Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

Re: Mr. [REDACTED]
[REDACTED] and Stereopsis Corporation

Gentlemen:

This office is general counsel to United Feature Syndicate, Inc., a New York corporation which syndicates the PEANUTS comic strip by Charles M. Schulz. I enclose herewith copies of bizarre correspondence that Mr. Schulz has received from a Mr. [REDACTED] of Eugene, Oregon. The correspondence has to be read to be appreciated. When you read it, you will see that Mr. [REDACTED] makes a number of comments with respect to President Reagan, all of which can fairly be characterized as nonsensical; however, they do reflect a very apparent hostility to Mr. Reagan. I have highlighted a few of the references for your review.

DE 244 9-0-27471
I suppose the probability is that Mr. [REDACTED] is harmless, though apparently mad as a hatter. Still, I thought it appropriate to bring these matters to your attention for your evaluation and consideration in view of the bizarre nature of the commentary. You certainly are in a better position based upon your experience than we are to evaluate whether someone like this is potentially dangerous.

If I can be of any assistance to you in connection with this matter, please let me know.

Very truly yours,

Dear Mr. Shultz;

I have attempted correspondence to you through United Features Syndicate, to where I have continued to have my rights to life, happiness, and productive gainful employment devastated due to your allowing the U.S. government to engage in scenario characterizations about those things of which the apartheid ethetics of Pagan Ronald presumes is a state free will and denial ethetic being your lord and savior as a man of estate executive privileges. Throughout the past twelve years, my mind, body and spirit have been continuously assaulted to where I am now definitely an endangered species living my life out in total stress and mind body dysfunctions. Your involvement with my personal matters of faith, belief and relations, is to me the most heinous altruistic intervention ever devised by a man who presumes that which you provide for your public to read is humorous, ethetical, or moral. Sublimation of any human beings personality without his consent, is evil, immoral, and psuedistic. My manuscripts have become personal ethetics of one pagan political whore who presumes its an ethetic to take from his citizens and derived apolitical, areligious, asecluar egotistical gratification by presumption of higher state controls. I have repeatedly asked my government not to sublimate me in any form nature, or matter of effect without due compensation for appeasing this executive privilege political whore. I asked for requites, and I got kicks in the head, stabss in the back, and gang raped, becuase of such higher estate executive privildged presumptions that theres gonna be some kind of ultimate new world ethetic, state, existence, where ronald is judged a man of great moral attitude. He is the most blind of all blind in his presumed nuclear might will make right, and as such, absolutely he is misleading the blind down bottomless pits, just as he as done to me physically, spiritually, and morally. As far as any legal quest that I am about to lay on you, you will be sure to realize, that yours', snoopy at the typewriter and other relationship characterizations being prompted into the mass media are being done so on a plane of astrological lunacy, which has not stopped, and you have not been morally concerned for who you allow such impersonal biased conspiracies to take and sublimate everything I live for.

9-8-87

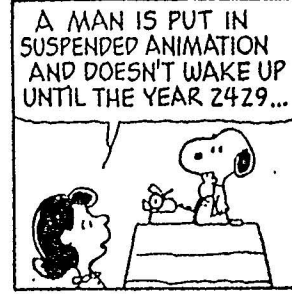

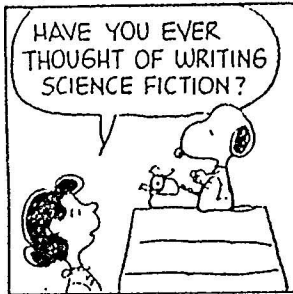

As an individual in this society, I see nothing worth dying for, especially to have my death caused by subliminal rat stresses. My personal family has never been totally aware of just what the US. government has physically done to rob me blind, and to where I am seriously threatened against my constitutional guarantees to have unalienatable freedom and liberty without some demagogue new wave nuclear propaganda terrorist can do anything he feels fit to do to any other person through his executive free press express. I am not stupid, just incriminated by apartheid ethics of this immoral society, which bases its highest judgments on ethics of physical facts. I have numerous physical facts against you for totally involving your life into mine with out due process of law, be it political, religious, or secular. I am there for laying down my defacto, mind fucking intervention from your estate world savior, Mr. Ronald Pagan, to where I will dethrone the US. government and toss its pagan ethics into a bonified thousand year lake of hades, for its immoral pseudistic higher state executive privileges aimed at abating, subliminating, and egotistically gratifying his pagan existence as being somehow higher than the rest of humanity, as a man of bigotted ethics and beliefs.

