For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request number listed above has been assigned to your request. Please use this number in all correspondence concerning your request.

Please be advised that if you are seeking a new search for records, you may wish to narrow the scope of your request based on material that you have already received, e.g., timeframe or locality. Additionally, be advised that "unusual circumstances" may apply. See 5 U.S.C. § 552 (a)(6)(B)(iii). These "unusual circumstances" will delay our ability to make a determination on your request within 20 days. See 5 U.S.C. § 552 (a)(6)(B). Additionally, the payment of pertinent fees may apply to your request. See 5 U.S.C. § 552 (a)(4)(A)(viii). The application of "unusual circumstances" is not a determination of how the FBI will respond to your substantive request.

If you are not satisfied with the Federal Bureau of Investigation's determination in response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an

appeal through OIP's FOIA STAR portal by creating an account following the instructions on OIP's website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within ninety (90) days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so it may be easily identified.

Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

COMPUTER INTRUSION - CRIMINAL

Synopsis: To request opening of case.

Details: On 1/09/2012, FNU LNU phoned the Citibank customer service department and successfully changed the address on ex-Microsoft executive Paul Allen's bank account. On 1/12/2012, FNU LNU successfully ordered a replacement debit card and had it FedEx'd to Pittsburgh, PA. FNU LNU was able to provide the SSAN, date and birth, and other signers on the account. The card was activated on 1/13/2012 and several purchases were made in excess of \$600.00. One trasaction appeared to be a credit card payment for an account with the same address where the debit card was deleivered.

A public records check of the Pittsburgh address identified several out of state addresses associated with it including that of [REDACTED]

It is expected that the personal information regarding the Allen account was obtained via computer intrusion.

Based on the aforementioned, writer requests that a case be opened.

C : Alright, thank you, just a moment. (Pause) Alright, well due to the fact that the address was just recently updated we have to go through an additional identification process, OK? Can you hold for a minute please? Hello?

S: Yes.

C: Mr. Allen, so... because the address has actually recently updated, what I'm going to have to do is, um, going to have to do, uh, do an additional identification process, can you hold for a minute please?

S: Ok.

C: Alright, thank you.

<hold music>

C: Alright, thank you so much for patiently waiting. Ok, so this identification is multiple choice. I'm going to read to you the um...the questions and selections. You tell me what to select, OK? Uh, please select the year that is closest to your year of birth: 1950, 1953, 1960, 1972, 1981, or none of the above.

S: You're asking me what year I was born?

C: It's, eh, this is what we're asking you. Please select the year that is closest to the year of your birth.

S: I was born 1953.

C: You said 1963 or 53?

S: Fifty. Five Three.

C: Alright, thank you. Just a moment. Which of the following corporations have you ever been associated with? A to Z Consulting Firm LLC, Esometrics Corporation, Loan Star, Swuco and I'll spell that. W... I'm sorry s-w-u-c-o, or I have never been associated with any of the corporations listed.

S: I, I, I never...I don't recognize none of those. Could you

repeat those?

C: Thank you. Which of the following people have you known?

S: Man, I could barely, I could barely hear you, man I can't even hear you.

C: Alright, which of the following people have you known?

Again. _____

_____ or I don't know any of the people listed.

S: _____

C: Hello. You know _____ is that what you're telling me?

S: I know a I know a _____ I don't understand why I have to answer. What are these questions all about?

C: These questions are questions that only you should know the answers to, based off of different records, um, so, I mean, that's why there is a none of the above so if you don't recognize any of these names you would select none of the above.

S: I don't rec, I don't recognize none of these names I can't, I just don't remember them.

C: OK, that's all I need, that's...alright, which of the following corporations have you been associated with? Berdins, Colorific Cards, International Food Incorporated, Vulcan?

S: What? Vulcan.

C: Vulc... so you're saying you're familiar with Vulcan?

S: Yes, I'm familiar with Vulcan Capital.

C: Well this one is Vulcan Real Estate.

S: What?

288A-PG-79713

Continuation of FD-302 of _____, On 2/21/2012, Page 4

C: Vulcan Real Estate.

S: I know, I'm, I'm not, I recognize Vulcan if you're asking me that.

C: That's Vulcan Real Estate.

