FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) 5 U.S.C. § 552(c). Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) Intelligence Records. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) Requests for Records about any Individual—Watch Lists. The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) Record Searches. The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) FBI Records. Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) Requests for Criminal History Records or Rap Sheets. The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) National Name Check Program (NNCP). The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

ų,

# A short personal note about BELLA ABZUG:

Everything Bella Abzug is and does in public life is a reflection of her background, her upbringing, and her family life today.

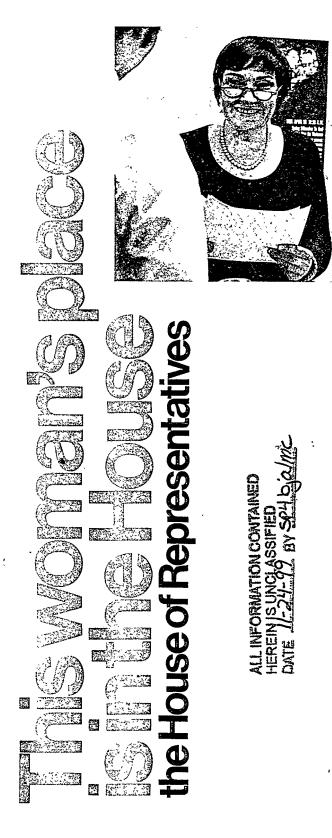

A native New Yorker and life-long Democrat, Mrs. Abzug is a graduate of Hunter College (where she was President of the student body) and of Columbia Law School (where she was an editor of the Law Review).

She also studied at the Florence Marshall Hebrew High School and the Jewish Theological Seminary.

In her law practice, she is considered an outstanding expert in labor law and civil rights.

Mrs. Abzug lives in the district with her husband Martin, a stockbroker. They have two teen-age daughters, Eve and Isobel.

# Let's Look at Her Record. - BELLA ABZUG IS...

**Chairman** of "Taxpayers' Campaign for Urban Priorities" (fighting to put New York's tax money to work <u>here</u>, instead of pouring it into Vietnam)

Founder and National Legislative Representative of "Women Strike for Peace" (one of the earliest, most effective peace movements in America)

Executive Committee Member of the "New Democratic Coalition" (of both national and New York State NDC)

Member of Mayor Lindsay's Advisory Committee

Lawyer for minority rights and labor rights

**Spokesman** for the <u>real</u> Silent Majority (women)

Wife and Mother (two teenage daughters) **r Congres** la Abzug or Bella

BELLA ABZUG talks woman-to-woman:

"Isn't it time we shared in the power we create? I want to take the cause of women, the real Silent Majority, to the halls of Congress. I want to fight the discrimination that condemns most working women to low-paying jobs. That gives women welfare instead of income. That keeps them out of the professions. That denies them day care facilities, miseducates their children, and gives third rate health care to black, Puerto Rican and poor women. And I'm not talking being less womanly. I'm talking about being more womanly by being more human. We have potential. Not to use it is sheer waste. And a real woman hates waste."

## BELLA ABZUG

talks as a friend of Israel:

"With my whole heart, I'll support all measures necessary for the defense and survival of Israel. But I won't stop there, settling for promises as too many politicians have. Since Israel can't survive in a permanent state of war, I intend to organize a lobby in Congress to press for face-to-face negotiations between Israel and the Arab states, and a political solution that will guarantee Israel's territorial integrity and end the Mid-east arms race."

# This woman's place is in the House the House of Representatives!

THIS IS BELLA ABZUG.

She's running for Congress in the Democratic Primary of June 23. She's running to win.

She's the endorsed candidate of the Reform Democratic movement. Of the peace movement. Of the movement for women's rights.

Bella Abzug won't be "just another Congressman." We've had one of those for too long while other New York neighborhoods have elected fighting leaders who've done something.

It's time we did something. Time we were represented by a dynamic national figure. Time we had a new kind of Congressman out of the New Politics of community involvement. In short, it's time for Bella Abzug.

### What they say about BELLA ABZUG:

### Congressman Allard Lowenstein -

"Bella Abzug is extraordinary. Few people contributed as much in the tough early days to the effort to defeat Lyndon Johnson. We are all in her debt."

### Congresswoman Shirley Chisholm --

"How often I have wished, as a Congresswoman, to have other women to help me in speaking out. Bella, Godspeed to you. We desperately need people with commitment."

### Kennedy aide Adam Walinsky -

"I have seen Senators scuttle down the halls of Congress to avoid the informed fury of Bella Abzug. Nothing would do John McCormack and Mendel Rivers more good than to try to face Bella on the floor. She would make an indispensable addition to the Congress."

į.

BELLA ABZUG talks about the main issue – your life, your neighborhood, and what the war has done to them:

"We're all kinds of people, here in this Congressional district. We're whites, blacks, Puerto Ricans. But if we're different in some ways, we're the same in the basic things we want — and aren't getting. We should be working together to get them, but something's in the way.

"What's in our war is the war, always the war. That filthy, insane war that grabs our hard-earned tax dollars and burns people alive with them. But never mind that it's criminal. Think how we're <u>living</u> because we pay <u>billions</u> for other people's dying.

"We all want enough work to live with dignity. We all want health care we can afford. Decent places to live, and safe streets around them. To raise our children straight, educate them, and see them started off with hope. "Are these things too much to ask? Ask? Demand! These are our rights as Americans, as human beings! God knows we pay enough and put up with enough!

"But because of the way they tell us that we can't afford day-care centers so we mothers can work and bring up our children. Or job training programs. Or housing programs. Or that we have to cut down on Medicaid and school budgets.

"And on and on. The list is as endless as the war itself. I've been in community work all my adult life. Maybe that's why I've spent every waking hour of the past five years fighting for peace. We've got to get back to fixing our own lives.

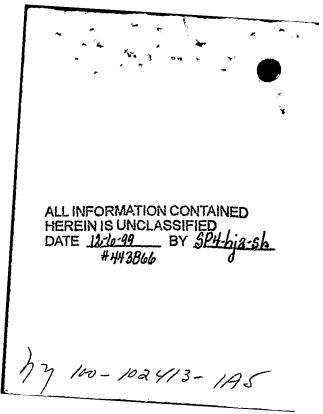

"So win, lose or draw in this election, you know where you'll find me — in the front line of every action against the war that has a prayer of making a difference.

"And the place I can make the <u>most</u> difference is where the war-money comes from — the House of Representatives."

### RE: CIVIL RIGHTS CONGRESS INTERNAL SECURITY - C

On November 22, 1950, Confidential Informant \_\_\_\_\_\_ advised that RALPH FOWE, Legal Counsel of the CIVIL RIGHTS CONGRESS, in answer to an inquiry from MORRIS GREENBAUM was told by GREENBAUM that BEULAH LAIRE was the expert at the CIVIL RIGHTS CONGRESS Office in making releases and was in charge of making releases for the State CIVIL RIGHTS CONGRESS.