I am therefore departing some wisdom to you, you can take it, or leave it, but I assure you any more mind fucking snoopy at the typewriters is gonna become a hall mark of instinctual brainwashing delivered directly from your cohort and good/ bad guy president as being an apartheid political marking

After so many mindfucking instinctual markings, and after these vindictive continuance of lunar astigma provocations concerning this relationship, and historic religious act having been experienced under America as the land of the free, I will totally destroy that myth in my testimony about the center of Jerusalem's thousand year judgment that I, as a vicar, have morally been ushered into to provide for the multitudes of teeming masses yearning to breathe free and not become tools of exploitation, or state sponsored ethics, or jew bait for pagan war lords of any mog, or magog, entity.

So go take a hike, go jump in a lake, (of hades), and soak yourself free from that which I plan to circumvent due to our governments privileged free will and denial ethics, which ain't gonna do nothing but fuck man and nature's synchrony in god over for millennia to come. If your gonna believe its mere, unimportant or stupid, I will definitely call my hand and sue for brainwashing conspiracies, aimed at gaining an apartheid control over this free land under god, to where everyone will suffer, including your pocket book. I mean what I say, and say what I mean, and I will never ever give pagan laws, pagan morals or pagan society any acclaim except that its sins will be judged intolerable to the eyes of god's father, and his all seeing spirit, of which I proclaim to have innately been of. Evil must be fought, within and without, and your personal ideology pertaining to didn't do anything, will be judged evil. Thank You.

PEANUTS

BLONDIE

August twelveth, 1986, Snoopy at the typewriter, lunar astimga brainwashing ethetic of pgan reagan. Something to do with STar Wars supernature survial ethetics, where theres thousands of years of de-evlovution caused by power struggles, totalitarian religius stife, and mass human sufferage to where theres no sightful comming of any deliever of god, except the urogenics design of pagan mog ang magog, gentic engineering supernatures, to where every life is programmed and controled through hypnotic subliminal stimuli and to where everything of nature is no longer: of nature, but of artifical creation. This stimulus was a lunar astimga, and as such, it deserves the acclaim as being a judeas act pertaining to the rape of god. Wanta Bet;? I have not seen any repsonse concerning your statement or attorneys viewpoint pertaining to other defacto, in existence lunar astimga provsoksions against my person and nature, and this is just another series of mind fucking ethetics. I become totolly insomiatic, and did not rest until twilight dawn appeared that next morning. This is a rat stimulus causing the rat to lose it mentally, to where its mind- body synchrony is totally stressed and totally magnified 200 times over for psycho somatic illness derived from perceptual inducements, from super adnormal black and white stimuli destroying his rem sleep and seperating his mind from his personal orgainism physically. Stress kills, and this mind fucking lunar astigma is able, willing, and absolutely can kill an organism by incurred delimenas perceptually. You don't want me to fuck off and die now do we? So lets have an apology and tell the truth. Not the free will and denial presumption I got from my resppnse from you through United Features back which was to -me slander and libel bull shit responses.

