Subject: FCC FOIAs 2025-001376, 2025-001377, 2025-001378

Mr. Greenewald,

This email responds to your Freedom of Information Act (FOIA) requests received by the Federal Communications Commission (Commission) for records regarding Jimmy Kimmel. Your requests have been assigned FOIA Control Nos. 2025-001376, 2025-001377, and 2025-001378.

Records regarding Jimmy Kimmel can be viewed in the FCC's reading room at: <https://www.fcc.gov/general/freedom-information-act-electronic-reading-room> under the bullet point titled "Jimmy Kimmel." These records include over 1,600 pages of consumer complaints and 270 pages of internal records, including communications between the Office of the Chairman and other FCC offices as well as parties outside of the agency.

A portion of these records were withheld or redacted under FOIA Exemption 5. Exemption 5 protects certain inter-agency and intra-agency records that are normally considered privileged in the civil discovery context.

Exemption 5 encompasses a deliberative process privilege that generally covers "documents reflecting advisory opinions, recommendations and deliberations comprising part of a process by which governmental decisions and policies are formulated." To fall within the scope of this privilege, the agency records must be both (i) predecisional, meaning generated before the adoption of the agency decision and (ii) deliberative, meaning it reflects the "give-and-take" of the decision-making process. We have withheld or redacted portions of the records reflecting internal communications that contain predecisional and deliberative material, including deliberations regarding draft responses to Congressional inquiries; preliminary legal analysis of complaints; and advice and opinions regarding responses to press inquiries. We have determined that disclosure of these records would cause specific reasonably foreseeable harms to the deliberative process and the quality of agency decisions, both of which Exemption 5 is intended to protect. Particularly, the withheld or redacted records will inhibit staff candor and frankness in providing advice or recommendations during deliberations.

Exemption 5 also encompasses the attorney-client privilege. The attorney-client privilege covers "confidential communications between an attorney and [the attorney's] client relating to a legal matter for which the client has sought professional advice." We have withheld communications where the Office of General Counsel provided legal advice to Commission staff. We have determined that it is reasonably foreseeable that disclosure would harm the attorney-client relationship, which Exemption 5 is intended to protect. Release of this information would foreseeably impair open and frank communication between the agency and its counsel in receiving or giving legal advice.

A portion of these records were redacted under FOIA Exemption 6. Exemption 6 protects "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Specifically, material consisting of personal contact information of individuals has been redacted. Balancing the public's right to disclosure against the individual's right to privacy, we have determined that release of this information would constitute a clearly unwarranted invasion of personal privacy. We have redacted personal cell phone numbers and email addresses, internal-only email addresses, and identifying information regarding individual citizens.

We have determined that it is reasonably foreseeable that disclosure would harm the privacy interest of the persons mentioned in these records, which Exemption 6 is intended to protect.

We believe that these records satisfy your FOIA requests and plan to close your requests on April 17, 2026, unless we hear otherwise from you.

Sincerely,

Matthew Collins
Special Counsel
Office of General Counsel

Description

Recently, Brendan Carr Reacted To Comedian Jimmy Kimmel's Comedy. Kimmel Had Expressed That Kirk's Assassin Was Maga And Then Proceeded To Make A Funny Joke About Trump's Weird Response To A Reporter. There Was Nothing In His Comments That Incited Hate Or Put Our Larger Community In Danger. It Was Just His Opinion And A Funny Joke (in Direct Comparison -- Kilmeade Made A Very Dangerous Suggestion On Fox That We 'euthanize Homeless People')... In Turn, Because Of Kimmel's Harmless Bit, Brendan Carr Wielded The Full Power Of His Office As FCC Chairman And Made A Genuine Threat To ABC Over An Impending Merger. Reacting To Carr's Threat, ABC Pulled Jimmy Kimmel Under The Pressure. Aside From The Inherent Corruption Of An FCC Chair Extorting A Network So They Align With A President Politically... Just To Get A Merger Through... But, Also... Chairman Carr Has Denied Kimmel His 1 Amendment Right To Freedom Of Speech. BRENDAN CARR MUST RESIGN OR BE FIRED. Brendan Carr Is A Disgrace And Is Clearly An Enemy Of American Democracy. You Don't Get To Silence Opposing Viewpoints JUST BECAUSE YOU DISAGREE WITH IT. Read What The 1AD Says If You Don't Believe Me. In The End... If America Does Lose Its Democracy To Authoritarianism/fascism (which Seems To Be Happening Right Now)... This Moment Will Be Cited As An Important Milestone. A Moment Where Brendan Carr Ignored The Constitution/Bill Of Rights And Stole Our Right To Free Speech. A Moment Like Now Is Truly Where Democracy Dies. FIRE BRENDAN CARR.

Cancelling The Two Late Night Shows (Jimmy Kimmel And Stephen Colbert) Is Censoring The First Amendment Freedom Of Speech. They Are Comedians Doing Their Job Of Poking Fun Of People In The Spotlight Including The President Of The Country And Those Who Share The President's Views. Canceling And Suspending Those Who Disagree Is Hypocritical. Especially Since Another Entertainment Show Who Calls Itself Fox "News" Reports Lies On A Daily Basis. Those Lies Often The Same As Our President. Caving Into The Whims Of Our President Will Destroy Our Democracy. I Beg You To Stand Up For The Rights Of The American Citizens And Not Censor Those Who Do Not Support Him Or His Lies, Beliefs Or Values.

The Majority Of Citizens Of Our Country Would Like To Uphold Our Constitution And Democracy Which Includes The Right To Free Speech And Not Just What A Wanna Be Dictator Wants.

Shame On Him For This. Using His Position As A Political Weapon To Censor Free Speech Is About As Far From What He Should Be Doing As I Can Imagine. The Most Ironic Thing Is The Head Of The FCC Saying We Should Promote Free Speech, While Cancelling Anything That Trump Tells Him To. We No Longer Live In A Free Country If Citizens From The Least Well Known To The Most Well Known Are Losing There Jobs Over Exercising Their Free Speech. As Of Now, It's Really Only Free Speech For Republicans And Republican News.

â€œThe F.C.C. Should Promote Freedom Of Speech,â€ -Brendan Carr

Mr. Carr Says That It Is Because Jimmy Kimmel Lied To The American People About Charlie Kirk's Killer. But, Trump Lies At Least 6 Times A Day.

'Rules For Thee, Not For Me' Is The Current Stance Of Republicans And Carr.

'The Land Of The Free', Isn't That What We've Always Been Taught? But, That Is No Longer What America Is If Carr Is Left To Continue To Do The Bidding Of Trump.

â€œOr Involuntary Lethal Injection, Or Something,â€ Kilmeade Said. â€œJust Kill 'em.â€

We Still Have A Constitution In This Country And We Do Not Have A King. We Still Have The Right To Criticize Our Government And, Quite Honestly, The Comments That Mr. Kimmel Made Were So Benign That It Just Shows An Unbelievable Level Of Fear On The Part Of The Government. To The Federal Communications Commission,

I Am Filing This Complaint Against Nexstar Media Group For Its Decision To Pre-empt And Suspend Broadcast Of Jimmy Kimmel Live! Following The Host's Remarks About Charlie Kirk. This Action Is A Clear Case Of Corporate Censorship And An Abuse Of Nexstar's Role As A Licensee Of The Public Airwaves.

Nexstar's Affiliates Are Entrusted To Serve The Public Interest, Not To Silence Programming Based On Political Convenience Or Corporate Appeasement. By Pulling The Show, Nexstar Has Violated The Spirit Of The First Amendment And Undermined The FCC's Mandate To Protect Freedom Of Expression And Fair Access To Diverse Viewpoints In Broadcasting.

This Decision Sends A Dangerous Message: That Powerful Media Conglomerates May Suppress Lawful Programming At Will, Chilling Speech And Distorting The Marketplace Of Ideas. The Precedent Set Here Is Deeply Harmful To Democratic Discourse And Public Trust.

I Respectfully Demand That The FCC:

Open An Immediate Investigation Into Nexstar's Actions;

Evaluate Whether Nexstar Is Continuing To Meet Its Obligations To Operate In The Public Interest; And

Hold Nexstar Accountable To Ensure That Such Politically Motivated Suppression Does Not Occur Again.

I Have Already Cancelled My Disney+ Subscription, Stopped Watching ABC Programming Carried By Nexstar Affiliates, And Am Encouraging Others To Do The Same. But Ultimately, This Is A Matter Of Public Trust That Requires FCC Oversight And Enforcement.

Please Confirm Receipt Of This Complaint And Advise On The Next Steps In Your Investigation.

Sincerely,

You Pull Jimmy Kimmel For Making Factual Statements, But Brian Kilme Can Go On Fox News And Make Terrorist Threats, Really? Brian Kilmeade Made This Comment About Homeless People, Many Of Whom Are Veterans, As A Response To A Comment Made By Another Host Stating That The Homeless Could Accept The Help Offered Or Be Jailed. Kilmeade Said, Ad Verbum, 'Or, Uh, Involuntary Lethal Injection, Or Something. Just Kill Them.' A Man Who Enjoys The Freedoms Our Veterans Risked Their Lives To Protect Is Calling For The Homeless Ones To Be Killed. What He Said Is An Attempted Solicitation For Murder, A Terrorist Threat, And A Hate Crime. I Don't See You Pulling Him Off The Air. The FCC Chairman Seems To Be Against Our Constitutional Right To Free Speech As Well As Targeting Political Enemies, Which Also Feels Unconstitutional .

I Would Like To Know Your Further Plans For Converting Big Media Networks To State Run Propaganda Networks , Using Our Tax Dollars .

You Are Using The Authoritarian Playbook Where Free Speech Applies To Conservatives But Not To Anyone Else. Conservatives Have Repeatedly Called For Violence And Directed Mis- And Disinformation Through Their Outlets, And The FCC Has Not (rightly) Gone After Them For Their Free Speech. That You Would Go After Jimmy Kimmel Shows The Hypocrisy Of The Current FCC And Brendan Carr.

