Details: At Washington, D. C.:

Pursuant to the service of a subpoena duces tecum taken on Mr. JOHN McCORMICK, Vice-President and Cashier, Riggs National Bank, 15th and Pennsylvania Avenue, N. W., Washington, D. C., the records of the Riggs National Bank pertaining to the accounts of ALGER and PRISCILLA HISS were examined by Agents of this office. These records were maintained at the Farmers and Mechanics Branch of the Riggs National Bank located at Wisconsin Avenue and M Streets, N. W., Washington, D. C.

The said records of the Riggs National Bank reflect that on November 4, 1936 ALGER and PRISCILLA HISS opened a savings account, account number 10931 at the Farmers and Mechanics Branch, Riggs National Bank, Washington, D. C. with a deposit of \$300. The signature card for this savings account reflected that ALGER and PRISCILLA HISS resided at 3415 Volta Place, N. W., Washington, D. C. According to this card, ALGER HISS was born on November 11, 1904 at Baltimore, Maryland; his mother's maiden name was MARY L. HUGHES; his place of employment was at the Department of State. PRISCILLA HISS on her signature card for this savings account indicated that she was a housewife; born October 13, 1903 at Evanston, Illinois. Her mother's maiden name was SPRUILL.

A checking account was opened by PRISCILLA and ALGER HISS at the Farmers and Mechanics Branch of the Riggs National Bank July 24, 1933. On this signature card ALGER and PRISCILLA HISS gave as their residence 3411 O Street, N. W., Washington, D. C. and their bank reference as the Corn Exchange Bank and Trust Company, Manhattanville Branch, 125th Street and Broadway, New York City.

On October 6, 1943 ALGER and PRISCILLA HISS negotiated a loan through the Riggs National Bank, Washington, D. C. for \$6,000, which loan was to be repaid in monthly installments. On November 14, 1947 there was outstanding a balance of \$3,641.26 on this loan. On this date ALGER and PRISCILLA HISS paid off in full the balance remaining on this loan. On July 29, 1933 ALGER HISS signed a "power of attorney to collect money due on disbursing officers' checks", making the Riggs National Bank, Farmers and Mechanics Branch, Wisconsin and M Streets, N. W., Washington, D. C. a true and lawful attorney to endorse ALGER HISS' name to collect money due on checks drawn in his favor by any disbursing officer of the United States. This power of attorney was signed on July 29, 1933 by ALGER HISS in the presence of two witnesses, namely, CECELIA and THERESA CONNOLLY, and sworn to before a signature which appears to be S. S. SINGIETON, a notary public in Washington, D. C. On July 28, 1938 a second power of attorney was executed by ALGER HISS in the presence of LYNN O. de LASHMUTT, a notary public in Washington, D. C. At the present time Mr. de LASHMUTT is the Manager of the Friendship Branch of the Riggs National Bank located at Wisconsin Avenue and Warren Streets, N. W., Washington, D. C. At the time that this power of attorney was executed, Mr. de LASHMUTT was Assistant Manager of the Farmers and Mechanics Branch of the Riggs National Bank.

Photographic copies of these power of attorneys have been forwarded to the New York Office. The original of the power of attorney dated July 28, 1938 has been submitted to the Bureau Laboratory for handwriting comparison.

The records of the Riggs National Bank reflect that on October 14, 1935 PRISCILLA HISS gave her address as 3415 Volta Place, N. W., Washington, D. C. and rented a safety deposit box, number 423, at the Farmers and Mechanics Branch of the Riggs National Bank, Washington, D. C. On July 25, 1939 PRISCILLA HISS appointed ALGER HISS as a deputy authorized to enter the safety deposit box. From 1935 to October 14, 1946 regular payments for rent of \$5 per annum were made to the Riggs National Bank. The last payment was made on October 14, 1946. There is in the files of the Riggs National Bank a surrender of the safety deposit box signed by PRISCILLA HISS on which no date appears. Photographic copies of the safety deposit record are being submitted to the New York Office.

