Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

WFO ALONG WITH DETECTIVE [REDACTED]

AND DETECTIVE [REDACTED]

METROPOLITAN POLICE DEPARTMENT, FIRST DISTRICT, 727-4596,
PROCEEDED TO 1246 10TH STREET, N.W., APARTMENT 9, BUT FAILED
TO LOCATE SUBJECT. IT WAS LEARNED FROM THE APARTMENT MANAGER,
[REDACTED] THAT SUBJECT HAD NOT RESIDED THERE IN APPROXIMATELY
ONE YEAR. [REDACTED] ADDITIONALLY ADVISED THAT THE SUBJECT IS
A HARMLESS PERSON WHO NEVER CAUSED HIM ANY TROUBLE AT ALL, BUT
ENJOYS WRITING LETTERS. [REDACTED] STATED THAT HE HAS NOT SEEN
HIM IN APPROXIMATELY A YEAR AND HAS NO IDEA WHERE HE IS AT
THIS TIME.

WFO AND DETECTIVES FROM THE FIRST DISTRICT THEN PROCEEDED
TO 425 2ND STREET, N.W., WASHINGTON, D.C. (THE HOMELESS SHELTER
LOCATED 2ND AND D STREETS, N.W.) AND AFTER INTERVIEWING SEVERAL
PERSONS AT THE SHELTER LEARNED THAT SUBJECT PICKS HIS MAIL UP
AT THE SHELTER AND MAY POSSIBLY BE STAYING AT THAT SHELTER AT
THIS TIME. WFO WAS UNABLE TO LOCATE THE SUBJECT IN THE SHELTER,
BUT A MESSAGE WAS LEFT WITH OFFICIALS OF THE SHELTER TO HAVE
SUBJECT CONTACT WFO AT HIS EARLIEST CONVENIENCE.

MEMORANDUM

TO: SAC, WASHINGTON FIELD OFFICE
(9A-5485)

DATE: 12/30/86

FROM: SA [REDACTED] (C-4)(P)

SUBJECT: DR. STEPHEN BABIAK,
DR. SALLY K. RIDE - VICTIM;
EXTORTION;
OO:WFO

For information of WFO, subject BABIAK has been unable to be located as of this date. Numerous attempts to locate subject at the shelter located at 425 2nd Street, N.W., Washington, D.C. (WDC), have met with negative results. Workers at the shelter have been unable to provide WFO with any solid information as to the whereabouts of subject. Originally, it was believed that BABIAK was picking up his mail at that location, however, there are no indications that he has picked up the mail in the recent past. Inasmuch as the records of the shelter does not reflect the occupants, and the fact that the occupants are transient in nature, no further attempt will be made to locate BABIAK at that location.

Additionally, in view of the fact that the letters contained no direct threats, the United States Attorney's Office, District of Columbia, will be contacted by this writer for a prosecutive opinion. The request for prosecutive opinion will coincide with the receipt of the results of the examination conducted on the letters forwarded to FBIHQ for analysis.

At such time as the results of the examinations are returned to WFO, the prosecutive opinion will be sought and a decision on the status of this case will then be made at WFO.