PEANUTS

This is definitely a pagan regan ethic of copyright violation, of which He presumes he has ethical privilege to equate snakes with terrorists about the middle east, and to -where its a great defensive weapon to defend the zionist entity. My lunar myth and legend states just how to defend the zionist entity, on a new moon, and this was also a lunar astigma yoking phenomena to where I totally loss it again to nights in a row. Again twilight saved me ffrom physical stresses able to defy the logic of mortal lifes behaviors, and to lwhere I did not have any rem sleep due to these mind fucking interferences with my dream cycles. The next night was too much for me and my perosnal nature. I began to suffer heart anginas, and was forced to go the the emergency room for medication, a barbituate in order to fall asleep the unnatural way. Again, that following night I was forced to take another sleep pill in order to completely konk myself out into restful restitutions.

This was not comic releif for me, it was crazed mind fucking from your lord and savior, who gets every executive privildge to feed grape vines for egotistical gratification. The only thing wrong, is that reagans defensive posturing is not defensive, but hitlerish bliz creges trangressing all boundries, of self defense. What an estute religious bigot he got runing out nations military power sustems. If reagan is innocent, then tell him to stop feeding you things from my disertations of supernatural encounters fighting ill land evil with a stick. Ronald doesn't use sticks, he uses might to make right, and thats immoral when it comes to self defensive. Wanna bet?

BLONDIE

This was a tid bit from reagans views pertaining to what I should or should not allow the other have of this starcrossed relationship to get in way of conditional control. She takes the pill, writes her angelic encounter to where she states a fall in grace, and wants unconditional love, not creative power over my geneological inheritance. Thats a god law Mr. Shults, and a power of contractual a greement. She stars, she get payed, she works, rights, and takes on coporate responsibliities she gets paid. Not power, not something for nothing, and certainly not any apartheid contröl over my rights to have a family and believe theres a future for my adopted childern in view of religious royalties like other so called religious kings and prophets. Thats my ideal of my american dream, not hers, she is not even in synchrony with anything I experienced being an innate form of vision, wisdom, and relative truth of man, nature and god from common sense frames of references. Should I ever believe or find out she has sent me her reply while being in Isreal through your grapevine, I will net her a blow in the head, a pergetory with a knife in the belly , and a kick in the cunt. If not, she will let me know she has had nothing to do -with reagans involvement with our lifes, our fortunes, and our sacred realm. We do not need to be scorned tornmented .or pursued for evil illls, becuase we are the innocent, we are the choosen, and we are mortally superior. Thank You.

DEPARTMENT OF HEALTH AND HUMAN SERVICESSOCIAL SECURITY ADMINISTRATION

FOR [] CASE SUIT

I have been treated with psychotropic medications prescribed by [] Mental Health Division, and by other local counselors over the past twelve years to deal with a variety of perceptually induced emotional problems, now incurred as a painful neck dysfunction arising through the subconscious that has experienced a variety of media creations and their perceptual influences. Such as been a physical-emotional trauma for me with painful consequences having arisen through numerous depictions about my character as subliminally induced effects derived through some haneous executive beliefs by a privileged few who's excuses to manipulate me in such a manner has been due to an historical event and encounter influenced by a naturally occurring affective emotional state which took place some twelve years ago and ended in an unrewarding relationship.

Such executive media privileges by these few have done so against the rights of my individuality which has continued to cause an abuse of my personal affective states and beliefs to where I claim such to be a haneous injustice and cruel behavioral manipulations from those who have persuaded others to create such subliminal characterizations towards my behaviors and emotional moods inducing an effect of emotional adnormality from these characterzations resulting in an inducement of subconscious neck pains as an emotional dysfunction, all solely caused and derived by such haneous academic, political and religiously manifested evoksions from a privileged few who to this day beleive me to be of some haneous religious or politcal beliefs and acts pertaining to my individuality. Due to a time and place once stated, I have be me a victim of academic apolitical and areligious escapement due to thi unrewarding relationship some twelveve years hence. Over these twe eve gone by years I have been subconsciously yoked and induced into these emotional and physical states by their abuses of xecutive authority, all becuase they desire to effect control and response from me for their claims of egotistical intervention and their outrageously ofiented apolitical and religious persuasions by which they all presume they have an actual authoritative right to provoke response from me in a manner of emotional and physical arousal.

