Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) Intelligence Records. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) Requests for Records about any Individual—Watch Lists. The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) Requests for Records about any Individual—Witness Security Program Records. The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) Requests for Records for Incarcerated Individuals. The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) Record Searches. The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) Requests for Criminal History Records or Rap Sheets. The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) National Name Check Program (NNCP). The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

Butel dated 2/19/52 advising NHO that the basis for converting was not believed by the Bureau to be sufficient to warrant FFI.

WFO tel to Director, 2/21/52.

Rebulet instructed New Haven only to check office indices and established confidential sources re the loyalty of the appointee.

A review of the files of this office reflect that advised SA John C. Manning on 3/11/47/that a mailing list of the former Independent , Citizens Committee of the Arts, Sciences and Professions Student Group at Yale University, which was then the Progressive Citizens of America Student Group, contained the name and address "OSCAR GRAY", 512 Yale Station"

It may be noted that the Progressive Citizens of America was reported to be Communist dominated and controlled in New Haven, Conn. by who so advised John C. Manning on October 16. 1950.

Concerning the I.C.C.A.S.P., this organization was designated as a Communist front by the Congressional Committee on Un-American Activities, House Report, 1954, April 26, 1950.

The files of this office also contain a form which is labeled "Information required by the U. S. Government of applicants who were born in a foreign country or whose parents were born in a foreign country". This form is required by Yale University of such students and was executed by the appointee on 5/3/43. This form reflects that the subject resided in 1943 at 425 Summit Avenue, Hagerstown, Md. This form further reflects that the appointee was born on October 18, 1926 in New York City, the son of SAMUEL ZANGWILL GRAY, who was born in Czychew, Poland and of ESTHER MALKE GRYNBERG TRAY who was born in Ostroleka, Poland. This form also shows that the appointee was educated at the South Potomac Junior High School from September, 1938 to June of 1941, after which time he entered Hagerstown High School, Hagerstown, Maryland.

This article reflects that Professor THOMAS I. EMERSON and Professor FOWLER V. HARPER, of the Yale University Law School, were elected as members of a temporary three man Steering Committee.

LOUIS FRANCIS BUDENZ, former Managing Editor of the "Daily Worker", has advised that THOMAS I EMERSON was known to him as a concealed member of the Communist Party. 7/19/50 entitled "National Lawyers' Guild. Internal Security-C". WFO forwarded to this office by letter dated 6/4/48 entitled "MARTIN POPPER, Internal Security-R", correspondence between POPPER, identified as Executive Secretary of the National Lawyers' Guild and FOWLER HARPER. correspondence indicated that the subject was formerly a Professor at the University of Indiana during which time he figured prominently in an effort to give the right to the Communist Party to place members of its Party on the ballot of the State of Indiana. On 1/10/52 known reliability, furnished the Philadelphia Office with a pamphlet entitled "How is Your America". This pamphlet contained an address made by Professor FOWLER V. HARPER of the Yale Law School at a rally sponsored by the National Council of Arts, Sciences and Professions at Carnegie Hall, New York City, on 7/25/51. A review of this pamphlet reflects that throughout his address, Prof. HARPER is critical of the present conditions existing in this country, pointing out that freedom of speech, guaranteed under the Constitution, is in imminent danger of being destroyed by "phoney Americanism". He points out that under the Bill of Rights. which states, "That whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it.", the right of revolution is guaranteed to the American people. HARPER adds that the statement "to alter or abolish it" obviously does not confine the exercise of this right to the ballot or other peaceful means. Continuing, HARPER points out that this right of revolution is meaningless unless there is a collateral right to advocate the alteration of abolition of the Government. He explains that this collateral right is guaranteed under the 1st Amendment to the Constitution, which states "Congress shall pass no law abridging freedom of speech and of the press." In discussing freedom of speech and its application today, HARPER establishes a standard of the "clear and present danger" which he advocates should be used in determining if an act is dangerous to the internal security of the country. He concludes his address by expressing the hope that the American people will hang on to their traditional right of protest and exercise it courageously.

The National Council of Arts, Sciences and Professions has been cited as a Communist front by the Congressional Committee on Un-American Activities, House Report No. 1954, April 26, 1950.

Confidential Informant a reliable informant of this office, who is acquainted with Communist Party activities and personalities in the New Haven area, advised SA John C. Manning on 12/24/49 and 11/9/49 that he had attended two meetings of the NACLC which were held at the Yale University Law School on 11/4/49 and 12/19/49. This informant stated that the purpose of these meetings was to discuss the trial of the eleven Communist Party national leaders who were on trial at that time under the Smith Act of 1940 in New York City and to discuss the Peekskill riots in New York. The informant stated that he recognized 19 members of the Communist Party in New Haven, Conn. at the first meeting and 15 such members at the second meeting.

In view of the above, no further investigation will be conducted by this office UACB and this case is being RUC'd.

To recommend that the results of the Preliminary Inquiry which has been conducted on Gray be made available to Mr. Nichols, and that no further action in this matter be taken by the Loyalty Unit.

BACKGROUND:

As you will recall, a Preliminary Inquiry was initiated concerning Gray after Mr. Autin Canfield had requested advice as to whether the Bureau possessed any information on him. At the time of his request, Mr. Canfield stated that Gray had applied for admission to the District of Columbia Bar and also that he had information to the effect that Gray had been sponsored by Fowler Harper and Thomas Emerson. Mr. Canfield was also aware of the fact that anonymous letters had been sent to businessmen in Hagerstown, Maryland, alleging that Gray and his father were Communists.

