On Friday evening Women for Peace from all over the nation met at the Winnetka Fieldhouse in Winnetka. There were approximately 60 women there and 40 of them were delegates from all parts of the states. Some of the women from Chicago who were there are as follows:

> MARY BOYER GLADYS NOBLE EVELYN SAULK SARAH SHORESMAN ESTHER MANDEL SHIRLEY LENS HELEN FISHER

There was a great number of out-of-towners.

This conference on Friday evening was given by the various delegates from different states reporting on the activities of their groups during the last year.

A woman named ANN THURSEN chaired the meeting. PAULINE ROSEN from New York reported on their activities and how they organized in New York and how they have tried to draw the Puerto Rican and black people into their communities. They feel it is necessary to involve them in their communities. Some of the things they have done in the past year are draft counselling and involvement with the schools. They made a statement that they have very little communication with the National Women for Peace group. The only communication they

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED have with the National groups is the pamphlet that comes out. Otherwise, there is very little communication.

The next person to report was CORA WEISS from New York. She spoke on hergroup from New York and reported how their group investigated the appropriations for military defense and other government spending on military and suggested that before the January Protest in Washington, all of the different groups of Women for Peace learn about the appropriations for military defense and such.

SALLY BORSCH and MARY CHANDLER from Washington and EDITH FILS from Philadelphia reported on how they aided the draft resisters in Philadelphia.

JEAN SHULMAN from New York City reported on how their group was studying and having retreats on how to buck the huge power in Washington and the military and industrial complex and chemical and bacteria warfare.

There was a report from Prince George County in Maryland. A young woman by the name of JEAN LINUS from Chicago reported on Women for Peace activity in Chicago, that being distributing leaflets to individuals in downtown Chicago and how it was an independent action with very little relationship with National Wisp.

A woman from Detroit said the group there is dormant, and now is reorganized under the name Power for Women and are active there in industrial plants.

This went on until about 10:30 when they broke up for coffee and cake. Quite a few women stayed in Evanston, Wilmette, Hyde Park and Glencoe overnight.

The group met again the next morning, November 9, 1968, at 9:30 a.m., at the Winnetka Fieldhouse to hear DAGMAR WILSON speak. In addition to some of the women who were there the night before, the following were in attendance:

> DEL SANDERS JUDY STEINBERG MIMI TARG Mrs. RICHARD MANDEL MAYA FRIEDLER ELAINE SHOCKET HELEN FISHER ROSE CHESTER

DAGNER WILSON spoke mainly about the role of women and on the poverty that exists in this country and how there cannot be peace abroad when there is not peace in our own country.

Then a woman by the name of ETHEL TAYLOR, from out of town, spoke. She said we have to put Vietnam into a new picture. She said if it isn't Vietnam, it will be another place we will be involved in. This is due to our foreign policy.

The military buildup is sapping the economy in the national commitment to an armed society. She recommends, especially before the January Protest in Washington, for the various Womens Peace groups to issue statements as a result of this conference to expose the military conspiracy in this country. She suggested mobilizing for the January hearings against nuclear buildup and not only to mobilize but also to lobby against it. She recommended that when their groups go back they should help to organize slogans against these things and if they possibly can, to send horrible pictures that they find in our papers and magazines of the ugliness of the war and send them to our congressmen.

Another speaker was RUTH GAGE COLBY. She said the way things are happening it looks like there is going to be a nuclear holacast leading to a doomsday. Scientists and private industry are aiding this. The women's role is to stop the final abyss.

A woman by the name of GENINE HARROS of New Orleans spoke. She said she is a dropout of the Peace for Women. She had gone to Geneva in 1967. She was originally from Philadelphia. She said that the poverty that exists is too much and there has to be a tremendous change of the system because nothing is being accomplished. Women have a dual role

in society. We have to struggle for peace and non-nuclear war and have to fulfill the needs of the poor and face the issue of racism. This brought out a great deal of discussion on whether Women for Peace can change the system. The best thing they can do is participate in their communities and bring about change in their communities.

BELLA ABZUG, a woman attorney from New York, spoke next. She said that women can group together as a political power block. Women can develop their power and not become a separate political entity but to develop women force. She brought out how women have a dual role not only a part in the world but as mothers as the force that perpetuates. Women have a deep sensitivity. There was much discussion after this.

Another woman by the name of JENNY BEAR from Nassau County, New York, spoke. She said that women cannot make any great changes in the system. She said the name of the game in this society is money and you cannot change this so easily or quickly. She went on to also speak about participating in community activities.

Another woman named BERTHA ROSEN from New York spoke. She said that foreign policy is part of an imperialistic government and foreign policy should be exposed. She also said that this organization is not geared to make changes but to get into the communities to change the status quo.

- 5 --

It is the white man's job to eliminate racism and to help the communities control their schools which will soon not only be a problem in New York and other big cities but will spread to the small cities and become a national problem. All communities will want to control their own schools.

A woman named PINY ALOMA from Washington spoke. She spoke about disarmament abroad and at home, and also spoke about peace power at home and destruction and that people have to have compassion for the white power and when they have this compassion they will be able to understand the Indian and Negro power.

There was another woman present by the name of HAZEL BURNS from San Francisco. She spoke on how women have to be conscious of the importance of their roles and their work. If they realize how important this is, it will grow. They have to realize what part they play. After this, discussion went on and on.

BELLA ABZUG spoke again at 9:30 a.m., Sunday morning at the same fieldhouse. She spoke on women and political action.

Women Strike for Peace (WSP) and Women for Peace (WFP) groups held their 7th National Conference November 8 thru 12, 1968, at the Winnetka Community House, 620 Lincoln Avenue, Winnetka, Illinois. There were 62 delegates in attendance at this conference and they represented 25 states.

1

The first session of the conference began at approximately 6:30 PM, Friday evening, November 8, 1968, with about 60 woemn in attendance. GLADYS KNOBLE, Chairman of the North Shore Women for Peace, the group which served as host group for this conference, extended greetings to all visiting delegates. After the welcoming speech by KNOBLE, ANN THURESON, who chaired the first session, called for reports from the various groups represented at the conference on their activities during the past year.

PAULINE ROSEN, from the New York area, gave a report on the activities of the New York Women Strike for Peace, She described how they had organized and arranged their activities to involve the Puerto Rican and Negro people. She said that they have been working on problems in the schools and have been providing

- 1 -

draft counseling for young men. She indicated that the New York WSP had had very little communication with the National Office of WSP.

CORA WEISS, from the New York area, spoke on the work of her group. She said that they have been investigating this country's huge appropriations for defense and all WSP groups should acquaint themselves with the facts concerning these huge defense appropriations and bring these facts to the attention of the public.

Representatives from the WSP groups in Washington, D. C. and Philadelphia, Pennsylvania, stated that their groups have been working with draft resisters.

JEAN LINUS, from the Chicago, Illinois, area, stated that the Chicago area Women for Peace has been holding peace vigils and protest demonstrations against the Vietnam war. She said that the Chicago peace groups have been working independently of the National Office of WSP.

The second session of the conference opened at 9:00 AM, November 9, 1968. This session was charied by NAOMI KOMOROWSKI from Detroit, Michigan.

- 2 -

The first speaker was DAGMAR WILSON from Washington, D. C. who is the founder and the national leader of WSP. She spoke on "Women Power". She stated that she was very pleased with the reports from the various groups because they revealed that the groups have been working very hard to stop the war in Vietnam and bring peace to the world. She said that they all have been doing their "thing" but they must not stop, as they have not gained their objective which is peace.

WILSON stated that they know what the problems arecand they must keep active and build the women's movement. They must organize their work as they need more organization of their work. The WSP has become known. "We are a part of the American scene and we are known abroad. We must work with the poor peoples, both white and black."

WILSON stated that the mobilization of "Women Power" has to have a dedicated platform from birth to death. "'Women Power' is of necessity a conservative power, but it includes all women and styles of operation. It can work. We have to learn

- 3 -

to trust each other, to talk to other women in our neighborhoods, to get them interested. We have got to begin on a solid foundation, to dig in and work, if we want to change the power structure of our government and use it to work for peace."

ETHEL TAYLOR from the New York area was the next speaker. She spoke on "Biological and Chemical Warfare". She said that the United Nations has called for a strict curtailment of "Biological and Chemical Warfare", but our present administration in Washington, D. C. has ignored this call. She said that, "we must protect our children, we must make the new administration aware of our position on 'Biological and Chemical Warfare' as well as on Nuclear Warfare."

TAYLOR stated that they must take advantage of every ally they have in Congress and the news media and call for an investigation of this country's defense programs and the big profits being made on these defense programs. She said that the Navy now has a building plan in Congress calling for an eighty billion dollar spending spree and there is also pressure in Washington, D. C. to enlarge the United States' present involvement in Vietnam and to create

- 4 -

additional Vietnams in Southeast Asia.

ì

TAYLOR proposed that the conference issue a press statement calling upon all concerned women to work to end the arms race, the Vietnam War, and against the creation of any additional Vietnams.

After TAYLOR's speech, a discussion was held as to what they as women could do in order to bring about changes in this country that they desire. The following suggestions were made:

 Study "Women Power" and how it involves other women;

2) Find out what poverty means;

3) Involve themselves in poverty programs, such as the "Head Start" program'

4) Build a better society with education.

BELLA ABZUG, from the New York area, stated that they as women have not been forceful enough in the use of "Women Power." She stated that in order to utilize "Women Power" and bring about changes needed in the present society, they must conduct public hearings, maintain a lobby in Washington, D. C. and bombard all political people with information concerning their programs.

- 5 -

PAULINE ROSEN from the New York area, stated most people are not familiar with the facts concerning the Vietnam war. She said that peace forces should take to the streets and acquaint the people with these facts and work for bringing the troops home from Vietnam now - by Christmas. She said that, "we must also press for changes in our communities. We need to start with changes in our school systems and work to overcome white racism."

The third session of the conference opened at 2:00 PM, November 9, 1968. This session was chaired by GAIL EABY, from Los Angeles, California. There was additional discussion concerning the work that needs to be done in the communities. It was stated that there was a need for more day-school centers and it was pointed out that this was one way of reaching more mothers. Some of the women stated that they had tried to work in the black communities but had been unsuccessful. They wanted to know how they were going to be able to reach black communities if the black people do not want them.

After the above discussion, GAIL EABY introduced RICHARD CRILEY, Executive Secretary of the Committee to Defend the Bill of Rights as a guest speaker. CR4LEY Discussed the following topies:

- 6 -

"Repression, Socialism, Fascism, Hitler's Germany, and Black America."

He stated that the election had awakened the people to fascism in America. He described WALLACE and LEMAY as being the twin aspects of fascism and stated that if they had been elected there would have been total war in America which would have resulted in total destruction.

CRILEY stated that President Elect RICHARD NIXON may have a new twist, but he does not thing so. He reviewed what he said was NIXON's voting record in Congress and indicated he does not thing NIXON has the answers to the problems facing this country.

CRILEY said that HUBERT HUMPHREY, when HUMPHREY was a young Congressman and was in the Americans for Democratic Action, had a good record, but HUMPHREY has changed. HUMPHREY now follows the line of President LYNDON B. JOHNSON.

CRILEY stated that the blueprint for America must be for a free America. He urged everyone present to work against bills now in Congress which he stated would curb freedom in America and asked them to give support to bills now in Congress calling for the abolition of the House on Un-American Activities (HUCA).

- 7 -

He ended his speech at this point. There were no questions.

After CRILEY's speech there was further discussion concerning civil rights, the war, children and the draft. It was stated that they must maintain a continuous lobby in Washington, D. C., working to end the war and the draft. They also discussed demonstrations and leafletings they had held in their various areas against the war and the draft. Some of them mentioned that they had worked in the "Head Start" programs in their communities to assist underprivileged children and these programs had helped some people but not the black people. They indicated the black people are just as bad off as before.

The fourth session of the conference opened at 7:30 PM, November 9, 1968. This session was chaired by MARY CLARK, from the California area. The discussion was on the draft and what can be done to **s**op it. Many suggestions were received from the floor.

President Elect RICHARD NIXON was quoted as having said that he is against the draft and that he prefers a volunteer army. A lengthy discussion was

- 8 -

held concerning this. Some women were for and some women were against a volunteer army. Those against claimed a volunteer army would be a mercenary army. However, all of the women were against the draft and recommended the WSP program in the future include the following:

1) Protest demonstrations at local induction boards and the sending of letters against the draft to President JOHNSON and all politicians;

2) Support of the Summer of Support, an organization which has been formed to set up coffee houses near military bases to counsel military men concerning their rights and actions against the Vietnam war. It was stated that Summer of Support has set up several coffeehouses and others are being planned.

LOYCE BRAUN, a leader of the Chicago area WFP, suggested that they draw up mock induction papers and send these papers to the heads of big businesses and Government officials. BRAUN's suggestion was adopted by the conference.

Representatives from WFP groups in New Jersey, Denver, Colorado; Washington, D. C.; New York; and Philadelphia, stated that they have made visits to

- 9 -

Army camps and distributed anti-war leaflets and so far they have not been stopped. Representatives from other groups indicated that they also plan to try this.

The fifth session of the conference opened Sunday morning at 9:00 AM, November 10, 1968. PAULINE ROSEN chaired this session:

BELLA ABZUG was the first speaker. She spoke on the topic "Political Power, the Power Structure of the United States." She said that the paramount power today is "Women Power." "We don not know it but we do have "Women Power", therefore, it is the women's job to change the establishment. The election proved that people today, particularly the Americans, are thinking. They want to change. They are thinking of the war, taxes, and the effect of these things on their personal lives."

ABZUG said that the assassinations of the REVEREND MARTIN LUTHER KING, JR. and Senator ROBERT KENNEDY deprived the peace people of two powerful peace candidates. "However, there has been created a power structure of change and we are going to help change it. Chicago and the DALEY machine, as a result of what happened at the Democratic National Convention here, were dealt a heavy blow. The war machine is eating every facet of our daily lives and we will be taxed and taxed until we have no more to give. The resistance

- 10 -

women political forces will have to do most of the work. We must get more women into politics and those with a flare for change must work together with the peace forces to stop the war. There must be constant lobbying on the peace issues both at the national and local levels."

After a discussion during which all agreed with ABZUG that there was a need to involve more women in political activities, it was decided to divide up into three groups and discuss various issues of interest to women. All three groups decided upon practically the same resolutions which were in substance as follows:

1) Letters should be sent to President JOHNSON urging withdrawal of all troops from Vietnam so they can be home for Christmas.

 Work must continue to abolish the draft and there should be mass visits to army camps and anti-war leaflets distributed and so forth;

3) Efforts should be made to educate women in the neighborhoods concerning their rights and the rights of children;

4) The WSP lobby in Washington must continue and WSP must work against any effort by President Elect RICHARD NIXON to increase the national defense budget;

- 11 -

5) WSP should make visits to all Congressmen while they are home during the holidays and hold demonstrations demanding action be taken in regard to the Vietnam war, poverty, civil rights and schools.

The last session of the conference opened at 9:00 AM Monday morning, November 12, 1968. This session was chaired by DAGMAR WILSON. It was decided the WSP and WFP groups would join with and support other groups which are working for the repeal of the draft. They will also assist in the distribution of leaflets at high schools concerning the draft and help provide proper conseling on the draft in high schools. It was stated that \$500 was needed to carry on this work.

It was also decided that on December 10, 1968, a demonstration will be held in Washington, D. C. It was stated that the President will be petitioned and asked to see 100 women who will urge the President to end the Vietnam war and bring the troops home from Vietnam. The women plan to try to enter the White House and they hope to see the President. They also plan to notify the press so the press will cover this demonstration.

- 12 -

In addition, it was decided that on December 10, 1968, the various WSP and WFP groups in the various cities will hold local demonstrations in their home cities. During these demonstrations the groups will carry a replica of a large tombstone to the unwilling soldier and distribute anti-war stickers and leaflets.

The conference at this point was concluded.

On January 8, 1969, a source advised that the office of Women Strike for Peace (WSP) 799 Broadway, New York City, New York, stated a peaceful picket line demonstration would be held from ll:00 a.m. to 1:00 p.m. on January 15, 1969 in front of the Hotel Pierre, New York City, New York. A delegation from Philadelphia would join the New York area WSP to picket the office of President elect Nixon at the Hotel Pierre and deliver a statement calling for withdrawal of troops from Vietnam.

The "Daily World" of January 14, 1969, page five, announced the WSP picketing of President-elect Nixon's office at the Hotel Pierre.

# ÉMMA LAZARUS FEDERATION OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

The ELF National Office was moved and is now located at 150 Fifth Avenue, Room 632, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

CCC Minutes cont'd.

FUND RAISING: Millie Mogulescu reports -

2

I. In the works: - Trips to Europe and other far-away places. With support from all WSP'rs who travel, this can be an "on-going" way to raise large sums of money for our future work (Natl. WSP as well as NY WSP.)

Specifics for now: There are three 3-week European trips planned; one for May; June, and July. We need 15-24 people for each trip. Cost will be about \$800 per person. Itinerary details on the way. DO YOUR BOOKINGS FOR TRIPS, IN THE FUTURE THROUGH WSP. EVEN SMALL FLIGHTS CAN NET US MUCH NEEDED FUNDS!

2. We thank Millle for "Lion in Winter" which netted us some much needed funds:

3. CCC responded favorably to further fund raising proposals: a. Raffles for a "Night on the Town", two tickets to theater and dinner, possibly two tickets for a "Gile's" concert. b. Theater party for "Little Murders" (Jules Pfifer's play) for March for a Sat. night at the 7 PM performance. Wait to see it with us:

ANT ( DRAFT ACTIVITY: National Council to Repeal Draft, meeting Jan. 15, will act on "Statement of Purpose" which Irma read to us for approval.

A petition is being circulated on the West Coast in support of Mrs.Whitehorn of San Francisco who has refused to allow her 18 year old son to register for the draft. There is a pledge to sign at botton of petition for parents of sons 18, indicating that they will not permit their sons to register for the draft AND a statement for people to sign that they support Mrs. Whitehorn. WSP's position has been that we support the men who resist but we have not taken position of telling our sons what to do. Further discussion and study needed, including questions that need answers - Some felt we could use this campaign to pressure Congressmen not to support the draft when it comes up for revision in 1971. Local groups meeting should get feelings of their women. Bella will study and evaluate questions raised and recommendations will be discussed at a future meeting. In the interim letters of encouragement and money can be sent to Mrs. Whitehorn, 3931 Duncan Place, Ralo Alto, Catifornia, 94306

POLITICAL ACTION: Bella Abzug reported that statements were prepared for visits to Congressmen. Power of pressure on congressmen must not be undorestimated. Some Congressmen

Sample resolutions also prepred for positions to be taken by () (itical clubs and course Women must play leadership role in pressing issues as ongoing political action not just during election campaigns. Our participation in these grounings must be to force stronger positions on issues. ""Coalition" having two functions: Jan. 12 at 11 AM at Statler Hilton - formation of Statewide organization of Democratic Coalition. To set-up of structure and delegates will vote. WSP'rs who have been involved should attend to play Teadership role in this conlition and press position on issues. We must continue to be a poworful independent bloc to press cur position within the coalition. · · · · · • \* • Jan. 18 at St. George Hotel, Brooklyn. (a sort of forum on issues not intended to take positions) 'Good speakers on important issues but no panot'slated on Vietnam. A foreign policy panel but not Vietnam specifically; women attending this forum should insist on panel on Vietnam! WASHINGTON D.C. APPEAL LETTER: Envelopes now in office for Washington Appeal letter which must go out to entire membership lists. Wash. WSP in dire need of funds. NEXT MEETING WILL INCLUDE: -- T. Report from Dorothy Forman on Scientists meeting in Dallas. 2. Recommendations from NY Conference. 3. Sticker saturation campaign. 4. Further activities on ABM campaign. .13 -----..... ## BELLA SAVIJSKY ABZUG

Attached hereto is a Xerox copy of a news item from the "Daily Argus", Mount Vernon, New York, of 1/17/62.

As of early 1962 and up to approximately 1965, BELLA ABZUG lived at 234 East 5th Street, Mount Vernon, New York and was a practicing attorney at 24 West 40th Street, New York, New York. At that time, she moved with her family to Apartment 2, 20 West 16th Street, New York, New York, and, as far as known to FBI, she is now self-employed as an attorney and works out of her residence.

The "New York Guild Lawyer", a monthly publication of the NLG, May, 1963, Issue, page 3, indicated that subject was elected at the Chapter meeting held on 5/1/63 at the Hotel Martinique. New York City, to the Board of Directors of the New York City Chapter of the NLG for 1963-1964. It is noted that subject has held this position for the past ten years.

Attached hereto is new item from "Village Voice" of 9/28/67.

In "The Worker" of 4/9/67, there appears a headline "More Draft Youth Refusing To Join War on Vietnam". The news item is continued on page 11 column 2 and it quotes Mrs HELLA ABZUG, New York Legislative Chairman of Women Strike for Peace (WSP) who declared "We're not prepared to let our sons be summoned to kill in this undeclared, unjust war in Vietnam. We are not here to speak for reforms of the draft. We oppose the drafting of young men for destruction and military intervention in the social and political matters of peoples around the world".

The "Daily World" of 1/14/69, page 5, announced the WSP picketing of President-elect NIXON's office at the Hotel Pierre. On 1/15/69, at noon, approximately 12 women met with Mr. HUGH SLOAN, Special Assistant to President Elect Nixon, in front of the Hotel Pierre entrance on Fifth Avenue. The women presented a letter to Mr. SLOAN and verbally expressed to him their desire that the United States end the war and get out of Vietnam immediately. This conversation with Mr. SLOAN lasted approximately fifteen minutes. Among those observed as part of the delegation were AMY SWERDLOW, CORA WEISS, and BELLA ABZUG, of New York WSP. Also observed participating in the picket line demonstration were LORRAINE GORDON, FLORYNCE KENNEDY and PAULINE ROSEN.

WOMEN STRIKE FOR PEACE, NATIONAL CONFERENCE, PHILADELPHIA, PA., OCTOBER 17 - 20, 1969

On September 23, 1969, PH Tel advised that the National Conference of the Women Strike for Peace (WSP) had been scheduled for Philadelphia, Pa., from October 17, 1969, through October 21, 1969. According to PH T-1, MARY CLARKE and GAIL EABY, representing the Los Angeles WSP were scheduled to attend.

On September 29, 1969, PH T-2 advised that the WSP National Conference would be held at the Robert Morris Hotel, Philadelphia, and that BARBARA BICK, editor of "Memo," National bulletin of the WSP, and VICKI KING, National Office Secretary, would attend representing the National Office.

On October 1, 1969, PH T-3 advised that all arrangements for the National Conference for the WSP were being handled through MARY MORRELL of the Philadelphia Office, WSP.

On October 16, 1969, PH T-4 advised that MARY MORRELL left the Communist Party of Eastern Pennsylvania and Delaware (CPEPD) in 1956.

PH T-3 advised that MORRELL indicated that 100 to 125 individuals planned to be in attendance and that the conference

would culminate with a communion breakfast to accommodate 200 individuals on Sunday morning, October 19, 1969.

CONFEDENTIAL

On October 1, 1969, PH T-5 advised that at a WSP meeting held at their headquarters, 20 South 20th Street, Philadelphia, it was decided that delegates planning to attend the national conference would be required to write directly to the Robert Morris Hotel rather than accomplishing this through the local WSP Office.

According to PH T-5, the WSP drew up plans to form a national committee of wives and mothers of men in Vietnam and men who have died in Vietnam. It was decided that considera-tion be given to placing an ad in the Philadelphia papers and repeating it for effectiveness. The main theme of the ad would be to appeal directly to mothers of service men in Vietnam or those about to go. It was emphasized that this drive should be a principal consideration of those in attendance at the national conference. According to PH T-5, it was decided that the committee would be a central Philadelphia movement which should spread naturally into a national organization, since it was really a national concern, but all localities were not aware of the emergency. It was decided that WSP in this project would work in unison with the New Mobilization Movement to End the War in Vietnam. It was hoped that a workshop and a press conference would develop naturally at the national conference in order that this project might be fully exploited.

On October 17, 1969, PH T-5 advised that the WSP national conference convened at the Robert Morris Hotel at approximately 2:00 p.m., with only 30 out of an expected 125 representatives present. The opening remarks were made by ETHEL TAYLOR, National Chairman of the WSP, who decried the lack of attendance. She stated that the press conference would be held at 1:00 p.m., the next day at the Robert Morris Hotel in an attempt to build up publicity and enthusiasm.

On April 13, 1965, PH T-2 advised that ETHEL TAYLOR of the WSP led a panel discussion on "Peace" at the annual conference of the Independent Citizens Committee (ICC) held March 20, 1965, on North Broad Street, Philadelphia, Pa.

CONFIDENTIAL

A characterization of the ICC appears in the Appendix of this report.

According to PH T-5, MARY CLARKE presented the agenda which was discussed and accepted. A copy of the agenda is attached hereto.

CONFID

Reports were read from Seattle, New York, Southern California, New Jersey, Washington, Philadelphia, Boston, Chicago, Montreal, and Berkley, Calif.

The main objective of these reports were support of the Black Liberation Movement, protest the anti-ballistic missile, support of the Vietnam Moratorium, as well as the Grape Boycott in California.

PH T-5 advised that the main objective of most reports was to stop the War in Vietnam and bring the American troops in Vietnam home. Reports reflected that the Moratorium touched many who the peace groups had not reached before and was considered to be very successful. It was suggested that the wives and mothers of Vietnam soldiers and veterans be contacted directly in order to get them to work for the peace movements. It was further emphasized that through solgans, ads, posters and literature the peace movement would be channeled to the whole nation.

Mrs. ETHEL ROBELL presented the report for the New York Metropolitan area.

PH T-5 advised that DOROTHY FORMAN then discussed the chemical and biological warfare proposals and anti-atomic test ing ban. PH T-5 advised that in the evening after the dinner, IRMA ZIGAS was scheduled to discuss counseling services in the minority areas as well as the national campaign to repeal the draft.

On October 18, 1969, PH T-3 advised that preparations had been made for a large press conference at the Robert Morris Hotel at 1:00 p.m.; however, attendance at this conference was very sparse.

On October 18, 1969, PH T-5 advised that the press conference of the WSP was held in a separate room of the Robert Morris Hotel, attended by ETHEL TAYLOR, Chairman, accompanied by HELEN EVELEV and MARY MORRELL.

PH T-5 advised that at 1:30 p.m., the conference reconvened and discussion was held concerning the functions of the National Office. At this time it was determined that only paid members of the WSP staff shall make policy or carry out approved projects. The morning discussion on Vietnam was continued and the question of how the WSP should relate itself with the fall offensive was the topic of conversation. It was urged that committees of wives and mothers of our men in Vietnam and their parents work at pressuring Congress and public on this matter. A heated discussion took place on the sphere. of the Washington WSP group and it was agreed that the policymaking functions should be carried on jointly by Philadelphia, New York, and Washington groups. A discussion was subsequently held on WSP's role in the November 15th demonstration in Washington, D.C., and it was decided that the WSP would make slogans, posters, literature, and distribute it to regional groups along with a flyer explaining WSP policies and projects.

According to PH T-5, a large number of colored silk posters with Vietnamese themes, including one of Ho Chi Min, were shown to the conference members. These posters were allegedly made by a Cuban who had been in Vietnam and were being sold and copied for the benefit of the Cuban people. This project was passed under the direction of RUTH MEYER of New York who had recently visited Cuba. The theme of the afternoon activity was to build up enthusiasm for the November 15th assembly in Washington, and work on two levels, the Moratorium and the militaryindustrial complex. At this point, RUTH MEYER told those present that Pan American Airlines was being subsidized by the U.S. Government to do its bidding and urged that it be boycotted all over the world.

At approximately 2:30 p.m., BELLA ABZUG addressed the conference on the subject of the legislative line.

The May, 1963 issue of the "New York Guild Lawyer," a monthly publication of the National Lawyers' Guild (NLG), indicated that BELLA ABZUG had been

CONFIDENTIAL

elected to the Board of Directors for the New York Chapter of NLG.

A characterization of the NLG is attached hereto.

A speaker from Berkley, Calif., indicated that WSP in Northern California was helping Vietnam students, but did not go into detailed discussion on this matter. ETHEL TAYLOR indicated that consideration should be made politically on local issues to make a real impression and she urged this session to develop more ideas along the lines of anti-chemical, biological warfare, the draft, and the Vietnam war.

The Sunday Bulletin, in its edition of October 19, 1969, contained an article on page 23, captioned "WSP Plans Unit for Widows of GIs killed in Vietnam. A copy of this clipping is attached hereto.

National leaders of Women Strike for Peace (WSP) plan to form a National Committee of Wives and Mothers of Men in Vietnam and Men Who Have Died in Vietnam.

Mrs. Ethel Taylor, WSP coordinator of the greater Philadelphia area, made the announcement yesterday, the second day of the organization's three-day conference being held at the Robert Morris Hotel, 17th and Arch sts.

Mrs. Taylor said the committee is being formed "to fulfill a need—by working against the war in Vietnam—for the many women who have been affected by this horrible war."

Mrs. Taylor also announced WSP's "total support" of the antiwar activities scheduled by the New Mobilization Committee to End the War in Vietnam, locally and in Washington, Nov 14 and 15.

WOMEN STRIKE FOR PEACE NATIONAL CONFERENCE PHILADELPHIA, PA. OCTOBER 17 - 20, 1969

On October 21, 1969, PH T-3 advised that the WSP conference had been described by some of those in attendance as a "disaster" inasmuch as the highest number of individuals to attend was 100 for the Saturday session. The poor attendance necessitated cancellation of the proposed communion breakfast as well as several social functions. PH T-3 made available the financial report which was delivered by BARBARA BICK on Sunday, October 19, 1969. A copy of this financial report is attached hereto.