Stop Going After Mundane, Mild Speech Of Those You Disagree With. Perhaps Do Something About Brian Kilmeade Literally Calling For The Murder Of Homeless People. Fox News Is A Purveyor Of Violent, Mis-, And Disinformation. Yet This FCC Is Quiet.

Dear FCC,

I Am Deeply Concerned About Blatant Double Standards In Broadcast Enforcement. Jimmy Kimmel Has Been Removed From The Air Despite Not Engaging In Violent Rhetoric, While Brian Kilmeade Remains On Air After Comments That Could Reasonably Encourage Violence—a Situation Followed By Multiple Shootings At Homeless Encampments In Minnesota.

This Inconsistent Treatment Undermines Free Speech In America. Free Speech Must Apply Equally, Without Political Favoritism. It Appears The FCC Is Rolling Over To The Trump Administration Rather Than Enforcing Its Mandate. I Urge The FCC To Take Immediate Action To Restore Fairness, Including Reconsidering Its Leadership If Necessary.

Network: ABC

Description

Dear FCC,

I Am Writing To Express My Deep Concern And Disappointment Regarding FCC Chair Brendan Carr's Recent Public Threat Toward ABC Over Jimmy Kimmel Live.

I Believe Strongly In Freedom Of Speech, Even For Opinions We May Personally Disagree With. The Recent Shooting Of Charlie Kirk Was A Tragedy, And Though His Shooter Used An Extreme And Unacceptable Act Of Violence To Silence Mr. Kirk, It Is Equally Wrong For Government Officials To Silence Speech By Pressuring A Network To Remove A Program.

Removing A Talk Show Because Of An Opinion That The FCC Chair Or The Administration Does Not Agree With Is Censorship, Plain And Simple. This Is A Step Too Far. We Cannot Allow Voices To Be Silenced In This Way Without Eroding The Democratic Principles On Which Our Country Is Built. If The FCC Is Willing To Silence Speech Based On Viewpoint, We Risk Sliding Toward Authoritarianism.

The FCC Should Be Protecting First Amendment Rights And Upholding Its Stated Mission Of Preserving Free Expressionâ€”not Undermining Them. I Urge The Commission To Affirm Its Commitment To Freedom Of Speech And To Ensure That No Regulatory Action Is Taken Against ABC Or Jimmy Kimmel Live Based Solely On The Content Of Lawful Speech.

I Hope There Are Reasonable Voices Within The FCC Who Will Reverse This Course And Restore Public Trust In The Commission As A Neutral Protector Of The Public Interest, Not An Instrument Of Political Retaliation.

Respectfully,

Broadcast Corporations Like Sinclair Do Not Own The Frequency They Broadcast On. The American People Own The Frequencies. They Have An Obligation To Be Fair In Programming Choices To All Americans And Not To Just One Political View. When They Decided To Stop Airing Jimmy Kimmel On My Are ABC Affiliate, KDNL, They Did So Because Of The Personal Political Beliefs Of There Top Management. Furthermore, I Would Allege That They Were Trying To Extort Mr Kimmell By Requiring Him To Send Money To Charlie Kirk's Family And Organization. A Corporation That I Believe Broke The Law With This Alleged Extortion, Should Not Hold A License To Lease An American Owned Frequency. Their Licenses Should Come Under Strict Scrutiny Upon Renewal In The Future For Violating The First Amending Rights Of Mr Kimmel And All The Americans That Enjoy His Program, Not To Mention The Alleged Criminal Act Of Extortion.

Brian Killmeade Should Be Prosecuted Under Sec: 490.20 Of The Penal Code Of New York For His Hate Speech And Incendiary Comments Against Fellow Americans Who Are Homeless. His Co-hosts Should Also Be Fired As Well As The Producers Who Allowed (not Only These Comments To Be Said) But Aired On Live Tv. They Take Zero Responsibility For Inciting Violence And Murder On Innocent Civilians. THIS IS NOT OK!!!!!!!!!!!!!!!!!!!!!! This Is Why You Exist!

And If You Know Anything... Then You Know His Apology Was A Non-apology (and If You Don't Know What That Is, Look It Up!)

This Is All Over Social Media, Youtube Etc... Children Are Seeing This!

Think Of All The School And Other Shootings That Have Been Occurring The Last Decade In America. Most Of The Murderers Are Young Kids And Young Adults. And This Is What They're Seeing, And Their Seeing No Repercussions For All The Evil That's Happening In America Today, So To Them.... Committing Acts Of Violence Is Ok. (If The President Says It's Ok, Then It Must Be Ok). If Brian Killmeade Can Say 'kill The Homeless' And It's Fine, But Jimmy Kimmel Can't Point Out The Hipocracy In The Media In A Non-violent Way Without Getting Fired For Fear Of What Our Authoritarian Government Will Do To His Network. Has No One Passed A History Class??? This Country Is Upside Down And Inside Out. In My 6+ Decades, I've Never Seen This Country More Divided And Full Of Hate, And You're Allowing It To Spread. If Immediate And Severe Action Isn't Taken, Then You Are Directly Responsible For Any Violence That Comes To Any Homeless Person As A Result Of These Horrid, Disgusting, Disgraceful And Inflammatory Remarks!

As If The Fact That Nothing Has Been Done Regarding His Gross And Horrendous Comment, The FCC And Felon In Office Decided They Did T Like What Jimmy Kimmel Had To Say About MAGA And Suspended Him Indefinitely. This Is A Blatant Show Of Hypocrisy And If Anyone Should Have Been Made An Example By Firing, It Should Have Been Brian Kilmeade That Was Censored And Suspended, Not Jimmy Kimmel. You Have One Person Who Is Suggesting Violence And The Other Is Calling For A Group Of People To Stop Placing Blame Where It's Not Warranted! Again, This Is NOT Russia, This Is NIT China, And This Is NOT North Korea. Free Speech Should Be Protected To A Point That Inciting Violence Should Have Consequences And The Fact That Nothing Has Been Done In Regards To The Comments Made By Brian Kilmeade Speaks Volumes As To The Direction Censorship And Media Is Going In Our Country.

FCC Chairman Brendan Carr's Criticism Of Jimmy Kimmel's Commentary On The Charlie Kirk Killing Violates The First Amendment, As Carr Is A Senior Government Official And Speaks For The U.S. Government. The First Amendment Explicitly Protects Speech, Particularly Political Speech, From Government Control. Period. Chairman Carr's Apparent Threat To Disney And Other Companies Associated With Jimmy Kimmel Live Constitutes An Unconstitutional Action By The Government To Infringe On Free Speech. While Those Companies May On Their Own Make A Decision To Curb Their Employee's Speech For The Effect It Has On The Company, The Federal Government Should Not Be Threatening Them To Get Them To Do So. Free Speech Is A Pillar Of Liberty. Political Speech, Even Hateful And Offensive Speech, Is Absolutely Protected By The Constitution, With Certain Exceptions, None Of Which Correctly Describe Anything Jimmy Kimmel Said On Air. That Doesn't Mean That Kimmel Can Say Whatever He Wants Without Consequences, But Simply That The Federal Government Is Not The Entity To Set The Limits On Or Consequences For What He Said. Chairman Carr's Commentary And Threats Threaten Our Liberty. Kimmel's Commentary Did Not Violate Any Laws, Which Means The Federal Government Should Officially Have No Position Nor Offer Any Public Comment On His Constitutionally-protected Commentary.

I've Watched The Episode Of Jimmy Kimmel Live In Question And Found No Falsehoods There That Merit FCC Threats. Director Carr Should Not Be A Sole Arbitrator Of Broadcast Guidelines. This Reeks Of His Personal Political Agenda. I Quote The FCC's Own Website:

'The First Amendment, As Well As Section 326 Of The Communications Act, Prohibits The Commission From Censoring Broadcast Material And From Interfering With Freedom Of Expression In Broadcasting. The Constitution's Protection Of Free Speech Includes Programming That May Be Objectionable To Many Viewers Or Listeners.'

I Oppose To The FCC Insistence On The Removal Of Jimmy Kimmel.

The Disney Channel Has A Show, Andor, And In Season 2, Episode 9, A Speech Is Given:

'The Distance Between What Is Said And What Is Known To Be True Has Become An Abyss. Of All The Things At Risk, The Loss Of An Objective Reality Is Perhaps The Most Dangerous. The Death Of Truth Is The Ultimate Victory Of Evil. When Truth Leaves Us, When We Let It Slip Away, When It Is Ripped From Our Hands, We Become Vulnerable To The Appetite Of Whatever Monster Screams The Loudest.'

Truth Is Achieved Through Freedom Of Speech. You Have Taken Away This Freedom From Jimmy Kimmel, Not Because He Spoke Ill Of A Person Who Met An Untimely Fate, But Because He Called Out Those In Power - Those That Are Now Screaming The Loudest And You Are Doing Their Bidding.

Brendan Carr Himself Said 'â€œI Think You Can Draw A Pretty Clear Line, And The Supreme Court Has Done This For Decades, That Our First Amendment, Our Free Speech Tradition, Protects Almost All Speech,â€' .

I Therefore Respectfully Ask For The FCC To Remove Any Punitive Measures Against Jimmy Kimmel.

I Am Filing This Complaint To Express Serious Concern About Recent Actions Involving The Suspension Of Jimmy Kimmel Live! By ABC And Affiliated Broadcasters. These Actions And The Blatant Pressure From The FCC CEO, Brendan Carr, Represent An Abuse Of Regulatory Power And A Dangerous Erosion Of Our First Amendment Protections For Broadcast Media. Under The First Amendment, Government Officials Cannot Penalize Or Silence Speech Simply Because They Or Their Allies Disagree With It. Please Stop Trying To Silence Anyone Who Doesn't Agree With You!

