Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) Intelligence Records. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) Requests for Records about any Individual—Watch Lists. The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) Requests for Records about any Individual—Witness Security Program Records. The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) Requests for Records for Incarcerated Individuals. The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) Record Searches. The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) Requests for Criminal History Records or Rap Sheets. The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

8A All Other Subjects (not fitting above categories)

1

-*If a subject can be classified in more than one of the categories, select the most appropriate in the circumstance

Instructions

Subject Priorities for FBI Arrest or Locates:

- A Subject wanted for crimes of violence (i.e. murder, manslaughter, forcible rape, robbery and aggravated assault) or convicted of such crimes in the past five years
- B Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years
- C All others

Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if

- 1 The subject becomes a fugitive after conviction but prior to sentencing
- 2 The subject dies after conviction but prior to sentencing

An explanation is required in the Remarks section for either of the above exceptions

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, **not** the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures

Investigative Assistance or Techniques (IA/Ts) Used:

- -Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated
- -The IA/T used must be rated **each time** an accomplishment is claimed. (For example if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "informant linformation" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

^{*}The case file must contain an explanation of the computation of the recovery value or loss prevented An explanation airtel must accompany this report if the recovery is \$1 million or more, or if the PELP is \$5 million or more

William Webster, Director FBI J. Edgar Hoover Building Washington, D.C.

Dear Director Webster:

I think there is a situation in the Mahoning Valley that you must take a personal interest in for the sake of the credibility of the Mahoning Valley.

You have probably heard the tale of a Sheriff James Traficant from Mahoning County, Ohio, however, the thing that concerns the majority of the people in this area is the fact that an ex-FBI chief of the Youngstown office became the police chief for the city of Youngstown. This made no sense at the time and it makes less sense now.

The credibility of the FBI is at stake in this instance and it's a very damaging situation. As an instiution, the FBI should not have to go through situations like this, but more importantly, it must defend itself in the event that it happens.

All of Ohio will appreciate your getting involved in this situation and bringing it to a timely end.

the pending charges against Traficant will be provided to the Ohio Govenor who has authority to remove Traficant from his position pending adjudication of the pending charges.

Traficant was arrestd by Agents on 8/9/82, on a two count indictment charging him with violation of Title 18, USC 1962 (d) and 1963 (RICO) and Title 26, USC 7206 (1) (Tax). The indictment charges Traficant with accepting \$163,000 in bribes from Cleveland and Pittsburgh organized crime figures. The payments were made to ensure continuation of illegal activities in Mahoning County. The payments are documented on seized tapes of conversations involving Traficant. Though not confirming the amount of the bribes, Traficant admitted, in a signed statement, to accepting the bribes.

Director, FBI

JAMES A. TRAFICANT, JR., SHERIFF, MAHONING COUNTY, OHIO, ET AL; RICO - BRIBERY

ACTION MEMORANDUM

Attached is a copy of a communication which furnishes information concerning a current investigation. Exigent circumstances precluded a request for authorization in advance to utilize an electronic device to monitor and/or record private conversations with the consent of a party.

Under the provisions of Part III(b) of the Attorney General's Memorandum of September 22, 1980, to the Heads of Executive Departments and Agencies entitled, "Monitoring Private Conversations with the Consent of a Party," emergency monitoring was instituted under the authorization of an appropriate of field of the FBI.

Monitoring of this conversation was authorized in the best interest of law enforcement in that it was expected to provide corroborative evidence and to protect the individual utilizing the equipment.

Further monitoring is expected in this matter and it is requested that your office approve the use of this equipment for a period of 30 days beginning the date on which you grant

DETAILS: Traficant was arrested by FBI Agents on 8/9/82 on a two count indictment charging him with violation of Title 18, USC, Sections 1962 (d) and 1963 (RICO) and Title 26, USC, Section 7206 (1) (Tax). The indictment charges Traficant, while a candidate for Sheriff, accepted \$163,000 in bribes from Cleveland and Pittsburgh organized crime figures. The payments were made to ensure continuation of illegal activities in Mahoning County. The payments are documented on seized tapes of conversations involving Traficant. Though not confirming the amount, Traficant admitted in a signed statement to accepting bribes and in subsequent interviews admitted accepting a portion of the amount charged.

He has since publicly recanted his admissions and has charged that Agents taking the statements had falsified them. He has publicly announced he intends to initiate his own investigation into his allegations and he has publicly threatened to arrest the Agents responsible for his arrest and indictment.