# INDEPENDENT CITIZENS COMMITTEE (ICC)

A source advised the Independent Citizens Committee (ICC) was initiated and formed by the Communist Party, Eastern Pennsylvania and Delaware (CPEPD), in October, 1962 to build a left-center organization which would be able to initiate political activity. As of May 4, 1964, the policies of the ICC were dominated by the CPEPD through Communist Party members who were officers and members of the ICC.

On May 24, 1966, this same source advised the ICC continues to operate under the domination of the CPEPD.

The source advised on April 25, 1967 that the ICC was "literally dead", having no headquarters; no general membership, and no money; that unless the CPEPD sent forces into the ICC, it would cease to function, and that, at this time, the CPEPD had no such plans.

# CCC MINUTES November 19, 1969

MAN ---- NEXT CCC MEETING WED, DECEMBER 3, 11 A.M.

DECEMBER MORATORIUM ANTI-WAR ACTIVITY December 12, 13, and Christmas Eve have been designated as days of protest: Also, weekend of Dec.13 and 14 declared "Gil." weekend. National Citizens' New Year's Eve Peace Observance Comm. has invited us to participate in planning of CBS special New Year's Eve Network TV program to capture quality of local observances planned by groups involved in local New Year's Eve anti-war activity acAmy Swerdlow will attend meeting Tues. at 4 P.M. All agreed it was essential to participate in local communities on these days, but we must give active leadership to activities being planned. We have to address ourselves particularly to the socalled "silent majority"; alert them to what is happening.

Some ideas projected for WSP and local community actions for December moratorium days included: [1] Christmas Cards addressed to the President, but directed to Coretta King for presentation to the President; [2] Honor Roll for Peace (object: several million signatures for peace, eventually to be entered in the Congressional Record, hopefully to be read on the floor of Congress in same way as "Honor Roll of War Dead"); [3] Economic Boycott - a moratorium on regular Christmas buying. Buy only peace gifts; support poace groups and those working for peace (Jensen's Dept. Store was commended for excellent-ad-in-Sunday Times, "Some Toys Hate War").

Long discussion on our role in Moratorium and New Mobe Comms. and need for WSP to take a more active leadership role, especially on city-wide and local committees, and to have representation on every committee that is planning activity. Need for education and educational material also stressed. Many who have responded and participated in the coalition lack understanding of basic questions - our special responsibility to deepen the understanding of the issues and broaden the movement so that the total coalition can begin to act politically, in a broad sense. Average American now being barraged by propaganda distorting the issues. We must encourage greater participation of women, "housewives for peace", etc. We must constantly raise the question of the shrinking dollar.

Bella was asked to represent WSP on NY Moratorium Comm. and to attend-any planning meetings being held. Questions were raised as to whether we had a representative who attended meetings of National Steering Committee of National Moratorium Comm. Because of her involvement and tremendous contribution to Nov. 15, CCC regretted that Cora-was not-able to be present at meeting to participate in discussion on role of New Mobe; our representation at Moratorium Comm., etc.: (Cora had important appointment with record co. which was making historic record of Nov. 15th, to be ready for peace gift buying for Holiday Season.)

"FLY TRANS-WSP" TOURS New exciting tours being planned. Brochures available in January. Travel in a group or make your own itinery, but travel with WSP. Wherever you want to go, whatever faraway place beckons you, make your arrangements through our new agent, Afton Tours, 1776 Broadway, NYC; PL 7-9595. Be sure to mention WSP. (Please note: We are no longer working with Consolidated Tours:) Group tours planned: [1] End of May [70 to Prague Music Festival, Yugoslavia, then Sicily [2] July to Páris and Scandinavian countries [3] August to Soviet Union; London, Amsterdam [4] Oct. to Mexico [5] winter '71 to Caribbean. This is now a Nat']. Fund Raising activity decided at the Nat'll: Conf. Get your reservations in early to avoid disappointment. Tell your friends and organizations about our wonderful tour last summer. Send in labels of your mailing list if you haven't done so, so we can reach maximum numbers of WSP'rs and friends.

THANKSGIVING FAST Sponsored by Clergy Concerned; Episcopal Fellowship, & other groups. Having a vigil on stops of Capitol starting Wod, extending into Thurs. Muriel suggested that since WSP people would not want to fast on Thanksgiving Day, they should instead take up collections at dinners, etc., and remind others to work for peace.

N.Y. CONFERENCE A long discussion was held about whether or not this should take place. Concensus was that we should not plan a N.Y. Conf. at this time. It was felt that the CCC could work out recommendations from the Nat'I. Conf. and bring them back, help implement them. General feeling was that the way to involve more women is to have better CCC meetings which would then give better leadership to local groups. However, some women felt a conf. would be good if it were educational. Bella discussed the need of reaching out to women, of better communication between all women's groups, such as Women's Liberation Movement; she has been in touch with them - feels many young women are attracted to this movement. We shouldn't have a conference about ourselves to ourselves. We need to have a meeting with a broader base. Further discussion on a meeting and/or conference was tabled until after the holidays to provide ample time for evaluation of our future role and our relationships to other groups.

SANE JOURNAL IN MEMORY OF MARTIN LUTHER KING, JR. CCC recommends Natil. WSP take an ad. N.Y. pledges \$25. Balance to be obtained by Natil. from groups around country.

RIVERSIDE CHURCH READING OF NAMES OF WAR DEAD Need volunteers 15 minutes a day; also list of people for substitutes. Reading is inside church. Call 865-2246.

#### DECEMOLA MURATORIUM DAYS - DEC. 12th and 13th:

WSP Activities: CCC agreed that people/want to participate in effective actions on 12th & 15th; these days are imprinted in the minds of all those who supported 11/15. So, WSP continues to develop community activities,/both as WSP and in coalitions. Strong feeling that we should have a good loaflet re the massacros in VN and the brutalization of our sons, husbands, etc; leaflet should be directed particularly to women and mothers; should revolve around the theme of the mother who said: "I sent you a good boy; you sent me back a murderer." However, due to lack of time, possiblility of getting out a cooperative leaflet unlikely. Therefore, groups told of their actions and proposed use of material already printed.

Chelsea: Pauline had written a leaflet on the above theme; Pauline agreed to mall a copy to those groups interested so they could either reproduce or use to make their own.

Brooklyn: Bella presented highlights of proposed 4-page leaflet which Mimi Kelber was working on; CCC felt that 4-pages would be too expensive to reproduce for distribution in large numbers and was not necessary at this time. Many of the ideas were excellent and should be used now as part of a long-range educational flyer on the war.

Nassau: Using the issue of "Taxation without Representation" and the anniversary of The Boston Tea Party on Dec. 16; Nassau has initiated a continuing campaign to lobby all Congressmen to vote "No" on military appropriations. There will be a leaflet to the public re the disproportionate amount of our tax money used for war; the bottom half of the leaflet is a postcard to be sent to Congressmen, with tea bag attached; the message is to Vote NO on military appropriations and YES on appropriations for domestic needs. Women will be organizing tea parties inviting neighbors and friends; then, the Tea Party Group will call the Congress man for appointment to Lobby. WSP groups interested in copies of the leaflet; invitations to the "tea party", please call Bernico Crano, 516-482-5908.

Joanne Webber also prepared rough draft of a flyer. Bella, our rep. to Morat. Comm., told of WSP activities for days at their Press Conf.; also presented our suggestions & aforementioned material on Songmy massacre for kits.

For further details on WSP activities in the various areas, call Coordinator in that area or office. For info re Moratorium and activities of other groups, contact Moratorium Committee at 691-9450.

AFTER DECEMBER MORATORIUM, WHAT SHOULD WSP'S PROGRAM AND EMPHASIS BE? - CCC felt that Nassau's idea was a good beginning for a long-range campaign an action program to involve many sections of the American people who have begun to understand questions about the war, and their cities; how money is being misused, etc. Women and the budget can be a very effective campaign; we should launch a long-range program to begin after the first of the year and culminate at tax time, April 15th. Detailed discussion re this and proposals for a national campaign will be presonted at our first meeting for the New Year, January 7, 1970.

Groups meeting in the interim should discuss and bring recommendations from their groups re how we can hit the war from every angle, including consideration of the many,"tax resistance" proposals. Should we be a forum for and publicize "refusal of taxes" proposals? Can we sponsor - how far are American people prepared to act, how can we involve large sections of the people? What kind of actions can we effectively direct to Mayors, City Councils, as well as national? NATION

Long-:ance that "Tours" and "Travel Program", initiated by New York, be adopted as a Nat'l. responsibility, be publicized and supported in every way possible.

Immediate - Fund Appeal - A letter would be sent out to each name on the mailing list of every WSP group in the country. Enclosed in the letter, to be signed by Dagmar, would be a "Nixon War Buck" and recipients would be asked to swap "war bucks" and send us "peace bucks". Conference decided the letter would have greater impact if mailed from Nat'l. Office, Wash., D.C. postmark. However, Nat'l. Office doesn't have personnel or money to address thousands of envelopes, stuff, and mail. So, following procedure will be followed: [1] NY will print envelopes with return address Nat'l. Office, Wash.D.C. [2] Each group will order from the NY Office and pay for the # of envelopes it needs. [3] They will pick up envelopes from NY Office. [4] They will affix to envelopes names and addresses on their mailing lists, plus 64 stamp. [5] They will bring envelopes to N.Y. Office, addressed and stamped. [6] NY Office will sond them down in one package to Natil. Office. Wash. will insert letter, seal and mail. 'If sufficient money comes in and groups desire it, Nat'l. Office will reimburse for postage. Groups should so specify whet envelopes are brought in. ORDERS FOR ENVELOPES MUST BE CALLED UN TO THE THY OFFICE NO LATER THAN JAMUARE 7, 1970.

.muturial explains details. At CCC meeting recommendations were as follows: [1] that the enclosed material be sent out to CCC and read thoroughly 2], that recommendations made by Natil. Conf. be discussed by local areas [3] that groups decide what they feel they can and should be doing in their area and also whother they would like a cooperative NY action re this, and what this should be. Bring recommendations and reports to the CCC meeting on January 7, 1970.

CEW - Dorothy spoke briefly on Internat'I. Conf., but since so few CCC people were still present, decision was to have large part of next meeting devoted to this important question. Dorothy is available for speaking engagements. Call her at 516-FR 8-0398.

He stated that one way to do this would be through the payment of telephone bills, to withhold the excise tax portion thereof. The Telephone Co. would then in turn notify the Internal Revenue Service (IRS). LOVE in a small press conference with members of the media stated that he was a "conscientious objector to the payment of taxes foran unconstitutional war", and it was his way of symbolizing his objection to the payment of 2/3rds of the tax money which is being used to finance the war. He stated he has not paid his taxes for several years.

An individual named WALTER PIECH spoke and stated he was speaking in his own behalf since he has objected to the payment of income taxes, the majority of which is being used to support the Vietnam war. He mentioned he was under indictment for tax evasion and was scheduled to appear in a Brooklyn court on 4/20/70 to appeal his case. He stated that if there were any employers or employees in the group wishing to follow suit, they should contact the FAVPPC for information on the non-payment of income taxes.

PIECH was critical of Mayor JOHN V. LINDSAY and stated that LINDSAY should have the NYC council members prepare a resolution in opposition to the war and the draft. He stated LINDSAY should stop acting as a pseudo liberal and do something.

BELLA ABZUG of Women Strike for Peace, a congresswoman from the 19th Congressional District, spoke briefly in opposition to the Vietnam war and the use of tax money to support the war.

An unidentified male speaker introduced as a Mohawk Indian stated that tax money should be used to help the American Indians, and while they represent 3% of the population, a larger percentage are being killed He stated that the Coast Guard is spending money to prevent the Indians from tak They want the island and intend to ge

During the rally a fife and drum group dressed in revolutionary costume paraded into the area carrying two-large placards. One contained a picture of-President NIXON dressed as a colonial gentleman and was referred to by the group as King RICHARD III. The other contained a picture of Vice President AGNEW dressed in the attire of a court jester.

This group at the end of the rally, 11:35 a.m., led the participants in a march up Broadway, to the office of the IRS on Murray Street, NYC. A few individuals carried a black wooden box shaped like a coffin and painted with a draped American flag bearing 13 stars. No incidents or arrests occurred.

The construction workers sat in front of the new building at 160 Water Street morosely regarding either the grayness of the day or of their souls.

A h a n d - l e t t e r e d mimeographed sheet pasted to a h oarding nearby read: "Construction Workers. The peace movement is not your enemy. The war is your enemy. Let's talk about it. Bella Abzug, Democratic Candidate for Congress, 19th C. D."

On May 25, 1970, a Special Agent (SA) of the FBI determined by a suitable pretext that MDPAC was an Ad Hoc Coalition organized solely for the above Memorial Day demonstration. The Coalition consisted of primarily the Fifth Avenue Vietnam Peace Parade Committee (FAVPPC), the SMC and the Moratorium Day Committee. Numerous other peace groups from around the NYC area had agreed to participate in the demonstration and to support MDPAC. As of May 25, 1970, the speakers for the rally had not been established.

On May 28, 1970, a representative of the New York City Police Department (NYCPD) advised that officials of the NYCPD had met on that date with Paul Deveze, a representative of the MDPAC. Deveze claimed that 5,000 to 10,000 demonstrators would participate in the Memorial Day march down 5th Avenue and that a rally was planned for the Band Shell area of Central Park. Deveze advised that arrangements had been made by MDPAC to obtain the Band Shell from a "rock group" which had previously obtained a permit from the Park Department. NYCPD advised MDPAC that the march down 5th Avenue must be conducted on the sidewalk and not on the public streets because of a city ordinance forbidding such marches on 5th Avenue. NYCPD anticipated, however, that many of the marchers would ignore the request and would probably walk on the streets. No action was planned against anyone who did walk on the street rather than the sidewalk.

MDPAC advised the NYCPD that the following individuals were scheduled to speak at the 2:30 p.m. rally:

Reverend Frederick Douglas Kirkpatrick of the Southern Christian Leadership Council (SCLC)

(Pat Grogan, representing the Columbia University (CU) Student Strike

On April 29, 1970, a second source, who has furnished reliable information in the past, advised that Pat Grogan, Paul Deveze, Ron Wolin were members of the Socialist Workers Party (SWP) in NYC as of April 27, 1970.

The SWP has been designated pursuant to Executive Order 10450.

A third source, who has furnished reliable information in the past, advised in February, 1970, that as of that time James Johnson was a member of Club Number One, Harlem Section, New York (NY) County Communist Party (CP).

The "New York Post", a daily newspaper in NYC, on May 27, 1970, page 56, included the information that the MDPAC was planning a mass march and rally on Memorial Day. In referring to the inclusion of the Moratorium Day Committee in the coalition of MDPAC the following comment was made:

"The Moratorium Committee, which had previously said it would not take part in any more mass demonstrations, is helping with the Memorial Day protest because 'a number of independent groups asked us to help them', according to a staff member".

following during a march and demonstration held at NYC:

From 12:00 noon to 1:00 p.m. participants in the march assembled in the vicinity of 5th Avenue and 91st Street, NYC. A parade was formed and divided into the following segments: GI and veteran groups, labor contingent, campus groups and high school units.

Some of the groups participating were identified by signs and placards which included East Side Neighbors for Peace, Publishers for Peace, SMC, CP, USA-New York State, Veterans Administration (VA) Hospital Workers Against the War, Film Industry for Peace, New York State SWP, Young Workers Liberation League (YWLL), Workers League, Sparticist League and Youth Against War and Fascism (YAWF). The marchers carried signs such as, "Stop the Killing at Kent, Augusta, Jackson, Laos, Cambodia, Vietnam", "Art Strike Against Racism, Sexism and Repression", "Give Peace A Chance", "Free All Political Prisoners", "End Racist Attacks on Minority and Black Communities", "Vietnam, Love It Or Leave It", "America-Change It Or Lose It".

> Characterizations of YWLL, YAWF, Sparticist Leage are attached hereto.

At 1:05 p.m, approximately 3,000 to 4,000 persons began to march south on 5th Avenue towards Central Park. The marchers kept on the sidewalks as requested by NYCPD. The march was led by Ron Wolin of Veterans for Peace in Vietnam and Paul O'Dwyer, candidate for United States (US) Senate for New York State. The parade was also preceded by a convertible automobile carrying a sign on its side reading, "Wounded Viet Vets". This car contained six individuals, one of whom was Jane Fonda, noted actress. As the parade moved south, the marchers shouted the following chants and slogans:

> "Power to the People" "Free the Panther 21" "Stop the War" "Off the Pig" "Peace Now"

Along the line of march a militant contingent was following the banners of the YAWF which consisted of approximately 200 individuals. This group shouted numerous threats at members of the NYCPD. In the vicinity of 82nd Street and 5th Avenue a brief scuffle developed between police and a few of the demonstrators in this group which resulted in the arrest of one demonstrator. At 73rd Street and 5th Avenue a group of approximately four construction workers wearing "hard hats" exchanged insults with the marchers from across the street. An attempt was made by the demonstrators to get to this group of "hard hats", but they were prevented from doing so by the NYCPD. Additional police reinforcements were called to the scene and after a delay of approximately 20 minutes, the marchers continued into Central Publications which were sold or given away during the Park. march and subsequent rally in Central Park included, "The Militant", publication of SWP, "Liberty", published by the Citizens Committee for Constitutional Liberties (CCCL) and a leaflet entitled, "Halt Nixon's Bloody War", published by the CP. USA.

A characterization of CCCL is attached hereto.

A rally began at the Band Shell area of Central Park at approximately 2:05 p.m. with Ron Wolin acting as Master of Ceremonies. Wolin announced that he was Co-Chairman of the rally along with James Johnson of the Fort Hood Three. Rally began with a reading of the names of some Vietnam war dead which lasted approximately 15 minutes. Wolin then spoke briefly against the US role in Cambodia and Vietnam. He introduced one Al Hubbard, described as Chairman of the Vietnam Veterans Against the War. Hubbard stated after some brief anti-war comments that rather than prolong his speech he desired to introduce four wounded veterans of Vietnam. He introduced four individuals who claimed they were representatives of GI's in the VA Hospital. "These individuals were also critical of their treatment by the VA.

Jane Fonda then addressed the rally, which at this time consisted of approximately 5,000 people. She called the US a fascist, imperialistic country and compared it with Hitler's Germany. She stated that if people in Germany had

spoken out against Hitlerism as she and others were doing at this rally, history would have been changed just as they were trying to change the course of the war that the US was currently engaged in. She stated they were all at the rally fighting for freedom and social justice. Miss Fonda claimed that there were GIs all over the world organizing against the war and that they were the real heroes who should be given the Medal of Honor and that these GIs were the ones who deserved everyones support.

Miss Fonda further stated that all of the GIS must be brought home. The Army was teaching them to kill which are the actions of an imperialistic and racist system. She called for a victory for the North Vietnamese people and the people of Cambodia. She claimed that President Nixon may not only be the first president to lose a war, but he may also be the first president to lose an army. She concluded by giving a clenched fist salute. Later in the program, Miss Fonda played a brief tape of an interview she had conducted with a wounded Vietnam veteran.

The next speaker was Russell Miller, who introduced himself as the brother of Jeffrey Miller, Kent State student who had been killed by the Ohio National Guard on May 6, 1970. Miller was critical of the "student repression" in the US. He pleaded with those at the rally to keep the rally alive after its conclusion by talking to friends and neighbors and thereby spread the word.

James Johnson was then introduced as one of the Fort Hood Three and a member of District 65, National Council of Distributive Workers of America. In his speech he stressed the repression of Blacks in the US and related it to the repression of the people of Southeast Asia. He called for a united anti-war front as well, as a labor-student alliance to endthe war, racism and political repression. Johnson subsequently introduced the remaining speakers and subsequently identified himself as a current member of the YWLL.

Doris Turner, who was introduced as a Vice President of District 65 and the substitute for David Livingston, President of District 65, next spoke. She stated her union and its leaders were united against the war, repression and racism. She claimed to be speaking for her union in stating that its

sympathies were with the BPP and the treatment being given the BPP by the Government and law enforcement agencies. She stated her union would continue to support the BPP. She claimed that the Government was involved in a conspiracy to repress the BPP.

Reverend Frederick Douglas Kirkpatrick was introduced as a former associate of Martin Luther King, Jr., and currently engaged in working with The Deacons for Defense in Louisiana. He sang several folk type songs in which the lyrics were critical of US involvement in Southeast Asia. He also sang a song in which he claimed all of the lyrics would be devoted to the accomplishments of Vice President Spiro Agnew and then he followed with a one minute silence. He gave a brief speech in which he was critical of the policies of President Nixon and equated those policies with ones of President Rutherford B. Hayes. He claimed the mentality of the current president was the same as Hayes.

Pat Grogan was introduced as a CU student and a member of the SMC. Grogan gave a short speech calling for united student action against the war and what she considered to be the two war fronts; one in Southeast Asia and the other involving the internal US affairs, referring to repression of minority and student groups.

The last featured speaker was Cora Weiss, who was introduced as a leader of Women Strike for Peace and the New Mobilization Committee to End the War in Vietnam. She stated "we" do not want to win the war, "we" want to see " President Nixon lose the war. She stated that "we" intend to demand that all monies being spent on war be stopped, that all military bases be closed and that all tactical nuclear weapons should be dismantled and brought back from Southeast Asia. She referred to the strength and need for women to express themselves in opposition to the war in Southeast Asia, She stated that beginning on June 8, 1970, women intended to sitin the offices of every senator in Washington, D.C. to attempt to insure that no work is done other than efforts at stopping expenditures of war funds. Weiss stated that efforts along this line would be joined with representatives of the National Welfare Rights Organization and the National Student Association.

FOENERSTEDERNERSTEAT

The rally was concluded with the reading of telegrams from candidates for various public offices who claimed they had been unable to attend but all voiced their support of the rally and of the peace movement in general. The telegrams included ones from Senator Charles Goodell of NY, Congressman Richard Ottinger of NY (candidate for US Senate of NY), Paul O'Dwyer, Howard Samuels, Democratic candidate for Governor of NY State, Bella Abzug, candidate for Congress from the 19th District in NYC, and a telegram from the combined candidates for various political offices of the SWP.

The rally ended at approximately 4:00 p.m. with no incidents or arrests being observed in the vicinity of Central Park.

On June 1, 1970, a second representative of the NYCPD advised that in connection with the brief disorder during the above march, one arrest had been made by the NYCPD. The individual arrested was Michael Smith, age 29 (exact date not listed), a white male. He was arrested at 5th Avenue at 83rd Street for disorderly conduct and criminal mischief.

STUDENT MOBILIZATION COMMITTEE, Also Known As Student Mobilization Committee to End the War in Vietnam; National Student Mobilization Committee

٦.

A source advised on May 16, 1969, that the Student Mobilization Committee originally grew out of the National Student Strike for Peace conference held in Chicago, Illinois, on December 28 - 29, 1966, which resulted in a call for massive anti-war demonstrations in New York City, New York, and San Francisco, California, on April 15, 1967. The National Student Strike for Peace was originally called by the Communist Party. Divisions arose between elements of the Communist Party and the Socialist Workers Party, culminating in a take-over by the Socialist Workers Party element in the summer of 1968, and the Communist Party element withdrawing. Source further advised the Student Mobilization Committee locally and nationally is controlled by the Socialist Workers Party and its youth arm, Young Socialist Alliance, as evidenced by their participation in Student Mobilization Committee functions and their leadership role played in the Student Mobilization Committee

The Socialist Workers Party has been designated pursuant to Executive Order 10450.

A report by the Committee On Un-American Activities, House of Representatives, Ninetieth Congress, First Session, dated March 31, 1967, entitled "Communist Origin and Manipulation of Vietnam Week (April 8-15, 1967)" stated that the Student Mobilization Committee and the April 15th, 1967, anti-war demonstrations were Communist dominated and inspired.

A second source, on April 3, 1969, made available a copy of "The Student Mobilizer" dated April 5, 1969, which was self-described as being published by the National Office of the Student Mobilization Committee to End the War in Vietnam, 857 Broadway, Room 307, New York, New York 10003. BLACK PANTHER PARTY Also Known As Black Panther Party for Self-Defense

1

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense, NEWTON was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

5:30 p.m. - 7:00 p.m. Planning meeting for "Women's Strike for Equality" 229 Lexington Avenue Between 33rd and 34th Streets (Murray Hill Democratic Club)

The meeting of 60 women was chared by Margaret Luce (Phonetic), who obviously had much experience in that capacity, and plans were outlined for an August 26th march and rally here in New York City to correspond with the nationwide effort as women from telephone operators to actresses, to media people, to federal employees in Washington, D.C., to housewives in Westchester County (as named by M. Luce) will join in a loose coalition to demand <u>free</u> abortions, <u>free</u> child care centers, and equal opportunities in jobs and education.

Those committees are a part of the general group, and meeting in between the weekly Wednesday meetings - held at 5:30 p.m. today for the first time to attract those who could not attend the previous 12:30 p.m. ones. The committees are Publicity - headed by Racheal Towne, Demonstration headed by Sharon Crawford, and Fund Raising - headed by Joan Hazelton, although the last committee at least maintains a rotating chair.

Plans were revealed for a weekly bulletin; 100,000 leaflets printed to augment the 10,000 already distributed, "street brigades" of women to pass out leaflets, posters, and buttons during lunch hours and on Saturdays, and to accept contributions in return; poetry reading around August 8th; and an art showing around the 15th. Also, the chairman pointed out plans to open a bank account for the Women's Strike for Equality next week, and eventually to purchase their own mimeograph machine.

A cocktail party in West Hampton to be given by Julie Vanderbilt and three or four others at \$25 a head as a fund-raising ieda - also pointed out by Margaret Luce.

Not previously mentioned and present were Julianne Savinsky, Carol Stewart, Barbara Conner, Juliette Gordon (who did the art work for the posters), Ruth Ann Last Name Unknown (LNU) and white haired women sitting at the table at the front who was from the V-N Peace Parade Committee, and finally Bella Abzub, Democratic Candidate for Congress in the district.

Los Angeles, California July 21, 1970

On July 21, 1970 from 6:30 - 10:30 P.M., the Southern California Women Strike for Peace held a buffet supper and council meeting at the Los Angeles Headquarters, located at 5899 W. Pico Blvd. L.A. 99019.

There were 15 women attending the meeting, among whom were the following persons:

Gail Eaby Mary Clarke Jean Kovner Ruth Kiesel Martha Crump Jill Molson Cathleen McNamara Tima Tomash Orpha Goldberg Barbara Beck Viola Karmatz Stacy (girl in her early 20's from Torrance) Mildred Holland - - -

A woman who works regularly in W.S.P. office.

The dinner was prepared by the Valley W.S.P. group.

The council meeting started sometime after 7:30 P.M. with Mildred Holland as the chairman. The agenda: National Consultative Committee of W.S.P. (report by

Mary Clarke): they met in New York and then met again in Washington with the Washington W.S.P. groups. Thev discussed the move of the national office, but no definite decision was mentioned. Trudi Young wants to meet with all local W.S.P. groups across the nation individually and it is the responsibility of each group to raise funds to bring her to their location. There was mention of a national boycott similar to the May Co. boycott. Items supplied to local department stores by corporations producing war goods would be boycotted and letters would be sent to the stores so that they know the reason for the boycott. In length explanation of Bella Abzug's political campaign. Southern California 7.S.P. has pledged \$100/month until the 1970 election for her campaign. Local W.S.P. also might bring her out to L.A. for a fund raiser for her campaign. No mention was made of the. Washington, D.C. sit-in. The N.C.C. figured that it .

would take \$24,000 to run the national W.S.P. office, including rent, literature, postage, etc. Mary Clorke said that the national W.S.P. needs an identity that local groups can identify with; no groups are willing to support something which just doesn't exist. Discussion of Cleveland and Milwaukee meetings of June 1970: no decisive comments. Welfare Rights Organization is going to mount a campaign (not yet set in detail, but one that the W.S.P. will support).

Discussion of happenings related to May Co. boycott: several employees of May Co. are now on W.S.P.'s mailing list. Inside informers in May Co. offices said that the letters sent in to the Corporate Offices "really shook them up". Bette Fields is now on first name basis with one of the principle persons involved in the May Co. offices. Peace booth is scheduled for first week of school (in or around September 1970). National campaign to get better medical attention for

injured war veterans: this may be largest present campaign being planned at this time; it has potential. National campaign to feed hungry children in U.S.: Orpha Goldberg brought up the campaign as result of need; she said that if the U.S. can increase aid to South Vietnam by \$200,000,000 without asking for reforms, and can build houses for the South Vietnamese troups, she feels that we should take the responsibility for feeding the U.S. children that the U.S. government is not caring for. Most effective way of carrying out this campaign could not be decided on by the women present at the meeting.

Peace pendant: Mary Clarke had ordered the Another Mother pendant from a firm copying the original. It was decided that the copy would be returned, even though they are cheaper than the ones sold at Another Mother for Peace. Mary Clarke felt that the pendant should not be stocked at all because of the way Another Mother has made a profit from the peace movement; they have approximately \$100,000 in their treasury at this time Mary Clarke said. Because of many incidents between W.S.P. (Mary Clarke) and Another Mother for Peace, W.S.P. will now stock the pendant, but will not advertize that it is available. W.S.P. buys it for 2 and sells it for \$3. Pendant says, "War is not healthy for children and other living things."