As A Former Broadcaster And Radio Station Owner...and Current Advertising Agency Executive, I Am Appalled By The Behavior Of The Trump FCC, And Bradley Carr Regarding The Jimmy Kimmel Situation And Suspension ! I Didn't Realize The FCC Has Moved To Russia ...or At Least Acts Like It !

Mr. Carr Is Totally Unqualified To Manage The FCC, And I Am Shocked And Upset That We Are Sinking To New Lows Regarding Freedom Of Speech, And Democracy. I Am Asking To Be Contacted At The Above Email Address ...for A Telephone Appointment To Discuss This Urgent Matter.

By The Way ...I Have Had More Trouble With Sinclair Broadcasting With My Business Regarding Their Reporting Describing Much Of Their 'News' As News....which Has Turned Out To Be Right Leaning Opinion. Not Impressed With Their Lack Of Moral Behavior !

Mr. Carr Should Be Ashamed Of His Lack Of Backbone And Judgement As Well....being A Puppet Of The Current Washington Administration,, Not A Professional Member And 'leader Of The FCC.' He Needs To Step Down Immediately , Or Brought Before Congress.

The Peter Principle Is Definitely At Work Here.

Description

Dear Commissioner Carr,

I Am Writing As A Concerned Citizen Regarding The Recent FCC Involvement In The Suspension Of Jimmy Kimmel Live!. The FCC Exists To Regulate Broadcast Standards, Not To Punish Political Speech Or Entertainment Content That May Be Controversial.

Government Pressure To Silence A Late-night Host Is A Grave Overstep. This Undermines The FCC's Role As A Neutral Regulator And Erodes The Public's Trust In Your Institution.

I Respectfully Urge You And The FCC To Step Back From This Matter And Allow Broadcasters To Make Programming Decisions Free From Political Influence. Americans Deserve Media Independence, Not Censorship By Regulators.

Sincerely,

This Is All Stated Clearly In Our Constitution Why Is It That We Can Go Against This Whenever Itâ€™s Convenient Please Bring Back The Jimmy Kimmel Live Show Immediately. Description

I Am A Concerned Citizen Of The United States And I Am Deeply Concerned With The FCC Overstepping The Boundaries Set Forth By The Constitution In Amendment One. We Still Have Freedom Of Speech In This Country And No Party, No Presidential Administration, And No Department Of The Government Or The Private Sector Has The Right To Infringe Upon That Right. The Pressure Asserted On ABC By The FCC Was Completely Out Of Line: First And Foremost There's The Issue Of Free Speech, Second, This Is A Comedian And All Comedians Throughout History Have Poked Fun At Presidents And Or Situations Around Public Occurrences. This Is Entertainment And Not A News Organization Which Should Be Presenting Facts And Held To A Higher Standard. Third, A Double Standard Is Being Applied: We Recently Had A Commentator On Fox News State That The Homeless Should Be Euthanized With A Lethal Injection, Yet That's Allowed To Pass With Just An Apology. While The Instance With Mr Kimmel Who Was Indefinitely Canceled Because Of Pressure On ABC By The FCC. THIS IS UNACCEPTABLE. I Remind You That Members Of The Current Presidential Administration Made Assertions On Mr Kirk's Death And The Assassin That Were Premature And Not True Before The Facts Presented Themselves. The Victim Of This Horrendous Assassination Was Not A Member Of Our Government, He Was A Podcaster, While That Does Not Lessen The Value Of His Life, It Does Not Raise The Level For The Government To Be Overstepping Its Boundary And Committing Double Standards. I Think Sometimes Those In Leadership Positions Forget That They Work For All The Citizens Of The United States, Not One Party, Not One President... But For We The People.

Thank You,

Mr Brendan Carr,

You Are A Hypocrite And Are Doing A Disservice To The Country.

During His Opening Monologue On Monday, Mr. Kimmel Addressed The Killing Of Mr. Kirk By Saying: "We Hit Some New Lows Over The Weekend With The MAGA Gang Desperately Trying To Characterize This Kid Who Murdered Charlie Kirk As Anything Other Than One Of Them, And Doing Everything They Can To Score Political Points From It."

Mr. Carr Described Mr. Kimmel's Remarks As Part Of A "concerted Effort To Lie To The American People" About The Beliefs Of Mr. Kirk's Killer. He Said The F.C.C. Was "going To Have Remedies That We Can Look At."

Mr. Kimmel Did Not Lie To The American People. The American People Have The Choice To Change The Channel If They Don't Want To Listen To A Particular Person. If You Want To Stop Lying On Television, Let's Do Something About Fox News! This Is So Disturbing. You Are Once Again Influencing Reality In The Name Of MONEY, As You Did With CBS And Paramount. It Is So Obvious I Can't Even Believe You Are Getting Away With It. I'm So Disgusted. This Has Got To Change. The Rabble Rousing That This Entire Administration Does Is So Harmful And Incendiary. You Are On The Wrong Side Of History.

I Am Writing To Register With You In The Strongest Possible Terms My Concern Over The Politicization And Corruption Of The FCC Under The Leadership Of Brendan Carr.

Carr Has Once Again, Abused His Position As Chair For The Expressly Partisan Purpose Of Threatening And Extorting Political And Cultural Opposition To The Administration Of Donald J. Trump. His Actions Are Unlawful And Unconstitutional And As An American Citizen Living Abroad I Cannot Begin To Express My Embarrassment And Disdain For The Direction Of The FCC And The Nation.

The FCC Has Now Been Made Complicit By Carr In A Shakedown Of ABC/Disney, Sinclair Broadcasting, Nexstar And Tegna. To The Degree U.S. Law Still Matters And That We Can Have Any Faith In It At All, I Hope To See Carr Held Fully Responsible. To Whomever Is Reading This - Resign. Description

I Am Complaining About A Recent Comment By A Fox News Anchor, Brian Kilmeade. Last Week While Discussing A Story About Homeless People That Are Also Mentally Ill, His Quote Was 'Or Involuntary Lethal Injection, Or Something,' Kilmeade Said. 'Just Kill 'em.' This Was In Response To Tax Payer Money Being Used To Help This Most Vulnerable Segment Of The Population. Does Kilmeade Understand That He Is Talking About Many Of Our Nation's Veterans? How Do Fox Anchors Get Away With Saying These Things And Rarely Being Reprimanded By The FCC? They Have Lost Court Cases For Hundreds Of Millions Of Dollars For Lying To Their Audience - And They Continue To Do So Today. Yet, The FCC Does Nothing. A Host On-air Says To Kill Homeless People And There Are No Repercussions Because He Apologized? Did Kilmeade Even Mean It? And Then On The Other Hand, You Have The FCC Threatening ABC And Its Affiliate Networks To Pull Jimmy Kimmel Off The Air. Jimmy Kimmel Did Not Threaten Anyone Or Say Anyone Should Be Threatened. His Disputed Comments Made Zero Threat To Others And Was A Comedy Bit. The FCC Chairman Himself (Brendan Carr) Stated: 'President Biden Is Right. Political Satire Is One Of The Oldest And Most Important Forms Of Free Speech. It Challenges Those In Power While Using Humor To Draw More People In To The Discussion. That Is Why People In Influential Positions Have Always Targeted It For Censorship.' And That Is Exactly What Chairman Carr And President Trump Are Currently Doing - Targeting Political Satire For Censorship - No Matter If It Is Jimmy Kimmel Or Another Late Night Talk Show Host. It Was A Comedy Bit And Not Someone Saying They Wanted An Entire Segment Of Our Least Vulnerable Euthanized (i.e., Brian Kilmeade). The FCC Will Be On The Wrong Side Of History If There Are No Repercussions For Kilmeade And Fox News. It Has Become Very Apparent To The Majority Of Americans That The FCC Is Only Targeting Media And People They Consider To Be In Opposition To President Trump

Sinclair Threatened Not To Show 'Jimmy Kimmel Live.' Okay, They Only Own KVAL Because The FCC Allows Them To Own It. I Feel Their Stance Is In Stark Contrast To The Prevailing Sentiment Of The Viewers Of Eugene, Oregon Where KVAL Is Based. I Do Not Believe Sinclair Or KVAL Should Be Allowed To Censor Content Based On Their Political Inclinations, Inclinations That Are In The Distinct Minority In This Community. I Ask That Sinclair Be Forced To Sell KVAL Or Withdraw Their Threat No To Air 'Jimmy Kimmel Live.' America Is In Dire Straits As Rightwing Power Grows Increasingly Defiant Of All Norms Of Civil Discourse, Democratic Values, And Basic Honesty. Nothing That Jimmy Kimmel Said Or Did Was Disrespectful To Charlie Kirk. Since When Does The FCC Chair Get Involved In Pressuring ABC To Cancel A TV Personality And Comedian Who Brings Humor And Laughter To Our Nation. Brendan Carr Should More Than Realize What A Terrible Precedent He's Setting. Do We Really Want To Go Down The Path Of The Soviet Union Or WWII Germany? City/State/Zip: Huntington Beach, CA 92646

Name of TV Program: Jimmy Kimmel Live

Network: ABC

Description

I Am Outraged That ABC Has Suspended Jimmy Kimmel Live! After Pressure From Affiliates And Public Statements By FCC Leadership. This Is Not Just About One Late-night Show, It Is About Whether The United States Will Allow Government Officials And Politically Connected Corporations To Decide What Speech Is Acceptable On Our Airwaves. When Regulators Imply That Broadcast Licenses Could Be At Risk Over Content, It Is No Longer A Free Press. That Is The Very Definition Of State-controlled Media.

Americans Should Never Have To Wonder If The News Or Entertainment They See Is Being Filtered By Political Interests. If Networks And Affiliates Can Be Bullied Into Silencing A Comedian Today, Tomorrow It Will Be Journalists, Commentators, Or Anyone Whose Voice Challenges Those In Power. That Is The Slippery Slope Toward State-run TV, Where Citizens Can No Longer Trust That The Information Reaching Them Is Independent, Honest, Or Complete.