Since my prognosis for controllas through medicine treatmets for such an emotional aliement has been derived by continous prescription of a psychotropic medicine in order to treat these emotional effects add physical symptoms. I am prescribed a certain type of medicine, MOBAN in 50 mg pills, to where I take 150 mg at bedtime. I buy this medicine on my own out of my monthly earned income at a cost of 28.09 per 50 pills. I spend 6000 per month on medicine to help combat these perceptual inducement:with no substantial end in sight through the haneous beliefs of a privileged few.

[] Mental Health Clinic under the supervision of Dr. [] prescribes MOBAN to help alieveate these emotional pains. I recieve counseling through a registered psychotheary t, a Mr. [] to treat my personal needs to deal with these haneous subliminal media provocations arising from behavioral manipulative techniques and their controls. All of these stimuli and character references has seemed to have regular onsets in terms of seasonally and lunarly presented stimuli causing psychological inducements about my personality.

Mr. Regan cut social security recieptents injustly and I became a personal scapegoat of his presumed authority of intervening in these past twelve gone by times and places. After being unable to achieve any actual substantial economic gain through the termination of my disability benifits as of 81, I began to experience servere emotional problems because of an economically deprived state. I wound up under a vocational rehabilitation plan through [] in 1983, where Under this training I was placed into a partime dishwashing job an a half-way apartment complex where I would have to pay 1/3 of my earned income as rent.

In order to find further work opportunities, I was granted a tax exempt employment status, whereby I could give an employer an incentive to hire me for tax relief. I accepted competitive working conditions of most unfavorable circumstances for my mental and emotional disabilities by accepting grave yard shifts at a local 7-eleven store. I lost this job due to an anxiety mood swing, and also lost another 7 - eleven job due to a phenomena in which certain amount of media propaganda triggered personality idiosyncrasies in the forms of free speech. I have been on unemployment twice in the past year. but have managed to find work related employment ~~to where~~ I am now working 30 hours per week as a parking lot attendant for [redacted] out at the [redacted]

For the first three months I worked there, Jan -March, I was getting 20 hours per week, at which time the [redacted] act and right to redetermination came in the mail. I filed for a rehearing but did not understand at the time how long the process was going to take for rehearing and redetermination. A few months later, in June, I sought to be reinstated as allowed by law. Not only must I pay for medicine and therapy, and of course rent. I am not receiving over actual equitable incomes or substantial economic gains.

My earnings per month average between 350 and 400 dollars take home for the past four months. I am emotionally disabled, being physically and mentally abused by an injustice of free will authority for their presumed rights of using my individuality to fulfill their haneous egotisms.

Here is a break down of my treatments, and welfare livelihood for the present month of August.

Earn income:	400 dollars from [redacted]

Therapy	40 per month Mr. [redacted]
Rent	39 dollars, adjusted as of Fed 85. 1/3 income earned
Other	30 dollars social fee, [redacted]

My car insurance is 260 dollars per year and ready I have spent some nearly 300 dollars on car upkeep. I do not have any medical or life insurance or property coverage.

PLEASE REINSTATE MY RIGHTS TO RECLAMATION IMMEDIATELY

Sincerely,

STEREOPSIS CORPORATION

Dear Mr. Shultz, Sir;

I am addressing this letter as a means of seeking adequate redress for unseen provokisions against my person, my nature, and my constitutional guarrantees. I pertain to your allowing aduses of characterizations of my yoked personal responses to others, where by they have given you the right to make absurd characterizations of my responses to them of which I have made unconditionally to these few heinous egotists with you making character depictions of snoopy placed into fixsated, time-placed displays programmed through your copyright, utilizing certain love manifest phenomena which has references of my personal and spiritual states, of which these propaganda displays are to me a perfunction of love sickness, from which I have suffered a great deal of emdtional pain, neglect, and conspiracy from.