Draft counseling: Veronica Sissons feels that when she counsels whites she is really causing genoside for the blacks, browns, etc. She feels that more must be done is she can justify counseling at all. She wants women volunteers who are willing to take cases and see them through. Women are needed to compose C.C. Claim letters for young men who cannot do it for themselves. Women are also needed to seek doctors who will take free patients, social workers who will write letters, and any other service that these youths might need in their search for a deferment. Black community draft counseling: Margaret Wright needs

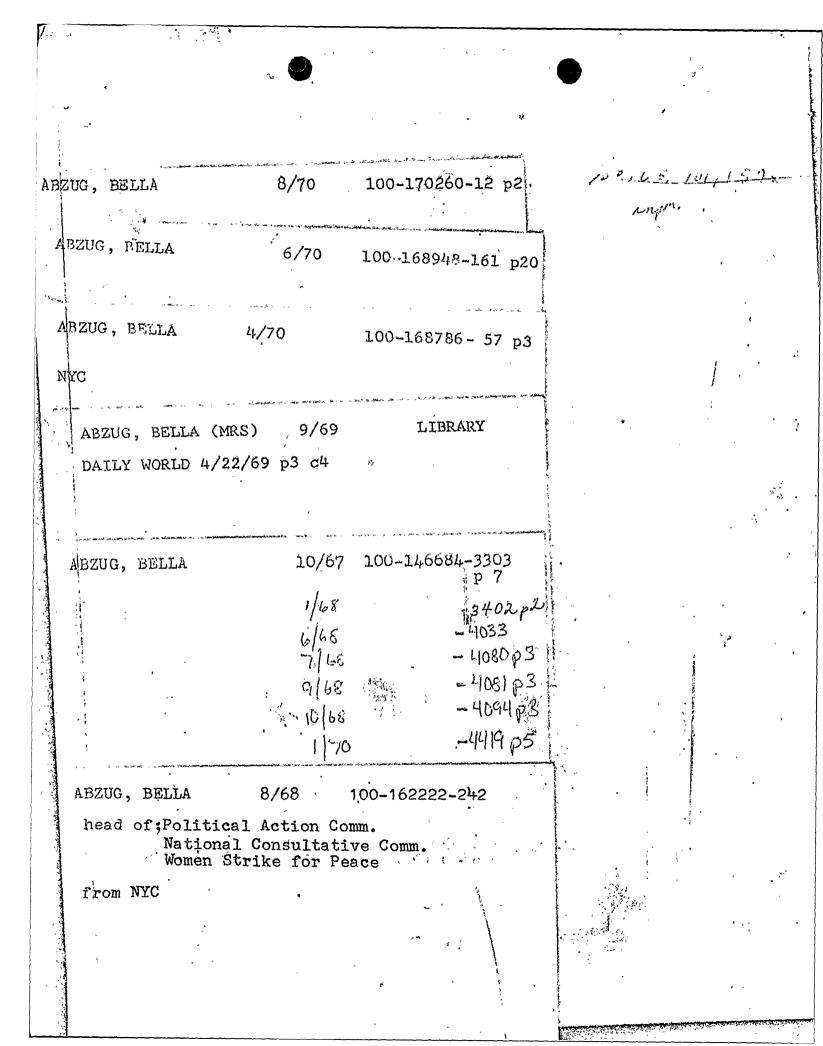

funds, a draft counselor and/or lawyer for her community. W.S.P. pledged \$50/month for 6 months as soon as they show need for funds.

Tima Tomash will be leaving for Africa on a tour on September 1st. The tour is to last one month.

Molly Berman a W.S.P. office worker suffered a heart attack one month ago and went home from the hospital very recently. W.S.P. is sending flowers to her at home.

During the W.S.P. meeting, Jill Molson had a clock stolen from her car.

There were 18 women attending the dinner and council meeting, among whom were the following persons:

Mary Clarke

Gail Eaby: leaving for 2 week trip to Australia on August 27, 1970. Mollie Marth: just back from trip to Canada and Virgin Islands.

Irma Stewart Bertha Lorenz

Jill Molson

Viola Karmatz

Peggy (South Bay W.S.P.) Doris (South Bay W.S.P.) Helen Robello

Jean Kovner Mildred Miller

Mary Gwynn

Mary Clarke chaired the meeting. The agenda:

Visit by Bella Abzug: planned for weekend of September '26-27, 1970. Luncheon Saturday afternoon (\$5/person) and garden party in the evening (\$10 + cost of drinks) are being planned. Gail Eaby said that she would man a jewelery table for this function, since she would be back by then. West L.A.-W.S.P. is in charge of the luncheon plans and Roz Sobel and friends are in charge of the garden party plans. West L.A.-W.S.P. will have a planning meeting at Jean Kovner's apartment on August 25, 1970 at 8:00 P.M. Jean Kovner lives at 923 S. Wooster #5. Trudi Young visit to L.A.: week of October 12, 1970 set

tentatively. She will visit with the W.S.P. groups in the L.A. area individually. On this particular trip she will be going to Texas and Arizona first, then L.A., and then San Francisco & Seattle. Mary Clarke said that there will probably be an N.C.C. meeting in the end of October and that the national W.S.P. conference will be coming up probably in the

end of November 1970 in Chicago.
Spiro Agnew speech of August 17, 1970, L.A. Times page with caption "Surrender ?" of August 18, 1970, and postponement (6 months) of McGovern-Hatfield Amendment: women started working on special mailing that will go out probably before next week on these issues. Mary Clarke is going to inform the N.C.C. about these
plans so that a national campaign can be started now.
So. Calif. W.S.P. gave #25 to John Burton as aid.
Special meeting of Peace Action Council August 19, 1970

(see leaflet for details). August 26, 1970; women in New York have planned activities but none have been planned for L.A. yet as far as Mary Clarke knows. She said that there is a Women's Suffrage stamp issue coming out later this month.

Comments on Angela Davis case made during meeting: putting her on list of 10 Most Wanted gives an excuse for killing her; no one would go and sign her name for a gun if she was going to kill someone; how could she have gotten all the way to Alabama without persons seeing her with her high Afro haircut and her granny glasses, this was just an excuse to get her linked with the Panthers so that more raids can be made on the Panthers; no one else in a similar case would be charged with murder, they would have been charged as an accessory to murder.

The "National Information Memo," a publication of the Women Strike For Peace, issue of 8/67, reflects ABZUG was the NY Political Action and Legislative Chairman of the Women Strike For Peace,

NY 100-102413

Contact with confidential sources, who are familiar with communist activity in the NYC area during August, 1970, produced no information concerning ABZUG.

> In 1952, asource advised ABZUG was then an officer of the NLG and was either an out and out Communist, or one who follows the line of the CP, USA. In 1955, this same source advised he had no knowledge as to whether ABZUG was a member of the CP. However, he stated ABZUG, an attorney, defended "leftist causes."

A source in 9/70, advised she is well acquainted with ABZUG. She said ABZUG is not a CP member and as a matter of fact is anti-communist. The source stated/is interested and active in the Women's Strike For Peace and is involved in peace and civil rights activities.

#### Recommendation

It is recommended that the subject be removed from the SI of the NYO and be placed in the Reserve Index A in view of her inactivity with a CP front since 1963. It is felt the subject is no longer dangerous to the national security of the US.

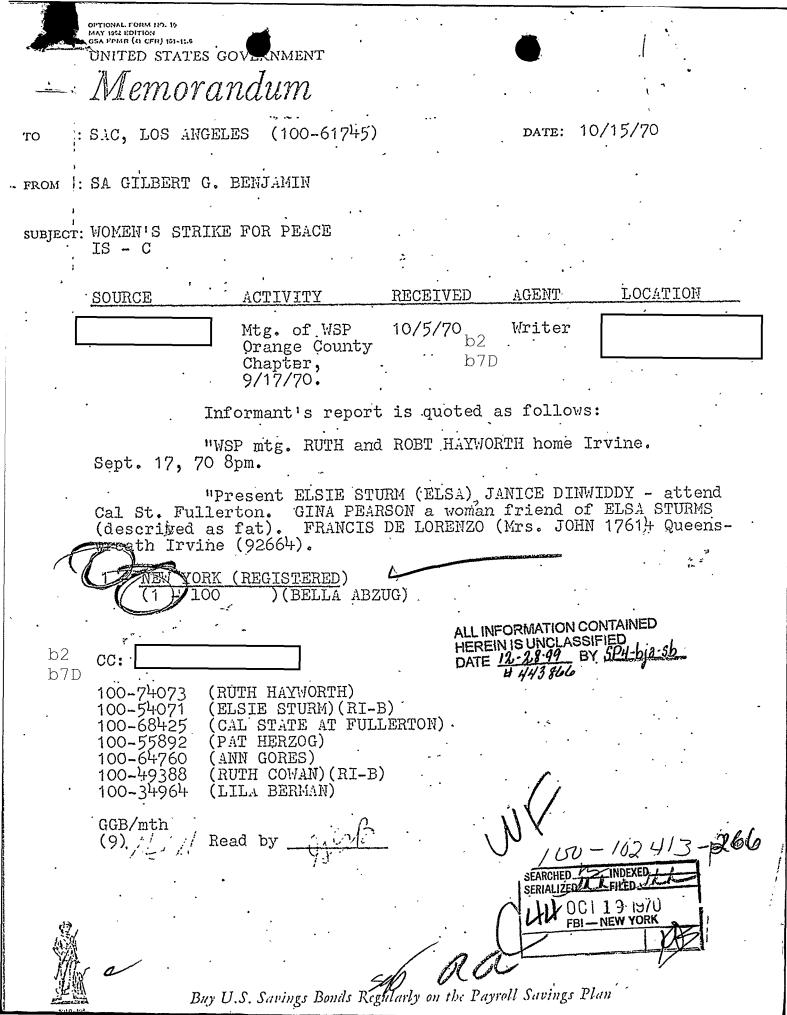

NY is not recommending Mrs. ABZUG be interviewed since she is a candidate for a high political office and since she commands a ready platform to spread her ideas. In such a delicate situation, there seems to be a greater than usual risk of embarrassment to the Bureau.

LEAD

NEW YORK

AT NEW YORK, NEW YORK. Will await Bureau's decision regarding removal of ABZUG from the SI.

Should the Bureau decide to remove her, place this case in a closed status administratively.

On September 26, 1970, the Southern California Women Strike for Peace sponsored a fund raising event for women political candidates, Mrs. Merlie Evers and Bella Abzug.

On September 25; 1970, the West Los Angeles W.S.P. group collected food from donors (cooked chickens), shopped for other food items at Fedco and Vons, and delivered food to the Haimovitz's residence, located at 2143 Duxbury Circle L.A.

On September 26, 1970 at 9:00 A.M. several West L.A. W.S.P. women met to prepare the food, decorations, and tables for the event scheduled for 12 noon.

There were 101 \$5 donations for the luncheon (only 5 didn't show). There was a collection made after a pitch by Mary Clarke which raised over \$350 more. Jo Ann Wacht was the master of ceremonies, the two speakers were Mrs. Evers and Bella Abzug. Althea Alexander did not come to the luncheon. Mrs. Evers seemed to be a very likeable woman not filled with hate and not appearing to have a chip on her shoulder. She was a very popular guest. Bella Abzug is a very strong woman and seemed to turn off several people with her attitude of extreme hate and bitterness. She spoke to the women as if they were not peace minded and as if they were not there because they wanted to see Bella Abzug elected. Bella Abzug spoke for a very long time and received many rounds of applause.

Supposedly, the expenses from the luncheon are to be paid by So. Cal. W.S.P. and the \$505 + \$350+ are to be given to Bella Abzug's campaign. Mrs. Evers could possibly be getting some share of the proceeds.

September 22, 1970

The Honorable John N. Mitchell Attorney General of the United States Department of Justice Building Washington, D.O.

Dear Mr. Mitchell:

I am a registered voter residing in the 19th Congressional District of the State of New York. There are three congressional candidates in this district but the contest is really between Della Abaug, Democrat, and Barry Farber, Republican. Mrs. Abzug, reaning in the June 23rd 1970 primary as a socalled Refere for the Director function (Leonard Farbstein, Regular Democrat.

During the primary campaign and continuing to the present, many storied or <u>Kumors</u> have been in Circulation, none of them published in the local press, that Mrs. Abzug has been actively connected for many years with organizations which are commonly regarded as communist fronts. I recall hearing that she was once enrolled as a rember of the now defunct American Labor Party when that Party was wholly dominated by the Communist Party; that she has been or is an important official of the National Lawyers Guild and Women Strike for Peace, both reputed to be communist-controlled and dominated organizations.

I have also heard that she is closely associated with Cora Weiss, an official of Women Strike for Peace, who is said to have a long record of communist activity (like her husband, Peter Weiss) and that Mrs. Weiss has made trips to Hanoi and Paris as the representative of Hanoi in connection with all American prisoner of war matters. Mrs. Abzug is supposed to be working with Mrs. Weiss and Mrs. Dukles on a Committee of Liaison on war prisoners. This Committee appears to be the agent of a foreign power, and a heavile one at that.

Particularly descurbing at storic heard at political meetings but unpublicated in the press that Mrs. Abrug is advised by and consults regularly with Mr and Mrs. Wriss on all political questions, especially foreign policy : Maitner Mr. nor Mrs. Weiss resides in the 19th C. . they have that SC22 Waldo Avenue, Flyerdale (Bronr County) which is related in the 23rd or 24th C.D. There heard that Mrs. Weiss is the drighter of Samuel Rubin and heiress of the Faberge for 1000, and that she is spendir? These such on Mrs. Abrug & carpaign because this candidacy and the priority in comments and for et diplomatic circles.

> ALL-INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 16-21-99 BY 594-612-56

I have also heard that Mrs. Abzug is or has been registered with the Foreign Agents Office of the Department of Justice as the agent of a communist bloc country and that she has travelled to various communist countries.

It is very difficult if not impossible for a voter to research these stories and to determine how much is true and how much false. Many of the records of your Department are, I know, confidential and their contents cannot be disclosed to the public. I would greatly appreciate, however, your sending me whatever information you may have of a non-confidential character which bears on the subjects I have mentioned in this letter or in any way relates to Mrs. Abzug's past and present associations, utterances, activities, etc. Such information would help the voters in the 19th C.D. decide whether to support or oppose Mrs. Abzug.

Barely six weeks remain to November 3rd. Your promptness in replying to this anguiry would be a distinct public service to the voters in my district.

Diffull andors,

Jeffrey Anson

Bland A BZU NMAT IS HER GAN THE VOTERS HAVE A RIGHT-TO-KNOW THE ANSWERS TO THESE QUESTIONS ... 1. Do you agree that a candidate for public office should respond to the voters' right-toknow every aspect of a candidate's life; or do you believe that a mandidate for public office has the same right of privacy as a private citizen who is not seeking the support of the electorate? 2. Are you willing to meet, now and in the future, with a committee of concerned citizens to render a full public accounting of your utterances, actions and associations and to answer all questions directly and fully? 3. Do you or don't you regard the Soviet regime and its UAR satellite as the enemy of the State of Israel? 4. In the event of war between the State of Israel and the Soviet regime would you favor, by word and deed, the U.S. giving all-out military and economic aid to the State of Israel to help it defeat Soviet aggression? 5. How do you explain your failure, since 1941, to associate or in any way identify yourself, whether by membership, activity or public statement, with any one of the numerous Jewish secular or religious organizations (Liberal, Reform, Conservative, Orthodox, Social Service, Scholarly, Public Affairs, Israeli, etc.)? 6. Why have you consistently avoided participation in or identification with any of the numerous protests, demonstrations, marches, public statements, advertisements, etc. against Soviet antisemitism and anti-Jewish genocide? 7. Why, as one of the top officials of Women's Strike for Peace since 1961 have you and your organization failed to protest even a single one of the countless Arab guerrilla attacks against Israel's security and independence? Why, since the establishment of the State of Israel in 1948 have you abstained from any word or deed which might be construed as friendship for the State of Israel? 9. In any conflict of policy, interest or action between the Soviet regime and the State of Israel, would you continue to avoid, as you have always done in the past, any express or implied criticism of the Soviet regime? 10. How do you account for the fact, disclosed by the records of the Board of Elections, that you did not enroll even once as a Democrat from 1944, when you cast your first vote, to 1964, inclusive? 11. How do you explain your failure, from 1944 through and inclusive of 1969, to join any Democratic club or association, règular or reform? 12. Who were the individuals, both outside and inside the Democratic Party and any of its clubs and associations, with you discussed and planned the organization and policies of the New Democratic Coalition?

14. Will you kindly account for your failure to vote in the general elections of 1945, 1947, 1955, 1956, 1959 and 1968?

15. Were you outside the United States on election day during any of these years? In what country or countries were you at the time?

16. Were you aware, at the time each year when you enrolled in the American Labor Party, between 1944 and 1953 inclusive, that the American Labor Party was wholly dominated, controlled and directed by the Communist Party of the United States?

17. Isn't it a fact that, when the non-communist members of the American Labor Party seceded in 1944 from the party over the issue of communist control of the ALP and organized the Liberal Party, that you were aware of the issue but chose to continue your association with and to work for the communist-controlled organization?

18. Where and by whom were you employed during the period beginning with your graduation from law school in 1944 to the date of your admission to the Bar in 1947?

19. In what political activities were you engaged, with whom and in what countries, between July 1944 and June 1947?

20. With what student or student-related political organizations were you associated or active between September 1938 and October 1944?

21. Have you ever attended a political training school in the United States or abroad? If so, kindly state dtates of commencement and termination, location, auspices and names of instructors with whom you studied?

22. When, and at whose request or suggestion, did you become a member of the National Lawyers Guild?

23. At whose request or suggestion and under what circumstances did you become a member of the three-man U.S. delegation of National Lawyers Guild members to the Third Congress of the International Association of Democratic Lawyers which was held in Prague in September 1948, six months after the Communist coup?

24. Were you aware then or have you since become aware that the International Association of Democratic Lawyers was a successor organization to the International Association of Red Jurists and the International Organization for the Support of Fighters of the Revolution, all of which were openly organized as foreign auxiliary organizations of the Kremlin in support of the communist movement throughout the world?

25. Is it not a fact that you co-sponsored a resolution at the Third Congress of the IADL which read in part:

The Third World Congress is worried about the persecutions directed against the leaders of the American Communist Party by the Government of the U.S.A. Conscious of expressing the opinion of the entire world, we instruct the Council of the IADL to investigate the possibilities of an appointment of an international delegation of jurists who would attend the trial to be opened against the members of the Communist Party of the U.S.A. and who will report about their observations to the IADL and to its national sections.

26. Is it not a fact that you were the co-sponsor of the resolution at the Third Congress <u>"to appeal to the UN Committee</u> on Human Rights to give urgent and favorable consider-

ation to the request of the National Negro Congress. for the appointment of a commission which would be authorized to study the discrimination against the Negro population in the United States (which) is becoming more oppressive every day and violates the fundamental rights recognized under international law."?

27. Were you aware then or have you since become aware of the fact that the National Negro Congress, organized in 1935 by non-communists, had by 1940 been completely infiltrated and taken over by communists, and that it had, in 1947, merged into another communist front, the Civil Rights Congress?

28. Is it not a fact that since the Arab defeat in 1967 the IADL has played an active role in the International Conference in Support of the Arab Peoples, a communist front organization, and that one of the chief organizers of the Second Conference of the International Conference was the President of the IADL, ja French communist, Pierre Cot?

29. Is it not a fact that you delivered a major report at the Third Congress of the IADL attacking the alleged "war-mongering spearheaded by the monopolistic American press"?

- 30. Are not the following accurate statements of fact?
- a.) As Bella Savitzky, your maiden namé, President of the Hunter College Student Union you opposed military aid to England in its defense against Nazi Germany.
- b.) As Secretary-Treasurer of the National Council of Democracy in Education, a communist front, you supported its strike-for-peace resolution:

"this Conference shall go on record as declaring the war between

England and Germany as an imperialist war.

- c.) You opposed the war against Nazi Germany as an imperialist war and opposed aid to England and France during the period of the Hitler-Stalin Pact.
- d.) You abruptly changed your position and favored all-out U.S. military and economic aid to England and the Soviet regime from the moment Hitler turned on his partner Stalin, June 21, 1941, and invaded Soviet Russia.

31. Is it not a fact that you opposed Hubert H. Humphrey, the Democratic candidate for President in 1968 and led the STOP HUMPHREY campaign of the Women's Strike for Peace because, to use your own words:

a.) "Humphrey was chiefly responsible for purges of communists in the Democratic-Farmer Labor Party (Minnesota)".

b.)"Humphrey led an investigation of communist infiltration of labor unions and proposed tighter laws to curb subversives in unions."

c.) "Humphrey introduced an amendment to a subversive activities bill outlawing the Communist Party and barring members of the party and similar organizations from serving as union officers."

d.) "Humphrey has voted for every increase in defense appropriations. He has voted and spoken strongly in favor of civil defense shelter appropriations."

32. How do you explain the fact that from 1940, when you first became organizationally active on the political scene, to date, you have never once expressed an opinion or taken any course of action which could even remotely be construed as critical of or deviating from the political line of the Soviet regime or the American Communist Party?

33. How do you explain the fact that your actions and utterances on all public issues and affairs invariably coincide with those of the Soviet regime and the American Communist Party, and have received full and favorable coverage, including your photograph, in the communist press? the full nature of your relationships, past and present, with such persons as:

John J. Abt Jessica Smith (Mrs. Abt) Peter Weiss Cora Rubin (Mrs. Weiss) Gibby Needleman Angela Y. Davis

and others, including representatives of certain foreign governments?

35. In view of your considerable talk about peace, what non-military strategy would you advocate, if elected, for coping with and overcoming Soviet subversion and military aggression?

36. Despite intensive research and inquiry, it has been impossible to find any confirmation of the claims appearing in your campaign material and of your own oral claims that you have been active in Jewish, Israeli, Black, Puerto Rican, Wellfare and 't enant organizations or affairs. Why has there been a continuing omission of names of such organizations, other than those of the National Lawyers Guild and Women's Strike for Peace? DIRECTOR, FBI (100-401225)

"Report on Visit to Meeting of the County Committee (Manhattan) Wednesday, November 11th, 1970 11-16-70

"Back from the political campaign, Jose Ristorucci was proposed to chair the meeting. He introduced Jose Stevens, who spoke about the Angela Davis Committee and the need to build support for it in all the clubs, to pressure Gov. Rockefeller to withdraw the extradition order. There will be a demonstration on the 21st at the UN together with the Genocide Petition campaign.

"When Stevens was finished, Jose Ristorucci announced that the Young Worker Liberation League will organize a rally for the coming Sunday at 2 p.m. on the Lower East Side. The West Side Committee is also organizing a rally in their section for Thursday of next week.

"Jeanette Sussman said that the Washington Heights club had a meeting calling for support to Angela Davis last week, and Jose Stevens pointed out that this is a great opportunity to build the party because almost everybody sympathizes with Angela Davis' cause.

"Lennie Levenson read a report on the elections, analyzing gains and losses of the Right and Left and pointing out the importance of some liberal candidates who were elected like (Bella Abzug, Herman Badillo, Van Luther (who will participate in the West Side rally), and others.

"The Party policy/to emphasize casting votes for the Communist candidates looking forward to a future coalition if enough strength is shown.

"When Lennie Levenson finished, several members commented and Jose Ristorucci pointed out that there is a standing debt of \$1,200 for the campaign and he proposed that the County contribute \$300. It was approved.

"Dr. Val proposed that Lennie's report should be printed and distributed to all members and it was seconded by Anselmo Rodriguez. It was approved.

"John Vago reports that finances are not healthy and that the Southern Solidarity dues should be turned in as soon as possible.

NY 100-26603-C42

"It was informed that Louis Weinstock is hospitalized at the American Center Hospital, and it is requested that he be visited. His Room number is 1128.

"Next meeting will be on December 3rd, due to Thanksgiving at the end of the month.

"Others present were: Milt Walker, Sylvia Johnson, Sylvia Bjornson, Jeanette Sussman, Clara Bodian Masso, Sherryl Mills, Shevra Wool, Niva (LNU), Paul (LNU), and two new representatives from Professional clubs, names unknown.

"Members of the committee board were told to attend an important meeting on Sunday, the 15th, at 5 p.m. at the State Office.

HENRY FELISONE, 7730 Little Neck Parkway, Queens, New York, voluntarily furnished the following information Concerning the status of War Tax Resistance (WTR) as of January 10, 1971:

A large WTR conference will be held on January 15-17, 1971, in Chicago, at the Quaker House, 57th Street Friends Meeting House, 5615 S. Woodlawn. Topics will include strategies and action. Expected are:

> BRAD LYTTLE (National coordinator of WTR) BOB CALVERT (Head of national staff of WTR) KARL MEYER

- DAVID FINKE (Chicago) ERNEST BROMLEY (PEACEMAKER newsletter) MICHAEL PIKULEFF CHARLES PURVIS (Kansas City) SALLY BUCKLEY DENNIS RICHTER

On January 16, an action on phone tax refusal will be held at the main bell telephone company office in Chicago.

One of the main strategies is "how to beat the W-4 and W-4E certificates so that the withholding tax can be dodged."

It is felt that for every person who openly refuses taxes, there are many more that can be shown and convinced to dodge taxes with various quasi-legal methods. If the W-4 withholding is beaten, it is believed that the tax base of the government can be sabotaged. New estimates for income tax refusers show that 15,000 persons will refuse on April 15. Figures for phone tax resisters are not in yet but it is expected they will be well over 100,000.

WTR has dropped its anti-phone tax actions in New York until after April 15 in favor of organizing income tax resistance. Congressional Rep. BELLA ABZUG is referring her

constituents with tax problems to WTR for advice on resistance methods. The new 1040 tax forms have been found to be changed in their instructions so that last years methods of refusal and dodging will be dropped. These forms are being analyzed in order to draft new resistance tactics. New material will then be printed up reflecting the new 1040 language.

Place: Hotel Americania, New York City, NY Time: Friday, December 11, 1970 - 7:00 p.m.

CORLISS LAMONT - Chairman of NECLC opened meeting and described the National scopes of todays Civil Liberties being threatened and the emergency exists. He cited some of the threats today are:

- 1. The FBI
- 2. The Internal Revenue Service
- 3. Army Intelligence
- Ã, The State Police
- The local police
- 56. The Internal Security Committee

These agencies are persecuting groups and individuals and denying them their civil rights for example:

- 1. The Black Panthers in New York
  - and Nationally
- CESAR CHAVEZ arrest 2.
- Students at Kent 3.

It is difficult as Civil Libertarians to get on the larger news media to express our cause. TV and radio. He therefore recommends the establishment of a Special Committee sponsored by NECLC to force the FCC to open opportunity of expression.

LAMONT read a telegram from CLARK FOREMAN from Puerto Rico. "We must today prepare in 1971 against new repression".

LAMONT announced the appointment recently of EDITH TIGER as Director after serving as Acting Director for nearly a year. He also announced EDWARD F.X. RYAN, JR., as Staff Counsel and appointment of NATHAN SCHAERER as a new member of Executive Committee.

Toastmaster LEON QUAT read a telegram from Justice of Supreme Court WILLIAM O. DOUGLAS congratulating NECLC.

QUAT introduced for a bow - HARVEY O'CONNOR, JOHN PICKERING. and SHIRLEY GRAHAM.

woman BELLA ABZUG. Also introduced BASIL PATTERSON and JOHN

QUAT announced the opening of a new office in Philadelphia for NECLC after January 1, 1971. QUAT announced the appointment of LEONARD BOUDIN to the faculty of Harvard Law School.

NECLC currently involved with cases of young men who challenged the bar associations questionaires; which are awaiting decisions of the court.

NECLC is challenging the inhumanity of the laws and also the treatment of political prisoners.

LAMONT - There is a National Emergency against Civil Liberties with:

Murder at Kent State and Jackson State The Black Panthers The prosecution of ANGELA DAVIS

LAMONT introduced Congresswoman SHIRLEY CHISHOLM and awarded her the Tom Paine award for 1970.

CHISHOLM congratulatory telegrams were read from WILLIAM FITZ RYAN and Mayor JOHN LINDSEY, on the presentation of the award.

She accepted plaque as the first Black woman in Congress.

CHISHOLM - "There will be no peace in this nation unless they start to stop the practice of prejudice".

"MARTIN LUTHER KING, MEDGAR EVERS died when will people realize this".

"Eternal Vigilance is the price of liberty".

"America Black and white must live together or they shall perish together".

"Tokenism - people are tired of it".

"They want a share in American dreams".

"If you are not a traditionalist you are labeled anything except a child of God".

"I am looking only to my God and conscience for approval".

"It will take people with revolutionary spirit to accomplish American dreams".

KENNETH HAMMOND, student at Kent State one of twenty five charged with 2nd Degree Riot.

The basis of their defense will be the 1st Amendment peaceful assembly. Theirs was a lawful assembly. These citizens were attacked by the National Guard. This was a legally announced assembly.

There was no marshal law classified. It was not catogorized as a riot. The purpose of their rally intended to hear response of School Administration to questions:

- 1. Abolishment of ROTC
- 2. Opposition to the Vietnam War
- 3. Support of Black Panthers
- 4. Free BOBBY SEALE

Rally conceived as a politicaly event-mars meeting. They had no opportunity to conduct meeting peacefully. HAMMOND exhorts pressure. This incident has to be called murder, anything less is a white wash.

A second student from Kent spoke on Grand Jury investigation. Firstly it was appointed and influenced by government.

He stressed the legal procedures. He discussed the arrest of over 40 students on narcotics charges-a week before 25. Believed by everyone to be a part of persecution and definitely connected. The attach will be to charge the guard with murder. The 25 are not on trial—it is the guard that is on trial.

After Kent State there is an affect locally and nationally on Congress. There was no response to vital issues; such as invasion of and the bombing of North Vietnam recently.

The passage of Honor Bill #1219 in Ohio has a bill that prohibits disruption of University charging it a crime and the definition of corruption is so vague that it will be threat to civil rights.

There is now a cut in dialogue on campus, no rally or dissent. The decision of the Grand Jury played a major role.

QUAT presented MURRAY KEMPTON who was vague and I could not quite understand what he was invited - called Black Panthers.

JFR/1h (84) S M C CONFERENCE, 1971

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED

*#443866* 

DATE \_1/3/00

Meeting at the Catholic University of America, Michigan Avenue, N.E., Washington, D.C., February 19 through 21, 1971, the Trotskyist dominated Student Mobilization Committee to End the War in Vietnam (SMC) developed its plans for a "massive spring offensive against the war," at a long planned "emergency antiwar conference."