I Urge The FCC To Immediately Clarify That Broadcast Licenses Cannot And Will Not Be Weaponized Against Programming Choices. The Chilling Effect Of What Has Happened Here Is Profound. I Am Frightened For My Country When We Start To Resemble Regimes That Censor Media To Protect Those In Power. The FCC's Role Must Be To Protect Free Expression, Not To Enable Political Intimidation Of The Press.

I Want To Note That This Complaint Is Not About Indecency, But The Form Gave Me No Other Option To Select. I Chose "Indecency" Only Because There Was No Category That Fit Concerns About The Suspension Of Programming Under Political Pressure. Please Route This Complaint Appropriately As It Addresses Content Suppression And The Chilling Effect

On Free Speech.

Description

I Am Filing This Complaint With The FCC Over Chairman Brendan Carr's Recent Public Statements About Jimmy Kimmel's Comedy Monologue On September 15th. Chairman Carr's Public Call For Censorship Of Kimmel's TV Show Is Entirely Inappropriate For A FCC Official. I Believe It Is A Violation Of 1st Amendment Freedom Of Speech And Very Un-American.

I Found FCC Chairman Brendan Carr's Comments About Jimmy Kimmel's Stand-up Comedy An Unfair Attack On A Person Doing Political Comedy On An Entertainment Show. Mr. Kimmel Did Not Call For Or Condone Violence Or Say Anything Negative About Charlie Kirk. Kimmel Did Not Use Hate Speech Or Swear Words. His Jokes Were Directed At Those Who Are Trying To Make Political Gains Off Charlie Kirk's Brutal Murder. As An American, I Agree With Criticizing Anyone Who Wants To Make Political 'points' From This Horrible Killing, Which Is Yet Another Tragic Case Of Gun Violence By A Disturbed Individual. Other Jokes Made By Kimmel During That Show Were Based On President Trump's Own Words In Videos Where The President Appeared More Interested In Discussing Construction Of A Ballroom Than The Tragedy Of Kirk's Murder.

Furthermore, Mr. Kimmel Is Not A Newscaster Or A Journalist, He Is A Comedian And Even As Such He Did Not Misrepresent Any Information About Kirk's Assassination As Mr. Carr Claims. Mr. Kimmel's Brief Comment Was Focused On What Political Operatives Were Doing, And It Accurately Reflected What Was Publicly Known On Monday September 15th.

My Complaint Is That Chairman Carr Has Overstepped His Role As FCC Chair In Attacking A Comedian Over Protected Political Speech. That Is Not What The FCC's Leader Should Be

Doing To Oversee Our Airwaves. As An American Who Believes Strongly In Free Speech And In Everyone's Right To Publicly Express Their Opinions And To Criticize Politicians, I Am Offended By This Political Overreach By A FCC Chair. I Call On Chairman Carr To Retract His Statements And Apologize To The American People.

Stop Unilaterally Taking Away Jimmy Kimmel's 1st Amendment Rights!! Restore Jimmy's Show! Yes, Jimmy Made Modest Comments About Charlie Kirk's Assassination; It Is His Right To Do So! The President And CK For That Matter Made Horrible Insensitive Comments Everyday. Jimmy Has A Right To Say MAGA Is Milking CK's Death; They Are!! MAGA Was Totally Insensitive To The Political Murder Of Minnesota's Former Democratic Speaker Of The House, Melissa Hortman, And Her Husband By A Right-wing Nut Job In June 2025. Trump Scoffed At Calling Minn's Governor To Express Condolences. Flags Were Not Flown At Half Staff For Her. Trump Does Not Have The Right To Shut Down Folks Critical Of Him. I Am Complaining About The FCC Speaking Out Against Late Night Shows Using Their FIRST AMENDMENT RIGHT To Talk About The Issues Going On In Our Country. In Particular, Brendan Carr For Threatening Those Who Are Speaking The Truth Against Trump And The MAGA Crowd. I Do Believe We Still Live In The USA And Not Russia. I Have Heard Way Worse Things Being Said From Trump, MAGA, Fox News And Charlier Kirk Themselves From Anything These Late Night Folks Have Said. There Are Differing View Points As To What Is Happening And They Should All Have Their Rights To Say It, That Is What The First Amendment Rights Are All About. Kimmel And Colbert Have Always Spoken About Whoever Is USA President And Only Trump Has Gone After Them. This Is Not The American Way And This Silencing Of Those Who Are Not MAGA Needs To Stop - NOW! We Do Not Have A King Or Dictator In This Country And I'd Like To Keep It That Way. It's Pretty Frighening To See So Many People And Companies Bending The Knee To One Man Who Is A Convicted Felon And Caused So Much Chaos To Not Only Our Capital But To The Country Itself. You Should Fire Brendan Carr For Making Threats Against The People Of This Country. He Does Not Speak For All Of Us. I Mean Brian Kilmeade On Foxnews Said That Homeless People Should Be Given An Involuntary Lethal Injection But I Don't Hear Brendan Carr Speaking Out Against That And Brian Basically Called For People To Be Killed (after The Whole Charlie Kirk Murder)! Where's Is His Outrage On That Comment And Trumps As Well? But I Guess As Long As They Are In The MAGA Camp They Feel It Is Okay For Such Comments. As For Kimmel (ABC) And Colbert (CBS) And Even The MSNBC News Anchor Who Got Fired They Did Not Say Anything That Wasn't True Or What 1/2 The Country Thinks And It Wasn't Even Said In A Way That Was Disrespectful. Truth Hurts Sometimes And Its Their First Amendment Right. They Did Not Call For The Killing Of Anyone Like Kilmeade Did.

Description

The Recent Move To Cancel Jimmy Kimmel Feels Less Like A Programming Decision And More Like State-funded Media At Work. It Raises A Dangerous Question: Are We Witnessing The Slow Erosion Of Free Speech On Our Public Airwaves?

Kimmel Did What Late-night Hosts Have Always Done, Held Up A Mirror To Society, Told Uncomfortable Truths, And Used Humor To Push The Line. What He Said Was Not Scandalous; It Was Accurate. If We Silence Voices For Telling Truths We Donâ€™t Want To Hear, We Step Onto A Slippery Slope Where Only Government-approved Narratives Are Allowed.

Who Comes Next? If Kimmel Can Be Removed For Speaking Plainly, Will Other Journalists, Commentators, Or Entertainers Soon Find Themselves Cut Off For The Same Reason? The Precedent Is Chilling. Americans Are Not Tuning Into A State-scripted Media Feed, Weâ€™re Supposed To Be Hearing Real People, Real Perspectives, And Yes, Sometimes Raw, Critical Humor.

There Is Also A Forgotten Cost: Jobs. By Canceling Kimmel, ABC Alienates Viewers Like Myself Who Will No Longer Watch The Network. Advertisers Will Feel The Drop. Production Crews, Writers, Assistants, And Other Behind-the-scenes Staff Lose Stability In The Fallout. This Is Not Just About One Man Behind A Desk; Itâ€™s About An Entire Ecosystem Of Workers Who Pay The Price When Corporate Or Political Interests Clamp Down On Speech.

The FCC Should Be Deeply Concerned About This Trend. Our Airwaves Are Meant To Protect Diverse Voices, Not Punish Them. We Need Assurance That Freedom Of Expression, Not Fear Of Censorship, Guides Broadcasting In This Country.

I Am Writing To File A Complaint Concerning Undue Government Influence Or Censorship Of Broadcast Media, Specifically In Relation To The Cancellation Of Jimmy Kimmel. I Believe This Reflects A Troubling Pattern Of The FCC Bowing To Political Pressure In Ways That Threaten Free Expression And Violate The Principles Enshrined In The First Amendment.

The First Amendment Protects The Freedom Of Speech And Prohibits Government From Suppressing Content Based On Viewpoint. The FCC's Role Includes Ensuring That Broadcast Regulation Does Not Unjustly Favor Or Penalize Broadcasters Based On Political Pressures.

When Political Pressure Leads To Cancellation Or Suppression Of Content Without Legitimate Legal Or Regulatory Cause, This Undermines Public Trust And Harms Democratic Discourse.

I Believe What Has Taken Place Is Inconsistent With The FCC's Duty To Protect Free Expression And Prevent Undue Censorship. I Urge The FCC To Take This Complaint Seriously, Investigate Thoroughly, And Take Action To Ensure That Political Influence Does Not Undermine Free Speech In Broadcasting.

Thank You For Your Time And For Your Attention To This Serious Matter. I Look Forward To Your
Response.

I Am Extremely Concerned About Your Silencing Of Free Speech By Pressuring Sinclair / ABC / Disney To Take Jimmy Kimmel Off The Air. Iâ€™ve Watched His Clip. His Words, While Harshly Critical Of President Trump, Should Not Result In Suspension.

Itâ€™s Horrifying That You Would Censor Kimmelâ€™s Remarks And Yet Be Apparently Untroubled By What Fox News Anchor Brian Kilmeade Said On-air Last Week: That Mentally Ill Homeless People Should Be Killed By 'involuntary Lethal Injection.' Shouldâ€™t His Show Be Suspended For Those Violent And Dangerous Remarks?

And Yet You Released A Statement Saying That The Suspension For Kimmel Is Not Enough. What 'appropriate Steps' Does ABC Need To Take To 'uphold The Standards?' Are You Stating That TV Personalities Must Never Criticize Trump Or Republicans? Because That Is Unconstitutional Censorship Of One Political Party While Giving Fox News Free Rein To Regularly And Harshly Criticize The Other Political Party Without Consequences.

Itâ€™s Clear That The FCC Is Using Its Power To Silence Free Speech. And That Violates The First Amendment. You Cannot Give Some People The Right To Free Speech And Withhold It From Others.