A little later, the informant stated BELLA ABZUG consulted RALPH POWE regarding the immediate preparation of material on the McGee Petition, a copy of which had to be served on the Attorney General. FONE said that he had five copies of the material ready.

ELIZABETH GUHLEY FLYNN, Member of the National Committee of the Communist Party, advised that it was not going to be necessary for her to go to Chicago, but she had guaranteed them that AUBREY GROSSMAN would speak to them on the case of the "Eleven". FLYNN said she had to be in Cleveland during the week and could not handle all the assignments and felt, therefore, PATTERSON and GROSSMAN could arrange to handle the matter for her.

writ of error to stey the execution. Petition for the writ, which vas lenied last week by the Mississppi State Courts, asserts McCee was convicted three times on perjured testimony of Mrs. Troy Hawkins, the white woman he was accused of raping. They are asking the court to set aside the death verdict so new evidence of McGee's innocence may be presented at a new trial of the case.

The cabled protest from the 11 Australian trade unions also protested the "attempted legal lynching of the Trenton Six Negroes," whose second trial on a trumpedup murder charge opens in Trenton, N. J., today. It was signed by officers of the Waterside Workers Federation, the Seamen's Union, Iron Workers Federation, Sheet Metal Workers, Clerks Union, Engineers Union, Miners Federation, Building Workers Union, Postal Workers Union, Boilermakers Union and the Hotel Restaurant Employees Union.

The Australian cable decalred: "Emphatically protest attempted legal lynching of the Trenton Six Negroes and the Negro war veteran, Willie McGee. We demand they all be freed and all forms of racial discrimination ended in the interest of international peace, freedom and democracy."

The national campaign to save the life of McGee is scheduled to reach a climax wth a national people's delegation to Washington on March 16. The delegation will, if necessary, continue their protest in the national capital until March 20.

Two delegations are scheduled to go to Jackson, Miss., to appeal to Gov. Fielding Wright.

William L. Patterson, national executive secretary of the CRC, who is leading the fight for McGee and the Trenton Six, declared yesterday:

"The lynchers have taken the lives of seven innocent men in Virginia in an attempt to terrorize the Negro people. Now they want to murder McGee for a crime he did not commit. Both Negro and white Americans must join to stop these legal lynchings of innocent Negroes."

Protests against McGee's imminent death are being sent to President Truman at the White House, Washington, D. C., and to Gey West, Fla., where the President is vacationing. The protests call on the President to instruct his Attorney General to intervene in the Federal Courts on behalf of Mc-Gee under provisions of the Federal Civil Rights Act.

Meanwhile, Mrs. McGee, who arrived in New York after a speaking tour of New England, is preparing an extended speaking tour in the East and Middle West, where protest rallies are being prepared to greet her.

In the application they pointed out:

• Pardon had been granted to persons whose guilt was never questioned.

• McGee's guilt has never been proven.

• McGee never had a chance to prove his innocence.

Under Mississippi law, an application for pardon must be published in newspapers of the state for 30 days before the Góvernor takes action on it.

## Re: Memorial mass meeting for MC GEE

According to EDITH ROSENBERG, fund raising director of the Civil Rights Congress, 744 people came to the memorial mass meeting for WILLIE MC GEE held on May 22, 1952, at the Golden Gate Ballroom in Harlem, N.Y.

The chairman of the meeting was JAMES MALLOY, exec. secr. of the Harlem C.R.C. He opened the meeting by introducing LAURA DUNCAN and AL MOSS (Negro singers). They sang the "Negro National Anthem".

ADELAI LAKOFF (a Negro woman. She is connected with the Union of Sleeping Car Porters, as announced by chairman) spoke on the "persecution of the Negro people in this country. They claim that they are fighting for a free world. I say it isn't so. Look at my people in my country. We have no freedom here and no democracy". She told the meeting that she went to Washington during the trial of WILLIAM PATTERSON "to protest against the indictment and trial of PATTERSON just to let them know on which side I am". She concluded her remarks with: "The Negro people are learning that they must fight for their rights".

LEON STRAUS said that "WILLIE MC GEE was a victim of white supremacy. This country has two laws for the same crime. One law for whites and one law for negroes. WILLIE MC GEE was innocent and if WILLIE MC GEE would have been white and would have committed rape he would have been alive today. WILLIE MC GEE was murdered by the white supremacists because he was a Negro". He spoke of the "reactionary movement in the country" stating that "the liberty of the American people is in jeopardy. The rulers of our country are lying and terrorizing the people: Negro people, foreign born, communists and labor leaders are being persecuted and are being sent to jail on frame-up charges and for one only reason - to clear the way of any kind of opposition to the war makers. They are out to make war against China, the Soviet Union; they want to make war against the socialist people of the world". He called upon the "white and negro people to unite for the fight for peace and Civil Rights". He told the meeting that "the Fur Workers Union is putting into the fight against Negro discrimination and genocide 100,000 of its workers" and that "the Negro Labor Council, many mass organizations and labor unions in the country are in this fight. All of us are in the fight for peace and freedom".

ANGIE DICKERSON took over the chairing of the meeting. She said that "the Negro people wouldn't take more Martinsville victims,

Florida killings, nor such legal lynchings as the lynching of WILLIE MC GEE. This is a warning to Washington: We are coming".

ELAINE ROSS spoke on "the importance of fighting against white supremacy". She stated that "the fight against white supremacy must be waged by white people in white communities because it is the white people that are persecuting and murdering the negro people". She declared that "they are murdering Koreans by the millions through bacteriological warfare and through other means because it's a part of their fight for white supremacy. They are fighting to retain their colonial empires because they want to retain white supremacy". She called upon white and negro to unite for "the struggle against white supremacy which must be carried on in every community all over the country".

AUBREY GROSSMAN spoke about the fight of the C.R.C. to save the life of WILLIE MC GEE. He brought out the point that if the C.R.C. would have been larger "a mass organization of hundreds of thousands WILLIE MC GEE would not have been murdered". He called upon the people to "make the C.R.C. a real mass organization and tell the people to keep on fighting".

ANGIE DICKERSON made an appeal for funds. She asked the people to "buy 5, 10 and more copies of the WILLIE MC GEE edition of the book 'We Charge Genocide'". She said that many church and civic leaders in the South are asking for the book and that the books that will be paid for here will be sent to the South and will be distributed "among important people, organizations and churches". On her call some people bought the book and took them and some gave \$2, \$3, \$5 and \$10 asking that the books should be sent to the South for distribution. The collection, according to EDITH ROSENBERG was \$575.00.