Largest of the student antiwar groups, SMC was formed at a conference in Chicago during December, 1966; and since its inception has been dominated by communists. The idea for the 1966 conference was first proposed by the self-professed member of the Communist Party, U.S.A. (CPUSA), Bettina Aptheker; but members of the Socialist Workers Party (SWP) and their Young Socialist Alliance (YSA) quickly became active in SMC affairs.

In 1968, after a bitter factional dispute between the YSA and forces led by CPUSA, the "Student Mobe" came, and has remained, under the complete control of the YSA.

SMC took a key role in the organization and execution of the April 1967 antiwar actions, and collaborated closely with the Spring, National and New Mobilization committees in every mass demonstration. In December 1970, SMC became a part of the SWP dominated National Peace Action Coalition (NPAC) and has continued working with that group in planning actions for the Spring of 1971.

NOTE: For a full documentation of SMC, reference should be made to HCUA report, 3/31/67, Communist Origin and Manipulation of Vietnam Week and HISC staff study, 6/30/70, Subversive Involvement in the Origin, Leadership and Activities of the New Mobilization Committee... and its Predecessor Organizations. [The characterization of SMC in the previous paragraph is extrapolated from the latter document].

At this time SMC has its headquarters at 1029 Vermont Avenue, N.W. Washington, D.C. (202/628-5435), having moved to that address in mid-January, 1971, from New York City. Fifteen regional offices are maintained, and are listed in Appendix A.

The Fe bruary 19-21 Washington conference, attended according to the organizers by some 2,500 people, included participants from 38 states representing 173 college campuses, 70 high schools and junior high or elementary schools.

At this conference, approval was given to a number of decisions, most of them previously circulated in SMC's newspaper, The Student Mobilizer, including:

March 15: Local coordinated actions demanding the abolition of the draft;

April 2-4: Local demonstrations to mark the assassination of Rev. Martin Luther King;

March 5, 1971 Information Digest

- April 24: Participation in "massive" antiwar demonstrations in Washington, D.C. and San Francisco, Calif., called by NPAC;
- May 5: Campus actions to mark the anniversary of the "Cambodian war" and the student disorders at Jackson State College and Kent State University;
- May 16: Solidarity actions with antiwar GI's at military bases on Armed Forces Day.

The SMC conference overwhelmingly defeated a motion to support the People's Peace Treaty, organized by the National Student Association (NSA); and at the same time voted not to co-sponsor demonstrations on May 1 planned by the People's Coalition for Peace and Justice (PCPJ).

NOTE: The People's Coalition for Peace and Justice (PCPJ) is the new name for a group formerly known as the National Coalition Against War, Racism and Repression (NCAVRR) with which CPUSA functionaries, pacifist groups, David Dellinger, Rennie Davis, Sidney Peck, etc., have been , and are, associated.

The organization of SMC's "emergency" conference began at the NPAC Conference in Chicago, 12/4/70, and was vigorously pursued through the regional SMC offices and that organization's national executive secretary, Don Gurewitz [at the conference he was elected national field secretary]. Gurewitz has in the past served the SMC as a member of its Cleveland staff, as a national organizer, and as a member of the national staff. In the HISC staff study of the New Mobilization Committee, he is identified as a member of SWP and YSA.

Gurewitz is the son of the late Clarence Darrow "Clancy" Gurewitz, an identified organizer for CPUSA who was at one time married to Helene Sobel, present wife of convicted atom spy Martin Sobel. [Don Gurewits's mother also is named Helene and is a movement activist].

Gurewitz's organizing activities this year have included a national tour on behalf of the SMC conference which involved speaking engagements in the South, Ohio, Massachusetts and Philadelphia from February 1 through 18.

The conference was extensively advertised in the *Guardian*, the Militant, the Young Socialist Organizer, and in campus and underground newspapers. [SMC has good relationships with many student newspapers, as evidenced by some 75 campus reporters attending the conference and its subsequent comprehensive coverage.]

Observations in several major cities indicated that SMC campus chapters took every opportunity to distribute newsletters and leaflets relating to the conference together with the *Student Mobilizer*. Special efforts were made to bring the conference to the attention of high school students, Women's Liberation and Third World groups.

The conference center was the gymnasium of Catholic University for which SMC paid, in cash, a \$2,000 charge which included security and cleaning services and the premium for a \$1 million liability insurance policy.

Workshops were held on 2/20/71 in the University Law School and in Taft Junior High School, 18th and Perry Streets, N.E., which was made available to SMC by the City Educational authority at a further charge of about \$2,000.

Housing for those attending the conference was provided by Georgetown University, Trinity College, Catholic University, American University, George Washington University, at Holy Redeemer Church, at the Jewish Culture Center and in private homes. It has not been established if housing arrangements were formalized with various colleges and church administrations, or arranged on a personal basis with sympathetic students and faculty.

Registration for the conference commenced at noon on February 19 and for members of SMC was \$2.50. Non-members of SMC who wanted to vote were required to pay a \$1 SMC membership fee. In private conversation, a member of SMC's national staff stated that over \$5,500 had been banked at the American Security Bank, 16th and H Streets, N.W. as a result of registrations, literature sales, etc.

On Friday, 2/19/71, at 7:30 p.m., the conference began with a sparsly attended rally in Catholic University's gymnasium, suitably decorated with SMC banners and posters.

Deborah "Debbie" Bustin of the SMC National Staff (elected SMC national coordinator later in the conference) opened the proceedings saying, "This weekend we are going to plan an antiwar offensive that will force Nixon to consider our strength at every move."

She emphasized the major role that students would play in the offensive and continued by reading messages and telegrams from several nationally known antiwar leaders including Rep. Bella Abzug, D-N.Y.; Patrick Gorman, the Amalgamated Meat Cutters Union, AFL-CIO; the Japan Congress Against Hydrogen and Atomic Bombs; Sister Jogues Egan, and Eqbal Ahmad of the "Harrisberg Six;" Noam Chomsky, MIT, Cambridge, Mass.; the Vietnamese National Union of Students; Pham Van Bo of the South Vietnamese Provisional Revolutionary Government (PRG); and Xuan Oanh of the Vietnam Committee for Solidarity with the American People.

Speakers at the rally included R.H. Booker, Urban Law Institute, Washington, D.C.; Charles Cheng, Washington D.C. Teachers Union; David Cortwright, G.I.'s for Peace, Fort Bliss, Texas; Rep. Ronald Dellums, D-Calif.; Jose Garza, La Raza Unida, Crystal City, Texas; Jerry Gordon, NPAC and a Cleveland attorney; Frank Greer, NSA; Don Gurewitz, SMC; Helene Gurewitz, Washington, D.C. PAC; Michael Harris, president, Howard University Student Government; Julius Hobson, candidate of the D.C. Statehood Party, running for non-voting delegate to the U.S. Congress; Tina Hobson, Federally Employed Women; Sam Love,

Washington, D.C. Environmental Action; Joe Miles, Fort Jackson Eight; Lt. Rob Olson, Concerned Officers Movement; Leon Page, Cairo United Front; and Nancy Williamson, Boston; Emale Liberation.

Other unidentified speakers represented the Angela Davis, Kent State and Berrigan Defense Committees; the Phoenix Organization of Women; the Canadian Mobilization Committee; and the Riverside (Calif.) Black Moratorium.

Rep. Dellums in his speech termed the war "illegal, immoral and "insane," continuing that the Vietnam war would be ended only when "the American people stand up and say stop the war," and added, "I see foreign policy as an extension of racism, sexism and repression in this country."

Nancy Williamson said, "No movement strikes so hard at the heart of capitalism as the women's movement.... We refuse to be subdued and submerged by not too well meaning male revolutionaries." Her speech consisted of an attack on capitalism as the cause of the war in Southeast Asia and the multi-issue nature of women's liberation.

Lt. Rob Olson spoke of the G.I.'s as "... surrounded by a system that they hate, surrounded by a people who hate them."

Michael Harris ran into female hecklers when he said, "America made a choice many years ago that turned her into the Babylon she is today. She made that choice when she committed genocide against the Indians...." At the prompting of some of the audience, Harris changed "she" to "it."

The theme of racial repression was taken up by several speakers. For example, R.H. Booker said,

"The enemy of Vietnamese self-determination is the enemy of Black children in Mississippi. The enemy of self-determination in South Africa is the enemy of self-determination for Black people in Washington, D.C. The enemy of mankind and the enemy of self-development and the enemy of self-determination is the U.S.A., Richard Milhous Nixon.... It was no accident that the U.S. dropped the atomic bomb on Japan.... The war in Indochina is a question of race."

The rally ended at about 11 p.m.

Early on Saturday morning, a YSA cadre met at Taft Junior High School at which assignments were made for workshop leaders and chairmen. Emphasis was placed on the need to avoid political controversy, the importance of high school rights, and for issues around the defense of Negro G.I.'s. The cadre was urged to recruit for YSA.

Among those attending this cadre meeting were Debbie Bustin, Herman Fagg, Richard Finkel, David Frankel, Don Gurewitz, Cindy Jaquith, Norman Oliver, David Keil, Debby Woodroofe, Mirta Vidal and Marcia Sweetenham. Also present were Ken Shulman, Linda Jenness and Dean Graybill who headed the 200 marshals, recruited mostly from YSA chapters.

March 5, 1971 Information Digest

Procedural motions and various proposals listed in the convention issue of the *Student Mobilizer* were discussed during the morning plenary session; from 22 proposals only 7 were selected for action at the plenary session the following day.

Erom 3 p.m. to 10 p.m. the conference broke down into a number of workshops at Taft Junior High School which included Organizing, Defense, Publicity, Workers, May Day, Middle East, Peace Treaty, GI's and Vets, Women in the War, Campus Organizing, High Schools, Gay Liberation, and Ecology. As the workshops ended, some 150 participants returned to the gymnasium to dance until midnight.

Soon after 10 a.m. on Sunday, 2/21/71, the main plenary session of the conference began. Most of the discussion evolved around proposals, (outlined on page 2 of this report).

Various amendments and revisions were discussed; voting reflected the strict YSA control, with differing political tendencies unable to attract more then 10% of the conference vote in opposition.

- \* Tony Montero of CPUSA's Young Workers Liberation League (YWLL) called for an action in March to unite the antiwar movement against the "threat" of an invasion of North Vietnam. This was rejected.
- \* Mike Zagarell of CPUSA called for support of the NSA sponsored People's Peace Treaty. This was rejected.
- \* William Douthard, PCPJ coordinator, introduced a proposal seeking support for the May 1-2 actions. This was rejected.

At about 2 p.m. the conference came to an end with a series of votes that endorsed the Gurewitz-Bustin proposals. Reports from the various workshops were presented as most of the delegates were leaving.

\* A Third World workshop proposal was adopted which was signed by Jose Garza and Mario Trevino of Crystal City, Texas; Mirta Vidal of New York; and Miguel Pendas of Colorado Springs.

Basically, this was in support of the Gurewitz-Bustin proposal, and pledged Third World contingents to the Washington and San Francisco demonstrations that would, according to Herman Fagg, "demand that all third world GI's be withdrawn."

\* A Women's Liberation workshop proposal was adopted which called for the formation of a "United Women's Contingent" to march in both Washington and San Francisco on April 24.

\* A Gay Liberation workshop resolution calling for the formation of a homosexual brigade as an independent group on April 24 was accepted.

March 5, 1971 Information Digest

Among groups observed at the SMC conference were :

Communist Party, U.S.A. La Raza Unida Libertarian Alliance May Day Movement National Caucus of Labor Committee National Peace Action Coalition People's Coalition for Peace and Justice Progressive Labor Party

Socialist Workers Party Sparticist League Students for a Democratic Society -Worker-Student Alliance Workers League Young Socialist Alliance Young Workers Liberation League Youth Against War and Fascism

It is noted that the SMC conference, despite its Trotskyist control, was reported in some detail in Moscow. Radio Moscow in its international service broadcast reports which are shown in Appendix B.

Instructions to SMC organizers for the detailed planning for April 24 include:

- \* Organizing transportation;
- \* Obtaining editorials from both campus newspapers and radio stations, placing radio spot announcements in the "public service" category and mounting a letter writing campaign:
- \* Fund raising, especially applications and campaigns for student government funds;
- \* Placing the NPAC advertisement that appeared in the New York Times [see Information Digest, 2/5/71] in local newspapers;
- \* Building up activities around the other "spring offensive" dates - as listed on pages 1 & 2 of this report;
- \* Building up activities around the "Berrigan defense."
- \* Mass leafleting, meetings, etc.

Predictably, the SMC conference endorsed the decisions already made by NPAC. However, the number of people present coupled with the efficient organization provided a strong indication to the CPUSA and PCPJ contingents that the antiwar movement in 1971 was firmly controlled by the Trotskyists. As a direct result, a week after the SMC conference, the People's Coalition for Peace and Justice agreed to endorse the April 24 actions.

Throughout the SMC conference, the organizers emphasized that . their actions would be of "a peaceful and legal character."

It now remains to be seen whether the Trotskyists can control the more radical and militant groups from PCPJ which perhaps in the belief that they will be provided with "cover" by a mass of people will attempt disruptive actions against the Government.

Moscow TASS International Service in English 2001 GMT 20 Feb 71 L

[Text] "Washington Feb. 20 TASS. TASS correspondent V. Chernyshov reports:

Streamers and slogans, 'Withdraw immediately all troops,' 'Self-determination for the people of Vietnam,' 'Stop the war,' adorn the Catholic University in Washington where several thousand students from all parts of the USA have converged for a national student antiwar conference to demand an end to the dirty US aggression in Southeast Asia.

Opening the conference, a member of the Student Mobilization Committee for an End to the War in Vietnam, D. Bastin said the purpose of the forum was to plan wide antiwar actions to counter the escalation of the war by the U.S. Government....

Stormy applause welcomed a telegram of greetings from the delegation of the Provisional Revolutionary Government of the Republic of South Vietnam at the Paris talks, which noted that the struggle of the American students was a contribution to the common cause of stopping the Vietnam war....

One of the leaders of the Student Mobilization Committee, D. Gurwitz, called on the students of the country to step up the struggle for ending the aggression and withdrawing all American troops from Southeast Asia."

COMPIDANTIAL SEGRET

MARCH 25, 1971 (()

On Saturday March 13, 1971 a demonstration was held under the auspices of the Black Panther Party of New Haven, Connecticut on behalf of the defendants Bobby Seale and Ericka Huggins. u) -

SONNIDENTIAL.

The participants in the demonstration, which had been publicized in various cities along the northeastern seaboard, though not on the Yale University campus, began to assemble in Beaver Pond Park in New Haven about 12 noon. A number of buses brought members of organizations from as far away as New York and Boston. Because Yale itself had just begun its spring vacation, the involvement of the Yale undergraduate student body was negligible. Columbia-Barnard SDS had chartered a bus seating 53 at the roundtrip price of \$4; all the tickets were sold, and 49 persons made the journey, leaving the Columbia campus shortly after 9:00 a.m (

When the bus reached Beaver Pond Park, there were only some 8 people waiting for the demonstration to begin, but after noon the ranks of the demonstrators swelled rapidly, with representatives of many factions joining the crowd. John Froines got a lift from the Yale campus to the site of the initial rally from a blue car with the pennsylvania license plate 785-176. It was rumored that Bella Abzug, the newly elected representative from Manhattan, would attend the demonstration, but she never actually made an appearance.(C)

Toward 1:00 p.m. the crowd had grown to a considerable size and the marchers formed ranks of 6 in a column that advanced eastward on Goffe Street toward the Yale campus and the New Haven green at whose northern end stood the courthouse before which the rally was to be held. The demonstrators carried a number of large banners and chanted slogans such as

Free Ericka--Smash Amerika!

Free Bobby, Free Ericka--Off the Pig and Smash Amerika!

Some of the SDS members sang a song that ran

CONMADENTIAL

The group that left the Beaver Pond Park was white and middleclass almost to a man. Blue and white May Day buttons were in evidence, but hardly a single April 24th button was to be seen. The column proceeded eastward on Broadway and Elm Streets, passing through the Yale campus and finally turning south on Temple Street to join other columns, smaller in numbers, that approached the green from other directions. After reaching Chapel Street, across from the shopping center, the demonstrators broke ranks and ran northward across the green. The New Haven police arrested two demonstrators on the Church street side of the green, but apart from these incidents, there were no other clashes with the local authorities.

The column that had marched from Beaver Pond Park arrived at the green at exactly 1:25 p.m., and twenty minutes later the rally began. There were the usual speeches by Black Panther Party members denouncing the persecution of the party by the authorities; a Negress who had the demonstrators recite a text entitled "What is a Pig?"; and Dave Dellinger, the other celebrity at the gathering, who also gave a short speech from the platform erected just across the street from the courthouse.(C)(U)

Among the demonstrators were: from Columbia-Barnard SDS) Neil Mullen, Bob Treacy, Steve Cohen, Jim Root, Fred Abramowitz, Becky Brenner, and Pamela Bostelmann; from the Dien Bien Phu family) Morris Grossner, Gregory Photiadis, Jerry Kagan, Patty Titchener, Jeff Sokolow; from Brooklyn College SDS) Susan Bunim; from RYM II) David Slavin and Mickey Jarvis, with several followers; from the Weatherman group) Brian Flanagan and Stu Alpert, who were talking to Froines during the speeches; from New York GLF) Alan Young, who had returned from his trip to Cuba and was on his way with 5 other GLF members to a demonstration scheduled from 1 to 4 the next afternoon in Albany, New York; from other groups) Lew Cole and Harvey Goodheart. The presence of members of so many usually hostile factions at a single event is good evidence for the extent of "Panthermania" in the ranks of the student left, as in the judgment of several in the crowd this demonstration had brought out the hard core of almost every interested group. (u)

Following the speeches the demonstrators formed a line of twos and marched up Church Street to Wall Street, then turned west to Temple Street and south again to Elm, thus encircling the courthouse. There were two unfamiliar banners in the procession, one with black ()

CONFIDENTIA

dark red, white, yellow and brown horizontal stripes-the flag of the so-called Rainbow Coalition; and one with orange, white and green horizontal stripes with a gold star in the upper left-hand corner-the flag of the Quebec Liberation Front. YAWF had its usual black and orange banners in different shapes and sizes ()

CONFIDENTIAL

The literature sold or distributed at the demonstration included publicity material for May Day put out by a group styling itself the May Day Tribe, a New Haven paper called <u>Modern Times</u>, and underground publications from cities as far apart as Springfield, Massachusetts and Tucson, Arizona. There were leaflets for various impending demonstrations, while still others were announced from the platform, in particular one against Vice President Agnew scheduled for March 18 in Boston by the local YAWF chapter.

The number of demonstration participants may have approached 1000; of these about 8% were Negro, the remainder White members of miscellaneous radical groups supporters of the Black Panther Party. There was virtually no discussion of the split within the party. It was noted by SDS members that the Progressive Labor Party had boycotted the rally in accordance with its attitude of opposition to the Panthers. Susan Bunim's presence at the demonstration hence confirms that it was her stance relative to PLP that led to her removal from the NIC.

The weather during the rally was palpably chill and damp; although the temperature was 43 degrees, it felt much colder, and when the demonstration disbanded at 3:40 p.m., the participants sourried to their cars and buses. By 5:00 p.m. nearly all had left New Haven, and the last traces of the rally were fast disappearing.

### NATIONAL PEACE ACTION COALITION (NPAC)

On October 7, 1970, a source made available a copy of "An Open Letter To All College Students" from NPAC dated October 6, 1970, which self-described NPAC as an umbrella organization formed at the Student Mobilization Committee (SMC) National Emergency Conference against Cambodia-Laos-Viet Nam War held at Cleveland, Ohio, on June 19-21, 1970, to unite all antiwar forces in the struggle to immediately end United States involvement in Southeast Asia. One aim of NPAC is to gain the support of labor forces.

NPAC Headquarters is located at 2102 Euclid Avenue, Cleveland, Ohio, with branch offices located in major United States cities.

A characterization of the SMC is attached.

A second source, October 11, 1970, made available a copy of a paper entitled "Organizing Local Peace Action Coalitions" published by NPAC, 2102 Euclid Avenue, Cleveland. The paper states that the basic objective of NPAC is to involve masses of people, including labor unions, GI's, and the Black community in the struggle to end United States intervention in Indo-China through orderly and peaceful tactics. These tactics include building mass demonstrations and national conferences, distributing leaflets, selling literature, organizing forums and fund-raising activities, and testifying at state legislature hearings.

A third source, on September 1, 1970, advised NPAC was formed and made operational by members of the Socialist Workers Party (SWP). NPAC is heavily influenced by SWP leadership, nationally, and is a recruiting ground for this organization.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

STUDENT MOBILIZATION COMMITTEE, also known as STUDENT MOBILIZATION COMMITTEE TO FIND THE WAR IN VIETNAM; NATIONAL STUDENT MOBILIZATION COMMITTEE

A source advised on May 16, 1969, that the Student Mobilization (committee (SMC) originally grew out of the National Student Strike for Peace Conference held in Chicago, Illinois, on December 28-29, 1966, which resulted in a call for massive antiwar demonstrations in New York City and San Francisco, California, on April 15, 1967. The National Student Strike for Peace Conference was originally called by the Communist Party and the Socialist Workers Party (SWP), culminating in a takeover by the SWP element in the Summer of 1968 and the Communist Party element withdrawing. Source further advised that the SMC locally and nationally is controlled by the SWP and its youth arm, the Young Socialist Alliance (YSA), as evidenced by the YSA leadership and participation in SMC activities.

### STUDENTS FOR A DEMOCRATIC SOCIETY

Students for a Democratic Society, commonly known as SDS, came into existence at a founding convention held during June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy," Marxist-Leninist ideology of various shadings became predominant during 1968-1969 with debate centering on how best to create a revolutionary SDS moved from involvement in the civil rights youth movement. struggle to an anti-Vietnam war position to advocacy of a militant anti-imperialist line linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. All major factions within SDS embrace Marxism-Leninism and identify internationally with China, Cuba and North Vietnam as countries leading the worldwide struggles against the United States. However, the Soviet Union was regarded as imperialist and with the Communist Party, United States of America, "revisionist" in nature.

SDS operated under a national constitution which called for an annual National Convention (NC) and quarterly National Council meetings wherein programs were initiated and debated. Three national officers were elected annually with a National Interim Committee to run the organization. Regional offices and college chapters elected delegates to the national meetings but each functioned independently on local matters. Its official publication "Fire" (formerly New Left Notes") last appeared in December, 1969.

Internal factionalism of serious proportions developed during 1968 -1969 and the following three factions evolved as a result of a split at the June, 1969, NC: Weatherman, Worker Student Alliance (WSA), and Revolutionary Youth Movement (RYM). The effect of the split on SDS chapters throughout the country was divisive. Some aligned with one or the other of the three major factions. Others, unable to identify with any faction, disassociated with SDS completely and changed names.

The SDS national office in recent years was located at 1608 West Madison Street, Chicago, Illinois. It was closed in February, 1970.

The Weatherman and RYM groups no longer consider them selves associated with SDS, and the WSA group refers to itself as the true SDS.

### REVOLUTIONARY YOUTH MOVENENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization. said organization being proposed as separate and distinct in form and content. from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization: however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."

#### WEATHERMAN

Initially called the "Action Faction," Weatherman came into being immediately before the June, 1969, Students for a Democratic Society (SDS) National Convention (NC). At this NC Weatherman won all three national officer positions and a majority of the National Interim Committee as well. Subsequently, they took over the SDS National Office (NO) in Chicago, and controlled its funds, paper and national records. Although internal struggle existed until late 1969, Weatherman for all major purposes controlled SDS nationally from June, 1969, until its NO closed in February, 1970. At this time it no longer considered itself part of SDS.

The term Weatherman emerged from an ideological paper prepared by its leaders entitled "You Don't Need a Weatherman to Know Which Way the Wind Blows," (New Left Notes" June 18, 1969). This statement outlined the basic stance of Weatherman: Marxist-Leninist in content but with strong advocacy that action not theory would bring about revolution in the United States. This posture was complemented with an international identification to the Cuban revolution and Castro's statement that the duty of a revolutionary is to make revolution.

During October, 1969, Weatherman riots in Chicago resulted in more than 260 arrests for mob action and related charges. A program of armed struggle was finalized during a December, 1969, "War Council" wherein terrorist tactics and political assassination were contemplated. The basic strength of Weatherman was then revealed to be some 300 - 350 nationally and geographically apportioned to the Midwest, New York, and some Northwest.

As its rhetoric of violence escalated, Weatherman leaders increasingly discussed the necessity of an underground operation wherein more than 90 percent of the organization would be submerged; "affinity groups" of three - five members would function independently. In February, 1970, Weatherman leaders announced a program of "strategic sabotage" with police and military installations as primary targets.

In February, 1970, Weatherman abandoned the SDS NO, 1608 West Madison Street, Chicago, Illinois, and throughout the country entered an underground status.

### WORKER STUDENT ALLIANCE/PROGRESSIVE LABOR PARTY

A source advised during August, 1969, that at the National Convention (NC) of Students for a Democratic Society (SDS) held in Chicago, Illinois, during June, 1969, a split arose between the Progressive Labor Party (PLP) and the National Office (NO), the NO becoming known as the Weatherman faction. The PLP faction drew the largest support among those in attendance at the NC.

Source further advised that during late Summer, 1969, the PLP faction of SDS established its National Headquarters (NH) on the second floor of a loft-type building at 173A Massachusetts Avenue, Boston, Massachusetts. The campaign on which the PLP faction centered was to build a worker student alliance or a campus worker student alliance. Thus, they adopted the names of Worker Student Alliance (WSA) or Campus Worker Student Alliance.

Source stated that the "New Left Notes," printed in New York City, is the official publication of the WSA faction.

A second source advised during January, 1970, that within the SDS, the WSA is a caucus of which the PLP constitutes the leadership.

A third source advised during July, 1970, that during demonstrations staged in the Boston area during the Spring and Summer of 1970 by the NH, the main theme of previous demonstrations staged by the NH shifted from protestations of the Vietnam War and other United States foreign policy matters to attacking domestic issues such as racism and unemployment and demonstrating support of the "workers' struggle."

STUDENT MOBILIZATION COMMITTEE (SMC) NATIONAL ANTI-WAR CONFERENCE, CATHOLIC UNIVERSITY WASHINGTON, D.C., 2/19-21/71

> Representative Bella Abzug of New York. Amalgamated Meat Cutters AFL-CIO.

Japan Congress Against the Hydrogen and Atomic Bombs

Vietnamese People's Revolutionary Group Representative in Paris.

On March 1, 1971, the confidential source advised that on February 20, 1971, at 10:00 am the Primary Session of the Conference began in the Catholic University Gym with approximately 300 to 900 people in attendance. The Conference was mainly a caucus soliciting proposals on future action of the groups represented, and a series of workshops held at Taft Junior High School.

The following were the proposals submitted:

TO THE SMC CONFERENCE:

-1

AFTER SUPPORT IN OUR WORKSHOP WE PROPOSE FOR ADOPTION THE FOLLOWING ACTIONS FOR A SPRING OFFENSIVE:

MASS ACTION IN D.C.

1. Local Conferences- we propose that everyone go home and organize conferences at their home schools for these purposes.

- a. to organize continuous work in your own community 365 days a year
- b. to discuss the possibility of calling a national convention to organize a national strike
- c. this is the most important part of our proposal as it is imperative to work all of the time in our own communities if we are ever to succeed. Each local area must decide what is appropriate for its own home.
- 2. Meet in Washington D.C. in front of the White House Friday evening (April 23) for an all night vigil. We propose to stay all night with or without permission.

3. Meet on the Mall all day Saturday (April 24) for a day of nonviolent workshops and youth culture exhibits and workshops.

4. At sundown on April 24 we propose a mass march to the Pentagon. We plan to stay all night convincing soldiers to join <u>our</u> ranks.

5. All day Sunday (April 25) a day of prayer and solidarity at the Pentagon.

## END THE DRAFT PROPOSAL

Support for the antiwar movement, as it is currently constituted, is clearly waning. The Viet Nam, as a main organizing issue is no longer capable of generating mass activism.

It is proposed that the main target-issue for the spring actions be the elimination of the draft and the selective service system. The bill to extend the draft is now before congress. It is imperative that we indicate overwhelming opposition to this form of involuntary servitude. Anything less than making the draft our main target for the spring '71 will not impress upon Congress the depth and extent of Anti-draft sentiment. Beyond this, we can expect the support from a majority of all Americans (roughly 71' by a Gallup survey of July 1970). If the draft and the selective service system are eliminated, the pusance of the Vietnam War would all but impossible. Without the draft yhere can be no future Vietnam Wars.

We must eliminate the draft - there can be no better time for this than now - Spring 1971!

David F. Snyder Dickinson College SMC

## Disruption Proposal

Alec Roberts:

I propose a <u>coherent</u> national program to peacefully disrupt the activities war - related American institutions. These could take the form of sending massive ammounts of literature to draft boards, tying up the phones of these boards and corporations, and picketting coupled with selective economic boycotts of war - related companies and institutions.

Glenn Rabat, Clark Univ\_SMC

March 15 - National Draft Day

I propose that SMC establish March 15 as National Draft Action Day, and call for anti-draft actions on that day across the country.

This will make it possible for SMC and other groups working against the draft to coordinate anti-draft efforts on one day to dramatize our oppositon to the extension of the draft by Congress.

Those emergency actions are crucial because the hearings in Congress are now in progress, and it is likely that Congress will vote on the draft within a month. United mass action is the only effective way at this late date to have any chances of affecting that vote. Nixon and the Pentagon are fighting desperately to keep the draft, and if mass pressure succeeds in ending it, this would deal a serious blow to the war machine.