I Fear We Are Headed Down A Scary Path To Losing Our Democracy And Our Freedom 'To A Dictatorship. Comparisons To Hitlerâ€™s Germany Are Not Overstated. As Iâ€™m Sure You Know, The Nazi Party Exerted Control Through Propaganda And Censorship. Josef Goebbels, Who Was Appointed Minister Of Propaganda In 1933, Aimed To Brainwash People Into Obeying And Idolizing Hitler. He Controlled The Media And Arts, Making Sure

That Germans Were Fed Nazi Ideology While Censoring Other Information. Is That The Game Plan You're Intending To Follow?

Please Reconsider Your Actions And Listen To All The Outraged Citizens Who Do Not Want Their Freedom Of Speech Taken Away. Do The Right Thing And Let Jimmy Kimmel Back On The Air (and By That Same Token, Stephen Colbert) and Stop Threatening Whichever Media Outlets Don't Agree With Your Views.

Why Is The FCC Not Investigating And Demanding Brian Kilmeade Be Fired And Fined And Fox News Be Fined For His Comments About Giving Lethal Injections To The Homeless And The Mentally Ill? I Was Deeply Affected By Kilmeade's Vile And Hateful Comments And His Suggestions. These Comments Are Far, Far Worse Than Anything Jimmy Kimmel Or Stephen Colbert Have Said Kilmeade's Comments Can Be Taken By Someone To Go Out And Start Killing The Homeless, The Disabled, And The Mentally Ill. Why Was Trump's Mocking And Making Fun Of A Disabled Journalist Not Addressed? It Seems That Only If You Are A MAGA, You Can Say Anything....but If You Don't Support Trump, Your Freedom Of Speech And The Freedom Of The Press Are Taken Away!

Sir/Madam,

FCC Chair Carr Recently Condemned ABC Late-night Host Jimmy Kimmel For His Comments Regarding The Murder Of Mr. Kirk. Chair Carr Said, 'It Was Appearing To Directly Mislead The American Public About A Significant Fact That Probably One Of The Most Significant Political Events Weâ€™ve Had In A Long Time'.

Why Then Do You Not Condemn The Tens Of Thousands Of Falsehoods Espoused By The Current President Regarding January 6th Riots, Election Rigging, His Taxes, His Real Estate Holdings, Defamation, Sexual Assault, Corporate Financial Fraud, Epstein Scandal, Border Wall, Russian Hacking, Wildfires, Economy, Family Separations, Immigration, Women's Health, Vaccinations, Mail-in Voting, And On And On...

Please Note That Many Of His Lies Are Also About Significant Political Facts Regarding Significant Events!

Can You Please Take The President Off-air As Well! Thank You

Sincerely,

The FCC Pressuring ABC To Take Jimmy Kimmel Off The Air Is UNACCEPTABLE. His Remarks Were Not Even Personal About Kirk, And IMO, There Are PLENTY Of Bad Things To Be Said About That Guy. Kirk Said Women Should Stay Home & Breed. He Is Not A Person The FCC Ought To Stick Up For; The Current Admin. In DC Is Behaving Like Germany In The 1930s After Hitler Came To Power, Threatening & Attacking Anybody Who Doesn't Toe The MAGA Line. Anti-MAGA Ppl Vastly Outnumber The MAGA Cult. It Is A CULT Of Personality, Not A Political Movement. Shame On The FCC For Going Along With Uncalled-for Censorship & Punishment Of Stars/networks That Dare To Say Something Critical Of 47 Et Al. That Is Not The FCC's Job!!! It Is Disgraceful To See Ppl Who Know Better Capitulating To A Tyrant, Who Isn't Even Rational Or In His Right Mind. We, The People, Are Fed Up With This Garbage, And We Are Prepared To Defend Our Freedoms. Tyrant Rule With A 'state' Church Has Been Tried In This Country Before, And Patriotic Citizens Gave The Tyrant His Walking Papers In No Uncertain Terms. History Will Repeat Itself If The Regime Won't Learn From It. So, In Conclusion. GROW A SPINE And Uphold The Constitution. My Family's Been Here Since 1700 & My Ancestors Didn't Fight And Die To Make This Country Free Just So A Bunch Of Cowards Could Hand It Over To An Orange Traitor And His Puppeteers. America Is For ALL Of Us, Not Just Phony-'Christian' Nationalists And Right Wing Extremists. Be On The Right Side Of History & Stand Up For Free Speech.

To The FCC Leadership

I Am Writing To Object To Sinclair's Decision To Remove Jimmy Kimmel From Broadcast. This Action Violates Both The Spirit Of The First Amendment And Sinclair's Obligations Under The Communications Act Of 1934, Which Requires Licensees To Operate In The "public Interest, Convenience, And Necessity."

The Supreme Court Has Made Clear That The Airwaves Are A Public Trust. In *Red Lion Broadcasting Co. V. FCC* (1969), The Court Held That The "paramount Right Is The Right Of The Public To Receive Suitable Access To Social, Political, Esthetic, Moral, And Other Ideas." Removing A Commentator Because Of Political Or Social Viewpoints Undermines This Right. Likewise, *New York Times V. Sullivan* (1964) Affirmed The Need For "uninhibited, Robust, And Wide-open Debate" Precisely The Type Of Expression Sinclair Has Now Stifled.

This Decision Chills Free Expression, Narrows Public Discourse, And Raises Serious Questions About Sinclair's Compliance With FCC Licensing Obligations. I Urge The FCC To Review This Matter And Call On Sinclair To Immediately Reaffirm Its Commitment To Viewpoint Diversity And Editorial Independence.

The Public Airwaves Belong To The People "Not To Corporations That Wish To Silence Constitutionally Protected Speech.

Respectfully,

FCC Chairman Carr's Grotesque Abuse Of Power In Forcing ABC To Pull Jimmy Kimmel's Show Is A Violation Of American Law And Is Morally And Ethically Repugnant. Nexstar's Simultaneous Action In Forcing Its Affiliate Stations To Cancel The Show Is Equally Troubling And Is An Obvious Attempt To Curry Favor With The FCC And Trump Administration In The Hope Of Getting Its Merger With Tegna Approved. The First Amendment Has Its Place At The Top Of The Bill Of Rights For A Reason: It Is The Foundation On Which Democratic Government Is Built. The FCC's Blatant Violation Of Americans' Right To Free Speech Is Something One Sees In Autocracies Like Russia, Where The Rule Of Law Doesn't Exist And All Speech That Doesn't Please The Leader Is Curtailed. This Is Not What We Want America To Become. The Right To Free Speech Is An Essential Liberty That Allows Us To Hold Our Elected Leaders Accountable; If The FCC Now Intimidates Media Companies To The Extent That They Only Air Programming That The Party In Power Approves Of, We Are No Better Than Russia. The Actions By The FCC Are Illegal, Unconstitutional And Egregious Political Overreach. I Am Writing To Express My Deep Concern And Outrage Regarding The Recent Suspension Of 'Jimmy Kimmel Live!' Based On His Criticism Of Charlie Kirk And President Donald Trump At The Behest Of FCC Chairman Brendan Carr.

It Is Deeply Troubling To Me That Such An Action Could Be Taken In Response To The Legitimate Exercise Of Free Speech, Which Has Been Taken In Order To Appease The President Due To Fear Of Retaliation By The President Towards Sinclair Broadcast Group And Its ABC Affiliate Television Stations.

I Fully Support The 1st Amendment And Jimmy Kimmel's Right To Free Speech. Attempting To Punish And Silence His Speech Is A Clear Threat To The Founding Principles Upon Which This Nation Was Founded. It Sets A Dangerous Precedent Whereby The FCC Can Indiscriminately Stifle The Speech Of Any Television Personality Whom Our President Does Not Like. Charlie Kirk's Statements And Actions Promoted Hatred And Division. Jimmy Kimmel Did Not Say Anything That Was Derogatory Or Untrue About Charlie Kirk. Jimmy Kimmel's Commentary And Critique Of Charlie Kirk Do Not Justify Curtailing His Free Speech Or His Audience's Ability To Hear His Opinions On Television. Charlie Kirk Did Not Engage In True Debate Nor Good-faith Arguments. He Was An Instigator Who Misrepresented His Opponents Arguments, Ignored Their Points, And Manipulated The Videos He Produced For His Audience. Yet, He Was Allowed To Do So, And His Right To Free Speech Was Not Violated. Therefore, Jimmy Kimmel's Rights Should Also Not Be Violated.

The Integrity Of Our Democracy Relies On The Open Exchange Of Ideas, Debate, And Dissent. I Implore The FCC To Uphold The First Amendment, Ensure That Media Outlets Can Operate Without Fear Of Political Retribution, And Prevent Any Actions That Punish Speech Critical Of Political Figures.

Description

I Am Writing To Express My Deep Concern Over The Recent Suspension Of Jimmy Kimmel Live! Following Comments Made By Mr. Kimmel About The Tragic Death Of Charlie Kirk. The Decision By ABC And Its Affiliates To Pull The Show Appears To Have Been Influenced By Public Threats And Pressure From FCC Chair Brendan Carr, Who Publicly Condemned Kimmel's Remarks And Suggested Punitive Action Against The Network.

This Raises Serious Questions About The FCC's Role In Regulating Speech And The Potential Abuse Of Governmental Power To Silence Dissenting Voices. Mr. Kimmel's Commentary "whether Controversial Or Not" falls Squarely Within The Bounds Of Protected Speech Under The First Amendment. The FCC Should Not Be In The Business Of Policing Political Satire Or Commentary, Especially When It Targets Powerful Figures Or Ideologies.

Chair Carr's Public Statements, Including Threats Of "additional Work For The FCC" If Action Wasn't Taken Against Kimmel, Suggest A Troubling Politicization Of The Commission's Authority. This Undermines Public Trust In The FCC's Impartiality And Risks Turning The Agency Into A Tool Of Censorship Rather Than A Guardian Of Public Interest.

I Urge The FCC To Clarify Its Position On This Matter And To Reaffirm Its Commitment To Protecting Free Expression Across Broadcast Media. Furthermore, I Request A Formal Review Of Chair Carr's Conduct And Whether His Actions Constitute An Abuse Of Office Or A Violation Of Ethical Standards.