WILLIAM PATTERSON was sick. He couldn't make a speech. He said a few words: "The most important issue today is the struggle for peace. To win this struggle there must be unity between the negro and the white people." He called upon the people to fight against the Smith Act and to participate in the national amnesty campaign. "We must bring back BEN DAVIS, GENE DENNIS and JOHNY GATES and all other imprisoned leaders of the Communist Party." He stated that "there will be no freedom for the negro people as long as there is a Smith and a McCarran Act." He also called to work for the freeing of the ROSENBERGS and SOBEL who are "innocent victims of the warmongers". He said that the C.R.C. is "cooperating with the Rosenberg Committee in the fight for their freedom". PATTERSON told the meeting that "FERDIMAND SMITH was just kidnapped by this government at Idlewild Airport". He said that FERDIN/ND SMITH was in an English airplane when he was "kidnapped" and he is now detained at Ellis Island. He stated that this "is not the first time that this government is engaging in political kidnappings. ISLER was also kidnap ped when he stopped over here on his way to Mexico".

CLAUDIA JONES asked the people to join the C.R.C. She said that she is a member of the C.R.C. and that the C.R.C. is "the people's organization which is fighting for negro right and for the freedom of all American people. She declared that "as a communist I fight against white supremacy, as a C.R.C. member I fight for the right of the negro people". She said that "the communists must be freed. Every American must fight for their freedom. It's about time to realize that as long as there is one communist in jail there isn't and there will not be freedom in this country". She stated that "BEN DAVIS was sent to prison because he is a negro and he fought against war". JONES declared that "the war in Korea is a war against the black people. We must organize the American people for the fight for peace, civil right and freedom".

OLMAN told the meeting about the ROSENBERG and SOBEL case declaring that there was no evidence that war warranted their conviction as spies. "They were convicted only because of the red hysteria and because some one said that they were communists". She asked the people to help the Rosenberg Committee with funds and by getting signatures on the petitions demanding a new trial for them".

BELLA ABZUG presented ROS/LEE MC GEE with flowers. She said that "we must fight with all our might that there shall be no more MC GEE'S, nor Martinsville 7's, nor Florida killings of negro people". She called upon the people to "fight for negro rights, for peace and freedom. Such a fight is a fight for real democracy".

ROSALEE MC GEE received a standing ovation when she was introduced as the last speaker. She told the meeting that in her home town "F.B.I. agents watched every step I made and followed me everywhere"; that she was taken to police headquarters and warned "not to get mixed up with the reds from the East". She said that WILLIE MC GEE "died an innocent man" and that "I dedicate my life to fight for my people".

OFFICE MEMORANDUM -- UNITED STATES GOVERNMENT

TO: SAC, NY (100-102 113 )12-10DATE: 11/30/54

FROM: DAVID RYAN, SA

SUBJECT: Bella Abzug

SM - C

On 11/4/54 made available to SA LEON F. SCHWARTZ and SA DAMON W. PITCHER a handwritten list of names, addresses, and telephone numbers of American Peace Crusade contacts.

Photograph evidence of this list is maintained in Serial <u>IB317</u> of NY 100-102789.

According to \_\_\_\_\_ this list was loaned b7D to him on 11/4/54 by BETTY HAUFRECHT, office worker, at American Peace Crusade Headquarters, 35 West 26th Street, NYC. It was the informant's belief this list includes the top contacts of the American Peace Crusade of the NYC area.

The informant stated that individuals included on this list were sent tickets to a concert by RAY LEV, pianist and American Peace Crusade sponsor to be held 11/19/54 at Carnegie Hall. The tickets were sent to the individuals on approval, giving them an opportunity to purchase them at a mark-up that would benefit the American Peace Crusade.

It is noted that the American Peace Crusade has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

advised that, on 12/23/54, GIFBY was in contact with CHARLES RICHT. RECHT advised GIEFY that the fellow was over and he wanted to get the bail ready. GIEFY did not think they would pick up this person and claimed they cannot deport him. RECHT promised this individual to see AENIR GREEN and GIEFY. RECHT claimed to be one of the founders of the Committee (Foreign Born?) together with a fellow named DWIGHT MORGAN. RECHT complained of troubles he was having in connection with RHODA MILLER's case and how he had been charged at an open meeting with advising a client to commit an illegal act. EXCHT had heard the story came from RELLA ABYON.

"The list of anthors who had written articles for this publication during the period January, 1948, through May, 1953, which was forwarded to NY in <u>Bulet 7/10/53</u>, in the captioned case, was reviewed by <sup>C</sup>onfidential Informant on July 24 and August 6,1953.

The informant was able to identify two individuals on this list. HE pointed out the fact that Martin Abzug, is the husband of the "left-wing" attorney <u>Bella Abzug</u>, who currently resides in Nassau County, Long Island. Informant stated the Abzugs recently purchased this home and could state for a fact that Martin Abzug was not in Texas."

<u>Coorse Eleke Charney appears to be working on a National level</u> at the present time, although he probably ratains his New York State OP title. This is strictly opinion based on the fact that OP National leadership has been so desinated that Charney logically has to assume higher responsibilities.

Howard Boldt is supposed to be still managing one of Loon and Harney Josephsons "Cookerys." I have not even him since he laft the "Daily Worker." Boldt was never too active in CP activities, apparently doing the minimum required to remain in good standing.

Annoted Lata Rubinstein Funs the Robert Louis Stevenson School about which I as no too yoll informed. I have no positive information about her CP merborship. The followed Vite Fercentenic then his group oplit with the Farty, and she is now close to John T. Ve Manus and the Mational Guardian. This group has been considered as deviating from Party discipling.

<u>HULLA ABENU.</u> I have no positive information whether or not she in a CP member, although as an attorney the defended "leftlet" causes such as that of Villia Me Gee and representing Lional Standar before the NUM and in business matters. I had coveral accessions to presk with her during the Ce Cee trial but the never discussed any Party business.

#### AFFILIATION WITH THE COMMUNIST MOVEMENT

#### Membership

During late 1955 and early 1956, T-1, a selfadmitted former Communist Party (CP) and Communist Political Association (CPA) member from 1942 to June, 1951, advised that she never attended any CP meetings with ABZUG. However, she believed ABZUG was a CP member because of the following reasons:

The subject worked with the firm of Nat Witt and Harold Cammer, 9 East 40th Street, in 1947. They told the subject that she could be a partner in this firm after working with them for one year. WITT and CAMMER did not honor this agreement and, therefore, a hearing was held before top CP lawyers. Informant also advised that the subject argued the WILLIE MC GEE case in Washington, D.C., on an unknown date. Informant also advised that the subject devoted a large amount of her time to the Civil Rights Congress (CRC) and furthermore that the subject was the last person to speak to WILLIE MC GEE before his execution.