The following is a signed statement obtained from James Traficant:

> "June 15, 1981 Austintown, Ohio

"I, James Traficant, make the following free and voluntary statement to who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I realize, and fully understand, that I do not have to make this statement, and that it could be used against me at a later time. During the period of time that I campaigned for Sheriffe of Mahoning County Ohio, I accepted money from Charles Carabbia, Joseph Naples and James Prato. This money was given to me with the understanding that certain illegal activities would be allowed to take place in Mahoning County after my election, and that as Sheriffe I would not interfere with those activities. I have read this statement consisting of this page, and it is true and correct.

In addition to information furnished in a signed statement, Traficant stated when exiting the building that he had cash given to him by the Carabbias and that he would turn the money over to the FBI in the near future. Traficant was not specific as to the amount of money.

Traficant concluded that the "people at the Calla Mar" had recently offered to perform excavating work on his farm.

James Traficant, Sheriff, Mahoning County, Ohio, appeared at the Youngstown, Ohio, Office of the FBI and furnished the following information:

Traficant advised that shortly before the Mahoning County Democratic Primary to select a candidate for Sheriff, he and Charles Carabbia went to the Calla Mar Manor and met with James Prato. During this meeting, it was agreed upon that Prato would pay Traficant \$15,000.

Traficant stated that the amount of money he referred to on June 15, 1981, that he intended to turn over to the FBI was \$8,000. Traficant concluded that the remainder of the money he accepted was either spent in the campaign or turned over to Charles Carabbia. The money turned over to Charles Carabbia was the cash given to him by Prato.

Traficant said Charles Carabbia had also taken him to James Prato and he accepted money from Prato both before the primary election and the general election. He said he asked Prato for \$100,000 prior to the general election, never thinking Prato would even consider it and that Prato, although claiming that was too much money did give him \$25,000. James Traficant, Sheriff, Mahoning County, Ohio, appeared at and furnished the following information:

Traficant advised that a few days after meeting with James Prato at the Calla Mar Manor, which Traficant described on June 17, 1981, he met Prato in the parking lot of Prato's residence and accepted \$15,000 payment from him. Traficant continued that he turned this money over to Charles Carabbia.

Traficant stated that just prior to the general election for Sheriff of Mahoning County, Ohio, he accompanied Charles Carabbia to the Calla Mar Manor to meet with James Prato. Traficant said that Charles Carabbia had previously told him that he should get as much money from Prato as possible, because what money he, Traficant, did not get from Prato would be given to his opponent and used against him. Upon meeting Prato, Traficant advised that he asked for \$100,000, believing that Prato would never consider such a high amount. Traficant continued that Prato did, in fact, refuse to pay \$100,000, but did agree to pay him \$25,000, which was later received from Charles Onesti who picked it up from Prato.

	Dear Mr. Dear Mr. Doutside source JAMES A. Traficant Jr.	b6 b7С
	Judge Webster has asked that I respond to your August 16th letter and express our appreciation for your concern and interest that the FBI defend its integrity. The matters concerning Sheriff Traficant and an ex-FBI employee are currently under extensive investigation by our Cleveland Office and you may be sure that all allegations will receive appropriate attention. I cannot, at this time, comment further as to do so could have a prejudical effect on future prosecutive efforts. I thank you for writing and hope you will understand our position.

faced with the situation wherein the possibility exists that a corrupt sheriff, with malevolent intentions, may obtain either an arrest or search warrants against our Agents and/or our property. Cleveland has asked for instructions if this occurs. Currently, they have no instructions. The Criminal Investigative Division (CID) recommends that any attempt to execute a search warrant at our RA or to arrest Agents inside the RA should be resisted to every extent possible short of an armed confrontation. The Cleveland Strike Force Office will not issue written authorization for our Agents to take such a course of action; however, it is CID's belief that they can legally resist for a number of reasons, i.e., the malevolent intent of the sheriff, the Supremacy Clause of the Constitution, probable cause to believe that civil rights, illegal trespass and interference with a Federal investigation exists. also must resist based upon the existence of classified documents within the RA territory.

Cleveland has instructed RA personnel that if Sheriff Traficant attempts to arrest them at their home or other location, they are not to resist at any time. CID concurs.

JAMES A. TRAFICANT, JR.,

SHERIFF, MAHONING COUNTY, OHIO;

ET AL.;

RICO - BRIBERY 00: Cleveland

PURPOSE: To advise of status of ongoing confrontation between Sheriff of Mahoning County, Ohio, and Agents of the FBI in the Youngstown, Ohio, Resident Agency (YRA).

RECOMMENDATION: None, for information.