The Public Deserves Media That Can Challenge Power, Provoke Thought, And Reflect Diverse Viewpoints. Silencing A Prominent Voice Like Jimmy Kimmel's Sets A Dangerous Precedent And Threatens The Very Foundation Of Our Democracy.

City/State/Zip: Mount Holly Springs, PA 17065

Name of TV Program: Jimmy Kimmel! Live!

Network: ABC

Description

This Complaint Is Not About Indecency Or Obscenity. I Am Filing Under This Category Only Because No Other Option Was Available. My Concern Is About Censorship And The Chilling Effect On Free Expression Following The Suspension Of Jimmy Kimmel Live!.

I Am Deeply Concerned About The Recent Suspension Of Jimmy Kimmel Live! Following Remarks Made During A Monologue. While Not Everyone Will Agree With Or Enjoy What Was Said, Suspending A Program Over Political Controversy Sets A Dangerous Precedent For Selective Censorship.

Free Speech Must Apply Equally â€” Whether Itâ€™s A Late-night Comedian Making Jokes Some Find Offensive, Or A Religious Figure Using Scripture In Ways Many Find Harmful. If The Government Or Regulatory Pressure Is Allowed To Shape Broadcast Content, We Risk Handing Over The Power To Decide Who Can Speak And Who Cannot. That Jeopardizes The Rights Of All Americans â€” Left, Right, Or Indifferent.

I Respectfully Urge The FCC To Clarify Its Stance On Protecting Diverse Viewpoints On Public Airwaves And To Ensure That Political Influence Is Not Used To Silence Lawful Expression.

Thank You In Advance For Your Attention To This Matter.

Description

Iâ€™m Writing To Express My Concern Over The Recent Suspension Of Jimmy Kimmel Live! By ABC, Reportedly Following Political Pressure And Commentary From FCC Leadership. As A Citizen And Longtime Viewer, I Find This Deeply Troublingâ€”not Just As A Media Decision, But As A Potential Infringement On Free Speech.

Jimmy Kimmelâ€™s Remarks, While Provocative, Fall Within The Tradition Of Satire And Political Commentary Protected Under The First Amendment. The Suggestion That Broadcasters Should Face Consequences For Airing Such Contentâ€”especially When Influenced By Government Officialsâ€”sets A Dangerous Precedent. It Risks Chilling Speech Across The Media Landscape And Undermines The Publicâ€™s Trust In The Independence Of Our Broadcasters.

I Urge The FCC To Reaffirm Its Commitment To Protecting Free Expression And To Avoid Actions That Could Be Interpreted As Political Censorship. The Public Deserves Media That Can Challenge, Critique, And Provoke Thought Without Fear Of Retaliation.

Thank You For Your Attention To This Matter.

Sincerely,

Sinclair Should Not Be Able To Hold A TV Show Hostage Because They Did Not Like A Joke. They Especially Should Not Be Allowed To Blackmail Someone Into Funding A Charity That They Favor. If Sinclair Can Not Help Themselves They Should Be Disassembled So They Don't Hold So Much Power. The President Of Our Country Should Not Be Allowed To Influence What We Freely Watch On TV. This Is Clearly Political And Clearly Illegal. If You Are Going To Hold A Comedy Host Like Jimmy Kimmel Accountable For A Joke Then You Need To Also Do The Same For Everyone On FOXNews For The Lies And Hideous Stories They Spread. Hello. I Am Reaching Out Today As A Scared And Concerned Citizen Of The United States Of America. Doing So Was An Egregious Attack On Our Protected Right To Free Speech. How Could You Do This? Why? For What Reason? What Did Kimmel Actually Say That Was Worthy Of This Decision And The Massive Impact It Will Have On Society And Individual Freedom? Description

To Whom It May Concern,

I Am Writing To File A Complaint Regarding The Recent Comments Made By Fox News Host Brian Kilmeade, Who Suggested Lethal Injection For Homeless Individuals. These Remarks Are Deeply Offensive, Dangerous, And Far Beyond The Bounds Of Decency For A Television Host.

What Troubles Me Most Is The Double Standard. When Jimmy Kimmel Made A Controversial Comment, He Was Discussed By The FCC Chairman And TV Stations Threatened To Face FCC Consequences. Yet In This Case, Kilmeade's Words "arguably More Damaging" were Brushed Aside With No Comparable Accountability. Why Is One Host Forced To Out, While Another Is Allowed To Walk Away Unscathed?

No Threat To FOX?!?!

This Inconsistent Treatment Sends A Clear Message To Moderate Americans In The Middle: That The FCC And Fox News Operate Under Two Different Sets Of Rules. If A Comment Is Seen As Critical Of Donald Trump Or Conservative Politics, The Response Is Swift Condemnation. If It Aligns With The Views Of Certain Political Figures, It Is Excused Or Ignored. That Is Not Fairness. That Is Bias.

Both The FCC And Fox News Have A Responsibility To Uphold Integrity And Consistency. If The Standard Is Apology And Accountability, Then Apply It Evenly. Show Courage By Not Bending At The Knee To Partisan Influence.

The Pendulum Will Inevitably Swing Back The Other Way, And It Will Not Feel Good When Trust In Your Institutions Is Lost Because Of Blatant Double Standards. Fairness Matters. Integrity Matters. And Americans Are Noticing When Those Values Are Absent.

What A Shame!!! FCC Is A Vehicle Of Power For Donald Trump. Show Some Courage And Integrity!

Description

The Hypocrisy Here Is Absolutely Mind-blowing. FCC Chairman Brendan Carr Called Jimmy Kimmel's Comments About Charlie Kirk 'truly Sick' And Threatened To Pull ABC's Broadcast License, Forcing The Network To Take Kimmel Off The Air. Carr Said Broadcasters Have An 'obligation To Operate In The Public Interest' And That There Would Be 'consequences' For What Kimmel Said.

But Here's What Makes This Completely Ridiculous: Just Days Earlier, Brian Kilmeade On Fox And Friends Literally Said Homeless People Who Refuse Treatment Should Face 'involuntary Lethal Injection, Or Something. Just Kill Them.'
<https://apnews.com/article/kilmeade-fox-homeless-executed-apology-bffb74e9d672b79853dc6fb8eb29afc8>.

He Actually Suggested The Government Should Murder Mentally Ill Homeless People. That's Not A Joke Or Satire - He Said We Should Execute Vulnerable Human Beings.

And What Did Brendan Carr Do About That? Absolutely Nothing. No Threats To Fox's Broadcast License. No Demands For Accountability. No Talk About 'public Interest Obligations.' Complete Silence.

So Let's Get This Straight: Making A Comment About A Political Figure's Killer Gets You Pulled Off The Air And Your Network Threatened. But Calling For The Government To Kill Homeless People? That's Apparently Totally Fine With The FCC Chairman.

This Isn't About Protecting The Public Or Maintaining Broadcast Standards. It's About Using Government Power To Silence Critics While Letting Allies Say Whatever Horrific Things They Want. When You Threaten One Network For Speech You Don't Like But Ignore

Another Network Calling For Literal Executions Of Homeless Americans, You're Not Enforcing Rules - You're Playing Favorites And Abusing Your Power.

The Fact That Carr Can Keep A Straight Face While Claiming To Care About 'truly Sick' Comments While Ignoring Calls For Mass Murder Of Society's Most Vulnerable People Shows This Has Nothing To Do With Standards And Everything To Do With Politics.

This Is Disgraceful, UnAmerican And Another Slide Down A Slippery Slope That Is Getting Closer And Closer To The Bottom Of What America Should NOT Be. A Dictatorship With State TV.

American Citizens Who Support Our Current President Donald J. Trump Are Really Tired Of People That Oppose Our Political Views Being Able To Say Whatever They Want Insulting Our Views And Even Lying. The Recent Cancellation Of Jimmy Kimmel Live! By The FCC Is Nothing Short Of An Alarming Overreach And A Direct Assault On Free Speech. This Move Reeks Of Authoritarian Control, With The FCC No Longer Acting As An Independent Regulatory Body, But Rather As A Tool Wielded By Those In Power To Silence Dissenting Voices. Kimmel's Show, Known For Its Sharp Satire And Political Commentary, Clearly Struck A Nerve—and Instead Of Fostering Open Discourse, The Government Chose Censorship. It's A Chilling Reminder That When Comedy Is Punished, Democracy Is In Danger.

Dear FCC,

If Government Officials Influenced This Decision Through Threats Of Regulatory Action, It Represents An Act Of Censorship And A Violation Of The First Amendment. Regardless Of One's Opinion Of The Content, Regulators Must Not Coerce Broadcasters Into Silencing Speech.

I Urge The FCC To Clarify Its Involvement In This Matter And To Publicly Reaffirm Its Commitment To Protecting Free Expression And Preventing Any Chilling Effect On Media Organizations.

Dear Sinclair Broadcast Group And ABC Television Network,

I Am Writing To Express My Firm Disagreement With The Recent Suspension Of Mr. Jimmy Kimmel. It Is My Strong Belief That This Action Constitutes A Violation Of His First Amendment Rights, Namely His Freedom Of Speech And Expression As Protected Under The Constitution Of The United States.

As An Individual Who Values Open Discourse And The Foundational Principles Upon Which Our Nation Was Built, I View The Suppression Of A Public Figureâ€™s Voiceâ€™especially In The Context Of News Commentary And Political Discourseâ€™as Deeply Concerning. Such Measures Risk Setting A Precedent That Undermines The Rights Of Not Only Mr. Kimmel But All Citizens.

In View Of This, I Have Taken The Step Of Cancelling My Subscription To Disney+. I Will Also Be Ceasing To View ABC Programming Until Such Time As I Am Convinced That Your Organizations Are Committed To Upholding Constitutional Protections For Speech, Evenâ€™and Perhaps Especiallyâ€™for Those With Whom You Disagree.