T-2, who has furnished reliable information in the past, advised on March 23, 1956, that he knew the National Lawyers Guild (NLG) to have been pretty well infiltrated in the early 1950's and that there were CP members in positions of leadership. Informant stated that he knew HAROLD COMMER and NATHAN WITT to be CP members since they were accepted as such at the "Daily Worker".

T-3, who has furnished reliable information in the past, advised in April, 1951, that the trade union committee to save WILLIE MC GEE was formed in February, 1951 with WILLIAM HOOD of Detroit, Michigan, as chairman and EWART GUINIER as treasurer and was made up of representatives from various unions interested in the case of WILLIE MC GEE, a Negro convicted and subsequently executed in the State of Mississippi on the charge of rape.

T-3 advised that the committee which was temporary in nature and functioned spasmbdically until the execution of MC GEE was dominated by the CF through EWART GUINIER, JAMES MALLOY and other Communists.

T-3 advised that BEN GOLD, International Fur and Leather Workers Union and WILLIAM L. PATTERSON, CRC, were two of the main sponsors of this committee.

In the June 16, 1950 issue of the "New York Herald Tribune" it was reflected that on June 15, 1956 the Congress of Industrial Organizations (CTO) Executive Board yoted to oust the International Fur and Leather Workers Union because it followed the CF line.

T-3 further advised on June 4, 1955 that WILLIAM L. PATTERSON was National Executive Secretary of the CRC and was known to the informant as a Communist.

The CRC and its affiliates have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The "Daily Worker" is an East Coast Communist daily newspaper.

The CP and the CPA have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The Congressional Committee on Un-American Activities, Report number 209, dated April 1, 1947, page 29, states "....after assuming the name of the Communist Political Association on May 20-23, 1944 for strategic reasons, the Party resumed the name of the Communist Party of the United States on July 26-28, 1945."

#### Fronts

The "New York Guild Lawyer", the official publication of the New York Chapter of the NLG, in its January, 1956 issue on page 1, contained a list of proposed delegates and alternates of the New York Chapter to represent the chapter at the NLG Convention held in Detroit, on February 10-13, 1956. The name BELLA ABZUG appeared on this list as a delegate.

The records of the Bureau of Special Services, New York City Police Department, as reviewed on October15, 1956 by SA AUGUST J. MICEK reflected that BELLA ABZUG was on the Board of Directors of the National Executive Board of the New York Chapter of the NLG for the year 1954-1955.

The records of the Bureau of Special Services further reflected that BELLA ABZUG spoke at a dinner on May 15, 1951 at the Central Plaza, 111 2nd Avenue, New York City, in honor of WILLIAM L. PATTERSON, Executive Secretary of the CRC.

The records of the Bureau of Special Services further reflected that the name BELLA ABZUG appeared on a card sitting her at table number 5 for the dinner celebratingnthe 6th anniversary of the CRC at the Central Flaza, 111 2nd Avenue, New York City, held on March 25, 1952.

The records of the Bureau of Special Services further reflected that on May 23, 1952, BELLA ABZUG spoke at a Memorial Meeting for WILLIE MC GRE at the Golden Gate Ballroom, 142nd Street and Lenox Avenue, New York City, which was sponsored by the Harlem GRC.

The records of the Bureau of Special Services further reflected that BELIA ABZUG, Counsel for WILLIE MC GEE, spoke at a mass rally sponsored by the Trade Union Committee to Save Willie Mc Gee at St. Nicholas Arena, New York City, on April 16, 1951.

Informant was unable to state whether the subject attended this dinner.

The records of the Bureau of Special Services further reflected that ABZUG was listed as an ALP County Committee member on the 1951 ALP nominating petitons, 2nd Election District, 11th A.D.

The records of the Bureau of Special Services further reflected that BELIA ABZUG was one of a group of individuals involved in an action against the State of New York in connection with the Peekskill Riot in 1949.

T-8, who has furnished reliable information in the past, advised in the fall of 1949 that the Peekskill disorders(Peekskill Riois) of August 27, 1949 and September 4, 1949, in the vicinity of Peekskill, New York, were the outgrowth of concerts given by singer PAUL ROBESON. T-8 stated that the concerts held under the auspices of the Harlem Division of the CRC.

T-9, who has furnished reliable information in the past, advised in June, 1950, that PAUL ROBESON was known to him prior to 1945 as a concealed Communist.

On October 26, 1956, T-2 was subject in over a and advised that the had not seen the subject in over a year and could not furnish any further information.

#### MISCELLANEOUS

On December 5, 1956, Mrs. I. L. JEDEIKEN, 400 Ceder Street, Mt. Vernon, New York, advised SA LUCKING that the subject and her husband are almost unfriendly, that they never participate in local affairs, and that she had heard nothing of a derogatory nature regarding them.

On December 5, 1956, Mr. I. L. JEDEIKEN, husband of the above, was interviewed separately by SA LUCKING and he advised that the subject and her husband are actually unknown to others in the neighborhood. #### EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Daily Worker", an east coast Communist daily newspaper, issue of October 8, 1951, page 1, columns 4 and 5, in an article entitled "150 Notables Form Emergency Civil Rights Committee", reflected that the formation of the Emergency Civil Liberties Committee (ECLC) had been announced on October 7, 1951. It was shown that the purpose of the organization would be to help mobilize public opinion in support of the traditional American constitutional guarantees of civil liberties and to render aid to victims of abridgment of these liberties in politics, education, and the professions. The founders, according to the article, included more than 50 members of the clergy and many educators and professionals.

APPENDID

A confidential informant, who was in a position to furnish reliable information, on October 21, 1955, furnished information reflecting that the Communist Party (CP) felt that help should be extended in building a "united front civil liberties organization" in the United States which, while not led by the "left", would contain labor, liberal and "left forces" within it in a commonly agreed program, including defense of the rights of Communists.

The information further indicated that the CP felt that this aim can best be achieved by helping the ECLC to become a national organization with local chapters operating on the basis of its program.

The headquarters of the ECLC is located at 421 7th Avenue, New York City:

3. It "came into being early in 1937" and "on June 5, 1940, A. A. Cited by the committee as a "Communist front for attorneys."

