "Amos 'n' Andy" radio team and was on the Special Correspondents' List under the first-name salutation, "Dear Andy." Since 1935, we have had excellent relations with both him and his partner, Freeman F. Gosden (Amos), who is also on the Special Correspondents' List. Both have met the Director on prior occasions.

It was also noted that Art Linkletter, prominent television personality, in 1958, received an autographed copy of "Masters of Deceit." It was one of several copies the Director furnished E. H. Ellis, McCann-Erickson, Inc., New York City, for delivery to several celebrities. In 1959, Linkletter was the subject of a Fraud Against the Government investigation as a result of claiming no prior arrests on a Personnel Security Questionnaire he executed in connection with his position as a member of a Los Angeles electronics firm. The Director indicated he would meet this group at 10:30 a.m., 4-17-62, and he instructed that a very special tour should be afforded. Mr. Correll will call the Director's office upon his arrival in Washington and will be informed of the above time.

ARRANGEMENTS:

Morrell to DeLoach memorandum of 4-12-62, captioned as above, pointed out that Inspector Bernard M. Suttler of the Crime Records Division would meet this group in the Director's Office at the above time and introduce these persons to Mr. Hoover. Mr. Suttler will then conduct them on a very special, behind-the-scenes, tour of the Bureau. The children will be given used silhouette targets, empty cartridge cases and appropriate reprint material. A Bureau photographer will be standing by in the event the Director desires a photograph be made.

MISCELLANEOUS RE LINKLETTER:

Linkletter, who has recently substituted for Jack Paar on the latter's night television show, presented on 4-2-62, an individual whom he introduced as a visiting Russian who then proceeded to propound the communist line in a Russian accent. The individual was then identified as an impersonator. The impersonation was most effective in contrasting the American and communist ways of life.

SUBJECT: SPECIAL TOUR

MR. AND MRS. CHARLES J. CORRELL AND TWO SONS
MR. AND MRS. ART LINKLETTER AND THREE CHILDREN

Today at 10:30 a.m. Inspector Suttler met Mr. and Mrs. Charles J. Correll, their two children, and Mr. and Mrs. Art Linkletter and their three children, in the Director's Reception Room. Mr. Stapleton in charge of the Tour Room had met them at the Ninth Street door and escorted them to the Director's Office.

They were introduced to the Director and a photograph was made in his office. Mr. Correll told Suttler that he was one of Mr. Hoover's greatest admirers as he has known the Director more than 30 years, since the time Mr. Herbert Hoover was president. All members of the group were very complimentary about the Director, how well he looks and how nice it was of him to take time from his busy life to greet them and have a photograph made with them. Mrs. Linkletter's first name is Lois and Mrs. Correll's name is Alice.

The group was given a very special tour of the Laboratory, going through all the rooms, Exhibit Rooms and later to the basement range where they witnessed two firearms demonstrations. Mr. Linkletter had to appear at the National Broadcasting Company's studio at 12 noon so arrangements were made for tour leader Lane Bonner to drive him from the Bureau to the studio at 11:45 a.m. Mr. Correll, his family and the Linkletter family continued the tour until nearly 1 p.m., at which time they departed so they could meet Mr. Linkletter at the Senate Office Building at 1 p.m. Charles J. Correll is a member of the well-known radio team, "Amos 'n' Andy." He is the "Andy" portion of the team.

Mr. Stapleton prepared five packages of FBI material including publications, targets and shells for each of the children which were picked up at the conclusion of the tour. They were quite thrilled at receiving this material as two of them wanted to make talks to their school classes on their tour of the FBI in Washington upon their return to California.

Suttler determined that the entire group will stay in Washington until Thursday at noon and are housed at the Statler-Hilton Hotel in Suite W-950.

Copies of the photographs are being sent to Mr. and Mrs. Charles J. Correll and Mr. and Mrs. Linkletter at their hotel suite in Washington.

RECOMMENDATION:

For information only.

It has just been learned that Art Linkletter appeared on the Capital by Lines today which is on WRC from 12:15 to 1:00 p.m. He was interviewed by Patty Cavin. She asked him the whereabouts of his wife and children and he told her they were at that moment probably watching an Agent fire on the range of the FBI; that they were enjoying a very thorough tour of the FBI and learning about the wonderful crime detection devices in the Laboratory.
Mr. J. Edgar Hoover,
F. B. I.,
Washington, D. C.

Dear Mr. Hoover:--

Due to the fact that you are the only one in your office that I think I know I am addressing this note to you personally.

My wife and myself, together with our two sons (ages 6 and 8) and traveling with Mr. & Mrs. Arthinkleitter to Washington, New York, and Williamsburg on a sort of historic sight-seeing trip for the children. Art will have three of his with him, so altogether, there are nine of us. We will be in Washington on the 17th and 18th of April and we would very much like to have all of us go through the F. B. I. About eight years ago Mrs. Correll and I were there with our two daughters and they really enjoyed the trip and still talk about it, so I know the boys will be thrilled to death.

If you can arrange this for me, or have one of your staff arrange it and let me know the best time on either of the two mentioned dates that is convenient for your people, I would certainly appreciate it.

And naturally I would like to say "Hello" to you if you are there. I remember very distinctly when my partner and I first met you (through Larry Richie) and you sent us to the hotel in your armored car. That was an incident in our life that we will never forget.

My home address is 10250 Sunset Blvd., Los Angeles, 24, Calif. Thanks so much.

Sincerely yours,

Chas. J. Correll

Linkletter is replacing Jack Paar for the next two weeks. Last night as a segment of his program, he offered a presentation about 15 minutes in length by Philip Conley, Cultural Affairs Planning Officer, United States Information Agency.

In introducing Mr. Conley it was pointed out that for some time now he has been traveling throughout the United States attending all sorts of social gatherings and meetings. He is introduced to the gathering as a visiting Russian and then speaks to them in a very good Russian accent. In his talk which is very effective he propounds the Russian communist line on a variety of subjects, ranging from the Russian attitude toward Hungary and including a discussion of free elections in Russia.

On last night's show Mr. Conley gave such a presentation. It was quite effective.

PURPOSE: To advise regarding Art Linkletter's television program, on CBS, 2:30 p.m., 4/27/67.

BACKGROUND: Art Linkletter, well-known television personality, had on his 4/27/67 program Evelle J. Younger, District Attorney of Los Angeles. Mr. Younger is a former Special Agent who resigned on 12/5/45. The program pertained to automobile thefts. Mr. Younger ranked automobile thefts as the number one juvenile crime and ranked it third among crimes committed in the United States.

The program in general consisted of an interview with Mr. Younger who considers automobile thefts as "a crime of opportunity" which for the most part involves juvenile offenders. The District Attorney explained most young car thieves begin by stealing vehicles for joy riding, then turn to stripping cars for profit and ultimately end up stealing the complete automobile for profit. He estimated the average loss to the owner per automobile stolen to be $200. The District Attorney stated he worried most about the juvenile car thief who initially does not get caught as no corrective action can be taken if the thief goes undetected.

Mr. Linkletter also had on his program with the District Attorney, an unnamed former car thief whose face was not shown to the TV audience during the course of an interview with him. This unknown thief was apprehended at the age of 15 years operating an automobile theft ring involving 25 subjects. Since his subsequent arrest and rehabilitation, this former criminal operates a legitimate $100,000 a year business employing seven people, is now married and owns his own home.

No mention was made of the FBI during the course of this program.