S: I don't recognize...

C: Or I have never been associated with any of the corporations listed.

S: I have an association with Vulcan Capital.

C: OK, what about Vulcan real estate?

S: I don't, I don't recognize Vulcan real estate.

C: Ok, thank you. Alright, so, so the verification was unsuccessful, we can't order a card to that address until it's been on file for at least 30 days or unless you can pass this verification. Being that you're private bank... you have one other option, that's to give us a call during private bank hours because they close at 5 pm eastern time, ah, if we can speak with your private banker, um, then we may be able to get it overridden that way. But, we won't, we won't be able to order a card today.

S: Why not?

C: Because, the, you didn't pass the verification.

S: I didn't pass my verification. Are you serious?

C: Yes I am.

S: Wait, wait... would I be able to go to the bank?

C: If you go to the bank then yes, you would be able to have it done that way. The reason why it's like this is because it's over the phone we have to take extra security precautions. But when you're there in person then there's not so much red tape because you take physical ID and then they just send the

card to the new address, but because the address has just recently updated we can't, um, just send a new card out to the new address without addition, without additional verification.

S: Ok, I'll just... as long as I can just go to the bank, I'll just do that.

C: Alright, well I do apologize for the inconvenience do you have any further questions or concerns I may address for you today?

S: No.

C: Alright, Well thank you for calling and you have a good day.

C: OK

S:

C: That the only number you have?

S: Yeah, that's, that's my, that's my direct number.

C: Alright, I'll go ahead and update it to that, and you should have everything updated, OK?

C: That is what we, what I have, yes.

C: OK, so a replacement, if you are asking for a replacement debit card or credit card.

S: Uh huh.

C: OK, so, uh...what kind of replacement card are you asking for? I mean if there is a card compromise on your account, then the replacement card will be overnighted to you. I don't know, I mean if you are proactively asking for a replacement card we can send it to you, we can overnight or...

C: Yes, 24 hours. Correct sir. So, at the bank you will be getting a temporary card, so what I can do is I can order you a card and I'll send the card to you by regular mail and in the mean while when the card is coming at your mailing address you can go to the branch (unintelligible)...

S: Ok, alright, I'll take the...If I can get my debit card in 24 hours the next day... I'll, I'll do that.

C: (unintelligible) purchases, so while the card is on the way you can very well use the temporary card at an ATM to withdraw cash.

C2: Ah, you won't be able to actually use the online access because it doesn't look like you have an active PIN right now.

S: OK, so, how, what am I doing wrong? Do I have to sign up or anything or?

C2: Basically you, you need an active card PIN and account number to be able to create a user ID and password. Um, I don't show that you have an active PIN right now. So you would basically have to, I can mail you a PIN or if you can visit a branch, you can pick your own PIN.

S: I'll, I'll just come into the branch.

C2: OK. What I recommend is while you're there, ah, not that they're trained specifically in the on-line access, but they can help you to set it up while you are there also.

S: Yeah, I'll get it, I'll get it set up and everything.

C2: OK sir, do you have any other questions <unintelligible> or concerns?

The Eastside Neighborhood Employment Center (ENEC) and the Neighborhood Learning Alliance are all part of the Bloomfield-Garfield Corporation.

The ENEC housed an Internet computer lab that was free for anyone to use. To gain access, an individual must first fill out a paper application which was then entered by ENEC staff into a database. The registrant would then use a lab computer to fill out an online application to gain a computer account. Each user is required to have their own computer account. The computer systems did have a legal disclosure notice. In order register or obtain an account, no identification was required or checked. To access the computer lab, a user would enter the center and sign in at the reception area. The staff was supposed to insure that all visitors signed in, but if a staff member was busy, a person could enter without signing. Computer access required the use a login and password during each session.

The ENEC registration database was a work in progress. At some point, an additional field was created to denote the date that an application was filled out as opposed to when it was entered into the system. The new field was manually entered for records that existed before the field was created.

[redacted] handwritten application included the following information:

(Another Citi representative is contacted)

C2: Thank you for calling Citi Gold Help Desk, my name is [redacted] how are you today?

C: I'm doing fine [redacted] how are you today?

C2: Good, thank you for asking. How may I help you today?