Concerning the NLG, the following appears in a report dated May 29, 1946, of the Committee on Un-American Activities, House of Representatives, 79th Congress, under the title, "Investigation of Un-American Propaganda Activities in the United States:"

#### AMERICAN LABOR PARTY

A confidential informant, who has furnished reliable information in the past, advised on September 9, 1954, that from the time of its inception in 1936, there existed within the American Labor Party (ALP) a struggle for power among three groups. These were the Communist Party (CP), the Socialist Party and the Social Democrats. By the early 1940's, the CP emerged as the controlling force within the ALP in the major industrial areas in New York State. Generally these were the areas around Albany, Buffalo, Jamestown, Rochester, Schenectady, Syracuse, Troy, and the Hudson River Valley; Columbia, Dutchess, Massau and Westchester Counties; and New York City, with the exception of Brooklyn. In 1942, the CP was able to capture the ALF in Brooklyn. The informant knew this situation to continue up until at least 1949. The ALP never developed into an organization of any real consequence in the nonindustrial areas of New York State.

Another informant, who has furnished reliable information in the past, advised on May 4, 1956, that the CP then, as in the past, through its members in key positions in the ALP, constituted the force that controlled it.

On October 7, 1956, PETER HAWLEY, New York State chairman, ALP, announced the ALP state committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

### May 12, 1960

A meeting of the White Plains Committee for a Sane Nucelar Policy was held o April 21, 1960 at the home of BETSY FISHER, 128 Soundview Ave., White Plains, N.Y. Mrs. FISHER presided at this meeting.

In addition to Mrs. FISHER, those present eere: MARGARET HALSEY STERN, (the author), her husband, MILTON STERN, WESLEY STROMBERG, GLORIA KARP, CARRIE DINEGAR, RUTH KORNBLUM, Mrs. MARGUERITE GOYERT, Mrs. HAROLD L. SACHS of 11 Salem Place, White Plains, ANN SEAMAN and LAWRENCE GROLLA.

A report concerning the County Meeting held the previous night was made. There was discussion about the Madison Square Garden Rally and the fact that it would be fund raising affair and that there will be collections.

In this connection, Mrs. SACHS, ANN SEAMAN and GLORIA KARP volunteered to pass baskets at Madlson Square.

Publicity about the rally was discussed and it was stated that posters will be on display at the Urban League, Railroad station, Unitarian Church, YMCA, Lerner's Dress Shop, Public Library, Aldean Book Shop, and smaller sized posters will be spread around.

Tickets to the Madison Square Rally were sold to those present.

GROLLA and GLORIA KARP had a long telephone conversation with BELLA BEZUG concerning tickets. She wanted more tickets. Since White Plains had some left, they agreed to let her have tan of the \$3. tickets.

GLORIA KARP advised that she is trying to get material to the Democratic platform. She went to a Democratic Ward meeting, not as a member of SANE but as a Democrat. NY 100-140528 Sec E

ANN SEAMAN reported that she works with the Democratic Party in Greenburgh.

Mrs. KARP and Mrs. STROMBERG to speak on May 1, 1960 to youth group at the Unitarian Church. About 35-40 are expected to be present.

There was discussion about the plan for coordinated mailing lists to be held by National.

RUTH KORNBLUM did not like the idea of National handling the money for the local groups.

In a discussion with the Defense Test, there was some discussion about the possibility of a March of Protest in White Plains. There seemed to be some feeling for it but when it came to getting volunteers, no one present fould make it.

It was suggested that letters be written to the papers concerning the Defense Drill of May 3, 1960.

It was reported ant DICK FISHER will write a letter to the local paper giving full data on the Madison Square Rally.

A report was made on the cocktail party held in New Rochelle on April 2, 1960. The party was sponsored by five groups, namely White Plains, Scarsdale, New Rochelle, Rye and Larchmont-Mamaroneck, Gross receipts were \$2,600, and expenses were \$450. The net profit of \$2,150 was to be divided between the five groups, giving each \$330. From this amount was held dues to June 1. This resulted in proposal payments as follows: White Plains \$320.90, Scarsdale and Rye, each \$370.90 and Larchmont-Mamaroneck \$375.90.

It was suggested that assist in underwriting the Madison Square Garden Rally that each group lend \$40.00 for a total of \$200. It was also suggested that Westchester County dues be paid in advance. This would leave a balance of \$600 in Westchester.

Criticism was expressed at publicity concerning the cocktail party and it was blamed on the influence of the American Legion on the Westchester County Publishers, the Macy Chain of papers in the County.

It was reported that a member had called the White Plains "Reporter Dispatch" about the lack of publicity. It was reported that this person was told the Committee was communistic and would get no publicity.

Indignation was expressed at this report and it was suggested that the paper be contacted to check this.

Mrs. SACHS thought that BETTY RIESER and HAROLD LISKIN of New Rochelle, who runs a dress shop and advertises in County papers, should go along at the time the protest is made.

It was stated that a journal would be sold at the Madison Square Garden Rally. Mr. SCHEINER said that his company would take a full page advertisement.

It was reported that National Committee proposed coordination of all mailing lists from all areas. There would be general mailings and no more than two fund raising appeals a year. On collections, first \$2,000 would go to National and money over that amount would be divided with National to get  $\frac{1}{2}$ , Greater NY Committee  $\frac{1}{4}$  and reamining  $\frac{1}{4}$  divided among local committees. The idea is to be discussed at local meetings. It was pointed out that if the majority approve the plan, the locals would have to go along with idea or get out of the organization.

It was stated that petitions will be available at Madison Square Garden. It was felt that something must be put into both party platforms and that it is necessary to get the views of all candidates. SAC, NEW YORK (105-22799)

In discussing of mutual friends, STANLEY GRAZE suggested to WILL LUMER that this person is probably the same one we used to work with at the Mar Production Board, possibly with SETH LEVENE, and he was not with the Mational Maritime Union then. This would have been 1942 or 1943. LUMER, on the other hand, stated that this same individual used to be an economist for the National Naritime Union, during the war.

He said this was before he nent with the NHU and before presumably he was from MIT. GRAZE speculated that certainly this is the same individual and described him as having dark hair, short in stature, and years glasses. With this description, LUMER agreed. LUMER stated that he lives in his building. GRAZE said that he would have to come out and see him again.

The informant may not able to identify the individual under discussion.

HOWARD MC KENZIE advised one BERNARD (LNU) that he is now in a position to obtain good information from an outside source concerning took tips. He said he has a contact from the old days who is now in the street and one has Swiss banks as his clients.

Last week, MC KENZIE stated, this individual called him, whom he did not know from Adam. He stated that he is with C. W. Richards.

BERNARD asked MC KENZIE if the person mentioned by MC KENZIE was real Kosher. MC KENZIE assured BERNARD that he is absolutely. MC KENZIE stated that the individual is MARTIN ABZUG, whose wife is a very wealthy attorney, and they are both cleaning up in the market.