Ever since Mr. Reagan became president in 1981, I have been undauntedly assaulted, accosted, and have had my emotional states raped by pseudistic mass media character assassinations, all because of his presumed executive free will privileges to persecute and intervene in my personal existence for these years gone by encounters and emotional states which were of the divine. His presumptions are that I am somekind of satanic deity fer having been choosen in God, And my relations to these phenomena are percentual divinitives of God, man, and nature, and they should not be taken for light or trainsent causes, or to become view as being somekind of sickness or pertaining to matters of the absurd, either in form or nature.

I have never been able to make these things public, because of the facts that this nations administration fully supports terrorism as an executive free will. Free will and denial is not deterministic of anything, and I don't want to go into detail about who's right, has more morality, or of higher ethics.

The point is. I have continuously been assaulted, demeaned, and transgressed upon until I am no longer gonna turn the other cheek and allow these few more heinous incriminations and give them more propaganda to aim at me perceptually when they are demeaning and designed to rape my emotional states. I do not have rights to happiness, rights to life, or rights to determine my own american dreams. For such is exercise to me.

Since Reagan abused my and assaulted my character by allowing CIA operates to use my family's name to spy on libians, during the summer of 81, and he presumed that my personality was some kind of [redacted], and since I happened to talk to researchers at Los Alamos, during that December of 81, he attempted to assassinate my character on Saturday night Alive. believing that I was somekind of flesh and blood existence of the 'Keys of Satan'. a far right apolitical-religious prescription of demonic doomsdayer [redacted] of whom I call I total religious fraud.

If according to these people, I am somekind of demonic deity, then they have raped me and I have nothing to experience by bitter alienation and distress and experience bottomless pits emotional states, when this is not a correct word of the bible or revelations.

I have sought to fulfill a life with the other half of this starcrossed state and do believe in the golden rules. Because of these executively privileged subliminal treatments of my life and their excuses to provoke my god will down the tubes of world zionism, I have become an invalid in society, crippled by their brainwashing treatments, and sentence to geneological extinction, for nothing more than having been apart of one of Gods most divine acts pertaining to the divine.

When Nixon was in office during the 70-73 term, he personally assaulted me after learning through his grapevine about these miracle states and their extinctions. In a set up entrapment through taping my unconditional speech on April 13th, 1973, he took me for a criminal and I was set up for hospitalization under his executively privileged law of parens' patriae, where I was accosted, raped, and physically drugged, and he erased any and all disclosures about this even due to separation of church and state.

Since the inception of my copyright materials that I had planned to depict, they fell into the hands of pagan politicians, and academic whores of whom they all thought to seek you out to use your talents as a means of effecting me in terms of subliminal sick humor and incriminate absurdity. Love madness is not something deterministic of new moon lunacies, and each of your sneaky scenarios since Feb 82, have been displaced and administered on such a lunar time sequence. All of these things are conditional stimuli which sneaky engaged in statements of love madness, or relationship factors, or even my personal business prospectus, all of which are based upon my own scenarios and frames of reference from my manuscripts. This is free will and denial on your part, and sneaky at the typewriter has been explicitly invented from Les at the typewriter which is to me the mark of a rightwinged republican with demonstrability towards me with the same personafide markings.

I therefore seek a written retraction and sincere apology from you concerning these provocations, stating you plan to end these sneaky's at the typewriter, and anybody else's personified acclaim to abuse your copyright to mark other persons and the like.

I experienced an extreme peltergiest damnation through a black and white T.V. dimensionality from a Saturday Nite telecast on December 10th, 1981, and was hit satanically below the belt to where I lost all love affective states because they assaulted my personal existence and demanded evidence to their character assassinations of my moral character and personal experiences. Even throughout Nixon's and Ford's era, I was subject to black and white dimensionalities through Funky Winkerbean, which appeared in Dec of 74, and lasted until the time I fought off all attempts of their heinous characterizations and perceptual animalities they displayed me as.