### COORDINATING COMMITTEE FOR CIVIL DISOBEDIENCE PROPOSAL by Dr. Arthur A. Levine

The Coordinating Committee for Civil Disobedience wishes to see continued throughout the year the coming civil disobedience of April and May. We want to reach the great masses of people who stay away from the city when they know we are coming. Therefore, after the month of May we advocate civil disobedience on certain days: We must strike on both the last business day before a Holiday or holiday session and the first business day thereafter.

This procedure can be followed for all national and state holidays.

Where will the people protest on those days? According to the city: at the official seat of government: the city hall, the state Capitol, the White House.

Just as the religious observe the holidays because they know when they come, so our people will act both on the last and first business days before and after holidays.

What to do in civil disobedience? Sit down in front, always in front of the official building, in non-violent protest. At what hours should they start civil disobedience? When most business people are out in the streets- lunch time- between noon and 1PM - in the evening between 4:30 and 5:30 PM.

In this manner our message will reach the non-committed. They will be forced to search their souls. And our numbers will grow.

These acts of civil disobedience throughout the year will not create the massive demonstrations that are being prepared now but they will play a very essential part, they will teach the people to act on their own so that even if the government destroys leadership it cannot destroy the people!

By striking again and again in civil disobedience at a city and a government st business, the message will reach the people. Aswe persist our numbers will grow and the moral conscience of America will grow and grow and finally overthrow the evil that exists in our government and bring peace and justice to our land.

Feb. 20, 1971

#### STRUCTURE PROPOSAL

- 1) That a National Conference be called as often as necessary, and at least once a year. That the National Conference be the highest body of the SMC.
- That there be a Steering Committee composed of 1 representative of each SMC and 1 representative of each national organization working with the SMC. That the Steering Committee be charged with implementing the decisions
   of the National Conference and taking up matters inbetween conferences.
- 3) That there be a working committee composed of the officers and project directors and 2 representatives of the East Coast Regional SMC's to meet on a regular basis and oversee the functioning of the office. These regional offices are : New York, Boston, Atlanta, Philadelphia, Washington DC, and Cleveland.
- 4) That there be two officers of the SMC; a National Coordinator and a National Field Secretary. That there be project directors to be responsible for the different projects initiated by the SMC. That these project directors be elected by the steering committee.
- 5) That the SMC be a membership organization, in order to solidify antiwar activists around their agreement with the principles and projects of the SMC and to thereby strengthen the cohesiveness and power of the SMC. That the activities of the SMC be responsible to the membership. That membership be obtained by payment of one dollar per year for a membership card.

## SPRING ACTION PROPOSAL John McGettrick

Introduction:

a) It is quite evident that the government does not listen to the voice of the people when making war decisions. However it is just as evident that it listens to the massive business interests to a far greater degree than to the people.

- b) The economy of this country is in a very precarious situation.
- c) It is easy to ascertain that the bulk of business on a national scale is conducted by telephone.

#### PROPOSAL

Why not flood the switchboards of large corporations, especially those in war orientated industries, with inquiries as to their position on the war.
 If done correctly it is quite possible that most callers 9(antiwar and business as usual people) would recieve a continuous busy signal.
 This could be implemented from any place in the country, by students, women at home with children, workers - anybody.

\*With the aid of a common telephone book, people working for these large concerns might give out the phone number of top corporate executives and then we could discuss the war with them.

e.g. - people in San Francisco could call the largest firms in Wall St. in New York collect - naturally the call would probably be turned downbut time would be used- and to those concerns time is money.

- and as Nixon and his business friends know and will tell you, money talks.

Also- this proposal could be put into effect over a long period of time ( until all the troops are out of S.E. Asia) not just for a day or a week.

#### PETITION CAMPAIGN

While this may seem moderate, I think, aside from the march, to send petitions out to every magic university(and city) chapter in the nation for the local coordinators to supervise. While attacking all war and social injustice, it would be geared especially at blocking Nixon foom extending the draft two years. Thus if 200,000 signitures can be obtained (and should be obtained easily) the petition will be brought up on the Senate floor of the Senate chamber with a stipulation:

Last year, a lot of "left-wing" Senators voted to extend the draft. If these people can be persuaded to quit betraying the movement, the draft will be killed because of a coalition with the Goldwater forces.

A threatening note could be added on the Senate chamber to shake up these "Benedict Arnold Left-Wing" Senators that:

A roll call vote will be publicized in every chapter and if any "liberal" Senator shall vote to extend the draft, need he be reminded that he will not only not have the conservative support, but he will lose anti-war support as well.

### UNIFYING PROPOSAL FROM MAY DAY WORKSHOP

The following proposal is the majority proposal of the May Day workshop of the SMC Conference. It was written in the spirit and hope of unifying the anti-war movement around a common date. It is a possible compromise on the part of the two coalitions - NPAC and the People's Coalition for Peace and Justice - to unify around Madame Binh's appeal for massive world wide peaceful demonstrations on May 1. It ties in our efforts with those of peace loving people from around the globe. The calls for this unified action would include the 2 points of NPAC and the 3 points of the People's Coalition.

BE IT RESOLVED THAT A MASS PEACEFUL RALLY BE HELD ON MAY 1, 1971 INITIATING A WEEK OF ANTI-WAR ACTIVITIES THAT UNIFYS ALL SECTORS OF THE ANTI-WAR MOVEMENT AND THAT THESE SECTORS ALLOW THEMSELVES TO BE CO-SPONSORS OF A MASSIVE DISPLAY OF ANTI-WAR SENTIMENT IN INTERNATIONAL UNITY WITH ALL PEACE LOVING PEOPLE.

STUDENT MOBILIZATION COMMITTEE (SMC) NATIONAL ANTI-WAR CONFERENCE, CATHOLIC UNIVERSITY WASHINGTON, D. C., 2/19-21/71

At the conference the proposals were sifted out and it appeared that the articulateness of the SMC group headed by Don Gurewitz was evident and he was able to push through the proposal on mass actions beginning on April 24 in Washington, D.C., San Francisco, and other majir cities in the United States. This apparently was to be organized by the NPAC headed by Helen Gurewitz. This proposal also called for memorial action in behalf of the Reverend Martin Luther King on April 2-4. These memorial actions are to take place in local areas and possibly also on campuses. Also included in this proposal was action commercing the May 5th anniversity of last year's student strike, and the killings at Kent State University, and Jackson State University. Also the proposal asking the ending of the draft was also agreed upon. This session ended at approximately 3:00 pm and the participants dispursed.

A source advised on May 16, 1969, that the Student Mobilization Committee (SMC) originally grew out of the National Student Strike for Peace Conference held in Chicago, Illinois, on December 28-29, 1966, which resulted in a call for massive antiwar demonstrations in New York City and San Francisco, California, on April 15, 1967. The National Student Strike for Peace Conference was originally called by the Communist Party (CP) and the Socialist Workers Party (SWP), culminating in a takeover by the SWP element in the Summer of 1968 and the CP element withdrawing. Source further advised that the SMC locally and nationally is controlled by the SWP and its youth arm, the Young Socialist Alliance (YSA), as evidenced by the YSA leadership and participation in SMC activities.

# S O S - President NIXON

WFP wants to join with other women's peace organizations in a SOS (Save Our Sons) letter action to President Nixon. Following are some excerpts from the letter to be presented to the President with snapshots of SONS.

"For a war we never wanted, for a war we never declared, we've paid.....

And what have we bought with all that we've paid?

- We bought "bombing a village in order to save it."
- We bought body counts, surgical strikes, and domino theories, the "enclave idea" and the "bloodbath"threat.
- We bought "protective reaction" -"defoliation" - "neutralization" "pacification" - "escalation"
- We even bought "Vietnamization" for a while, Mr. President.

....And now we're being asked to buy the idea that you can end the war in Vietnam BY EXPANDING IT INTO ALL THE REST OF INDOCHINA! .. that as long as our sons are killed in the air, not on the ground, maybe it won't hurt quite so much... that a "reduced" casualty rate is somehow an acceptable substitute for peace!

Which brings us to the reason for this letter Mr. President. We think the time has come to let you know WE'RE NOT BUYING THIS WAR ANY MORE.

Because we know that the price for more war will be what it's always been.. MORE SONS.

AND WE'RE NOT GOING TO PAY ANY LONGER.

We're sending you their pictures, Mr. President, because we think a good long look at the price that is being asked may help you to understand why we're going to boycott the product we've been sold for so many years.

.... the price is high - TOO HIGH."

PEACE,

JOIN US! For the price of an envelope, a 6¢ stamp and an old snapshot, you can let our President know that you are not going to buy this war any more.

Send a picture of your son (grandson, nephew) to: Women for Peace, Box 6550, San Antonio, 78209. Or better yet, bring it to our next general meeting.

We will forward the pictures to Washington, D.C., where they will be presented personally to President Nixon by Bella Abzug, Congresswoman from New York.

### PEACE VIGIL IS PLANNED

In the planning stage is a silent candlelight vigil to be held in front of the main Post Office in downtown San Antonio, on April 15.

The purpose of such an event is to correlate the date on which our income tax is due with the amount of our tax dollars which goes for military spending. This is not to say that we object to taxation per se, but rather the purpose to which our taxes are being used. We would like to see a reordering of our national priorities so that as much money would be channeled into the sustaining of human life as is now being spent on the destruction of life.

If you feel that this silent peaceful vigil would be an appropriate and an effective message to our local community, we urge you to let your opinion be known. Please telephone Doris Rips, 826-1887 or Charlene Ortiz, 344-6550 or drop a line to WRP, P.O. Box 6550, 78209. If there is little or no response there will be no vigil.

MAE TUGGLE AND CAROL HARRIS for their most competent leadership as co-chairmen the past three months.

CHARLENE ORTIZ, JEAN GRAHAM, & JAN MINNIG and their workers for the excellent workshop. Their hard work was most appreciated by those who attended, and those who did not attend missed a real opportunity to learn methods of implementing our desires for peace.

CAMILLE DUANE who is retiring as editor of our newsletter. She's a hard act to follow, and our newsletter has been a great source of pride and information for all of the members.

LORETTA BERNARD AND DONNA WILLIAMS who are retiring as co-chairmen of our telephone committee.

VOTE! VOTE: VOTE! \* \* \* APRIL 6

# WORKSHOP REPORT

Approximately forty people attended the WFP workshop at the First Unitarian Church on Saturday, March 13, 1971. Adjectives that might describe the occasion are educational, stimulating, informative, and fact-filled.

Presentations were made by Wayne Kearle, Media; Les Mendelsohn, Political Action; George Benz, Economy; John Dauer, Draft Counselling. We thank these men for a job well done, for sharing their knowledge, and their Saturday with us.

The theme that the programs presented was ACTION - what we can do toward making the end of the Vietnam war a reality. Writing letters and the open expression of one's opinions came out as being the main avenues open to all.

Summation of each workshop group:

MEDIA: Write and express you feelings concerning T.V. programs pertinent to our cause (Ex. The Selling of the Pentagon). It does work. You can influence programming.

POLITICAL ACTION: VOTE!! Participate in the political decision making of this, your community, by joining in on the precinct level.

ECONOMY: Figures are available to show that the U.S. can prosper without war. Write your elected officials stating that you support cutbacks in military spending.

DRAFT: The new draft office needs support of time, money and energy. Can you type, file, pledge money, answer a phone, or place a poster?

THE TIME IS NOW!!

## PEACE HOMEWORK

It has been stated many times, many ways with all too little effect, that letter writing is important. Again it must be stressed that the written word is our primary means of communicating with our elected officials. The more of us that write the faster things will change.

1. Senator Lloyd M. Bentsen, Jr. upon return from touring Southeast Asia, recently stated that U.S. troops should be brought home more quickly. Write Senator Bentsen, 5107 Seante Office Building, Washington, D.C. 20510 in support of this statement.

2. Also urge Senator Bentsen, Senator Tower (142 Senate Office Bldg., Wash. 20510) and Rep. O.C. Fisher (2407 Rayburn House Office Bldg., Wash., D.C. 20515) as members of the House Arms Service Committee to use their influence to cut back in military spending and waste.

3. Write Senator J. William Fulbright, U.S. Senate, Washington, D.C. 20510 with the message: "Public hearings imperative! Are our sons dying for off-shore oil?"

4. If possible, attend G.I. Civilian Solidarity Day, Sunday, April 18. March and rally, Austin State Capitol Grounds, 2:00 p.m.

From The Internationalist Perspective come the following definitions:

Aggression (ź - gresh'źn)n. What one's friends claim to be repelling when they invade someone else's country, as in Czechoslovakia, the Dominican Republic, South Vietnam.

Thad Peace Council able harch 20, 1971 at Nasseu . ..... College, Garden City, N.Y.

The conference was opened by the Chairman of the Peace Council whose name I do not know. This woman is in her 20's and sho informed the audience that BFLLA ABZUE, U. S. Congresswoman was unable to attend the conference due to a meeting on environment but she wanted the group to know that she was with the group in their endavor. The Chairman thanked a Mr. Harold Kaplan of Merrick for his donation of 1,000 envelopes and someone else for postage. This was, according to the Chairman, the first time that the North and South Shore and other peace groups could get together.

Karen Purstein, was introduced and she thanked Joan Romano for her help in organizing activities. Miss BURSTEIN stressed; that she felt she had had a remarkable good showing during the last elections because she had actually gone from door to door in Levittown, directly to the people's homes to obtain votes. She felt that having close relationships with the constituency. was most important and was something which other politicians had never done before. She brought out the fact that youth had questioned her in working within the system. She said it was the only way now but the idea was to become elected and then work from 4 Washington where she would then have a voice in changing the system until there could be another society. She felt it most important to see that the proper candidates were elected to office even on the smallest local level. Miss BURSTEIN especially emphasized that it was most important to get out immediately and start working in the Hempstead area. She feels that the Hempstead Unemployment Offices and Welfare Departments are excellent places to start and get support. There should be people handing out leaflets and talking from now on. She feels the Hempstead, N.Y. blacks are weak as far as being committed to anything so that area should be concentrated on.

Ron Wolin stated that if you figure that each person present represents at least four people, that this is a good turnout. Wolin stressed that labor will be the deciding factor through the trade unions in forcing the peace issue along with other issues. · During the next two eeeks, every trade and labor union in the nation will be asked to support the Peace program. He urged everyone to write legislators and encourage others to do the same. Wolin stated it was most ilportant to have labor support, in every labor front nationwide, even in Iowa.

David McReynolds spoke and opened with a welcome to FPI and Intelligence agents. He urged everyone to get a copy of "Appeal for Nationwide Tax Resistance" from one of the tables before leaving and urged the use of this method of directing montes away from the U. S. and the war effort. He stated, "This is the dawn of the revolution! When it comes, everyone will be counted regardless of which segment you belong to".

Howard Levy mentioned Fort Bragg and a show in which Jane Fonda had been in. Levy said the army had been in revolt for a year and they are now refusing to fight. The audience was urged to write and recome friendly with G.I.'s and to work in any possible way with them; in coffee houses, in bookstores, near bases. At three shows presented at either Fort Jackson or. Fort Fragg, 1,500 G.I.s supposedly gave 100% support against the war in Vietnam by a show of hands. At these shows, someone had imitated President Nixon in one of the skits.

At this gathering, tables were set up by the various groups displaying all types of literature of a revolutionary nature. Chicano literature, Cuban pro-Castro, Angela Davis material, Martin Luther King material, McGovern for president in '72 (a separate table was set up for McGovern literature, buttons, Hatfield amendment petitions, etc.); The Catholic Church (can't recall which segment had a separate table; Kent State Students had a separate table. The paperback books were all on sale for \$1.00 and up. Most of the pamphlets and papers had a price. If the material was free and if one took more than two or three, a request was made to contribute to the kitty. Groups that were present were from the Young Socialist Alliance, Women For Peace, Workers Resistance League, Student Mobilization Committee.

The audience appeared to consist of people from college age (perhaps a few high school age) to persons in their sixties. Well educated, professional, as well as a bit of typical labor leader type were represented. Housewives as well as career and office types were there.

DEMONSTRATIONS SPONSORED BY VIETNAM VETEBANS AGAINST THE WAR (VVAW), WASHINGTON, D.C., APRIL 18 THROUGH APRIL 23, 1971

From April 18, 1971, through April 23, 1971, Vietnam Veterans Against The War (VVAW) sponsored demonstrations in Washington, D.C., opposing the Vietnam War. Source one attended these activities and furnished the following information:

Upon arrival in Washington, D.C., source one was to contact Larry Magit, of the National Student Association; Drew Olin, telephone number 483-8292; Susan Wagner, telephone number 483-5257; Tim Butz, of the VVAW Office, 1029 Vermont Avenue, NW, Washington, D.C.; Al Hubbard, also with the VVAW Office.

-- On April 17, 1971, source one met Larry Magit and was taken to the National Student Association Office, 2115 South Street, NW, Washington, D.C., telephone number 387-5100, and was then taken to David Ifshin's apartment 1638 17th Street, Apartment 2, NW, Washington, D.C. While source one was at Ifshin's apartment, he was telephonically contacted by Ifshin and Ifshin advised source one-he was in Denver, Colorado, attending the President's Conference on Youth.

If shin's apartment is disorderly, dirty, old and a second floor place, with a surfeit of Lenin posters, North Vietnamese photographs, and hundreds of notes.

Among these notes was a letter of introduction from one Carl Davidson, a Staff Writer for the "Guardian" (see appendix). Davidson stated he received undergraduate and graduate schooling at Pennsylvania State College from 1961 to 1965; was an Assistant Professor at the University of Nebraska, 1965 to 1966; was the Great Plains Students for a Democratic Society (SDS) organizer, (see appendix); a National Officer in SDS for two years; Vice President of SDS from 1966 to 1967;

Inter-organizational Secretary for the SDS, 1967 to 1968; and the SDS delegate to the Cultural Congress in Havana, Cuba, January, 1968. He also met with the National Liberation Front of South Vietnam (Viet Cong) and the Democratic Republic of Vietnam (North Vietnam) four times, supposedly twice in Canada and twice in Cuba.

On April 18, 1971, source one went to the VVAW Office which is described as being approximately ten stories in height and apparently completely occupied by radical movements. The VVAW Office is on the tenth floor and the Peoples' Coalition for Peace and Justice (PCPJ) occupies the nineth floor.

PCPJ is self described as headquartered in Washington, D.C. and consisting of one hundred organizations using massive, non-violent civil disobedience to combat racism, poverty, repression and war.

It was noted that two guards check identity at the entrance.

VVAW began organizing in West Potomac Park and approximately one hundred people had already assembled there. Several trucks were observed at this location and radio communications were maintained by them.

The California contingent of VVAW was located and recognized were Barry Romo, Mark Hartford and Sam Shore. The Californians, irritated by the non-action, left the "camp" in combat gear for the Mall by the Washington Monument.

These demonstrators with some young people, who had already had a party going, and with several "tag-a-longs," went marching to the Lincoln Memorial.. They entered, chanted "Power to the People" and left for the "camp" when the police looked nervous.

- 2 -

In "camp" that evening, a rock band entertained the group and some individuals slept with local acquaintances in forty degree weather.

On April 19, 1971, the group of veterans had grown to nearly one thousand people and a "command van" had arrived from Massachusetts. The group left "camp", dressed in combat regalia and some carried plastic M-16 rifles. They crossed the Potomac Bridge, proceeded into the area directly in front of the main gates of the Arlington National Cemetary, where a religious service was held by an ex-Chaplin, and Gold Star mothers were introduced (they lost their sons in Vietnam). А delegation of five veterans were going to lay two wreaths in the cemebary at the Tomb of the Unknown Soldier, one wreath for Vietnamese dead and one wreath for the American dead. However, the gates of the cemetary were locked and guarded. Tempers flared among the crowd and toy fifles were smashed on the gates and a steel helmet was also thrown on the gates. Some members of the crowd urged rushing the gates, but the moderates held and the march moved back across the bridge. One veteran was observed crying because his father was buried in the cemetary.

The march, following the sidewalks, moved down Constitution Avenue, then moved 'down a side street to Pennsylvania Avenue to the White House. The crowd, at this time, occupied the right half of the street and was chanting "bring 'em home, bring our brothers home," and a few obscene versions. They passed in front of the Justice Department and chanted "Sieg Heil" with a facist salute, until some young man on the fourth floor of the Justice Building came out and gave the "peace sign." The march ended on the Capitol steps, there was some internecime haggling; heard where Senator McClosky and Senator Bella Abzug. After a discussion, the crowd marched to the Mall, next to the Capitol, and voted to begin lobbying.

Most of the veterans went to various offices of Senators and Representatives appealing for a December 31 withdrawal date

from Vietnam. Four veterans from California went to see California Senator John Tunney, California Senator Allen Cranston, and California Congressman Alponso Bell, and as could be predicted, all showed the greatest support for VVAW.

The veterans' gear was sent to the Mall and the group slept there. As always, there were scores of "street people" and drugs. Runaway girls were there (some of them incredibly young) and even a contingent of winos stayed in the area wanting free food.

On April 20, 1971, approximately one hundred veterans went to the hearings of the Senate Armed Services Committee and another one hundred veterans went to the Senate Foreign Relations hearings. The rest of the veterans were involved in "Guerilla Theatre" in various areas of Washington. No trouble occurred, but the veterans at the Senate hearings had to be admonished occasionally for extensive noise.

At approximately 12 p.m., about three hundred veterans, with mounted police leading the way, marched to Arlington National Cemetary again. This time, after a short delay, they were admitted within the gates. They were silent and as they knelt on the asphalt, shots were heard in the distance and the taps were played. The march back was scattered, strung out, and quiet.

Source one had dinner that evening with one George "Skip" Roberts, 300 3rd Street, Washington, D.C., telephone 547-2987. Roberts apparently is a local VVAW leader and he seemed to know and be known by everyone in the peace movement.

A band played in the Mall area and a party atmosphere reigned.

On April 21, 1971, the veterans split up into various working groups, lobbying committees, and visiting committees. One committee visited the Armed Services Subcommittee where General Chapman, Commandant of the Marine Corps, was requesting additional four star generals for the Marine Corps. The veterans

were mostly ex-Marines and they remained quiet until the proceedings were over and then demanded time to debate the war., but were rejected.

"Guerilla Theatre", that is, acted out skits representing atrocities committed in Vietnam, with local students playing the Vietnamese, were enacted all over town, particularly around the parks, schools and tourists centers. Occasionally it got very realistic and the "Vietnamese" had bruises to show for their efforts.

A caucus was held to decide what action would be taken on a Supreme Court injunction against camping on the Mall. Former Attorney General Ramsey Clark, advised the veterans that if they did not pitch tents, cook food, or engage in "sleeping activities" then they could not be arrested for violating the court injunction. Al Hubbard, local VVAW leader, said that staying awake for the remaining 36 hours would be the best approach, but Sam Shore of California, said he would sleep anyway. After a vote of 480 for sleeping and 400 for staying up, it was decided that if they were arrested, they would go peacefully, with their hands on top of their heads prisoner of war style. Various Senators, including Senator Edward Kennedy, California Congressman Dellums, pledged to spend the night with the veterans. I.F. Stone spoke briefly. Despite the anxiety, there were no arrests. Rennie Davis was observed in the camp site.

On April 22, 1971, approximately 150 veterans went to the Supreme Court building and defended a ruling on the constitutionality of the Vietnam war. However, when they tried to enter, they were arrested on charges of obstructing justice. 110 in all were arrested. Bail raising campaignes were begun and two more veterans were arrested while trying to raise bail for the others. The charges were reduced and those arrested were released during the early afternoon.

Several people offered their homes to the veterans if the court injunction was enforced. Father Wendt, St. Stephen and the Incarnation Church, 16th and Newton, offered his Church

- 5 -

as did "The Friends" Meeting House, Florida and 22nd Street, Washington, D.C. Several Senators, including Senator Ted Kennedy, offered their offices to sleep in.

The camp grounds had become a "happening." Kindergarten classes had field trips there; art classes drew and sketched the veterans; visiting liberals joined them; and tourists were everywhere. The "street people" had to be forcibly kicked out, but repeatedly returned to the camp.

On the evening of April 22, 1971, a candlelight march was held by the veterans and they marched down Constitution Avenue to the White House. A cold strong wind blew out the candles and dampened enthusiam to a great degree. Once again the veterans camped on the Mall and no arrests resulted.

Relations with the Washington, D.C. Police were in general cordial with no hostile action planned because of the control the police exhibited. At one point, when arrests were rumored eminent, bricks and pieces of conduit, as well as rocks were distributed. Gas masks and motorcycle helmets were also in evidence.

David Ifshin returned to Washington on April 21, 1971, from the Youth Conference and he spoke of his previous trip to North Vietnam. Ifshin mentioned that he was nearly killed while on a truck ride near the demilitarized zone in Vietnam. The truck stopped for awhile and accidentally ran into a North Vietnamese Patrol, how had been informed of the presence of Americans. However, the interpreter saved them.

If shin also mentioned to source one that he got a veneral disease (syphilis) while at a commune in New York. If shin was treated by Dr. David Lawrenz, 2001 Eve Street, NW, Suite 400, Washington, D.C., telephone number 296-0211.

If shin has a checking account with the Surbaban Trust Company, Bethseda Office, Hyattsville, Maryland, account number 05500234-81-3020-5. The address printed on If shin's checks is 9020 Cherbourg Drive, Potomac, Maryland.

If shin is leaving next week (first week in May) to attend the World Peace Conference, Budapest, Hungary, and he plans to stop in Athens, Greece enroute, with others, who plan to stage some unspecified action to liberate "political prisoners." If shin corresponds with a student leader named Huyen Tan Mam, in Saigon. Mam has apparently been in Con Son Prison, Vietnam and is one of those individuals who exposed the "tiger cages," in Vietnam. While If shin was in North Vietnam, he met a Vietnamese who offered him "advisers" when the revolution in the United States started. In a telephone conversation with an unknown individual, source one overheard If shin express surprise that an individual known as "Tri" was "in town."

During the VVAW activities, Al Hubbard, Jan Crumb, Tim Butz, and others were overshadowed by a more popular and eloquent figure, John Kerry. Kerry was featured on the television show "Meet the Press" and he also appeared in the Senate Foreign Relations Committee room. Kerry was glib, cool, and fisplayed just what the moderate elements wanted to reflect. It appears that Al Hubbard revealed his own ambitions of becoming the VVAW National leader by lying; about his former military rank. He claimed to be a Captain, but in reality, was a Sergeant.

On April 23, 1971, the last action of the VVAW was a march, single file, to the retaining fence in front of the Capitol. One by one each veteran would say a few words and then throw his metals over the fence. Several veterans actually threw their metals, including one man with a Navy Cross, but most just threw various battle ribbons, discharge papers, draft reclassification cards, Veterans of Foreigh War identification cards, helmets and plastic rifles.

Barry Romo, who held all the tickets for most of California contingent, took his group and left for home. Barry Romo was heard to say "This is the last time we come like this" (for example peacefully).

On April 24, 1971, source one and David Ifshin took part in the PCPJ sponsored demonstration. The marchers displayed

DEMONSTRATIONS SPONSORED BY VIETNAM VETERANS AGAINST THE WAR (VVAW), WASHINGTON, D.C., APRIL 18 THROUGH APRIL 23, 1971

a great deal of confusion, however, at approximately 11:30am the march began down Pennsylvania Avenue. The speakers were protected by.a string of young parade marchers linked The speakers were also protected by unidentified in a circlé. Teamster's Union members. Among the speakers noted were Harrold Gibbons, President of the Teamster's Union; Dave Livingston, International Electrical Workers Union; Abe Fineglass, Meat Cutters Union; Mitch Miller, Song Leader; and his girlfriend "Buttons"; and Mrs. Warner, the mother of a Marine prisoner of The marchers left the fence around the Capitol and the war. speakers were checked for their appropriate passes (a pink card with "Platform" written on it). Source one did not have a "Platform" pass, but Ifshin handed his pass through the wire to the source.

The speeches began and included speeches by Dave Livingston; Abe Fineglass; Mrs. Warren; the former Governor of Minnesota; Henry Ailes (Businessmen for Peace) who said ridiculously, "The Vietnam war is bad for business;" I.F. Stone, who said "We won't have peace until we get rid of Nixon like we got rid of Johnson" a former sufferaget; Ex-Governor Greening of Alaska; George Wall; Ralph Abernathy of the Southern Christian Leadership Conference, who spoke at great length about wolfare rights; Coretta King, doing a marvelous imitation of her late husband; and Ruth Colby of the Peace Action Council (see appendix).

During the speeches, it became evident there was friction developing on the podium. The Trotskyite groups comprised of the Student Mobilization Committee (SMC) (see appendix), the Socialist Workers Party (SWP) (see appendix), the Young Socialist Alliance (YSA) (see appendix), and the Workers League (see appendix), obviously were in opposition to the Stalinists groups such as the National Peace Action Coalition (NPAC) (see appendix), the Communist Party (CP), and the May Day Collective.

The May Day Collective is a faction of militants nominally attached to the PCPJ and under the direction of Rennie Davis.

The Trotskyite groups were in charge of the rally and issued passes to only those they wanted on the platform. Their speakers were given precedence and in particular, Jerry Gordon and Mario Trevino. There was a great deal of hostility vented and the audience was unaware of this.

Source one poke briefly to Tony Scoblick and his wife. Scoblick is apparently an ex-priest and is representing "Harrisburg 6" at the demonstration.

The "Harrisburg 6" are six individuals indicted by Federal Grand Jury during January, 1971, for conspiring to damage Federal buildings in Washington, D.C. and kidnap Henry A. Kissinger, a presidential adviser on national security.

Reverend Magora Kennedy, a black leader of the Women's Liberation and Gay Women's Liberation Front, spoke of a meeting in Canada with Vietnamese women, and in particular, Mrs. Phan Ningh.