C: Uh yes, my name is [redacted] with Citi Gold in Florida. Um, just a quick thing here. Um I have a private bank account with a substantial amount of money in there, I'm talking about almost about 70 million dollars. Um I have a gentleman on the phone and I'm reading some notes here that he was transferred from Citi phones. I already ID'd the gentleman on the account since he's private bank um...

C2: Ok.

C: Uh, the gentleman on the phone is wanting to find out if two different deposits have come in from E-trade, like trial deposits. Now I'm a little uncomfortable because whenever I look at the trial deposits, they say Scott Trade, not E-trade, and since previous accounts were closed because of fraud, um I'm kind of like really uncomfortable with you know...

288A-PG-79713

Continuation of FD-302 of _____, On 2/27/2012, Page 14

C2: So, did you, so he...

C: Should I give him...cause I haven't told him. Because I told him, cause like well he's buying this from E-trade I was like I'm sorry...

C2: Why don't you ask him what, what the amounts were, what the amounts were.

C: Well he can't even give me the amounts because he says that uh they said that they should have been like under a dollar so I mean and his numb...the, whenever I look at the phone numbers that we have on file, there's only one and that phone number is not even matching with the phone number that he's calling in from and I just tried calling the private bank uh the private bank his private, or whoever's the private banker that handles this account and they're not, they're not picking up their phone. So...

C2: Uh huh. So the person that's on the line, you ID'd him completely?

C: Yeah, he passed verification but the only thing is I'm not comfortable you know giving him that information because the trial deposits say Scott Trade, Scott's trade, not E-trade and he told me they're for E-trade, so...

C2: Ok, so just...I mean, if it, ok let's just take the 70 million out of the picture, if it was another customer that had ten thousand in it...

C: I wouldn't...I wouldn't give him that information just because he's so...cause I asked him two times I'm like and what was the name of the whoever supposed... he's like E-trade. I'm like are you sure it's E-trade? He's like yeah yeah yeah it's E-trade, so...

C2: Ok so then tell him there is none there for E-trade.

C: Ok...

C2: Cause that's what he was wanting to know right?

288A-PG-79713

Continuation of FD-302 of _____, On 2/27/2012, Page 15

C: Yeah. That's true.

C2: If you're uncomfortable with giv...something I mean don't let him know there's some Scott trade ones, just don't even bring those up. Just say no sir, I don't see any, I don't see any transactions for E-trade.

C: Ok, alright. And I'm just going to try and contact somebody at the private bank.

C2: Sure.

C: I'm going to try contacting somebody else at the private bank office to take a look at that.

C2: Uh, if you feel comfortable, sure. I mean if that makes you more comfortable absolutely.

C: Ok ok, I'll just (U/I)...

C2: But as far as those two transactions are...yeah, just tell him sir I apologize, I looked over the account there are no transactions for E-trade and nothing's come through at this point.

C: Ok. Alright. Sounds awesome, thank you. Have a good day.

C2: You're welcome.

(Call resumes with subject)

C: Um, Mr. Allen, thank you so much for patiently holding I appreciate that. Ok, I could not find anything from E-trade at all.

S: You don't...you didn't find anything less than a dollar that was deposited into my account?

C: No sir, I'm not showing anything at all.

S: Well when was my last deposit? Cause it should of, they told me it would be in my...

C: (U/I), what I would do is I would call them.

288A-PG-79713

Continuation of FD-302 of _____, On 2/27/2012, Page 16

S: Yeah, um I yeah, I'm just gonna have to...

C: Cause I'm not showing anything here for most recent deposit for like anything at all (U/I).

S: Yeah cause they told me three bus...they told me three business days so...

C: Yeah, I would just call them and double check with them.

S: Yeah unless it probably hasn't been three business days. I'll probably just call them. I'll call them. I'll call my other bank and see what's goin on.

C: Ok.

S: So I'll probably just go inside Citibank so...

C: Alright did you have any other questions or concerns I may address for you today?

S: Uh let me see what else. I always have a question when I hang up...uh, not at this moment. If I have any, if I have any other questions, I'll just call back or go inside the bank.

C: Alright, well thank you for banking at Citibank. We appreciate your business. Have a great day.