Although the Bureau had previously conducted a Security Investigation on Oscar Gray and his father concerning the allegations in the anonymous letters without developing any information indicating subversive activities on the part of the Grays, a Preliminary Inquiry was instituted on Oscar Gray to carry out this matter to a logical conclusion, after it was determined that Gray was employed as noted in the caption of this memorandum.

During the course of the Inquiry, it was determined that in RECORDED - 153 1947, Gray's name appeared on a mailing list of the former Independent Citizens Committee of the Arts, Sciences, and Professions Student Group at Yale University, which was then the Progressive Citizens of America Student Group. On 10-16-50, reported that the Progressive Citizens of America was Communist dominated and controlled in New Haven, Connecticut. The Independent Citizens Committee of the Arts, Sciences, and Professions was cited as a Communist Front Organization by the HCUA on April 26, 1950.

The records of the Civil Service Commission reflect that Gray stated that he had belonged to the New Haven Civil Liberties Association. The Yale Daily News on October 7, 1949, published an article indicating that this organization was founded at Yale University on October 6, 1949, and that Professor Thomas I. Emerson and Professor Fowler V. Harper were elected as members of a temporary three men Steering Committee.

As you are aware, Professor Fowler V. Harper has been listed as a sponsor of several Communist Front Organizations, has defended the Communist Party, and criticised the Loyalty Program. (100-34005-15) Thomas I. Emerson is reportedly a Communist, has been active in Communist Front Organizations, and has been critical of the Bureau. (101-3315) Both of these individuals have been active in the National Lawyers Guild.

All persons interviewed concerning the appointee advised that they consider his father and him to be loyal to the U. S. Gray was not known to any confidential informants, and no information other than that set out above was developed concerning his activities or participation in the New Haven Civil Liberties Association. It is to be noted that this organization has not been cited as a Communist Front Organization, and no association of Gray with Harper or Emerson was developed. In addition, the Inquiry failed to develop any information which would tend to substantiate the allegations in the anonymous letters.

STATUS:

Pending Preliminary Inquiry.

RECOMMENDATION:

- (1) That this memorandum be made available to Mr. Nichols for his information.
- (2) That the Loyalty Unit take no further action concerning Gray inasmuch as no information was developed indicating that he is or has been a member of any cited organization, and also since no substantive disloyal information was developed concerning/him.

ReBulet dated 2/27/53, requesting this office to furnish background data on OSCAR GRAY.

A review of the personnel file on OSCAR SHALOM GRAY as maintained in the Departmental Personnel Files Section. Department of State, reflects that on 2/11/51, GRAY applied for federal employment as an Attorney with the State Department, Washington, D. C. At that time, he was residing at 2505 Yale Station, Now. Haven. Connecticut, and was a third year law student at the Yale Law School. According to his application, GRAY was born 10/18/26, at New York, New York, and had never before been employed. He indicated that during the period 5/45 to 4/46 he received Electronics Technician Training in Radio, Chicago, and the United States Navy Research Laboratory, Anacostia, Maryland. In addition, the application reflects that he attended Mercersburg Academy, Mercersburg, Pennsylvania, and that in 1948 he received a Bachelor of Arts Degree from Yale College, where he majored in Philosophy and Government. He was to receive his Bachelor of Laws Degree in 6/51 and there was a notation on the application to the effect that he passed the bar examination, auring May of that year.

According to the application, GRAY had a knowledge of Spanish, French, and Yiddish. He was also a member of Phi Beta Cappa and received his Bachelor of Arts Degree with high orations. His references were Professors FOWLER V. HARPER, FLEMING JAMES, JR., and ASBBEL G. GULLIVER, all of the Yale Law School. According to the application, while serving in the United States Navy from 3/6/45, to 7/6/46, GRAY was assigned Navy serial number 928-24-33.

In addition to the foregoing, GRAY's personnel file contains a security clearance for appointment or

continued employment dated 3/22/51 and which also contains an appointment affidavit dated 6/27/51, at Washington, D. C., at which time GRAY was residing at 1507 Varnum Street, N.W., and indicated that his emergency addresses who was S. Z. GRAY, his father, resided at 24 North Potomic Street, Hagerstown, Noryland.

The file reflects that GRAY entered on duty with the Department of State 6/28/51, as an Attorney-Advisor, Office of the Legal Advisor, Economic Affairs Branch, and was promoted from GS 7 to GS 9 on 12/7/52.

The following job descriptions for the type of work being done by GRAY were prepared 12/29/50 and a copy exists in GRAY's personnel file reflecting that the assignment calls for following general instructions and developing material relative to specific legal problems involving extensive research in the collection, review and study of considerable background information and data, including treaties and agreements, and laws of this and foreign countries, including occupation laws and legislation enacted by the Congress pertinent to the conduct of this government's relations aboard and numerous precedented and unprecedented cases which require special attention to its legal coverage, viewpoints and trends and the selection of cases which contain applicable interpretations of legal questions.

GRAY's personnel file contains no derogatory information.

In view of the fact that GRAY's date of employment is subsequent to the period when material is known to have originally leaked to representatives of the Israeli Covernment, it is not believed that additional investigation with reference to GRAY is warranted at this time.