Traficant was arrested by FBI Agents on 8/9/82 on a two count indictment charging him with violation of Title 18, USC, Sections 1962 (d) and 1963 (RICO) and Title 26, USC, Section 7206 (1) (Tax). The indictment charges Traficant, while a candidate for Sheriff, accepted \$163,000 in bribes from Cleveland and Pittsburgh organized crime figures. The payments were made to ensure continuation of illegal activities in Mahoning County. The payments are documented on seized tapes of conversations involving Traficant. Though not confirming the amount, Traficant admitted in a signed statement to accepting bribes and in subsequent interviews admitted accepting a portion of the amount charged.

He has since publicly recanted his admissions and has charged that Agents taking the statements had falsified them. He has publicly announced he intends to initiate his own investigation into his allegations and he has publicly threatened to arrest the Agents responsible for his arrest and indictment.

Attached is a copy of a communication which furnishes information concerning a current investigation. Exigent circumstances precluded a request for authorization in advance to utilize an electronic device to monitor and/or record private conversations with the consent of a party.

Under the provisions of Part III(b) of the Attorney General's Memorandum of September 22, 1980, to the Heads of Executive Departments and Agencies entitled, "Monitoring Private Conversations with the Consent of a Party," emergency monitoring was instituted under the authorization of an appropriate official of the FBI.

Monitoring of this conversation was authorized in the best interest of law enforcement in that it was expected to provide corroborative evidence and to protect the individual utilizing the equipment.

Further monitoring is expected in this matter and it is requested that your office approve the use of this equipment for a period of 30 days beginning the date on which you grant authority.

On 1/20/83, for chain of custody purposes, the evidence was hand carried by SA John B. Sommer of the Cleveland Division to Florida, for the purposes of examination. At that time, SA Sommer observed "laboratory" in her residence and noticed a diploma on the wall listing her as a "Master Graphologist". The result of her examination, which was reflected in a written report and submitted to the Court, indicated that the questioned signature was a "no-ident" and accordingly, not prepared by the defendant, Traficant.
A subsequent examination by Lyndal L. Shaneyfelt, Examiner of Question Documents, who was retained by the Court, revealed that the question signature, was in fact prepared by the defendant, Traficant. Mr. Shaneyfelt's results were submitted in a report, which was submitted to Judge Aldrich on 1/24/83. On 1/26/83, both Shaneyfelt and were scheduled to appear before the Court and testify in a suppression hearing. At that time, the defense council withdrew their motion to suppress the evidence (signed statement) and Ms did not testify.
It was further noted that during the period of Ms. examination, she told SA Sommer that she had vears of experience which was comprised of going to numerous meetings and seminars on the subject of handwriting identification. She also stated that she had presented numerous papers on the subject and also has more work than she can handle and has to turn away many cases because she does not have the time to work them. She also advised that she has traveled extensively throughout the United States on many different cases and has testified approximately 30 times.

Re JAMES A. TRAFICANT, JR.

Attached Cleveland teletype advised that on 4/20/83, a hearing was held in U. S. District Court (USDC), Cleveland, in relation to charges filed by the subject, Sheriff Traficant, against Cleveland FBI Agents. Both SAC Griffin and ASAC testified at this hearing b6 which was held regarding removal from state b7c court and Federal court and continuance of the temporary restraining order against Sheriff Traficant.

At the conclusion of the hearing, the Federal Judge ruled that all complaints against the FBI Agents were removed to Federal court and ordered the continuance of the temporary restraining order against Traficant until the conclusion of Traficant's trial in USDC, which is scheduled to begin 4/25/83. Both the Mahoning County District Attorney and the City Prosecutor have publicly stated that Traficant's charges are without merit and retaliatory in nature.

Re: JAMES A. TRAFICANT, JR., SHERIFF, MAHONING COUNTY SHERIFF'S OFFICE; RICO - BRIBERY

Voctorday 4/12/02 [

The attached Cleveland teletypes report that Mahoning County Sheriff, James A. Traficant, continues his attempts to arrest several Youngstown RA Agents.

Traficant is under Federal indictment charging him with accepting bribes from organized crime figures while a candidate for sheriff. He is due to appear at the Cleveland FBI office on 4/15/83 for discovery, and trial is scheduled to begin on 4/25/83. He is apparently planning a press conference on Friday, 4/15/83.

Because of Traficant's obviously aberrant behavior, this matter is considered most serious especially since the safety of our Agents could be endangered.

Instructions have been forwarded to SAC, Cleveland concerning Cleveland's responses to arrests and or searches by Traficant or his officers. (See teletype to Cleveland dated 9/8/82, a copy of which has been furnished to personnel receiving this note.)

The Organized Crime Section, Criminal Investigative Division, will again pursue the issuance of a temporary restraining order in order to protect the Agent's safety.