MC KENZIE stated that ABZUG does all the research and handles the accounts for Swiss Danks and C. V. Richards, the firm with which ABZUG is associated, is an old New York firm.

According to MC KENZIE, ABZUG has several accounts that he does not want to bother with any more and he will turn these over to MC KENZIE, in that he felt that he should not turn them over to anyone else but Monris Cohon and Company. Included among the accounts, is that of SIDNEY POTTIER,

MC KENZIE advised BERNARD that he and ABZUG will get together on occasion and exchange ideas and tips, and should MC KENZIE acquire any real good ones he will advise BERNARD.

an employee of Morris Cohen and Company, in a conversation with one BERNARD (LNU) on 6/10/60, stated that he was in a position to obtain good information from an outside source concerning stock tips. He said he had a contact from the old days who is now in the street and one who has Swiss banks as his clients. MC KENZIE went on to say that the individual is MARTIN ABZUG, "whose wife is a very wealthy attorney, and they are both cleaning up in the market"

MC KENZIE stated that ABZUG does all the research and handles the accounts for Swiss banks and C. W. Richards, the firm with which ABZUG is associated, is an old New York Firm.

HOWARD WARREN MC KENZIE is the subject is Bufile 100-21566, NYfile 100-20894. He was reported to be a member of the CPA in 1944 and was an Officer in the National Maritime Union during the 40's.

Inasmuch as the subject was not mentioned directly in this conversation, this information was not set out in details of the report.

Efforts to contact neighbors of subject made on different occasions with negative results. It was determined that many Negroes have moved into the area in which the subject is residing and the neighborhood is considered an integrated one. On 1/31/61, Mrs. EDD RYAN, 410 Cedar Avenue, Mt. Vernon, NY, who is of the white race, advised that the subject lived across the street from her but had no contact with her. Mrs. DUNCAN SHERRER, 239 East 5th St., Mt. Vernon and Mr. CHARLES BALL, 233 East 5th St., Mt. Vernon, both Negro, advised on 1/31/61, that they had resided in the aræfor 2 years. They stated that the subject appeared to be friendly with any of the people in the neighborhood. It was observed that the house occupied by the subject is a large brick structure, located on a relatively small plot of ground. Other houses in the immediate area are smaller and less expensive in appearance. The individuals mentioned above, neighbors of the subject, advised that they had observed no activities at the home of the subject that would indicate meetings or gatherings were being held there.

Attached herewith is a copy of FD 302 reflecting the results of an interview with ARTHUR IBERALL, 2640 Whiton Road, Cleveland 18, Ohio.

TBERALL is presently on a business trip in New York City.

This information is being furnished to Cleveland for information purposes.

MAURICE MARTIN ABZUG is a RI subject of the NYO. His wife, BELLA ABZUG, is an SI subject of the NYO.

In the opinion of the interviewing agent, IBERALL was unaware of the Communist leanings of the AEZUGs until the dinner on 7/20/61. After reaching the conclusion that the ABZUGs were Communists or Communist sympathizers, he could foresee possible difficulties in connection with his (IBERALL's) employment and security clearance at the Rand Corporation. To preclude any further difficulty, he decided to talk to the FBI and make an official record of his recent association with the AEZUGs whom he believed to be Communists or Communist sympathizers.

No further investigation is being undertaken by the NYO and the above is submitted for information.

Mr. ARTHUR IBERALL, 2640 Whiton Road, Cleveland, Ohio, advised that on July 20, 1961, he and his wife had dinner with MAURICE MARTIN ABZUG and BELLA ABZUG at their residence, 234 East Fifth Street, Mount Vernon, New York. IBERALL is employed as Chief Physicist at the Rand Corporation, Cleveland, Ohio, and as a result of his employment, he possesses a security clearance. He and his wife attended the City College of New York with the ABZUGs and have known them for a number of years although the acquaintanceship has been casual since college days.

During the dinner on July 20, 1961, various political questions were discussed such as Cuba, the Soviet Union, and related issues. IBERALL said that as a result of these discussions, he became convinced that MAURICE and EELLA ABZUG were Communists or Communist sympathizers. MAURICE ABZUG also told IEERALL that he (MAURICE ABZUG) was a stockbroker and as such travelled extensively in Europe doing a great deal of business with Swiss banks. It occurred to IEERALL that ABZUG could use this brokerage business as a cover and could possibly be a Soviet courier or espionage agent. IEERALL could furnish no specific information regarding CP affiliation on the part of MAURICE or EELLA ABZUG and could furnish nothing specific that led him to suspect that MAURICE ABZUG could be a Communist courier or espionage agent. IEERALL said it was guess work and speculation on his part.

#### ADMINISTRATIVE

It is to be noted that the pretext telephone call to verify the employment of the subject and the location of her office was made by SA JAMES E. GORDON on 2/1/62. No pretext was used as the call was made to determine whether or not subject was at her office at the time and agents identity was not requested by unidentified female who answered.

Information from the State Department concerning renewal of the passport of the subject was furnished in memorandum dated 7/18/61, from the State Department to the Eureau.

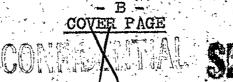

Information as to the residence, employment, departure and return to the US of the subject, was obtained on 8/23/61 by a pretext telephone call made by SA GEORGE R. MASSET. The pretext used was that of a travel agent and the call was made to an unidentified female who answered the telephone at the residence of the subject.

On 10/28/61, \_\_\_\_\_\_furnished information concerning material in the possession of REBECCA LERNER (NY file 100-72625) and/or her sister BESSIE SIEGAL (NY file 100-101112), both of whom reside at 210 W. 21st St., Apartment 5RW, NY, NY.

On 10/30/61, furnished information that SIEGAL, at a meeting of the Amalgamated CP Club (ACCE) in Room 10 E, Adelphi Hall, NYC, on that date, which referred to as the Secretary of the Amalgamated Club.

On 3/20/61, \_\_\_\_\_ advised that REBECCA LERNER was a member of the Executive Committee, Garment Region CP.

The material which was furnished by was a business card for the subject, identifying her as an actorney at law and giving her address in NYC.

SECRET

In view of the fact that this was a business card, and showed no personal or social contact between the subject and the two individuals mentioned above, it was not set out in the details of the report.

On 1/4/62 advised SA P.F. GARRITY <sup>b1</sup> that he has known the subject for many years but seldom sees her. He last saw her three or four months ago. He described her as a first class lawyer and believed that she is a graduate of Columbia. Her husband is a security dealer and she has a general law practice which involves, for the most part, real estate and estate work. She has planned to visit the Soviet Union but never made the trip. She is friendly with the Polish UN Delegation but the source did not know if she ever did any work for them. The source knew of no CP affiliation on the part of the subject. He advised that he is not that friendly with the subject and that she would never discuss or confide such information to him.