There is being transmitted herewith to the New York Office a photographic copy of a letter dated January 3, 1948 from ALGER HISS, 22 East Eighth Street, New York 3, New York to the Riggs National Bank requesting information as to the interest credited to his savings account during 1947. This letter is handwritten on stationery printed with the address of ALGER HISS. Attached to this is a photographic copy of the answer from the Riggs National Bank dated January 6, 1948 to ALGER HISS.

There is also a letter dated January 13, 1949 typed on the stationery of the Carnegie Endowment for International Peace, 700 Jackson Place, Washington, D. C. to the Riggs National Bank, forwarding check number 38375 in the amount of \$716.93 to be deposited to the credit of ALGER HISS.

The analysis of the savings account of ALGER and PRISCILLA HISS at the Farmers and Mechanics Branch, Riggs National Bank, Washington, D. C. reflect that this account was opened on November 4, 1936 with a deposit of \$300. The following is a list of the deposits to this account from November 4, 1936 to date, together with such information as to the source of these deposits as was contained on the deposit slips:

It is to be noted that the recordak films of the Riggs National Bank for foreign items are destroyed 3 to 6 months after the date of the deposit. Consequently, no information could be obtained as to the exact nature of the deposit to this account.

It is further to be noted that there has been no activity in this savings account of ALGER and PRISCILLA HISS since September 10, 1947 with the exception of the crediting of interest to this account. The balance in this account as of October 1, 1948 amounted to \$3,441.82.

For the information of all offices, particularly the New York Office, the following is a listing of the withdrawals from the savings account of ALGER and PRISCILLA HISS, setting forth the date of the withdrawal, the amount, the person signing the withdrawal slip and the balance in the account after said withdrawal. This information was obtained from the withdrawal slips of the savings account maintained at the Riggs National Bank, Washington, D. C., photographic copies of which are being transmitted to the New York Office with copies of this report.

The withdrawal of \$400 on November 19, 1937 is probably part of the \$500 which WHITTAKER CHAMBERS alleged he received from PRISCILLA HISS early in 1938 which was to be used to purchase a car. It is to be noted that after this withdrawal the balance in this account amounted to \$40.46. This withdrawal of \$400 is supported by a withdrawal slip in that amount on the account of ALGER and PRISCILLA HISS, Farmers and Mechanics Branch, Riggs National Bank, which withdrawal slip is signed by PRISCILLA HISS. The original of this withdrawal slip is being maintained at the Riggs National Bank. Photographic copy of this slip is being forwarded to the New York Office.

The checking account of ALGER and PRISCILLA HISS at the Farmers and Mechanics Branch, Riggs National Bank was analyzed from June 6, 1934 to February 4, 1949 in so far as deposits to this account were concerned. It is to be noted that this checking account was opened on July 24, 1933. There are no records at the Riggs National Bank on the account of ALGER and PRISCILLA HISS prior to June, 1934. The description appearing on this analysis as subsequently set forth is that appearing on the deposit slip. There is no further details available inasmuch as it is the policy of the Riggs National Bank to destroy the recordak film of foreign items within a period of 3 to 6 months after said items have been deposited, inasmuch as they feel that these film serve no further service. Local items are not recordaked at any time by the Riggs National Bank. It is to be pointed out further that on some occasions deposit slips could not be located in the files of the Farmers and Mechanics Branch, Riggs National Bank and where this situation arose, a blank space marked by an asterisk is left in the following analysis indicating that such deposit slips could not be located:

It is to be noted in the foregoing analysis of deposits to the account of ALGER and PRISCILLA HISS, that the deposit slips supporting the deposits to this account carried as identification a symbol number used by the American Bankers Association to identify banks. . . . These numbers used on the deposit slip by the depositor to this account were tied into the bank indicated on the above schedule by use of the "key to the numerical system of the American Bankers Association". In some cases the number placed on the deposit slip could not be identified in this key of the American Bankers' Association. In such cases the number used on the deposit slip was placed in the column headed "Description" in lieu of any further identifying data.

In some instances the depositor to this account did not use the key but sufficient information was written thereon in some manner to identify the bank which was the source of this deposit.

Deposit slips without any descriptive data whatsoever were marked for the purpose of this schedule as "unidentified".