BY THE MAHONING COUNTY DISTRICT ATTORNEY, VINCENT GILMARTIN. GILMARTIN ADVISED THAT HE DISAGREED WITH THE SHERIFF'S POSITION AND THAT THE SHERIFF DID NOT WA'T GILMARTIN TO REPRESENT HIS INTERESTS. THE JUDGE RULED THAT BECAUSE GILMARTIN WAS COUNTY PROSECUTOR, HE MUST REPRESENT THE SHERIFF AND THE COUNTY AND THE SHERIFF WOULD NOT BE ALLOWED TO CONDUCT QUESTIONING IN THE COURT. AT THE CONCLUSION OF THE HEARING, JUDGE KRENZLER RULED THAT ALL COMPLAINTS AGAINST THE FBI AGENTS WERE REMOVED TO FEDERAL COURT. HE FURTHER ORDERED THE CONTINUANCE OF THE TEMPORARY RESTRAINING ORDER AGAINST TRAFICANT UNTIL THE CONCLUSION OF TRAFICANT'S TRIAL IN U.S. DISTRICT COURT, WHICH IS SCHEDULED TO BEGIN APRIL 25, 1983. THE JUDGE ORDERED A PROBABLE CAUSE HEARING ON THE COMPLAINTS AGAINST THE AGENTS TO BE HELD ON A DATE NAMED FOLLOWING TRAFICANT'S TRIAL. THE JUDGE FURTHER INDICATED TO GILMARTIN THAT HE AND THE CITY PROSECUTOR MIGHT REVIEW THESE CHARGES AND SEE IF THEY ARE WORTH PURSUING OR SHOULD BE DISMISSED. FOR THE INFORMATION OF THE BUREAU, BOTH GILMARTIN AND THE CITY PROSECUTOR, WILLIAM MARSHALL, HAVE PUBLICLY STATED THAT CHARGES AGAINST THE AGENTS ARE WITHOUT MERIT AND RETALIATORY IN NATURE. INFORMATIVE NOTE

Date 6/17/83

On April 15, 1983 Trafficant filed local charges against Cleveland personnel. Criminal charges alleged included dereliction of duty; interfering with civil rights, intimidation and grand theft. Cleveland personnel who were charged were the SAC, ASAC, three supervisors and four agents.

These charges, believed by Cleveland to have been prompted by the Fueral indictment of Trafficant, are not based on the facts decided in Trafficant's Federal trial. The local charges relate to the Cleveland investigation entitled, "Joseph Naples, Jr., et al, RICO-Gangmurs."

In the Naples case three prominent Youngstown area organized crime figures were arrested by Cleveland FBI, and later convicted, while in the process of killing a suspected informant. The local charges filed by Trafficant relate to the manner in which that investigation was conducted.

The pending local charges against FBI personnel have been removed to USDC (Cleveland). A hearing on these charges is scheduled for June 29, 1983.

In the Federal trial Trafficant was successful in convincing the jury to disregard the confessions and taped conversations; and in his claim his actions were part of a planned infiltration of the Youngstown mob.

Mahoning County (Youngstown), Ohio Sheriff
James A. Trafficant Jr., was found not guilty
on RICO-Bribery and related IRS violations.

Trafficant was charged with accepting \$163,000 from area mob figures to protect their gambling operations in the Youngstown area. The bribe payments occurred during Trafficant's 1980 campaign for sheriff. The charges were based on confessions signed by Trafficant and on recorded conversations between Trafficant and the mob figures. The recorded conversations were secretly recorded by one of the participants in the conversations. Tapes of these meetings were seized during two searches conducted relative to this investigation.

Since signing the confessions, Trafficant has publically recanted the written statements and charged the statements were altered by FBI personnel.

A certified letter addressed to 5537 Mahoning Avenue, Youngstown, Ohio 44515 was received at the Youngstown Resident Agency, Federal Bureau of Investigation on July 28, 1981. This letter had a return address of Ohio, was stamped "Return Receipt Requested"; and certified with number P323625421. Written on the lower left corner of the front of the envelope was "Personal". The letter advised as follows:

7-25-81

"Dear

"I'm sending this letter to again clarify that prior to signing your statement I stated it was not true - I had not taken illegal money for political favors.

"Any questionable money, once determined, was returned before the election. I told you that!

"I am still willing to cooperate 100% even though I feel your plan is hasty since I do not have the confidence of the people you seek.

"Again, my only dilemma is that I cannot allow the connotation of that statement to stand -- it is not true. Before this is over you will come to learn that all money was returned.