It is to be noted that the information concerning her desire to travel to the USSR has been previously reported and was set out in a report on the subject by SA GEORGE R. MASSET, 2/3/60, at NY.

In view of the fact that no positive information was furnished by this source concerning the subject, it was not set out in the details of the report.

Surveillances were conducted at the home of the subject during evening hours on 1/5,11,17,30/62, and no activity was noted.

With regard to the information set out from ARTHUR IEERALL, Cleveland, Ohio, it is to be noted that IEERALL stated that he is employed as Chief Physicist at the Rand Corporation, Cleveland, Ohio, and as a result of his employment he possesses a security clearance.

COVER PAGE

It was the opinion of the interviewing agent that I<sup>B</sup>ERALL was aware of the Communist leanings of the subject and her husband until he had dinner with them on 7/20/61. After reaching the conclusion that the ABZUGS were Communists or Communist sympathizers, he could foresee possible difficulties in connection with his own employment and security clearance at the Rand Corp. To preclude any difficulty, apparently decided to talk to the FBI and make an official record of his recent association with the subject and her husband.

It is to be noted that this matter was brought to the attention of Cleveland Office by letter dated 7/26/61.

"You are informed that the oath of allegiance appearing on the passport application, whereby a person swears that he will uphold and defend the Constitution of the United States, does not appear unreasonable for a loyal citizen to make. However, since such an oath is required to be made, no further action will be taken on processing your application for passport facilities. Re:

Integration of Public Schools Englewood, New Jersey Racial Matters

On March 1, 1962, Paul Zuber, Warren Avenue and Post Road, Croton-on-Hudson, New York, advised that he is the attorney for the plaintiffs against the Englewood, New Jersey, school system in the action to force the Englewood School Board to permit Negro children to attend schools of their choice rather than be indirectly segregated because of their residences. Zuber stated that he has been the attorney for plaintiffs in identical suits against other school systems.

Zuber stated it is his practice to accept suits brought to him by groups of parents of Negro children rather than to represent the Congress of Racial Equality (CORE), the National Association for the Advancement of Colored People (NAACP), or any other organizations. Zuber stated he is interested only in the legal problem and the legal remedy involved and not in raising or perpetuating issues for agitational reasons.

North A. A.

Zuber stated that he feels whenever he institutes one of his actions, the Communist Party (CP) through its membership and sympathizers, endeavors to move in, take control and concentrate on raising as many controversial issues as possible.

Concerning the Englewood, New Jersey, situation, Zuber stated that Pat Hainey, white female, wife of Dr. Leon Hainey, a Negro physician, Belmont Avenue, Englewood, New Jersey, is the organizer of all agitational efforts in that area in connection with the issue of school integration.

Zuber stated that his suspicions were aroused when he learned that Ben Davis, CP National Committeeman, had visited Pat Hainey several nights ago. According to Zuber, Davis was described to Zuber as having a "personal interest" in Mrs. Hainey.

Zuber stated that the Englewood, New Jersey, school situation was marred by a "sit-down strike" organized against Zuber's advice, by Pat Hainey, and Byron Baer, which resulted in "eleven sit-down pickets" being jailed. Zuber, having appeared as attorney for these eleven pickets, sent them a bill for his services after they were released. Zuber stated that Pat Hainey and her associates were provoked by Zuber's action since they felt he should donate his services.

Zuber continued that Hainey and Baer are pressing to continue the agitation in Englewood, New Jersey, and have instituted a technique of "selective buying" in order to force local merchants to bring pressure on the School Board. According to Zuber, Hainey and Baer are attempting to bring outside people into the Englewood area under the banner of CORE which organization, Zuber, himself, believes to be Communistically infiltrated.

Zuber advised that among the outsiders brought in by Hainey and Baer was one, Sharon Breitman, who appeared in a mink coat and was one of the pickets jailed in the "sit-down strike". Zuber stated that, prior to the "sit down strike", Breitman informed Zuber that she did not think she should put herself in a situation where she would be arrested since she had "once been active in the CP".

> On August 4, 1961, records of the Garden State Credit Bureau, Clifton, New Jersey, made available by Audrey Kling, receptionist, reflected that Byron Baer, 135 Belmont Avenue, Englewood, New Jersey, has been selfemployed for the past six years as a free-lance motion picture technician operating out of his home.

On July 24, 1958, Sergeant Roy Van Tassel, Ringwood, New Jersey, Police Department, advised that on June 29, 1958, he issued a speeding summons to B.M. Baer, 135 Belmont Street, Englewood, New Jersey, in the vicinity of Camp Midvale, New Jersey, where a picnic was being sponsored by the "American Committee For The Protection of Foreign Born" (ACPFB).

Van Tassel stated that Baer protested that the only reason he was being given a summons was that Van Tassel knew from where he, Baer, had just come.

The ACPFB has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Between 10:05PM and 11:05 PM, on December 17, 1959, a Special Agent (SA) of the Federal Bureau of Investigation (FBI) observed that a car, registered to Byron Baer, mentioned above, was among eight cars parked in front of the residence of Reuben Hersh, 295 Rutland Avenue, Teaneck, New Jersey. Zuber further advised that two other people from the New York City area, one a Negro girl named Mary Hamilton and the other, an unidentified white man, came to join the "sitdown strike", but backed out at the prospect of prosecution and returned to New York City.

According to Zuber, Mary Hamilton, whom he feels is emotionally disturbed, is originally from Colorado, and was recently arrested in Jackson, Mississippi in connection with integration disturbances there.

> On July 10, 1960, New York T-4, who has furnished reliable information in the past, advised that as of July, 1960, Mary Hamilton, mentioned above, was then a member of the Los Angeles News and Letters Committee.

A characterization of the Los Angeles News and Letters Committee is attached hereto and all sources mentioned therein have furnished reliable information in the past.

Concerning the New Rochelle, New York School Board action, Zuber stated he observed the start of similar pressure to that mentioned above, but in New Rochelle it was his observation the

legal moves were so swift that it was impossible for outside influences to make much headway.

According to Zuber, Victor and Marcia Rabinowitz of New Rochelle, New York, attempted to exert control over him by offering funds to assist him. Marcia Rabinowitz tried a "sweet and soft approach" and failing in that, reverted to a hardened attitude. Zuber stated that he was able to reject the offer of Rabinowitz because Thurgood Marshall of the NAACP paid for the minutes of the New Rochelle school hearing in the District Court, and the NAACP gave Zuber \$4,000 plus two awards of \$500 each.