The main thing that I have experienced is a perceptual state of starlight during the night time dimensions, and these artificial; adnormal stimuli are pseudistically inducing, and now because of your onslaught of using me for abuses of snoopy's characterizations from my affairs, I am seeking retraction of all snoopy's at the typewriter in conjunction with any lunar astigma that you might allow so that these heinous egotistical executives with their propaganda techniques aimed at me, is nothing more than a brainwashing conspiracy to me. If not, I call this type of propaganda behavioral yoking and a form of evil and will seek serious redress through the courts for multi-million dollar law suits against these self appointed instructional markers for emotionally raping my mind, body and spirit, and I will seek these heinous cripples out for punishment.

I do not have rights to happiness, nor rights to life, nor any means to fulfill my own American Dream. I was sent to hell, and I am calling further heinous mind, body, spiritual yoking anti-god, anti-christ, and mean to establish these heinous apolitical, areligious markings as bleed libel.

Unconditional love of God, man, and nature has nothing to do with some crazed animal fucking behaviorists who believes he is God, and I am some kind of scum Jew. I have repeatedly told this egotist I do not want a relationship with him, I must call him a fraud for his presumed acclaim of intervening and raping me as some kind of revealed beast.

Since February the 14th of 85, Valentines Day, with snoopy at the typewriter, my responses have been continuously yoked as an assault on my moral character with Dear Sweetheart. From this day, you have jumped from conditional new moons, to full moons and I'm calling it defamation of my character should you permit use of this type of involvement using snoopy at the typewriter, or I will sue. These things are not comic relief to me, and you have yoked and evoked mind-body pains over my emotional psyche and I seek an end to these scenarios of the typewriter and any other lunar presumption of marking my responses as character references for your copyright productions.

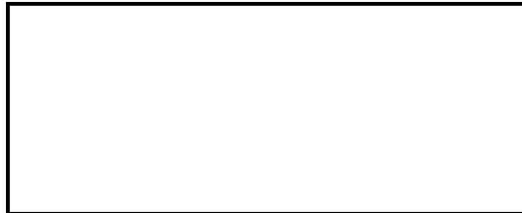

On this friday the 7th of 86, again a new mean absurdity was displayed with sneaky at the typewriter and I was painfully yoked into subliminal pain and mind body insomnia. Your removal of Dear Sweetheart did nothing to alleviate my alienations and dissonances, and you and others presume these are the causes of this continued ongoing propaganda scheme of yours.

My constitutional rights and civil guarantees have been continuously been pushed under and these apolitical, areligious usurpations are evil to me, and I've become intolerant of others victimizing my views, rights and individuality. Failure to comply will result in a legal redress for these provocations that will ruin your so called copyright accords as being somekind of an established american institution, born and bred as an American under this nations constitutional decree as a land under God.

Acordial and sincere acknowledgement is requested to resolve this indictment against you and your apartheid acclaims as being innocent.

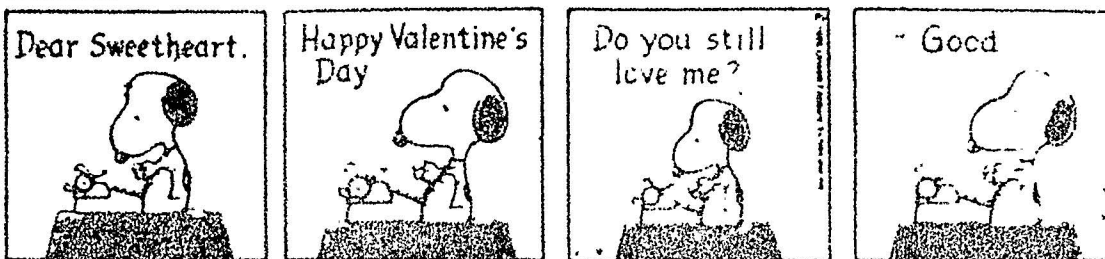

Please recognize the truth, because it is a pain in the neck to me.

Respectfully;

Agent and Inventor of the Stereopsis.