Some individuals claiming to be veterans tried to tear down one of the gates surrounding the podium, but were held off by the guards along with the promise that John Kerry would speak for the veterans. Kerry spoke and several entertainers, namely Peter, Paul and Mary; "Country Joe" MacDonald; Pete Seeger and his group; Mitch Miller; and Phil Ochs participated. Dave Wachter was seen in the crowd. He reportedly works at the "DMZ" Coffee House and is on the staff of "Open Sights," an anti-military service newspaper, published in New Jersey. Wachter can be reached at telephone number (201)270-8735.

The rally appeared to number approximately 300,000, a tremendous mass of people stretching from the Capitol to Washington Monument, and all the way as far as the eye could see, down Pennsylvania Avenue.

- 9 -

After the rally, David Ifshin met with John Froines, had dinner, and then went to a rock concert near the Washington Monument, which was attended by approximately 100,000 youths. They listened to Phil Ochs assail the Trotskyites and Rennie Davis spoke of the coming May Day activities such as 10,000 people occupying the Halls of Congress and the the blockage of Washington, D.C. streets.

Ifshin spoke to Jon Hoffman and John Kettner, both apparently journalists active in new left activities.

Ifshin, Froines and others went to the May Day Collective house and debated the logic of "trashings" (violent and destructive action). They planned such action for April 26, 1971, at Dupont Circle. Froines mentioned he was going to upstate New York on April 26, 1971. He also mentioned that his wife had been to Korea.

# "GUARDIAN" Formerly Known As "National Guardian" Weekly Guardian Associates, Incorporated

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the "National Guardian":

"l....'established by the American Labor Party in 1947 as a "progressive" weekly...it has manifested itself from the beginning as a virtual official propaganda arm of Soviet Russia.'"

Beginning with the February 10, 1968, issue, the "National Guardian" became the "Guardian."

The May 9, 1970 issue of the "Guardian" is selfdescribed as an "independent radical newsweekly."

The December 1968, issue of "The New York Times" carried an interview with the editors of the "Guardian." One of the editors stated: "Our job is to build a radical movement. To quote the Cuban Revolutionaries, we are not only to write about-it, but-also to move along with it... we are movement people acting as journalists.

"The 'Guardian' takes a strong left position, but it is not identified with any organized group because it believes that an American left ideology is still in the making. One of its purposes is to break away from the cliches of the left ideology of the past."

A source advised in May 1970, that the "Guardian" is located at 32 West 22nd Street, New York, New York.

### NATIONAL PEACE ACTION COALITION

On October 7, 1970, a source made available a copy of "An Open Letter To All College Students" from the National Peace Action Coalition (NPAC) dated October 6, 1970, which self-described the NPAC as an umbrella organization formed at the Student Mobilization Committee National Emergency Conference Against Cambodia-Laos-Viet Nam War hold at Cleveland, Ohio, on June 19-21, 1970, to unite all antiwar forces in the struggle to immediately end United States involvement in Southoast Asia. One aim of the NPAC is to gain the support of labor forces.

NPAC Headquarters is located at 2102 Euclid Avenue, Cleveland, Ohio, with branch offices located in major United States cities.

A second source, on October 11, 1970, made available a copy of a paper entitled "Organizing Local Peace Action Coalitions," published by the NPAC, 2102 Euclid Avenue, Cleveland. The paper states that the basic objective of the NPAC is to involve masses of people, including labor unions, GIS, and the black community, in the struggle to end United States intervention in Indechina through orderly and peaceful tactics. These tactics include building mass demonstrations and national conferences, distributing leaflets, selling literature, organizing forums and fund-raising activities, and testifying at state legislature hearings.

A third source, on September 1, 1970, advised the NPAC was formed and made operational by members of the Socialist Workers Party (SWP). The NPAC is heavily influenced by SWP leadership nationally and is a recruiting ground for this organization.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

### PEACE ACTION COUNCIL

The "People's World", a weekly west coast communist newspaper, in its issue of November 5, 1966, in an article on Page 3, describes the Peace Action Council (PAC) as "a coordinating agency for peace activists" which conducts emergency mobilizations and demonstrative actions against the war in Vietnam.

.:

On July 22, 1966, a source reported that the PAC, which has also been known as the Greater Los Angeles Peace Action Council (GLAPAC), was formed during the early summer of 1966, for the express purpose of protesting the war in Vietnam during the National Governors Conference held in Los Angeles, California, from July 4-8, 1966. Following the conclusion of that conference, the PAC members decided to continue as a coordinating group to sponsor similar protest demonstrations at later dates.

A second source was contacted on April 24, 1970, and reported that the PAC continues to operate under the same basic concept, noting that in 1968 and 1969, PAC had sponsored demonstrations against Presidents JOHNSON and NIXON, protesting the policies of their respective administrations governing American military commitments in Vietnam. PAC presently maintains its headquarters at 555 North Western Avenue, Los Angeles, California, 90004, telephone number 462-8188.

# REVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for for social revolution lies in workers.

A third source has stated that it was decided at the March 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."

# STUDENTS FOR A DEMOCRATIC SOCIETY (SDS)

Students for a Democratic Society, commonly known as SDS, came into existence at a founding convention held during June 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy;" Marxist-Leninist ideology of various shadings became predominant - during 1968-1969 with debate centering on how best to create a revolutionary youth movement. SDS moved from involvement in the civil rights struggle to an anti-Vietnam war position to advocacy of a militant anti-imperialist line linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. All major factions within SDS embrace Marxism-Leninism and identify internationally with China, Cuba and North Vietnam as countries leading the worldwide struggles against the United States. However, the Soviet Union was regarded as imperialist and with the Communist Party, United States of America, "revisionist" in nature.

SDS operated under a national constitution which called for an annual National Convention (NC) and quarterly National Council meetings wherein programs were initiated and debated. Three national officers were elected annually with a National Interim Committee to run the organization. Regional offices and college chapters elected delegates to the national meetings but each functioned independently on local matters. Its official publication "Fire" (formerly "New Left Notes")-last appeared in December 1969.

Internal factionalism of serious proportions developed during 1968 - 1969 and the following three factions evolved as a result of a split at the June 1969, NC:-Weatherman, Worker Student Alliance (WSA), and Revolutionary Youth Movement (RYM). The effect of the split on SDS chapters throughout the country was divisive. Some aligned with one or the other of the three major factions. Others, unable to identify with any faction, disassociated with SDS completely and changed names.

The SDS national office in recent years was located at 1608 West Madison Street, Chicago, Illinois. It was closed in February 1970.

The Weatherman and RYM groups no longer consider themselves associated with SDS, and the WSA group refers to itself as the true SDS.

STUDENT MOBILIZATION COMMITTEE Also Known As Student Mobilization Committee to End the War in Vietnam; National Student Mobilization Committee

A source advised on May 16, 1969, that the Student Mobilization Committee (SMC) originally grew out of the National Student Strike for Peace Conference held in Chicago, Illinois, on December 28-29, 1966, which resulted in a call for massive antiwar demonstrations in New York City and San Francisco, California, on April 15, 1967. The National Student Strike for Peace Conference was originally called by the Communist Party (CP) and the Socialist Workers Party (SWP), culminating in a takeover by the SWP element in the Summer of 1968 and the CP element withdrawing. Source further advised that the SMC locally and nationally is controlled by the SWP and its youth arm, the Young Socialist Alliance (YSA), as evidenced by the YSA leadership and participation in SMC activities.

> The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A report of the Committee on Un-American Activities, House of Representatives, Ninetieth Congress, First Session, dated March 31, 1967, entitled "Communist Origin and Manipulation of Vietnam Week (April 8-15, 1967)," on page 53, states in part, "Communists are playing dominant roles in both the Student Mobilization Committee and the Spring Mobilization Committee."

A second source advised on November 16, 1970, that the New York Regional Office of the SMC was located at 15 East 17th Street, Second Floor, New York, New York, where "The Student Mobilizer" is self-described as being published by the National Office of the Student Mobilization Committee to End the War in Vietnam. Source stated that the program of the SMC continues as follows: immediate and unconditional withdrawal of all United States troops from Vietnam, an end to the draft, an end to all forms of campus complicity with the war in Vietnam, self-determination for Vietnam and black America, and Constitutional rights for GIs and high school students.

# WEATHERMAN

Initially called the "Action Faction," Weatherman came into being immediately before the June 1969, Students for a Democratic Society (SDS) National Convention (NC). At this NC Weatherman won all three national officer positions and a majority of the National Interim Committee as well. Subsequently, they took over the SDS National Office (NO) in Chicago, and controlled its funds, paper and national records. Although internal struggle existed until late 1969, Weatherman for all major purposes controlled SDS nationally from June 1969, until its NO closed in February 1970. At this time it no longer considered itself part of SDS.

The term Weatherman emerged from an ideological paper prepared by its leaders entitled "You Don't Need a Weatherman to Know Which Way the Wind Blows" ("New Left Notes" June 18, 1969). This statement outlined the basic stance of Weatherman: Marxist-Leninist in content but with strong advocacy that action not theory would bring about revolution in the United States. This posture was complemented with an international identification to the Cuban revolution and Castro's statement that the duty of a revolutionary is to make revolution.

During October 1969, Weatherman riots in Chicago resulted in more than 260 arrests for mob action and related charges. A program of armed struggle was finalized during a December 1969, "War Council" wherein terrorist tactics and political assassination were contemplated. The basic strength of Weatherman was then revealed to be some 300 - 350 nationally and geographically apportioned to the Midwest, New York, and some Northwest.

As its rhetoric of violence escalated, Weatherman leaders increasingly discussed the necessity of an underground operation wherein more than 90 percent of the organization would be submerged; "affinity groups" of three - five members would function independently. In February 1970, Weatherman leaders announced a program of "strategic sabotage" with police and military installations as primary targets.

In February 1970, Weatherman abandoned the SDS NO, 1608 West Madison Street, Chicago, Illinois, and throughout the country entered an underground status.

# WORKERS LEAGUE, Formerly Known As American Committee For The Fourth International

On September 9, 1970, a source advised as follows:

We adverte of the

TIM WOHLFORTH, when a member of the Socialist Workers Party (SWP) National Committee, led a minority group of ten accusing the majority of losing revolutionary perspective. The WOHLFORTH group adhered to the views of British Trotskyists, with whom it secretly consorted, and with certain cothinkers in the International Committee of the Fourth International (FI), a world Trotskyist organization. It accused the leadership of adopting views of those within the FI who favored "bureaucratic" revolution over the genuine "revolutionary working class outlook" of LEON TROTSKY. Domestically, the WOHLFORTH faction opposed SWP orientation toward student activity, feeling the Party should place major emphasis on trade unions and participation in the civil rights struggle.

Although tolerated for some time, the WOHLFORTH group was-expelled from the SWP in July 1964.

Following expulsion, the WOHLFORTH group formed the American Committee for the Fourth International and planned to work with other radical and militant organizations, concentrating on the civil rights movement which to them is a basic "class" struggle... More recently, the group has devoted time and effort to its call for an American labor party which in its view will enable the working class to exert its latent political power. It plans to build a political party around a publication and classes of instruction in Marxism.

During November 1966, the organization's name was changed to Workers League. Headquarters are located at 135 West 14th Street, New York, New York. Its publication is the "Bulletin."

The SWP has been designated pursuant to Executive Order 10450.

### WORKER STUDENT ALLIANCE/PROGRESSIVE LABOR PARTY

A source advised during August 1969, that at the National Convention (NC) of Students for a Democratic Society (SDS) held in Chicago, Illinois, during June 1969, a split arose between the Progressive Labor Party (PLP) and the National Office (NO), the NO becoming known as the Weatherman faction. The PLP faction drew the largest support among those in attendance at the NC.

Source further advised that during late Summer, 1969, the PLP faction of SDS established its National Headquarters (NH) on the second floor of a loft-type building at 173A Massachusetts Avenue, Boston, Massachusetts. The campaign on which the PLP faction centered was to build a worker student alliance or a campus worker student alliance. Thus, they adopted the names of Worker Student Alliance (WSA) or Campus Worker Student Alliance.

Source stated that the "New Left Notes," printed in New York City, is the official publication of the WSA faction.

A second source advised during January 1970, that within the SDS, the WSA is a caucus of which the PLP constitutes the leadership.

A third source advised during July 1970, that during demonstrations staged in the Boston area during the Spring and Summer of 1970 by the NH, the main theme of previous demonstrations staged by the NH shifted from protestations of the Vietnam War and other United States foreign policy matters to attacking domestic issues such as racism and unemployment and demonstrating support of the "workers' struggle."

# YOUNG SOCIALIST ALLIANCE

A source advised on May 14, 1970, that the Young Socialist Alliance (YSA) maintains its national headquarters at 41 Union Square West, New York, New York, and has as its official publication "The Young Socialist Organizer" (YSO). The YSA is the youth organization of the Socialist Workers Party (SWP) and serves as the main source of recruitment into the SWP.

According to the masthead of the "YSO" dated April 29, 1970, the YSA is described as "A multi-national revolutionary socialist youth organization."

The SWP has been designated pursuant to Executive Order 10450.

### YOUNG SOCIALIST LEAGUE (YSL)

The March 1, 1954 issue of the "Young Socialist Challenge", published as Page 3 of "Labor Action", contained an article concerning the creation of the YSL which pointed out that at a unity convention occurring February 12-14, 1954, at Labor Action Hall, New York City, a merger occurred between the Young People's Socialist League (YPSL) and the Socialist Youth League (SYL). The new organization was named the YSL.

A source on June 15, 1954, made available the minutes of the YSL's National Action Committee meeting of April 13, 1954, which reflect that one S. SITEMAN, "Chairman of SP (Socialist Party) Youth Committee", had objected to a statement appearing in "Commerce", a New York University Journal, which indicated that the YPSL merged with the SYL to form the YSL. He explained that the YPSL did not merge with anyone, that it continued to exist as the youth section of the Socialist Party. He explained that a small group of the YPSL was dropped, expelled, or suspended from that organization and joined the SYL, which he characterized as the youth group of the "Trotskyite ISL" (Independent Socialist League). - He explained that after these few former members of the YFSL joined the SYL, the SYL then proceeded to change its name for its own purposes.

On April 9, 1956, another source advised as follows:

"The YSL has-frequently worked in close sympathetic cooperation with the ISL towards similar objectives, although each major issue given mutual consideration is decided upon by these organizations individually. The YSL serves as an apprenticeship for the ISL, but ISL selection of members from YSL ranks is made on an individual and personal basis. In many instances YSL members are also members of the ISL. The YSL and the ISL utilize the same printing house in New York City and the YSL publication is printed as an insert in 'Labor Action'. Frequently, lectures before the YSL are ISL members."

### YOUNG SOCIALIST LEAGUE (YSL)

The September 22, 1958, issue to "Young Socialist Challenge", which appeared as Page 5 of "Labor Action", contained an undated statement from the National Action Committee of the YSL which indicated that the YSL had been dissolved. The statement appeared under the caption "Join the Young Peoples Socialist League".

The YPSL is publicly known as the Youth Affiliate of the Socialist Party - Social Democratic Federation.

On November 18, 1958, a source advised as follows:

The YSL's announced purpose was to transform the present society into one in which the working class would control production and distribution. Its actual primary function was that of recruiting and training students and young workers for the ISL.

The national YSL had a branch organization in Los Angeles (LAB-YSL) which was formed in February, 1954, and is now dissolved. The LAB-YSL was in frequent communication with the national YSL headquarters by mail, by visits of national YSL officials to Los Angeles, and occasionally by visits of LAB-YSL members to national YSL headquarters.

The LAB-YSL heard visiting speakers from national YSL headquarters, received and disseminated its literature, submitted reports from time to time on LAB-YSL activities, sent representatives to national YSL conventions and/or plenums and was represented on the national level by some of its own members. Its activities consistently followed a pattern laid out by national YSL policies and practices and were designed to accomplish the national YSL objectives.

The IAB-YSL dissolved in October 1958 and became a part of the YPSL.

Electing of the State Board of the Communist Party (CP) at ISH FLORY's house. Present were:

> ISH FLORY JACK KLING JIM WEST EARL DURHAM JAY SHAFFNER DOT DAVIES LINDA APPLEHANS CHARLES VILSON ARNOLD FRANCIS GABOW

DOC DAVIES chaired and on the agenda were a report from the Unemployed Hearings in Washington, D.C., May 22-23. CHARLES WILSON reported.

CHARLES indicated that Illinois had one busload, with 29 from Illinois, joined by 2 from Minnesota, however, there were 39 people registered in Washington from Illinois but they did not go on the bus. For Illinois, there were 21 trade unionists, 3 members of the YWLL, 3 who represented the magazine "Labor Today," 1 who represented a vegerans organization, 3 unemployed. There were 12 Party members in the Illinois delegation. The total registration for the entime conference was 270, the maximum attendance was from

- 1 -

325 to 350. Out of the registered delegates, 191 wore male and 73 female. Of those 161 were registered delegates, the rest were observers. Where they came from;

> California - 9 Connecticut - 6 Washington, D.C. - 18 Illinois - 39 Indiana - 5 (all from South Bend) Maine - 11 Maryland - 26 Massachusetts - 40 Michigan -14 Hinnesota - 2 Missouri - 1 New Mexico - 2 New Jersey - 1 New York - 49 Ohio - 4 Ponnsylvania - 49 Rhode Island - 3 Washington State - 3 West Virginia - 2 Visconsin - 30

This project was initiated by the CP Task Force that was established about a year ago and is under the leadership directly of GUS HALL.

There was some discussion during the planning days early last year that if 250 unemployed were present, it would be considered a successful venture. There is some question whether we can consider this a success. There were no elected officials present, although many had been invited. RALPH METCALFE from Illinois sent a

representative who participated. The voman congressman from New York sent a representative; ONYERS, from Michigan, sent a representative. There were some letters from elected officials indicating their support for action against unemployment. The conference was co-sponsored by Southern Christian Leadership Conference, welfare rights organization, and the rank and file Trade Union Movement. There were two days, Saturday and Sunday.

Saturday, the opening being an address by CHARLIE HAYES, a report on unemployment and an address by ERNIE DE MAIO on unemployment. It was followed by discussion from the delegates. Saturday ovening a dance had been planned, which was very poorly attended.

On Sunday the discussion continued. There was some dissention among the young delegates who felt that not enough action was being proposed. There was some move on the part of the Troskiites to present a program but it was voted down by the delegates. There was a good representation of black workers. The program that came out was very unclear but that some plans were being made for followup.

The discussion that followed - CHARLIE's report was very critical of the conference. JIM and JACK

- 3 -

particularly felt that the Party had missed a program opportunity to mobilize around unemployment and in JIM's opinion, at least it represented a set back for the Party's prestige in the eyes of the vorkers who vere present. JIM indicated that the composition tas approximately 30 percent black, with about 40 percent youth. Es also indicated that more than 40 percent were Party members and many of them only coming themselves and not mobilizing enyone else.

ISH and EANL spoke about the weaknesses in the struggle against racism. JACK emphasized that we had not been working with the welfare rights organization and that he and ISH had met with GINGER MACK of the Welfare Rights organization and they were receptive to people working in their organization but the Party does not have a policy on this issue. In the main, the discussion around the conference was kind of low in its estimate of its effectiveness, however, they would wait for a national estimate before making final conclusion. There were no proposals following the discussion.

The next point was to establish the agenda for the State Committee meeting scheduled for Sunday, June 6, at the Mc Cormick YMCA in the Circle Room. The agenda proposed was:

- 4 -

- 1) Peace with a report by LINDA
- 2) The unemployed hearings report by CHARLES

3) Recruiting with report by ISH and that there will be a checkup and a summation.

During the discussion of the agenda, it was proposed that also be added a status report on ANGELA DAVIS. It was agreed for that agenda. The next agenda itom was to establish or re-establish the Black Liberation Commission. JACK KLING indicated that it was to be a new type of commission which would meet and develop its own objectives and scope. It tried to develop a list of priorities that it would work on. It would establish its own plan of work and periodically examine the work of other committees and commissions in the Party as it relates to the struggle for black liberation. Personnel for the commission JACK indicated included many new comrades with the merger of some of the more experienced. It was proposed that the commission remain small, with only nine members and topbe chaired by a At the same time he young comrade and he named HUGH. spent a great deal of time explaining why he was not proposing EARL, ISH, CHARLIE or any other more experienced comrades. He also indicated ISH had agreed to become

- 5 -

the co-manager of the "Daily World" and would be working full-time out of the Party office. The personnel for the committee are as follows:

HUGH as Chairman

RON

JOHN W.

ish

KEN APPLEHANS - This has not been cleared yet. He is active in the Building Trades Union and feels he may not have time but we should fight for his membership

HELEN QUEEN

SARAH JONES

RANDY and MARGARET from the West Side.

The committee was accepted as outlined.

The next point was an announcement that the National Office of the Party would be willing to send one of the people who went on the delegation to the CP of the Soviet Union National Congress. It would either be JIM JACKSON or HALLINAN. The proposed dates are June 18, 19 and 20.

June 18 - 'a "Daily World" sponsored forum at the Humboldt Center will hear a report by, with extended time, for ISH to discuss his trip overseas.

- 6 -

June 19 - proposal that there be a house gathering where teachers, trade unionists, etc., could come. That was accepted also.

Another announcement June 4 a Club Chairman's meeting on recruiting, at BEA PIERSON's house. The next Board meeting was planned, at which time they would discuss the situation in the steel industry.

THE DEEPENING CRISIS IN OUR COUNTRY IS MORE PROFOUND THAN MOST PEOPLE REALIZE. THE NECLECT OF OUR URGAN CENTERS, THE EQUALLY CRIMINAL DECEPTION OF THE AMERICAN PEOPLE OVER OUR ENVOLVEMENT IN INDOCHINA, MOUNTING REPRESSION VIA GRAND JURIES AND ---GOVERNMENTAL AGENCIES AGAINST ACTS AND VOIGES OF DISSENT HAS RESULTED INA GROWING SENTIMENT AMONG THE MAJORITY OF THE AMERICAN PEOPLE--YOUNG AND OLD, BLACK AND WHITEY RICH AND POOR---THAT OUR DEMOGRATIC INSTITUTIONS ARE DANGEROUSLY UNRESPONSIVE TO THE . WILL OR NEEDS OF THE PEOPLE.

SEVENTY-THREE PERCENT OF THE AMERICAN PEOPLE WANT ALL OF OUR MILITARY FORCES OUT OF INDOCHINA BY THE END OF THIS YEAR. THE PENTAGON PAPERS REVEAL THE DEGREE TO WHICH THE NATION WAS MISLEAD AND MANIPULATED. YET NIXON, EVEN NOW, REFUSES TO RESPOND TO THE SEVEN FOINTS OF MADAME BINH, REFUSE'S TO NEGOTIATE WITH THE VIETNAMESE, AND IN-STEAD PROPOSES TO FLY TO PEKING. THIS PUBLIC RELATIONS GAMBIT HAS DISARMED MANY OF THE CRITICS OF, THIS WAR WITHOUT HAVING IN ANY WAY LIMITED THE WAR IN INDOCHINA THE VIETNAMESE CONTINUE TO DIE, OUR SOLDIERS CONTINUE TO SUFFER, OUR PRISONERS REMAIN IN NORTH VIETNAMILALL VICTIMS OF NIXON'S POLICY. OVER 60% OF THE NON-WHITE TVIPOPULATION SAID, IN ANOTHER RECENT PUBLIC OPINION POLL, THAT THEY FELT THAT CONGRESS .STATE AND CITY GOVERNMENTS, POLICE AND THE COURTS WERE BIASED AGAINST EFFORTS TO ACHIEVE RACIAL JUSTICE. TO CONFIRM THOSE FEELINGS NIXON HAS INSTRUCTED THE JUSTICE DEPT TO CPPOSE "SCHOOL BUSING", IN ADDITION, THE ADMINISTRATION CONTINUES TO BACK THE FAMILY ASSISTANCE PLAN (FAP), WHICH RAISES THE LEVEL OF INCOME MAINTENANCE

: IN FIVE STATES AND DRASTICALLY LOWERS IT IN 45 OTHER STATES. THE FAP PROGRAM WILL PROVIDE MAXIMUM BENEFITS OF \$2400 A YEAR FOR A FAMILY OF FOUR-EVEN THOUCH THE DEPT OF LABOR REPORTS THAT THE MINIMUM INCOME NEEDED FOR A FAMILY OF FOUR IS \$5500. THIS MIS-NAMED WELFARE "REFORM" ALSO INCLUDES FORCED WORK PROVISIONS TO CREATE A POOL OF UNPAID LABOR FOR THE INDISCRIMINATE USE OF CITIES AND MUNICIP-ALITIES. IN SHORT, THE BEST THE ADMINISTRATION OFFERS IS THE INSTITUTIONALIZATION OF STARVATION. (THE ANNUAL BUDGET FOR THE PETS IN NIXON'S HOUSEHOLD IS \$3600 A YEAR).

WHEN ONE MEASURES THE DESPERATION OF OUR CITIES, THE TERRIBLE NEED FOR MEDICAL CARE, HOUSING, SOCIAL SERVICES, AGAINST A TWO HUNDRED BILLION DOLLARS THAT HAS BEEN WASTED ON THE WAR IN VIETNAM, ONE REALIZES THAT OUR NATION HAS BEEN LITERALLY IM-POVERISHED BY THE WAR. WE HAVE TAKEN TWO HUNDRED BILLION DOLLARS WORTH OF GOODS AND LABOR AND BLOWN IT TO BITS-ALONG WITH HUNDREDS OF THOUSANDS OF HUMAN BEINGS-LEAVING US A DEPRIVED NATION, WITH TOO FEW JOBS AND TOO MUCH INFLATION.

ALL OF US ARE PAYING THE PRICE OF THIS FELLY. CRIME IS GOING UP EVERYWHERE IN AMERICA AND CRIME IS NOT AN INDICATION OF "PERMISSIVE COURTS" OR POLICE THAT HAVE DEEN "SHACKLED". THE COURTS WORK OVERTIME AND THE POLICE ARE NO LESS BRUTAL TO-DAY THAN SEFORE. CRIME IS SIMPLY A VERY PRIMITIVE AND TRAGIC KIND OF REBELLION AGAINST INTELLERABLE CONDITIONS IN THE SLUMS OF OUR CITIES, IN THE SAME WAY THAT HEROIN ADDICTION AND THE USE OF "SPEED" IS A FINAL DESPAIRING EFFORT TO FIND SOME ESCAPE. THE PCPJ RELATES THE PROBLEM OF POVERTY WITH THE PROBLEM OF WAR BE-CAUSE THEY ARE SO LINKED IN REALITY. WE LINK THE DEMANDS FOR PEACE WITH THE CEMAND THAT POLITICAL REPRESSION END BECAUSE THOSE DEMANDS ARE LINKED IN REALITY. THE HOST OF CONSPIRACY TRIALS FLOW DIRECTLY FROM THE STRUGGLE AGAINST THE WAR. THE HUNDREDS IN JAIL FOR DRAFT RESISTANCE ARE NOT THERE BY ACCIDENT, BUT BECAUSE OF THE WAR.

CONFAIDENTIA

Peoples Coalition for Peace and Justice

A GREAT MANY AMERICANS -- THE NON-WHITES AND THE POOR -- FEEL THAT THE PRESENT AMERICAN SYSTEM WAGES WAR ON THEM NO LESS THAN IT WAGES WAR ON THE VIETNAMESE. OUR HOPES FOR A NEW AMERICA REQUIRE A COMING TOCETHER OF WHITES AND BLACKS IN COMMON EFFORT; UNDERSTANDING HOW WAR, POVERTY, REPRESSION AND RACISM ARE TIED TC-GETHER AND HOW THEY MUST BE FOUGHT AGAINST IN A UNITED WAY.

WE ENCLOSE THE CALENDAR FOR THE FALL OFFENSIVE. WE HOPE FOR YOUR SUPPORT OF THESE EVENTS, FROM THE MORATORIUM THROUGH TO THE REGIONAL RALLEES OF NOVEMBER OTH--EN-ABLING THE VOICES OF THE PEOPLE TO RENOUNCE THIS CRISIS EN AMERICA AND TO STEP UP . THE PUBLICE PRESSURE TO SEEK PEACEFUL, EQUITABLE AND JUST CHANGE.

WE HOPE, NEED, AND MUST COUNT ON MORE THAN YOUR MORAL SUFFORT-MONEY IS NEEDED IMMEDIATELY TO FUND THIS PROGRAM. SEVENTY FIVE THOUSAND BOLLARS MUST BE RAISED IMMEDIATELY FOR POSTERS, LITERATURE, TRAVEL FUNDS, NEWSFAPER.ADS, OFFICE EX-PENSES, AND A FEW "MOVEMENT SALARIES" FOR A VERY DEDICATED STAFF. THE PEOPLES COALITION FOR-PEACE AND JUSTICE DRAWS ITS SUPPORT FROM WILL WORK IF YOU GIVE IT ACTIVE SUPPORT. WITHOUT THAT SUPPORT, IT WILL JOIN THE LIST OF OTHER ABANDONED VISIONS.

WE ASK FOR YOUR CONTRIBUTION NOW, AND WE HOPE YOU WILL MAKE IT AS GENEROUS AS POSSIBLE.

II. Due to emergency meetings on the Attica crisis, attendance was low. The programs presented for discussion and approval were still in the preliminary stages after being passed by the PPC Administrators at their last meeting. These were:

1. October 2-Anti-Prison Day- Rallys are now scheduled at Danbury, Attica, San Quenten prisons and also at jails in Los Angeles and Springfield. The People's Coalition for Peace and Justice(PCPJ) has also called for a rally in Albany on Sept. 22 at noon. The PPC will provide transportation. Concerning the Attice situation, a Coalition to Protest the Attica Massacre(CAM)) has been formed. CAM's Steering 0 Committee met before the PPC meeting and decided to hold -a march and two rallys at 1 PM on Sept. 18 at Union Sq. Tom Wicker has a greed to speak at future enti-Attica rallys but could not make the 18th. Bella Abzug, David Dellinger, Bill Kunstler and Eqbal Ahmad Will speak. CAM represents groups ranging from the War Resisters League to Youth Against War and Fascism. Other organizations include: POPJ, PPC, the Harrisburg Defense Committee, Vietnam Veterans Against the War, People's Peace Treaty, Mayday, Madame Binh Brigade and the Committee to aid the National Liberation Front.

