FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

to determine the status of the subject. [REDACTED] stated the
following:

Busic has refused to plead to his escape from Otisville
Federal Prison because he did not believe he had done
anything wrong when he escaped. Busic felt that since he had
served the amount of time recommended by the sentencing
judge, his obligation had been met. (Busic was sentenced to life
for air piracy although the judge made some remarks as to 10
years being a reasonable time served at the time of sentencing.

Busic has filed a motion which sets forth the reasons for his
escape. AUSA [REDACTED] will respond to the motion
during the week of 7/6/87. Should the judge rule against BUSIC
on the motion, it is expected that he will enter a plea of
guilty.

SYNOPSIS: Busic, who was involved in the Croation Freedom movement prior to his incarceration, escaped from Otisville Federal Correction Institution (FCI), New York, between 11:00 pm, 4/16/87, and 1:00 am, 4/17/87. He was serving a life sentence for Air Piracy resulting in death. Busic was apprehended without incident by local authorities, Milford, Pennsylvania, on 4/18/87.

DETAILS: Zvonko Busic left a dummy in his bed and escaped between 11:00 pm, 4/16/87, and 1:00 am, 4/17/87, from the Otisville FCI (Medium Security Facility), New York. Wire cutters were located on the ground where an inner fence was cut and it is speculated that he climbed an outer fence. The FBI offered its assistance to the U.S. Marshals Service and made our investigative files regarding subject available for review. Busic was apprehended without incident on 4/18/87, at 6:30 am by a Milford, Pennsylvania, Police Officer responding to a report of someone sleeping behind a building.

On 9/10/76, TWA Flight 355 enroute to Chicago from New York City, carrying 85 passengers and crew of 7, was hijacked by Busic and 4 others (under threat of blowing the plane up). They flew to France, via Montreal; Newfoundland; and Iceland. The hijackers demanded an eight page letter be published by five major newspapers pressing Croation demands for independence from Yugoslavia. Radioed instructions identified a locker at La Guardia Airport where a bomb was located. A New York City police officer was killed and three others wounded in an attempt to deactivate the bomb. All subjects surrendered to French authorities on 9/11/76, and were returned to New York on 9/12/76 where they were taken into custody. Busic was convicted of Air Piracy resulting in death and was sentenced to life imprisonment on 7/20/77, in the EDNY, Brooklyn, N.Y.

Busic was active in the Croation Freedom Movement and is a suspect in several unsolved bombings that occurred in the mid 1970's.