> On September 16, 1960, New York T-5, who has furnished reliable information in the past, advised that on September 15, 1960, Gus Hall, General Secretary of the CP, USA, stated that Victor Rabinowitz had been delegated by the Cuban Government to be its attorney in the United States.

New York T-6, who has furnished reliable information in the past, advised on October 16, 1957, that Marcia Rabinowitz, 7 Serpentine Drive, New Rochelle, New York, who is the wife of Victor Rabinowitz, had contributed \$25.00 to the ACPFB.

Zuber stated that the following individuals, residents of New Rochelle, New York, were active in the school issue in that area:

Bess Hamers and Sam Hamers sponsored a party, at which about \$500 was raised. Sylvia Gennis and Joseph Gennis sponsored an elaborate dinner party which was attended by 75 people, who paid \$25 per person and which resulted in \$1200 being raised.

Others active in New Rochelle, New York, according to Zuber were Joan Goldstein, Guy Friedman, Leona Farrington and Ceil Kosdan. The money raised at these parties was given to Zuber to pay his expenses.

The source advised some of the songs sung at these gatherings were taken from a booklet entitled "Fifteen Red Army Songs", which booklet was observed in the Gennis home. The source also advised that "Red songs" for the phonograph belonging to the Gennis family, were also observed in their home. The source stated persons in attendance at the functions had a high regard for Dr. Gennis and their actions gave the source the impression that he was probably the leader of the group. The source stated she was certain they took up collections at all gatherings as

The source also stated that the "Daily Worker" and bound books written by Stalin and Lenin were also observed in the home of Gennis. The source further advised that both Dr. Gennis and his wife spoke favorably of the Chinese people in overthrowing the Nationalist form of government in China.

The "Daily Worker" is an east coast Communist newspaper which suspended publication on January 13, 1958.

New York T-8, who has furnished reliable information in the past, advised on April 4, 1945, that Sylvia Gennis was a member of the Yorkville Club of the Communist Political Association (CPA) as of that date. The CPA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Züber stated it was noticeable in New Rochelle that so-called "bitter issues and incidents" were brought up and agitated by Bess Hamers and Sylvia Gennis.

Zuber further related that on the day the trial brief was due in the New Rochelle incident, Ceil Kosdan volunteered to type it and drove him to New York City with it. On the way, Kosdan became involved in an idealogical argument with Zuber concerning the CP in school issues.

> On April 11, 1958, New York T-12, who has furnished reliable information in the past, advised that Celia Kosdan, who as of September, 1961, resided at 435 Webster Avenue, New Rochelle, New York, was Chairman of the West Bronx CP Club in April, 1958.

Zuber further related that on February 23, 1962, he was invited to address a meeting of the National Lawyers Guild in Detroit, Michigan. Zuber stated he spoke on his present position as an attorney in civil rights matters and felt that he and his audience did not see "eye to eye" particularly when he referred to them as "weekend civil rights lawyers". At this National Lawyers Guild (NLG) meeting, Zuber met Bella Abzug, a New York attorney.

On October 26, 1952, New York T-13, who has furnished reliable information in the past, advised that Bella Abzug was either an out-and-out communist or one who follows the CP line very closely. New York T-13 advised that he had no definite knowledge that Abzug was a CP member and based his opinion concerning Abzug on the fact that she was an attorney who defended "leftist causes".

The "New York Guild Lawyer", official publication of the New York City Chapter of the NLG issue of December, 1958, page 11, set forth the names of those who were officers in the NLG and on the National Executive Board of the NLG. Included in this list was Bella Abzug.

Zuber stated on February 24, 1962, he was telephonically contacted by Leo Linder, a New York attorney, who had attended the NLG meeting in Detroit, mentioned above. Linder informed him that should he, Zuber, ever need financial aid to further the progress of any of his cases, he, Zuber, need only contact him telephonically and the money would be forthcoming.

> On September 15, 1960, New York T-14, who has furnished reliable information in the past, identified Leo Linder as a "concealed Communist". New York T-14 stated that Linder was introduced to him as a Communist in the 1940s and was referred to as a CP member during that time in a number of reports of the New York State CP Committee. New York T-14 advised that Linder was reported to him officially to be a CP member until 1945.

Re:

New York T-15, who is in a position to furnish reliable information, on February 9, 1962, furnished information which indicated that Leo Linder was then President of the New York City Chapter of the NLG.

Zuber stated that he had been a member of the NLG for about one year but has not paid dues since the first year. He had accepted an offer to use NLG typing and stenographic services which are usually reserved for members.

Zuber also stated that he has been asked to start actions against the school boards in Los Angeles and San Francisco and that he planned to start these actions in about April or May, 1962.

A characterization of the NLG is attached hereto.

#### AMERICAN LABOR PARTY

The "Guide to Subversive Organizations and Publications," revised and published as of January 2, 1957, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the American Labor Party:

> "1. 'For years, the Communists have put forth the greatest efforts to capture the entire American Labor Party throughout New York State. They succeeded in capturing the Manhattan and Brooklyn sections of the American Labor Party but outside of New York City they have been unable to win control.'

(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 78).

"2. 'Communist dissimulation extends into the field of political parties forming political front organizations such as the \*\*\*American Labor Party. The communists are thus enabled to present their candidates for elective office under other than a straight Communist label.' (Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for

Americans, S. Doc. 117, April 23, 1956, p. 91)"

On October 7, 1956, Peter Hawley, New York State Chairman, American Labor Party, publicly announced the American Labor Party State Committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

LOS ANGELES NEWS AND LETTERS COMMITTEE (LOS ANGELES LOCAL, FOREST FACTION, JOHNSON-FOREST GROUP)

On August 1, 1958, a source advised that as a result of the split within the Johnson-Forest Group (JFG), which occurred in 1955, two factions emerged-the Johnson Faction and the Forest Faction. The Johnson Faction is composed of the followers of C.L.R. James, also known as James Johnson, and the Forest Faction is composed of the followers of Rae Dwyer, also known as Freddie Forest and Raya Dunayevskaya. The co-founders of the JFG were C.L.R. James, known as Johnson, who was deported from the United States as an undesirable alien in 1953, and Rae Dwyer, known as Forest.

On September 10, 1957, two other confidential sources advised that, as of September, 1957, the Forest Faction of the JFG was known as the News and Letters Committees (NLC) of which Rae Dwyer was referred to as National Leader. "News and Letters" is an official publication of the NLC.

On June 26, 1961, a source advised the Los Angeles News and Letters Committees (LANLC), also known as the Los Angeles Party of the News and Letters Committees, is a local of and affiliated with the News and Letters Committees whose headquarters are located in Detroit, Michigan. The source further advised that the aims and purposes of the LANLC, which is currently active, are identical to those of the NLC.

> JFG has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

## FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.