2. October 13-Morotorium-Fragmented reports were given indicating a lack of overall coordination. Marches in the Bronx may be held while the National Student Association(NSA) has issued a strike call. Due to lack of money, the PPC will supply a budget of \$2000.00 to pay for ads in college publications. The Morotorium seems due to fail with little work being done on a national level.

3. October 25-29-Direct Action in D.C. Preparations for Civil Disobedience are still in the planning phase. Kiger reported that David McReynolds was contacting Pacifist leaders concerning a plan to force mass arrests at the White House over 2 sustained period. 4. November 6-Mass demonstrations-The National Peace Action NPAC) Coalition is doing most of the work involved. A possible

5th Avenue March here in NYC may be set up.

III. The Social Services Union reported it will hold an action in D.C. on Sept. 27 against the Family Assistance Plan at noon at the Capitol. On Sept. 30 the PCPJ and the NPAC along with their New York arms will hold a mobilization meeting for local activists at the District 65 HQ.

### WOMEN STRIKE FOR PEACE (WSP)

A source, who has furnished reliable information in the past, advised on October 7, 1971, that the WSP national conference would be held October 8 through 11, 1971, at the Orrington Hotel, Evanston, Illinois, and this conference will call for an end to the war in Vietnam. The registration and first plenary session will be held on the evening of October 8, 1971, workshops and reports from different area groups will be held October 9, 1971, a plenary session and workshop will be held October 10, 1971, and reports from workshops and the adoption of action taken by the conference will take place on October 11, 1971.

The above source advised on October 12, 1971, that the above mentioned WSP 10th National Conference was held October 8 - 11, 1971, at the Orrington Hotel in Evanston, Illinois.

Approximately 100 women from various states attended the October 10, 1971, session of the conference and resolved to participate in the fall offensive of anti-war demonstrations scheduled to begin on October 13, 1971, in New York City and to take place in other cities by November 6, 1971. The conference in another resolution labeled President Nixon as the mad bomber who lives in the White House because of the Atomic Energy Commission's Amchitka nuclear test planned for the latter part of October, 1971, in the Pacific, and stated that the Amchitka test was disregard for human life. This resolution also stated that the Amchitka test and the continued bombings by the United States in Indochina both do dishonor to the United States.

#### WOMEN STRIKE FOR PEACE (WSP)

Representative Bella Abzug) from New York spoke and stated that the Vietnam war was not being brought to an end but instead was being escalated because the United States is continuing its bombing in Indochina. She stated that President Nixon should go to Paris, France, and participate in the peace talks if he wants to end the war.

It was stated that the following would depart within the next week or so for a three weeks tour of North Vietnam and will confer with women in North Vietnam:

> Amy Swerdlow from New York, editor of WSP's publication, the "Memo"

Irma Zigas from New York, Chairman of the WSP's anti-draft clearing house.

Reverend Willie Barrow, female, from Chicago, Special Projects Director of Operation Breadbasket.

#### BELLA ABZUG

The May, 1963, issue of the "New York Guild Lawyer", a monthly publication of the National Lawyers Guild (NLG), indicated that Bella Abzug had been elected to the Board of Directors for the New York chapter of NLG.

A characterization of the NLG is contained in the appendix section of this memorandum.

AMY SWERDLOW, ALSO KNOWN AS MRS. STANLEY SWERDLOW

Another source, who has furnished reliable information in the past, on June 30, 1966, furnished a document which gave the delegates, alternates, Party visitors, non-Party and charter members to the 18th National Convention of the Communist Party, USA (CPUSA) held June 22, 1966, in New York City. Mr. and Mrs. Stanley Swerdlow were listed as non-Party visitors from Nassau County, New York.

#### APPENDIX

# NATIONAL LAWYERS GUILD

1

The House Committee on Un-American Activities, House Report 3123, September 21, 1950, cites the National Lawyers Guild (NLG) as a communist front which is the foremost legal bulwark of the Communist Party.

A source advised during April, 1969, that the President of the NLG stated at a NLG banquet held in New York City on April 12, 1969, that the NLG has organized young people to work in a radical movement which is seeking to destroy a corrupt, violent society.

A second source advised on April 17, 1969, that the President of the New York Chapter of the NLG spoke at above banquet stating that the purpose of the NLG is to advance the "social revolution" taking place in this country. In furtherance of this purpose, the NLG has established Student Guild Chapters and given counsel to draft resisters and military personnel seeking peace.

A third source furnished information on October 20, 1969, that the NLG is going through a change which is evidenced by dissension between the young and old members of the guild.

Mrs. G. R. ROESCH, Hanford and Henderson Corporation, 71 Murray Street, New York City, advised on May 20, 1970, that the NLG currently occupies the ninth floor at 1 Hudson Street, New York, New York, with a lease effective until April, 1974.

JANUARY 26, 1972

On Thursday January 20, 1972 a testimonial dinner in honor of Ruth Gage-Colby was held on the 19th floor of the Hotel Biltmore at 43rd Street and Madison Avenue, New York, New York 10017. The purpose of the dinner was to commemorate her more than 50 years of work for peace as a leader of the Women's International League for Peace and Freedom (WILPF) and more currently, of the National Peace Action Coalition (NPAC).

The cocktail hour preceding the dinner began at 7:00 p.m. in a lounge adjoining the dining hall. The price of a ticket, which included both cocktails and dinner, was \$25. Unfortunately for the guests the selection of liquors was rather narrow, and was confined mainly to whiskey, gin and bourbon, with appropriate mixes.

At 8:00 p.m. on the dot the guests were herded into the banquet hall where dinner was served. The menu included fruit cup, roast stuffed chicken with carrots and onions, rolls and butter, stewed peaches and a bombe of ice and vanilla ice cream, and tea or coffee. The guests, numbering some 450, filled the dining hall from one end to the other.

After dinner there was a program of speeches for which the co-chairmen were <u>Ruby Dee</u> and James Lafferty. First of all there was a musical performance by the folk singer Oscar Brand. Next Representative Bella Abzug took the floor to declare that those groups which had been excluded from the power structure in this country-women, blacks, the young-were now demanding their rightful share of power.

Following her came Professor Arthur W. Galston, who had recently visited the People's Republic of China and had been told by its leaders that the situation in Vietnam, and not Formosa, would be the principal stumbling block in the anticipated meeting between them and President Nixon. He expressed regret that a passage in hic own doctoral dissertation was the starting point for the development of the technique of defoliation now used to scorch the earth of Indo-China.

The longest address of the evening was given by Stephanie

Coontz, who made a point-by-point analysis and critique of President Nixon's State of the Union message delivered earlier that day. She accused the President of lying to the American people when he claimed to be winding down the war, when in fact he was merely replacing men with automation. She also attacked the large sums allocated to the military budget instead of to domestic welfare projects. The audience became increasingly restless during her speech and many people left the room.

Principal speaker of the evening was Daniel Ellsberg, who received a standing ovation from the audience. The individual who introduced him remarked that instead of the 2 counts in the original indictment, the new one contained 15 counts carrying a total of 115 years of imprisonment if Ellsberg were convicted on all of them. Ellsberg opened his speech by saying that the Government was winding down the war in the same way that it was winding down his indictment. He expressed the hope that the Vietnam war would not be in progress 50 years from now, and said that he was appalled by the accounts of the slaughter and physical devastation in Vietnam that had figured in previous speeches that evening. His remaining observations were in praise of Ruth Gage-Colby and other individuals seated on the dais.

Ossie Davis, whose name appeared on the dinner program, was unable to attend the dinner. Most of the other speakers were leaders of NPAC, on whose steering committee Ruth Gage-Colby had served from the time of its founding. She herself addressed the diners who had the patience to sit through more than two and a half hours of speechmaking, at the very close of the program. She reminisced on her activity in the wake of the two world wars, and recalled particularly her part in the drafting of the United Nations Covenant on Genocide, which had been reported out of a Senate consistee 24 years after the time of its writing.

Seated at Table 12 were a husband and wife evidently affiliated with the Socialist Workers Party. They felt that the resumption of the bombing in Indo-China would revive the peace movement in the spring. The Student Mobilization Committee was losing ground on the college caupuses but was firmly entrenched in the high schools. The man told how Hubert Humphrey had approached NPAC with a request to be allowed to participate in the demonstration of April 24, 1971 and had received the answer that he and his supporters could have their own section in the march: War Criminals for Peace.

The program of speeches was concluded at 11:35 p.m.

# February 22, 1972 WAR RESISTERS LEAGUE(WRL)

On Feb. 5, the WRL Executive Committee (Ex Com) met at 339 Lafayette St. Present ExCom members:

Isal Roodenko, Jim Forest, Neil Haworth, Bob Jalvert, Brad Lyttle, Grace Paley, Barbara Webster, Maris Cakars, Prafulla Mukerji, Norma Becker, Bent Andresen, Karl Bissinger, Steve Hipps, Tom Cornell, Ann Davidon, Van Zwischn.

National Staff: Ralph DiGia, Peter Kiger, Jerry Coffin, Lynne Shatzkin, David McReynolds.

GI Counseling: Jerry and Barbara Wingate

<u>Observers</u>: Susan Cakars, Devi Presad, Jean Baur, Ed Steinberg, Monroe Head, Connie Bleakley, Keith Konigstein, Paul Rilling, Lee Schwartz, Frank Nizer, Rich Collins.

I. DiGia reported that 1971 saw an increase of contributions from 55 to 66 thousand. Calendar sales were up from 33 to 41 thousand. Main debt is 10 thousand to Roodenko for calendar production. WRL, Inc is now worth in stocks, etc about 48 thousand. A Finance Subcommittee was set up withBecker, Haworth, Lyttle and Natl Staff. II.

Coffin and Shatzkin went to Ithaca(Jornell) to check on the WRL group there. Their report was positive.

McReynolds visited Evansville, Ind. and Jinc, Ohio, and met with Trotskyists concerning problems between the People's Coalition for Peace and Justice (PCPJ) and their own group, the National Peace Action Coalition (NPAC).

Roodenko is now leaving on tour.

Reports on WRL Southwest were positive with full time organizers led by Tom Flower. Coffin claimed they have good contacts on Air Force bases and had an action at a weapons lab recently. A Southwest regional conference came off well and there has been a 150% increase in WRL membership from that area in 1971. The Ex Com ruled to continue the \$200 a month grant to the group for so-called outreach expenses(external organizing)

WRL Midwest is setting up a conference in April and has established organizing contacts throughout the Midwest. The

Excom directed the \$250 a month grant to continue.

War Tax Resistance was given \$1000.00.

The <u>Peace Bus</u> is now back in the South and will arrive here in March where it's Personnel (new people from Showdown) will meet with the Natl Staff. The Excom agreed to fund the bus through March(\$500 a month).

II. McReynolds gave a Staff report. Recommendations were to continue grants to WRL-Southwest and WIN magazine, and to terminate all monies to Atlanta WIN. This ending of Atlanta's grant would be re-evaluated after their Southern campaign centering on April 15. The Staff came to no sagreement on funding of GI Counseling Services(GICS) or on Burt Wallrich's request for funding as an organizer with the San Diego Coalition. ( PAGE ONE OF THREE PAGES)

There was much conflict on the GICS question. DiGia started the attack by stating that the WRL should work with the U.S. Servicemen's Fund(USSF) ad the Village Peace Center GI program. The WRL Literature sub-committee would produce material for members of the Armed Forces to be distributed through the USSF's organs(he is a member of the USSF Board). A veteranscould be hired to write anti-military leaflets. Contacts within military bases could be utilized. DiGia charged that Wingate submitted exaggerated reports and did not do enough outreach work. Jean Haur, (anti-military counselor with GICS) read letters of support from anti-military organizations. The Wingates said that these were part of the documentation demanded by the WRL Staff as proof of the amount and value of their work with the GI movement. Support letters came in from the following:

Rich Collins of the New River Marine Corps Air Station, Monroe Head of Liberation Magazine and Lee Schwartz of Governor's Island spoke in support of GICS.

Wingate said that GICS was passed by the Excom as a project and that he was not an official WRL Staff member. About six months ago, he had been asked to attend Staff meetings. The Excom split pro and con concerning GICS with DiGia and Coffin Galling Wingate a liar.

Roodenko proposed a sub-committee to hold discussions with concerned persons, evaluate WRL's GI program and make recommendations for resolution of this question. This sub-committee was chosen composed of Faley, Cornell, Lyttle, Haworth, Becker and Bissinger. The GICS grant of \$650 a month was continued until resolution of the problem.

WIN Magazine reported through Cakars a deficit of \$2700. The Excom ruled the \$500 a month grant to continue.

DiGia attacted <u>Atlanta WIN</u> with various charges including lack of detailed reports, no direct benefits to National and not giving enough attention to organizing Roodenko's tour. Steve Hipps, head of the Atlanta office replied. (PAGE: TWO OF THREE PAGES) Hipps said he was turning over to National the Atlanta mailing list and membership hames. Atlanta was organizing a southwide campaign centering on draft and Federal tax resistance and was unable to send in many reports. He said that Southerners were leary of a New York group controlling them and were reluctant to organize for Roodenko's tour.

Start to \$150 a month to be reviewed after April.

McReynolds announced that the following were chosen by the Natcom to be WRL representatives to the War Resisters International(WRI) conference in England: DiGia, Roodenko, Grace Hedemann, Craig Simpson and Formest.

Devi Presad, head of the WRI, reported that there were commissions forming for the WRI July conference. (Religious leaders. Civil Disobedience training, international direct action, education and scientists). Groups in other European countries were setting up US armed Forces deserters committees similar to the one in England. He asked the WRL to clarify it's amnesty position and McReynolds said he would write and circulate a statement to the Natcom. Presaid is teaching at Bryn Mawr for several weeks. On the campaign against the Spanish government's treatment 'of those refusing to serve in the Spanish armed forces. Dan Due had been sent to Spain to meet with activists there to plan a demonstration in Madrid for April(if there are supporting actions The WRI is putting together a deputation with Lord elsewhere). Soper and Lanzo del Vasto to see General Franco on this question. - Presad suggested that the WRL harbor English deservers in the US who have refused to serve in Northern Ireland.

Sunday, October 10,1971, the Women For Peade held another day of their conference, this was the third day and the windup would be Monday morning, for those that were there. Some of them left Sunday. The meeting was again held at the Orrington Katel in Evanston, Illinois. There was approximately 75 women representing several states and cities, Washington, New York, Los Angeles, Pittsburg, Seattle, Detroit, Madison (Nisconsin), Milwaukee (Wisconsin), Indiana, San Francisco, Santa Barbara, Boston, and Illinois, also Michigan. These known from out-of-state were MARY CLARK, BARBARA BISE, ETHEL TAYLOR, CORA WEISS, MARY POWER. Others known were, SHIRLEY LENS. CAROLYN COBLER, LILLIAN HAYWARD, Mrs and Mr. HAL WALKER, SYLVIA KUSHER, HILDA ARMIN, MARGE FEREN, EVA FRIEDLANDER, IDA TERKEL, ELEANOR FRANKLIN, MILLIE FELLIN. EVELYN SALK HELEN NOVACEK, DOROTHY HAYS, GOLDIE SHAPIRO, BESSIE CHULL. RUGH HEUMAN, DIDI HALKINS, and others.

The morning session was in progress when ELEANOR FRANKLIN and CAROLYN KOBLER arrived and the women there were discussing what action should be taken on the war in Vietnam and on the Amchitka tests in Alaska. They accused President NIXON of prolonging and increasing the war in Southeast Asia. That the winding down was only an empty promise to the people to cover up more escalation of the war into Indochina and they (the women) discussed what should be done. There were several suggestions to keep writing to Senators, Congressmen, the State Department and the War Department. One woman read a statement which she said would be sent to all Senators. In it they urged the President to end the war in Vietnam.to bring the troops home.tosstop spending the billions of dollars on war tests. They also accused Mr. NIXON of "being the mad bomber who lives in the White House". They urged everyone, every group to keep up a better campaign of protest against the bombing tests. Thas was agreed too. Then the women went to lunch.

The afternoon session would begin at 2:00 pm. The afternoon session began with MARY CLARK calling everyone together at 2:00 pm. The meeting started about 30 minutes later. Christmas boycott was the first discussion. FRAN WRIGHT suggested that all Christmas shopping be boycotted and have as a slogan "Don't Buy Until War Ends" "Don't Buy War-Buy Peace". Several objected to the idea but it finally passed by a very close vote. Merchants will be asked not to display anti-war and peace merchandise. This the women agreed to, go to Paris.

The next speaker was introduced as GINGER MACK from Breadbasket. MACK could not be there so another young Negro SHIRLEY BROWN spoke. She was a young woman in her early 20's. She said she could only speak from what she did at Breadbasket which was in the job section of that organization. She was asked to give background history of breadbasket. This she could not do, only her part of it. She interviewed people coming to Breadbasket for assistance.

The next speaker was JANE KENNEDY of the "Beaver 55". She was given a standing ovation. She spoke on her experiences while in prison and what the "Beaver 55" did "to bring the wrath of the military down on their heads". She said they dostroyed several hundred A and Al records of young men about to be drafted and hundreds of Dow chemical records to do wath the war and they are not sorry they did this and now they or at least she is going to speak to as many groups as possible and promote her book. She has to get money to pay her lawyers. Also she wants to expose the jail systems. The jails are for poor people or for political people who go against the establishment. 70% are black people who are in jail and the jails are inhuman as are the guards. Asked how she was treated by the other prisoners she laughod and said at first they kept away from her. She had to make the first move and talk to them then when they understood they were for her, thought she was braue. She had several questions put to her about her experiences. Asked if she would do it again she said "yes". MARY POWERS spoke on "repression". All repression is related to war abroad and at home which governments seem to ignore and it is the women who have to make it heard to those in power to stop all wars and while Mr. NIXON has made one good gesture in proposing to go to China he should Go to Paris first and agree to their terms.

ESTHER SUROVILL, a young woman from New York spoke on the draft and welfare, saying that more of the draftees join the army to get off the welfare rolls. She said she had with others distributed leaflets at induction centers and draft boards and she urged the women to write to those senators opposing the draft to write to Senator HATFIELD supporting his bill.

There was quite a discussion on the war and what to do, write letters, leaflets, visit Senators and Congressmen, demonstrate.

At the evening meeting only two speakers WILLIE BARROWS , Negro, and BELLA ABZUG Congress woman from New York. KAREN WEAVER introduced the speakers. REV. WILLIE BARROWS spoke first and was very difficult to follow. Mostly, she spoke on the poor black people not having anything and the white man's fault.At the end of her long tirade, she did mention that Mr. NIXON should bring the boys home and end the war. The speech of BELLA ABZUG was not so long. She recounted all the bills she had supported. All those which she had introduced. Claimed it was through her efforts that the Pentagon papers were exposed. She urged that all peace activities must go on until the war, all wars are stopped. After Vietnam it will be Indochina and the people do not know the military have their fingers in the Middle East. We must support all Senators and Congressmen who are for pease. Women must take on larger and stronger roles in politics. More women should be in the government making the rules. This is not only a man's world, its a wom<sup>a</sup>n's world. She too got a standing ovation and the meeting ended about 10:00 pm.

Newark November 6, 1971 Saturday

An anti-war demonstration was held Saturday, November 6, 1971 in New York City. There were approximately 7 thousand people involved in this demonstration. The majority of people were white. Approximately 20 percent of the people present were black and Puerto Rican. Approximately 50 percent of the people present appeared to be part of legitimate peace groups. The other 50 percent appeared to be composed of students and other youth. A march to Central Park was planned to begin at 11 a.m. The main assembly area for the march was the area located between 37th Street and 41st Street and 5th and 7th Avenues. At approximately 10 a.m., demonstrators started assemblying in the main assembly area preparing for the march. The demonstrators were formed into various groups such as Vietnam Vets, campus group, high school students group, etc. There were approximately 20 different groups.

Posters and signs were being distributed to demonstrators by various group leaders. At approximately 11:15 a.m., the march began. The first groups started marching up Sixth Avenue from 36th Street. The demonstrators were approximately 15 abreast. The demonstrators were also flanked by marshals. It was mentioned by an unidentified marshal that there were over 1,000 marshals involved in the entire The demonstrators marched up Sixth Avenue demonstration. to the Central Park Sheep Meadow. There were no hostile or violent incidents by demonstrators during the march. At approximately 1:00 p.m., all marchers from the main Sixth Avenue march had arrived at the Central Park Sheep Meadow. There were also other feeder marches to Central Park from other parts of the city. At approximately 1:15, a band played music from the stage. At approximately 1:45 p.m., the rally began with various speakers. Some of the speakers were: BETTY FRIEDON, DEBBIE BUSTIN, YSA member and SMC, BELLA ABZUG, Senator VANCE HARTKE, two ex-Attica prisoners, and various other speakers. The majority of speakers called for an end to the Vietnam war. The majority of speakers appeared liberal in their politics, and mainly spoke about pollution, the anti-war movement and racism. The two ex-Attica prisoners called for a complete revolution. It was mentioned by an unidentified speaker that CIA and FBI provocateurs are placed at demonstrations and rallys to encourage trashing and thus give the anti-war movement bad publicity. At approximately 2 p.m., 15 members of the PLP Latin Faction marched through the crowd shouting slogans in Spanish. They marched toward the stage knocking people over in their path. They attempted

to disrupt the rally speakers, but were unsuccessful. During VANCE HARTKE's speech, members of the Attica Brigade began throwing bottles and other objects at the stage. They were stopped by marshals. During the rally, various literature tables were set up. Some of the groups setting up literature tables were: SDS-PLP, Workers League, YSA-SWP, and there were many groups selling literature and passing out leaflets. At 3 p.m., members of the Attica Brigade, which numbered about 400 people, announced that the Attica Brigade will march to Rockefeller Center immediately to hold a rally there and

During the rally some people were observed smoking marijuana, but the amount of people using marijuana at this demonstration appeared to be substantially less than at previous anti-war demonstrations.

burn ROCKEFELLER in effigy.

At approximately 4 p.m., the Attica Brigade returned from their rally at Rockefeller Center. They threatened to rush the stage and take over the microphones. The NPAC marshals mobilized and formed a human ring around the stage (approximately 1,000 marshals). The Attica Brigade decided not to attack. At approximately 5 p.m., the rally was officially over and STEVIE WONDER and his band played music for the crowd. At this time, approximately half of the demonstrators had left the Park. This demonstration appeared less radical than previous demonstrations. It appeared to be more liberal with participation of more legitimate peace groups. Also there appeared to be a substantial number of middle-aged people compared with previous demonstrations. Some of the groups represented at this demonstration were:

The following is a brief summary of the most recent subversive activity on the part of the subject together with the source of the information. It is believed this qualifies subject for Category IV of the ADEX.

Miss VINT, Dean's Office, Hunter College, New York City, advised her records reflect subject was a member of the American Student Union during part of the time she attended Hunter College between 1938 and 1942. G.A. STOLZBERG, New Industrial Bank, 17th Street and Fifth Avenue, New York City (protect by T symbol), furnished information which indicated subject was acting as an attorney for the Civil Rights Congress in 1950 and 1951 and had received payments from the Civil Rights Congress as of May, 1952. On 11/26/52, advised that subject, who was then an officer of the National Lawyers Guild, was either an out-and-out Communist, or one who follows the line of the Communist Party, USA (CPUSA). When recontacted on 10/21/55 advised that he ha advised that he had no knowledge as to whether or not subject actually was a member of the CPUSA, however, he stated that subject defended "leftist causes". Information in the "New York Guild Lawyer", June, 1954 issue, a publication of the New York City Chapter of the National Lawyers Guild, reflects the subject was elected to the Board of Directors of the New York Chapter of the National Lawyers Guild for the term 1954-1955. The May, 1963 issue of the "New York Guild Lawyer" reflects the subject was elected to the Board of Directors of the National Lawyers Guild for 1963-1964. On 7/20/70, advised that BELLA ABZUG is a former long-time member of the CPUSA. further advised that he learned this information from a person who claimed to know ABZUG when that <u>person and</u> ABZUG were members of the CPUSA. This person told that he is no longer a member of the CPUSA and therefore does not know if ABZUG is presently a member of the CPUSA.

ABZUG is a Member of Congress representing New York's 19th Congressional District. As a Congresswoman and a leading political figure in New York City politics, ABZUG has engaged in numerous activities centering around the peace movement and women's liberation.

The New York Office recognizes this is an unusual case, however, the subject has a four volume file in the New York Office, she was on the Security Index until October, 1970, and she has lent her support to the People's Coalition for Peace and Justice and the National Peace Action Coalition.

A report will be prepared when the subject is approved for the ADEX.

## July 7, 1972

On June 27, 1972, a meeting of the Women's Mational Abortion Action Coalition (WOMAAC) was held at 706 Broadway, New York City (NYC), New York which was attended by approximately 65 people. This meeting started at 6:40 FM.

The main discussion at this meeting centered around the proposed agenda for the WONAAC Conference to be held on July 15 and 16, 1972, at Hunter College, NYC, New York.

Many of the WONAAC staff and WONAAC activists were disgusted because of their lack of influence and effectiveness on the New York Legislature, on the Catholic Church, and on the Women's Liberation Movement (WIM) in general.

However, many of the accomplishments of WONAAC were discussed, such as:

A. Their success in asking women nationally concerning the question of the right to abortion for oppressed women.

B. Their success in debates and lectures with anti-abortion females.

C. Their successful demonstrations conducted against the New York State Legislature.

D. Their work in connection with Congresswoman Bella Abrug in preparation of the "Mational Abortion Rights Act of 1972" which is now in Congress.

It was announced that even though WONAAC previously had accused various female activists working along with them in the Women's Liberation struggle of red baiting because of the stand they had taken against the Socialist Workers Party (SWP) - Young Socialist Alliance

(YSA), at present they are forced to work with these individuals to help strengthen the WONAAC cause.

At this meeting, certain WONAAC staff members walked out and voiced their disapproval of the meeting being taken over by a majority of SWP-YSA members. They indicated that the SWP-YSA has no right to be in alpolicy-making position in WONAAC.

The following is the proposed agenda for the WONAAC conference July 15 and 16:

#### January 24, 1973

On January 20, 1973, the inauguration of President NIXON was held in Washington, D. C., and various anti-war and peace groups throughout the United States traveled to Washington, D. C., to stage demonstrations against President NIXON on that date.

The following was noted over the weekend of January 19 - 20, 1973, in Atlanta, Georgia, and Washington, D. C., relative to the demonstrations in Washington, D. C., on January 20, 1973:

One Greyhound bus number 5428 chartered by the Emory University Student Government picked up 42 people at Emory University, Atlanta, Georgia, at 7:45 p.m., January 19, 1973, to take them to Washington, D. C., for the January 20, 1973, demonstrations. BILL BOYD who is with the Atlanta, Georgia Young Socialist Alliance (YSA) was the marshal for this bus. Greyhound buses number 5398 and 4331 chartered by the Atlanta Peace Action Coalition (APAC) were at the Atlanta Civic Center, Atlanta, Georgia, on the evening of January 19, 1973, to pick up people going to Washington for the demonstrations. These buses finished loading at 8:15 p.m. and headed for Washington. One bus captain was SHARON KING and the other was SID FINEHIRSCH.

It was also learned that another bus left from the

University of Georgia, Athens, Georgia, and LINDA MILWOOD, a YSAer, was the captain of this bus.

In addition, a number of private cars were used to transport people to Washington and people from the American Civil Liberties Union (ACLV), the Atlanta Workshop in Non-Violence and the Progressive Labor Party (PLP) - Students for a Democratic Society (SDS) traveled in these cars independent of the buses.

The following people were either observed getting on the buses in Atlanta for the Washington trip or their names were observed on a list of people making the trip:

On January 18, 1973, LIEBERMAN spoke at a rally at Georgia State University, Georgia Tech University, and Emory University. At the Emory rally, LIEBERMAN had a prepared speech to give but only 20 people showed up and as a result he spoke extemporaneously for 10 minutes about his distrust of NIXON's peace moves and the need to withdraw all troops from Southeast Asia now. In the afternoon of January 18, 1973, LIEBERMAN left Atlanta on an Eastern Airlines flight for Washington using the same alias. APAC paid for his airline ticket.

In addition, the following people were observed in Washington on January 20, 1973:

> CAROLYN FOLKS - of the YSA National Office JERRY GORDON - of the National Peace Action Coalition (NPAC) in Washington, D. C.

FRED LOVGREN - He is from New York and was the head of the Student Mobilization Committee (SMC)

SID PEEK

On Friday night, January 19, 1973, in Washington, D. C., it was learned at the Vietnam Veterans Against the War (VVAW) Office, that during the weekend of January 20 - 21, 1973, various "heavy" speakers would give talks at various churches in Washington including JOHN KERRY from Boston; EUGENE McCARTHY plus other anti-war Congressmen. Also on the evening of January 19, 1973, it was heard that the SDS was to hold a counter inaugural demonstration on January 20, 1973, but no details were available.

On Saturday morning, January 20, 1973, at 6:30 a.m., it was noted that approximately 300 demonstrators were in the area of the Lincoln Memorial in Washington, D. C., for a march to the Washington Monument which was supposed to start at 10:00 a.m. There were a number of buses parked in the area at this time.

SAM MANUEL of the New York SWP was noted in this area of the Lincoln Memorial as he was a demonstration marshal.

There was a demonstration marshal center set up at this location and a training program for marshals was being conducted on a continuing basis with sessions being about 45 minutes long. The marshals were put in groups of 10 with a captain in charge of each group. These groups were being taught non-violent crowd control, how to guide people along the march route, how to turn the marchers at the intersections of the route, and how to keep the marchers orderly, and on the right side of the street.