I Respectfully Urge You To Reconsider This Suspension, To Restore Mr. Kimmelâ€™s Platform, And To Affirm Your Commitment To Freedom Of Expression.

Thank You For Your Attention To This Matter.

I Would Like To File A Complaint Against The FCC For Its Partisan Decision To Cancel Jimmy Kimmel Because Of His "progressive" Viewpoints That Are Supposedly Only Appreciated In NYC And LA. Interestingly Enough, I'm An Iowa Girl, Born And Bred, And I Think Jimmy S Hysterical And Believe You Are Stifling Communities And Jimmys 1st Amendment Rights By Taking The Show Off The Air Permanently Because He "picks On" The President. Go Back And Watch The Years Obama And Biden Were In Office And Tell Me He Didn't Pick On Them Too. Comedians Material Has To Come From Somewhere That Is Known Collectively By Their Audience. Only, No One Else Has Ever Complained Because They Understand What The 1st Amendment Entails, Did Not Want To Be Dictators, And Were Able To Brush It Off As The Jokes That They Were. Only Trump Knows He's A Laughing Stock And Somehow Thinks He Can Control Everyone Who Has Said Something Bad About Him. Maybe The FCC Should Put Conditions On How Much An Organization, Whose Job Is To Distribute The Truth, Is Deceptive And Lies About It. That Would Be Time Well Spent. The Government Is Not Supposed To Punish What Brendan Carr Calls "progressive Foie Gras" . I Thought There Was A Standard In The FCC Rules And Congress Title 47 About What "public Interest" Means And It Doesn't Mean A Sitting Politician, Who Doesn't Like Someone Because They Criticize Them, Having Control Of The Airways. If We Turn Into An Authoritarian Regime, At Least The FCC Can Say They Played A Part In Constructing Propaganda Tv In What Once Was A Free And Democratic Nation. Description

To The Federal Communications Commission,

I Am Writing To Formally Protest The FCC's Role In Pressuring Disney And ABC To Suspend Jimmy Kimmel Live!. It Is Deeply Concerning That FCC Leadership, Including Chairman Brendan Carr, Appeared On A Partisan MAGA Podcast To Publicly Call For Jimmy Kimmel's Removal. This Behavior Raises Serious Concerns About Corruption, Abuse Of Regulatory Authority, And The Violation Of Free Speech Protections.

The FCC's Responsibility Is To Serve The Public Interest, Not To Act As An Arm Of Political Retribution. Using The Threat Of License Revocation Or Other Regulatory Punishment To Silence A Broadcaster Is Government Coercion, Plain And Simple. This Violates Both The Spirit And The Letter Of The First Amendment, Which Prohibits Government Actors From Punishing Or Censoring Speech They Dislike.

My Concerns Are As Follows:

1. Improper Political Influence: FCC Officials Must Not Use Their Positions To Pressure Private Companies Based On Political Content.
2. Corruption Of Process: Tying The Suspension Of A Broadcaster To FCC Approval Of Unrelated Corporate Transactions Is An Abuse Of Power.
3. Free Speech Violations: By Intervening In Content Decisions, The FCC Has Chilled Protected Expression And Created A Dangerous Precedent For Future Censorship.

I Urge The FCC To Immediately:

â€¢ Refrain From Further Involvement In Programming Or Content Decisions By Broadcasters.

â€¢ Investigate And Disclose Any Internal Communications Related To This Matter.

â€¢ Publicly Reaffirm The FCCâ€™s Commitment To Protecting The Free Speech Rights Of All Americans, Regardless Of Political Perspective.

As A Citizen, I Am Outraged That Federal Regulators Are Using The Weight Of Government To Punish Speech. This Is Not The Role Of The FCC, And It Undermines Public Trust In The Commissionâ€™s Independence And Legitimacy.

Sincerely,

Description

Dear Commissioners,

I Am Writing To Formally Lodge A Complaint Regarding Recent Actions Taken By FCC Chairman Brendan Carr, Which I Believe Constitute A Serious Overstep Of The Commission's Mandate And A Violation Of The First Amendment Of The United States Constitution.

On Or Around September 18, 2025, Chairman Carr Publicly Pressured ABC And Its Affiliates To Cancel Jimmy Kimmel Live! Following Comments Made By Mr. Kimmel Regarding The Political Response To The Tragic Death Of Charlie Kirk. Chairman Carr Stated That Broadcasters "can Do This The Easy Way Or The Hard Way," Implying That Failure To Remove Kimmel Could Result In Punitive Action By The FCC, Including Potential License Reviews.

This Coercive Language And Subsequent Cancellation Of The Show By ABC "an FCC-regulated Broadcaster" amounts To Government-induced Censorship. The First Amendment Prohibits Government Agencies From Retaliating Against Individuals Or Entities For Protected Speech, Even If That Speech Is Controversial Or Politically Charged. The FCC's Role Is To Regulate Technical Aspects Of Broadcasting And Ensure Compliance With Public Interest Standards "not To Suppress Political Commentary Or Satire.

The FCC's Actions In This Case Have:

Exceeded Its Statutory Authority Under The Communications Act.

Violated The Constitutional Protections Afforded To Both Mr. Kimmel And ABC.

Set A Dangerous Precedent For Government Interference In Editorial Decisions.

I Respectfully Request That The Commission:

Open An Internal Investigation Into Chairman Carrâ€™s Conduct.

Issue A Public Clarification Reaffirming The FCCâ€™s Commitment To First Amendment Protections.

Refrain From Using Licensing Authority As A Tool For Political Censorship.

Thank You For Your Attention To This Matter. I Trust The Commission Will Act To Restore Public Confidence In Its Impartiality And Adherence To Constitutional Principles.

Sincerely,

I Have A Serious Problem With The FCC's Influence On The Decision To Fire Jimmy Kimmel.

First, I'm Not A Jimmy Kimmel Fan. I've Watched It Hear And There For Entertainment. Laughed. Enjoyed The Entertainment. Went On About My Life. I Don't Dislike Jimmy Kimmel, But I'm Just Indifferent. I Think It Is Good Entertainment.

When We As A Country Are All Stressed Out At The TERRIBLE LEADERSHIP Being Displayed By Our Country's Leaders, It Is Very Helpful To Take A Step Back...wind Down... And Laugh A Little. Comedy Is Comedy. Entertainment Is Entertainment. It's Just That. You Are Not Our Parents. You Are Not The Judge And Jury. This Is Far Outside Of Your Roles And Responsibilities.

I Have Never Written A Single Complaint To Government Officials (42yr Old 20yr Army Veteran). Never. Ever. This Past Month I've Written Almost Half A Dozen Because Of How Absolutely AWFUL Our Leaders In The Country Are.

This Is Complete Government CONTROL Of The People Of The United States. The Government Is Now Working For The Rich And Powerful, And Not For The People Of The United States.

Free Speech Is Free Speech. It Means You Don't Get To Control What People Say. You Are Interfering With Businesses Unnecessarily To Accomodate Donald Trump...your Master. He Is Not My Master. He Happens To Be The President Of The United States. He Is The Worst Evil, And Worst President The World Has Ever Seen, And I Hope The Worst President The World Will Ever See, Because I Don't Think Our World Could Tolerate

Anyone Worse Than Donald Trump. Keep In Mind I've Never Written A Letter Like This Until This Past Month.

Do Your Job Within Your Roles And Responsibilities. Serve The People Of The United States Of America, And Not Certain Interest-groups. Stop Bending Over And Allowing Donald Trump To OWN YOU.

The Government Should Be For The People. The FCC Should Do Their Job, And Stop Being Political. Read History...this Is The Wrong Direction.

â€œ...or Involuntary Lethal Injection, Or Something,â€ Kilmeade Said. â€œJust Kill 'em.â€

Please Tell Me How The Following Quotes From Brendan Karr, THE FCC CHAIRMAN, Do Not Rise To The Same -- Actually Much Stronger -- Threshold That He Used Against Jimmy Kimmel To FOX News' Brian Kilmeade's Despicable, Horrific Comment Above??

'The Issue That Arose Here, Where Lots And Lots Of People Were Upset, Was Not A Joke...'

'It Was Not Making Fun,' Said Carr...

'Our Goal And Our Obligation Here Is To Make Sure That Broadcasters Are Serving The Public Interest,' Carr Said.

'And If There's Local TV Stations That Don't Think That Running That Programming Does It, Then They Have Every Right Under The Law In Their Contracts To Preempt It. And We'll See How This Plays Out.'

'I Do Think That Again, We Are In The Midst Of A Massive Shift In Dynamics In The Media Ecosystem For Lots Of Reasons, Again, Including The Permission Structure That President Trump's Election Has Provided,' The FCC Chief Said.

'This Is A Very, Very Serious Issue Right Now For Disney. We Can Do This The Easy Way Or The Hard Way,' Carr Told Right-wing Commentator Benny Johnson That Day. 'These Companies Can Find Ways To Take Action On Kimmel, Or There Is Going To Be Additional Work For The FCC Ahead.'

'They Have A License Granted By Us At The FCC, And That Comes With It An Obligation To Operate In The Public Interest,' Carr Said.

I Eagerly Await The FCC's Public 'suggestion - Wink, Wink' That FOX News Suspend And/or Fire Brian Kilmeade For Stating That We Should 'just Kill' Fellow Americans Who Don't Have Houses.

How Scary That I Feel The Need To End This Email With A Reminder That THE 1ST AMENDMENT OF OUR CONSTITUTION STATES, 'Congress Shall Make No Law Respecting An Establishment Of Religion, Or Prohibiting The Free Exercise Thereof; Or ABRIDGING THE FREEDOM OF SPEECH, Or Of The Press.'

SHAME.

ON.

YOU.