At the Lincoln Memorial area, placards were set up under captions of A - Z with each placard being an assembly point for the various groups such as A was for Mime and guerrilla theater groups, D was for GIs and Veterans, Q was for Southern groups, etc.

Around 8:80 a.m. to 9:00 a.m., January 20, 1973, about 200 to 300 pcople including a large number from New Jersey were observed in the Lincoln Memorial area carrying red and yellow banners. These people were asking others to join them in going over to the inaugural area. It was thought that these people were with SDS, the Yippies, and the Attica Brigade. This group which swelled to about 2,000 went over to the inaugural area and some were even successful in getting into the main inauguration stand area. All of them were chanting and one individual while the inauguration itself was going on kept yelling loudly "Killer, Killer, Killer" to President NIXON. Another individual during the Vice Presidential ceremony kept yelling "Stop the bombing - stop the war."

At approximately 10:30 a.m., January 20, 1973, in this Lincoln Memorial area, a white female, age 20. from Gainesville, Florida, had an epileptic seizure. One of the Atlanta people, whose name is believed to be JIM KARNEY, was noted assisting this girl prior to the arrival of doctors and the ambulance.

Around 11:15 a.m., January 20, 1973, in the area of the Peoples Drug Store, up from the Old Post Office, a group of about 150 demonstrators were trying to buy wine next to the drug store. They did get some wine and about 20 of them were in the drug store singing pro-Vietnamese songs. Some military policemen were in the area at this time and were keeping a nervous watch on this group.

About 12:30 p.m. to 1:00 p.m., January 20, 1973, at the Lincoln Memoria, the march got under way with tens of thousands of people taking part in the march to the Washington Monument. The marchers, taking up half the street, proceeded toward Washington Monument in a constant flow along the march route; also a large group went directly to the Washington Monument and it was believed this was the group that tried to interrupt the inaugural ceremonies. The marchers proceeded along the route from approximately 1:00 p.m., to 3:30 p.m., when the last marcher left the Lincoln Memorial area. At the Washington Monument, a rally was held even though the marchers continued to

flow into the monument area

At the Lincoln Memorial location, during the march and at the Washington Monument, the majority of SWP and YSA people were selling various items of SWP literature; in addition, the Trots handled marshaling duties and were collecting funds during the rally under the direction of CAROLYN FOLKS.

At this time, CATHIE SOJOURNER, the SWP - NPAC coordinator from New York or Washington, was observed in the Washington Monument area; she reportedly has a romance going with FRANK GRINNON.

It was estimated that about 100,000 people were around the Washington Monument area where 2 stands were set up for the press, one for the speakers platform, and two for the loudspeakers. A chain link fence was around the speakers platform and snow fence around the press platforms, with only authorized people allowed in these areas.

The speeches began about 2:00 to 2:30 p.m., and included the following speakers:

BELLA AZBUG

An unknown Senator

PAUL McCLOSKEY

Two people from Southern University in Baton Rouge, Louisiana

A union official PETE SEAGOR and some others sang some songs A member of the Gay Liberation Front (GLF) An NPAC speaker

A speaker from the Young Workers Liberation League (YWLL)

SID PEEK of the Peoples Coalition for Peace and Justice A female doctor from a Trot front dealing with abortions Around 3:00 p.m., a group moved into the area near the Washington Monument itself and started to burn some of the snow fencing; in addition, they went up the flag poles surrounding the monument and changed the American flags to the upside down position, while others put up National Liberation Front (NLF) and North Vietnamese flags.

Around this same time, a group believed to be from the SDS, tried to take over the speakers platform by driving through the crowd in a rented truck, however, the Master of Ceremonies (MC) told the people near this truck to stop it, which they did.

At approximately 4:00 p.m., the crowd began to thin out and the Atlanta people headed back to their buses. The majority of people went up Pennsylvania Avenue and there were only a few individual incidents noted.

It was noted though that in the area of Washington Monument, around 14th Street and Pennsylvania Avenue, a group of about 150 people carrying red and yellow banners started an incident by the International Press Building. These people were throwing things, waving the banners, and running around. Police arrested some of these people and dispersed the rest.

The demonstrators then drifted into the downtown

Washington area, milling around, keeping warm, eating and waiting for their buses to take them back home. Up at the offices of Pacifica Radio, a hippie radio station, there were rumors that there was to be some violence that night, January 20, 1973, but these were just rumors and nothing happened.

On 1/20/73 about 4:30 AM left Fenn station N.Y.C for trip to Washington D.C. Arrived at union station in Washington about 9AM. Outside the station was greeted by several militant protesters who I think were members of the SDS. 1 went to Arlington cemetary were all VVAW members were to meet and march together in protest against Fresident Nixonş war policy. There were many people in the march over the bridge and it was a peacefull group. We came to what looked like a large ball field. Tables were set up here and everyone was asked to sign two petitions, one was to go to Congress the following Monday I/22/73 and the other one was to be submitted at a later date. The petitions were to show how the VVAW members and other people present felt about the 9 point peace plan. At this point speeches were made by many people mostly saying the same old thing.....Nixons war policies ......United States govt was murdering innocent people.....Nixon should be impeached .....Nixon was a liar etc. the same old B----S---. It was very cold and hard to concentrate on what they were saying . The longest speech was made by VVAW member Dave Bailey, he was with the New York group.

We went on to the War memorial and listened to speeches given by other people, one particular, N.Y congresswoman Bella Abzug. We walked around Washinton meeting other groups who were not so peaceful. The American Flag was burned, garbage was thrown at the police and during the parade at the Fresidents car. Some groups tried to force their way into forbidden places and in general gave the police a hard time. The police made many arrests and used force to hold back some groups. The VVAW was not involved in any of these actions, its members were determined to make their protest.....but to keep it peacefull.

Many members of the VVAW N.Y chapter were there whose names I do not know, others are....Gerald DiPierri, Bruce Haseltine, Brian Matarrese, Dave Bailey, Eddie Flynn Joe Byrin, Joe hirsch and Allen Hubbert. It was the largest group of VVAY members ever assembled(so they claim) about 30,000 members showed up to protest.

Altogether it was claimed IOO,000 people were in Washington that day to protest,

# STRENGTHENING OF THE CUBAN TRADE UNION MOVEMENT by Lionel Martin

More than two million Cuban workers, the entire workforce, is discussing the Program of the AllI Trade Union Congress. This document is destined to go down in Union distory as a definitive guide to the rights and duties of Cuba's workers over the years to come.

The Trate Program is the result of almost three years of assiduous and searching efforts by a number of commissions. So thorough was their work that it is believed that when the XIII Trade Union Congress takes place in November, only minor changes to the Draft will be proposed. At that congress, the policy lines presented in the Draft Program and approved by a majority of the 2300 delegates will become the law of the land.

The Draft Program is, in the larger sense, the fruit of fourteen years of hardwon experience. It is the child of positive and negative experiences, of experimentation, of ideological and institutional growth.

The Draft Program and the XIII Trade Union Congress, represent the strengthening of the organized labor movement in Cuba.

In 1970 Prime Minister Fidel Castro had called for the revitalization of the trade union movement. He underscored the necessity of a vibrant and democratic movement that would insure worker participation on a broader and more institutionalized plane than ever before.

Since that reappraisal back in 1970, the trade union movement has been reorganized from top to bottom. Free and democratic elections have taken place several times to elect the trade union leadership of the twenty three restructured unions.

The Draft Program of the XIII Trade Union Congress which was made public in early August has been making the rounds of every work center in the country. The meetings have been prolonged and dynamic, and each worker has a chance to speak his peace. Votes are taken on the different sections of the Program and on suggested amendments or changes. The delegates chosen by the trade union locals to go to the XIII Congress in November will represent the points of view of their respective organizations. There, at the Congress, the definitive trade union program will be approved.

The Draft Program consists of eight major sections. Each treats a theme of great significance to the Cuban economy and its ideological section outlook.

The first is entitled: "From each according to his capacity; to each according to his work." This, of course, is the classical formula for the socialist stage of development. Despite the fact that this principle appears in all classical books on socialist construction, its priority position in the Draft Program is significant. During long years this formula was not used as a general guideline, although it was applied in certain spheres of the economy, such as cigar making.

During most of the sixties workers were called on to work overtime on the basis of conscience and political consciousness, that is, on a voluntary basis. Workers did not receive strane updatation for production which exceeded the fixed norm. At the same time, workers who missed work were usually paid their regular wage. The socialist formula -- from each according to his capacity; to each according to his work -- changes this situation. Under the new system these who work extra hours will

:

be paid accordingly; those who produce more will receive more; those who miss work will have the hours or days discounted from their paycheck.

The strict application of the formula -- to each according to his work -- is the result of luba's own experience. In this sense, one can say that the attempt to build the socialist economy on the margin of this formula was positive. The leaders and the people learned for themselves that material incentive is a necessary factor in the construction of socialism before there is an economic base capable of remunerating workers "according to their needs" -- the economic formula for communism.

The period of the sixties, when spiritual incentive was primary and often exclusive, was a contributing factor in the highly developed political consciousness and spirit of sacrifice of the Cuban workers. The new changes will not eliminate moral incentive. Voluntary work will continue. Workers will be called on to work voluntarily to make up production losses due to power cuts, lack of raw materials, breakdowns or inclement weather. City and industrial workers will also be encouraged to work in agriculture on a voluntary basis as they have been since the beginning days of the revolution.

Basing itself on hard-headed economic arguments, the Draft Program also recommends that an end be put to the practice of paying "vanguard" workers 100% of their salary for sick leave or retirement. Economic studies showed that the State could not afford to follow this practice without seriously jeopardizing the economic future of the nation. The proposal to eliminate this law, which will affect approximately a half million workers, has been approved by all of the workers assemblies held thus far. This, according to analysts, attests to the high degree of identity between the workers and the collective needs of the Revolution.

The Draft Program calls for direct labor participation in the management of enterprises. Aside from the periodic production assemblies where workers can voice their sentiments about factors that affect production, trade union representatives will play an active role on management councils. The Draft Program declares that these delegates "should not become representatives of the Management Councils before the union but, on the contrary, ought to be representatives of the workers before the Council."

The Draft Program calls for the presence of "prestigious <u>compañeros</u> of the trade union movement" in "all the representative organs of state power." This proposal goes far beyond the narrow concept of worker participation within State enterprises. When this proposal is approved by the XIII Congress, the government will insure its implementation.

The new Draft Program has an important plank on women. It declares that the Congress "recognizes the profound significance of the incorporation of women in social labor on the basis of equal rights and opportunities." It calls for the elimination of Resolutions by the Ministry of Labor which prohibit women from working in certain kinds of jobs. "The Cuban woman," the Draft says, "does not resign herself to being prohibited from taking on certain jobs, which many women are capable of fulfilling, as shown by the thousands of women working in agriculture, the heroines of this past harvest, who have outdistanced many men..."

The crucial problem of the independent character of the trade union movement is also defined in the Draft. One paragraph declares that the trade union organization "is not a flate organization...trade unions are not Party organizations." Trade unions are, it goes on, "mass organizations, made up by the masses." "Trade unions, are autonomous organizations" it declares. "Members approve their own rules and statutes, discuss and make decisions democratically in their assemblies, periodically elect, and in certain circumstances recall, their leadership..."

### AN Open letter...

OPEN LETTER TO FRED BOHEN, PROGRAM DIRECTOR OF WNET (Formerly Assistant to McGeorge Bundy at the Ford Foundation)

Dear Mr. Bohen:

١...

When I heard that Channel 13 was going to present a special program on Chile on Realidades, I had every confidence that Jose Garcia would do a good job of reporting the true events that occurred in Chile during the fascist coup. I was sorry to miss the airing of Chile: A Special Report on October 15th, but was unable to view it because I was participating in a meeting that evening of Americans who were outraged at the bloody takeover of the counter-revolution in Chile, and discussing how we could get the truth out. However, I knew that the special report on Chile was sheduled to be aired again on October 18th and that I would then be able to see it as well as others who had missed seeing it the first time.

Imagine my dismay when I learned that you had cancelled the second showing: My dismay deepened when I found out that WNET had erased the master tape, thereby making it impossible to fill the many requests I know you had from several universities for copies of the print. That meant I would <u>never</u> see it!

Then I got suspicious -- I thought of Nixon and the "missing tapes" and the Nazis and the Chile junta burning books -- and I worried about why you erased the master tape. Then I learned you had lunched with the new junta-appointed ambassador, and that after that lunch you fired Jose Garcia, the creator and Series Producer of Realidades.

. Mr. Bohen, I got so suspicious that I got a copy of <u>Images</u>, the magazine of WNET and looked at the list of the Board of Trustees of WNET and your Corporate Honor Roll of contributors. Then I got a copy of <u>Who's Who in America</u> and began looking up the people on your lists -- and Mr. Bohen, I began to see the connections between the Trustees and their corporate interests. Of course, the Honor Roll contributors was much easier -- there was ITT and all those other octopusses (or is it octopi?). Well anyway, you see what I mean.

I am really worried Mr. Bohen that WNET doesn't serve the public at all -- it really serves imperialism. So, I'm hoping other folks will see the connections too and maybe sit down and write you a letter.

### ExPo Exhibit

The EXPOCUBA exhibit is now in Nashville, Tennessee at Fisk University for their conference on the Carribean. Last month it was in Mashington, D.C. for the National Projects Conference of the Inter-religious Foundation for Community Organization.

### CHELE SOLIDARITY POTE

A demonstration was hold at 106th Street and West End Avenue on November 4th, a day of internatives solidarity with the Chilean people in their struggle against fascism. It was a very cold day and the feeder marches and rally were not well attended nor were they reported by the press, so we thought we'd fill our friends in onwhat took place. The rally was especially good, featuring Eddie Expertein, economic advisor to Cuba in the early 60s, author of the Economic Transformation of Cuba, and economic advisor to the UP in Chile for almost three years; Joe Collins from the Institute of Policy Studies; the Velasquez from the PSP; Margie Alpert, a shop steward from Local 1199; Alam Howard from the Chile Solidarity Committee; and a message from Bella Abzug. These speakers reflect the broadness of the movement in support of the Chilean people.

7.

In the turmoil of all the other world news, the Committee feels it must continue to inform people about the situation in Chile and urge them to more action which <u>can</u> save Chilean lives, and which <u>can</u> have an effect om the ability of the fascist junta to consolidate its power and firm up its brutal regime.

The Chile Solidarity Committee is seeking workers to help broaden its outreach and program. They are available to help you organize a teach-im or action program in your neighborhood, group, school, etc. Contact them at: GPO Box 2025, New York City, 10001.

### VITIA PHERID RICO LIERE

Due to police decree, only 750 people were permitted to picket in front of the White House while the rest of the demonstrators held a rally in the park across the street to hear speakers Rev. Ben Chavis, Carlos Feliciano and José Satomayor.

Frente Unido, organizer of the October 30th demonstration, is a broad coalition of Puerto Rican organizations based in New York, consisting of El Comité, PSP, PRRMD, Resistencia Puertorriqueña, Boricuas de Frente, and Committees to Defend Carlos Feliciano, Numberto Pagan, Eduardo "Pancho" Cruz, and Martin Sostre.

#### TO THE PROGRESSIVE PEOPLE OF THE UNLYED STATES:

1 address myself to you in these dramatic moments for my country, the Republic of Chile, which since September 13th has not only been suffering, but Fighting resolutely against the fascist military junta that overthrew the constitutional President, Salvador Albende.

The coup of September 11th can only be comprehended in its full magnitude when one understands that even before the Popular Unity took up the rains of coversment, U.S. imperialist composities and Chilean reaction wave conspiring against the UP. They tried to prevent first the UP's ascension to the Presidency and later the completion of its program of social and economic transformation which the country demanded and the government was carrying out.

for the noment the fascists have achieved their goal of blocking the revolutionary process by assassinating the President and overthrowing the democratically elected government. They counted on military men, traiters to their country trained in U.S. military academies, on the financial backing of U.S. monopolies and on the political and diplomatic support of the United States government.

Today Chile, its soil stained by fascist boots, feels its institutions swept away, its culture destroyed, its progressive ideas persecuted, its finest sons tortured and murdered, its working-class districts and universities boobed -- repressing the workers throughout the length of the mation.

The fascists are mistaken, they have not won. Alongside the fascist brutality arises popular resistance which, taking its inspiration from the example of President Allende, is ready to fight and to win.

The Chilean people, today fighting in the streets, factories, hills and mines, call on the solidarity of all progressive people throughout the world, and especially the people of the United States.

We know that the imperialist U.S. government does not represent the real people of the USA, and that in our fight we can count on them as did the Vietnamese. We can count on the solidarity of the workers, the national minomities, students, professionals, and other popular groupings which condemn the imperialist policy of the U.S. government, and which at the same time support the revolutionary process of those countries fighting for full schereignty and social progress.

LONG LIVE THE STRUGGLE OF THE CHILEAN PEOPLE!

LONG LIVE THE STRUGGLE OF THE PROGRESSIONE PEOPLE OF THE UNITED STATES!

With nevolutionary greatings,

The instance is the lived in Ghile. They gave a first-halled account of the events leading up to the plata map, weigh the result takenver, and their impressions of the continuing scrupple of the Chilean people. These two Ghiles forums impressed everyone here with the need tor in ty in international solidarity with the people of Chile.

The forum on Argentina featured Carlos Diaz-Ritter, whose lecture on the highery of Argentina and Peronise was a valuable tool to understanding the conditions there and the development of Peronismo. "Los arandores," a film on the trade union movement in Argentina, was shown on the same program.

Karen Spalding and Juan Corradi shared a program on the effects of the Chilu chup on Peru, Argentina, and Mexico; an overview of the political and economic conditions in Latin America, repression, and the role of U.S. imperialism. This discussion prolvided everyone present with very valuable insights to understanding the elements of the protracted struggle in Latin America.

### VENULATIOS ERIGADE:

Six weeks of productive work, presentations about all aspects of life in revolutionary Cuba, a two-week tour of the island, -- a two-month long opportunity to meet and learn from Cuban workers, students, and their revolutionary society! Another contingent of the Vencerenos Brigade is being organized now and is scheduled to leave in mid-spring.

The Venceremos Brigade is a year-round political education project which seeks to build anti-imperialist solidarity with national liberation struggles around the world through the Brigade experience in Cuba, and through other educational activities wuch as their initiation of the EXPOCUBA event. The Brigade is multi-racial and seeks participation of U.S. progressive people based on their support for the Cuban Revolution and their desire to aid in socialist construction there.

Six contingents of the BV have traveled to Cuba; the first four doing cane cutting in the harvest of the ten million tons, and the last two constructing housing in the Cuban countryside. They have worked side by side with the Cuban people and have contributed not only to the building of socialism in Cuba, but to the anti-imperialist formation of the movement in our country.

Those who have been on the Brigade think that this is the best way for Northamericans to experience Cuba, short of living there, and have found it to be an extraordinary learning process and personal experience. For more information about applications, how you can help the Brigade, or other information, write the Venceremos Brigade at G.P.O.Box 3169, New York, N. Y. 10001.

### the forums so far -

The content of our forums thus far has been very informative and has covered aspects of life in Cuba as well as the changes taking place in Latin America.

Phil Foner and Jimmy Higgins began the series by discussing the current policies and progress of the Cuban Revolution in the year of the 20th Anniversary, covering a broad range of topics such as material and moral incentives, the then upcoming Workers Congress and the development of the Cuban economy. Questions from the audience on homosexuality, the position of Cuba at the Conference of Non-aligned Nations in Algeria, and Cuba's view of US-Soviet relations led to a very lively and open discussion.

A panel discussion on People's Democracy through the mass organizations in Cuba was done by Angie Boyer, Harriet Smith, and Barbara Collins who lived in Revolutionary Cuba for several years, and by Gil Green who has been to Cuba a number of times and is the author of <u>Revo</u>lution Cuban Style.

Day Care in Cuba was given by Ada Roca who lived in Cuba for several years and who, with intimate knowledge, spoke on day care policies, institutions, and problems in this area of development.

These programs on Cuban institutions have been so informative in understanding Cuban society, especially because they have been given by people who speak from their own experiences, that we intend to continue in the coming months; covering health care, housing, legal structure, the Arts, etc.

There were two forums on the situation in Chile. The first was given by the Chile Solidarity Committee with Allen Howard and a Chilean compañero discussing the conditions in Chile during the UP period and after the junta coup including the role of U.S. imperialism. Mishi Lesser, who had recently returned from Chile, gave an eyewitness report of the coup.

# DEE KNIGHT

Editor, AMEX MAGAZINE (Americans Exiled in Canada)

# thursday, may 2, 7:30 pm

Christ the King Church, Plymouth Ct. and Jackson Blvd.

Dee Knight will speak on the view of amnesty through the eyes of an American now living in Canada.

He was a draft refuser who has now applied for Canadian citizenship.

The Chicago Peace Council has been building its amnesty campaign around a bill introduced by Cong. Bella Abzug (D-NY) which calls for universal, unconditional amnesty.

Of special emphasis to the Peace Council is the near 500,000 Vietnam era veterans with a less-than-honorable discharge status. We are workin on a local level with Illinois State Representatives and Chicago Aldermen urging resolutions in their respective bodies barring discrimination for those holding a less-than-honorable classification.

We have petitions, literature, and a film on amnesty available from our office.

After the presentation and discussion, we will have a brief business meeting.

of District 1199 of the hospital workers union; District 65, UAW; DC 37, the American Federation of State, County and Municipal Employees; the Amalgamated Clothing and Textile Workers; the National Organization for Women; the NAACP; the New York State Black and Puerto Rican Legislative Caucus, and N.Y. Governor Mario Cuomo.

Henry Nicholas, the national president of 1199, brought cheers when he announced the union has already chartered and filled 150 buses to take members and their families to the August 27 demonstration.

The union leader brought applause when he handed Mrs. King a check for \$10,000 and said the union is appointing staff in 15 cities to help coordinate the organizing efforts "to make sure this mobilization is one of the largest in history."

The labor movement is also organizing for the annual Labor Day demonstrations, which will occur the week after the August 27 march. Local Labor Day actions are scheduled to take place in 130 cities.

Brooklyn set for Aug. 27.

State Assemblyman Roger Green of Brooklyn, who is the political leadership coordinator for August 27 in New York State, told Mrs. King that the challenge in Brooklyn would be to mobilize some 100,000 people from that borough alone for the August 27 march.

Green called 1983 "a time of crisis." But, he added, "in times like this, it is also a time of change."

The Brooklyn Assemblyman was joined at today's meeting by Puerto RicanAssemblyman Jose Rivera, who is coordinating the effort in the Bronx as well as Virgil Hodges, representing Cuomo

NEW YORK CITY — Carrying brightly colored peace-banners and white flags decorated with blue doves, 102 Scandinavian women marched into a reception hall at the Church Center of the United Nations on Tuesday morning. They were stopping in New York on their Peace March-83. They had left Oslo a few days before and were bound for Washington, D.C.

Young and old, office clerks, doctors, teachers, housewives, many categories of workers, they wore dresses on which they had sewn peace slogans and multi-colored ribbon streamers, each bearing the name of a supporter in. as city through which they had passed. They filed in singing, "We are gentle, angry people, and we are singing for our lives,"

The women and a few men had arrived in New York on August 6th; Hiroshima Day. They met with a broad array of international and local peace, religious and fraternal groups. On Nagasaki day, August 9, they held a press conference along with representatives of the many organizations and official bodies who had come to greet them and to share their commitment to free the world from the threat of nuclear war, from poverty, unemployment and hunger.

Cornelia Dunn Clark, a peaceworker who had participated in the group's first march in 1981 from Copenhagen to Paris and in their second last year, marching for three weeks with Soviet-peace workers to Moscow, chaired the conference.

Deeply worried

The first speaker, Torinn Eide, of the Nordic Women's Peace Agency, explained that the marchers chose to spend their money, vacation time and energy demonstrating for peace because they are "deeply worried" and "want to make their protest visible."

# Fete to honor Black Caucus

Special to the Daily World NEW YORK — Congressman John Conyers; Jr. (D:Mich) will be the guest of honor and keynote speaker at Labor Research Associaton's Eighth Annual Banquet Luncheon; a tribute to the Congressional Black Caucus, to be held here at the Roosevelt Hotel at 12 noon on Sunday, November 21. The announcement was made by LRA Director Dr. Joseph Harris on his return from a West Coast speaking tour.

According to Harris, Conyers is expected to analyze the results of the 1982 electons and chart the path to the 1984 elections for broadening the coalition of labor, Afro-American and minority, seniors and youth groups which grew out of last year's Solidarity Day mass demonstration in Washington, DC.

The widespread interest in the LRA event from coast to coast is indicated in the growing list of legislators, trade unions leaders and prominent figures in public and civic activity, serving as individual co-sponsors of the Banquet Luncheon.

Harris said the Congressional Black Caucus, which was formed in 1971, "today leads the Congressional opposition to Reaganomics. Small wonder that the House of Representatives passed a rule this year restricting the Caucus' ability to raise funds from non-Congressional sources." The LRA luncheon banquet, he said, would not only demonstrate support for the Caucus, but would be among the first steps to mount the fight against

Reaganomics for 1984. LRA urges that banquet-luncheon reservations be made by November 15, in view of the limited seating and the response already registered. Reservations for the Salute to the Congressional Black Caucus may be made by mail, or in person, through Labor Research Association, 80 E. 11th Street, Room 634, New York, N.Y. 10003 (212) 473-1042). Dear Friends:

On November 20, 1983, Labor Research Association will honor two "New Leaders in the Fight for Social Change." The honorees are Richard Trumka, newly elected president of the United Mine Workers of America, and Congressman Major Owens, a new member of the Congressional Black Caucus from Brooklyn, NY.

We are proud to honor these two champions of jobs, peace and freedom. Their respective elections, on platforms against concessions, for jobs and peace, and greater democracy, are symbols of the growing fightback developing in our country against the increases in poverty, unemployment, inequality and repression spurred on by the Reagan Administration.

This year LRA is publishing a special journal to commemorate the luncheon. It will contain articles, written for LRA, on the proud history and present strategy of the United Mine Workers, the struggles of the Afro-American people for full equality and political representation, and the fight by all working people to turn the country around in 1984 and beyond. There will be a special section of the journal devoted to greetings from supporters of LRA and the ideals espoused by our two honorees.

Enclosed you will find a reservation card and a journal greetings form. (The deadline for journal greetings is November 1). We want to pack the ballroom of the Roosevelt Hotel on November 20 as another sign of the growing fightback which will defeat the Reaganites in 1984. Our journal can be a document to the unity necessary to bring about such a change.

On behalf of the sponsors, I thank you for your support. We hope to see you on November 20.

Fraternally,

Greg Tarpinian Director, LRA

### LABOR RESEARCH ASSOCIATION, INC. 80 East 11th Street. Room 634, New York, N.Y. 10003 (212) 473-1042

Labor Research Association—from its founding in 1927, through the CIO organizing drives of the 1930s, the people's movements of the 1930s and 1940s, the fear and repression of the 1950s, and the militant struggles of the 1960s and 1970s, to the fightback efforts of the 1980s—has made its special contribution to the struggles of the U.S. working class. It has published more than'50 books and innumerable pamphlets, and for 50 years has published its monthly journal, **Economic Notes**. Today, LRA's activities also include the sponsorship of labor education classes and annual conferences promoting international trade union solidarity against transnational corporations.

### **Richard Trumka**

Richard Trumka was elected President of the United Mine Workers of Amenca (UMWA) in December 1982 on a platform against concessions, for organizing the unorganized, and for stricter health and safety controls in the mines. Since his election, Trumka has pledged to "breathe life" into the UMWA.

In many ways he has already succeeded. Trumka's first step was to advance a program to get miners involved in decision-making in the union. His program was put forth under the slogan "We Can Fight Back . . . If You Get Involved."

Trumka has placed organizing unorganized miners, along with organizing and servicing the unemployed miners, at the top of the union's agenda. This powerful combination is sure to bring great victories for the Mine Workers and the labor movement as a whole. Trumka has also been in the forefront of criticizing those politicians—both Republicans and Democrats—who line up on the side of the employers. With a voice that many have heard, Trumka has asked, "Which Side, Are You On?"

Under Trumka's leadership, the program of the Coal Miners Political Action Committee (COMPAC) has helped to put the problems of the unemployed and the fight for jobs, along with the fight against "right to work" laws, on the legislative agenda.

In 1981. Trumka was elected by his District to the UMWA's International Executive Board, a position ne held until his election as President last December. He is the youngest President of a major international union, and a new and promising force in the labor movement today.

### **Major Owens**

Major Owens was elected to Congress in 1982. from New York's 12th Congressional District. In his short tenure on Capitol Hill, Congressman Owens has distinguished himself as a staunch fighter for jobs. peace and the rights of working people.

In March, Congressman Owens introduced an amendment to the United States Constitution guaranteeing every American the right to a job. Owens has said that "My first one hundred days in Washington have confirmed my long held belief that we should first seek to provide jobs for all who want to work. This is the highest public good." Furthermore, he has made it clear that "The cry for JOBS, PEACE and JUSTICE must be made louder."

Owens stands firmly in opposition to the Reagan budget cuts. in several instances offering alternative proposals. In the case of the "bipartisan" sell-out of senior citizens. Congressman Owens proposed an amendment which would avoid any cuts in Social Security benefits.

Congressman Owens opposes the Reagan military buildup. He voted for the nuclear freeze resolution and against the MX missile proposal. On the larger significance of the freeze campaign, Owens has written that "A historic precedent has been set; the freeze campaign provides us with a formula for making legislation from the bottom up."

At present. Congressman Owens is a member of the House Education and Labor Committee. and the Government Operations Committee. Owens also chairs the House Freshman Caucus Task Force on Employment, and is a member of the Congressional Black Caucus—a leading force in the fight against Reaganism.