Good Morning,

“Jimmy Kimmel Live” Hasn’t Been On The Past Few Nights Due To The FCC Chairman Threatening ABC, As Well As Extorting Nexstar. As Someone Who Took An Oath To Protect And Defend The Constitution When Joining The Army, I Am Deeply Concerned About This Trampling Of The First Amendment.

ABC, As Jimmy’s Private Employer, Is Within Their Right To Let Him Go For Any Reason, And Consumers Have The Right To Vote With Their Dollars And Simply Not Watch.

But The FCC Does Not Have The Right To Force ABC To Take JKL Off The Air.

I Am Dismayed By The FCC's Choice To Censor Jimmy Kimmel From Hosting His Late Night Show This Week. From The FCC's Own Website: 'The FCC Has Long Held That 'the Public Interest Is Best Served By Permitting Free Expression Of Views.' Rather Than Suppress Speech, Communications Law And Policy Seeks To Encourage Responsive 'counter-speech' From Others. Following This Principle Ensures That The Most Diverse And Opposing Opinions Will Be Expressed, Even Though Some Views Or Expressions May Be Highly Offensive.' So By Your Own Description Of FCC Free Speech Conduct, If Kimmel Makes A Comment That Is Offensive To The Trump Administration, He Should Still Be Able To Make It.

I Find Most Things President Trump Says Very Offensive And It Is Distressing To Me That A Convicted Rapist Is On Air So Frequently, Often Saying Things That Are False, Misrepresenting News Stories, And Making Derisive And Racist Comments About Whole Groups Of People. By The Standard You Are Imposing On Kimmel, President Trump Should Also Be Taken Off The Air.

On Wednesday, Sept. 10, During Fox & Friends, Host Brian Kilmeade Said Of Homeless People That They Should Be "be Locked Up In Jail. Or Involuntary Lethal Injection, Or Something. Just Kill "em." This Is Incitement Of Violence And Rises To The Level Of Hate Speech, Which, According To Attorney General Pam Bondi, Is Any Speech That 'crosses The Line Into Threats Of Violence' And 'is NOT Protected By The First Amendment.' If Jimmy Kimmel Can Be Taken Off The Air For Briefly Speculating On The Motivations Of The Man Who Assassinated Charlie Kirk, Brian Kilmeade Should Face Similar Retribution For His Violent And Incendiary Comments Toward Homeless People On Fox & Friends. If Brian Kilmeade Does Not Face Similar Retribution For His Comments From The FCC, Then The FCC's Application Of Pressure On ABC To Force Jimmy Kimmel Off The Air Is Extraordinarily Inappropriate, Wildly Out Of Balance, And In Violation Of The First Amendment Of The United States Constitution, Which States: 'Congress Shall Make No Law Respecting An Establishment Of Religion, Or Prohibiting The Free Exercise Thereof; Or Abridging The Freedom Of Speech, Or Of The Press; Or The Right Of The People Peaceably To Assemble, And To Petition The Government For A Redress Of Grievances.' I Am Deeply Disturbed And Offended That Reporter Brian Kilmeade Said Live On National Television That Mentally Ill Homeless People Should Be Killed By Involuntary Lethal Injection. This Remark Occurred During Fox & Friends On Or About September 10th. This Is An Abhorrent And Sick Blanket Comment To Make About All Homeless People. He Was Not Reference A Specific Case Or Person But This Was An Outright Blanket Call To Execute Innocent People Because They Are Mentally Ill. As A Report He Has A Duty To Report Objectively And Not Interject Is Sick And Twisted Personal Beliefs Onto The Public. I Do Not Think An Apology Is Enough. There Needs To Be Consequences Of Further Stigmatizing Mental Illness As Well As To Put A Dangerous Idea Out On Live Tv In Our Current National Climate. Jimmy Kimmel Was Removed From Late Night Tv For A Remark That Was No Where As Despicable Or Sickening As Brian Kilmeade. I Am Calling On The FCC To Enforce It's Rules Fairly And Equally. Description

To Whom It May Concern,

I Am Filing A Formal Complaint Regarding The FCC's Handling Of The Recent Situation Involving ABC And Jimmy Kimmel. As A Member Of The Public, I Rely On The FCC To Uphold Consistent, Transparent, And Viewpoint-neutral Broadcast Standards.

- The Decision-making In This Case Appears To Lack Clarity And Fairness. Specifically:
- The FCC Has Not Provided The Public With A Clear Explanation Of What Rule Or Standard Mr. Kimmel's Content Allegedly Violated.
- The Lack Of Transparency Creates The Perception Of Selective Enforcement, Which Undermines Public Trust In The FCC's Ability To Regulate Fairly.
- By Intervening In This Manner Without Published Justification, The FCC Risks Chilling Free Expression And Editorial Independence In Broadcasting.

I Respectfully Request That The FCC:

- Publish All Communications Between The FCC (including Leadership And Staff) And ABC Or Its Affiliates Regarding This Case.
- Provide The Public With A Clear Explanation Of The Standards Applied In This Decision.
- Establish Publicly Available Guidelines That Ensure Future Enforcement Actions Are Consistent, Transparent, And Viewpoint-neutral.

As A Viewer And Citizen, I Expect The FCC To Safeguard The Principles Of Fairness And Free Speech In Broadcasting. I Urge The Commission To Address These Issues Promptly.

Sincerely,

(b) (6)

P.S. For Privacy Purposes, I Do Request That My Personal Details Not Be Disclosed Publicly.

I Do Not Believe Kimmel's Show Should Be Suspended. Free Speech Is A Right Enshrined In The U.S. Constitution. The FCC Interfering With A Citizen's Right To State Facts, Whether Humorously Or Seriously, Publicly Or Privately, Is A Direct Infringement On That Right. If Our Felon President Can Incite Violence And Insurrection Without Consequences, Others Should Be Free To State And Criticize Those Actions.

Carr Issued A Threats Against ABC And Disney, Suggesting The FCC Would Make Future Business-related Transactions Difficult For The Network Because It Didnâ€™t Prevent Kimmel From Going To Air With His Monologue. This Is Not How We Preserve Freedom Of Speech. The FCC Should Not Be Allowed To Stronghold An Organization Because It Does Not Agree With What Is Being Said. Our Country Has A Constitution To Ensure Basic Human Rights Are Protected And Not Subverted At The Will Of One Reckless Individual. Carr, An Obvious Trump Thug Has A Job To Protect The Voice Of America People Not Solely That Of One Bigoted President. News Organizations, Late Night Personalities, Comedians, Ordinary People Should Not Be Silenced Simply Because A Thin Skin President Does Not Like What Is Being Said. Kirkâ€™s First Amendment Rights Were Protected When He Spewed Hate Regarding Minorities, It Was Protected When He Made Statements Regarding Retirement: Something He Was No Where Near Reaching; His Rights Were Protected When He Spread His Misogynistic Beliefs And Many More Examples Could Be Listed, All Were Protected. If We Allow Kirkâ€™s Followers To Continue Spreading Hate, Broadcasting A Memorial In Kirkâ€™s Honor Then Anyone Having An Opposing View Should Be Allowed To Express It Without Fear Of Retaliation, Retribution Or Subversion. The FCC Must Protect The Will Of The People, Do Your Job And Make Sure This Does Not Send An Unprecedented Message To The American People That Freedom Of Speech And Expression Is No Longer Protected.

Hardly A Deranged Statement As Opposed To What Brian Kilmeade Said On Fox & Friends Regarding Mentally Ill Homeless People Should Be Given 'involuntary Lethal Injection' And 'just Kill 'em'. Then A Day Later In Minneapolis 13 People Were Injured At Two Separate Mass Shootings At Homeless Encampments. Yet Kilmeade Nor Fox Incurred Any Repercussions From Your Organization. "Not Surprising That It's Long Been Targeted For Censorship." "This Isn't A Close Call Or A Slippery Slope, Shutting Down This Type Of Political Speech - Especially At The Urging Of Those Targeted Or Threatened By Its Message - Would Represent A Serious Threat To Our Freedoms And Ability To Hold Those In Power Accountable." The Callous And Psychotic Statement Is Way Worse Than What Colbert Or Kimmel Have Ever Said. So It's Hard For Me To Reconcile How You Could Not Punish Fox News For Kilmeade's Statement. Why Is He Not Off The Air? Fox News Has Continued To Lie To The American People And Now After They Have Been The Sword Of Division, They Are Going To Stoke Violence Against An Already Hurting Population? That Means The FCC Is Picking The Administration's Hateful Side Instead Of The Side Of The American People. Fox News Should Be Punished And Kilmeade Needs To Be Off The Air. When People Have A Platform Like That, They Need To Understand They Wield Responsibility. And People Need To Stop Punishing The People Who Are Just Pointing Out The Obvious, That The Hate Talk Comes From The Very Top. Fox News Continues To Lie To The American People. Today, September 18th At Approximately 1900 Hours, I Heard Stephen A. Smith Newly Hired On Mad Dog Sports Radio In My Vehicle On The Air Supporting And Defending The Bad And Very Disrespectful Bias Actions And Comments Of Jimmy Kimmel Regarding The Recent Tragic Death Of Charlie Kirk!

My Family And I Were And Still Are Very Offended, Shocked And Felt Deeply Hurt By Stephen A Smith's Statements, Aired Negative Comments, And These Implications On The Air. His Hurtful And Insidious Remarks Reflect Your Business And Your Channel Shows. This Should Not Be Tolerated Or Allowed Ever.

Let Me Make This Very Clear, Nobody Deserves To Be Killed At All Expressing Their First Amendment Rights And Having An Open Debate About Political Topics! I Also Served This Country My Whole Life And Fought For Our Country, Constitutional Rights, And Amendments, But Free Speech Also Have Its Limitations And Laws.

Stephan A. Was Stating On Sirius XM Mad Dog Sports Radio That Jimmy Kimmel Was A Good Man, Decent On His Show, And Stephan A. Seemed To Agree And Imply Kimmel's Evil Statements And His Behaviors On His Show That Kimmel Was Recently Indefinitely

Terminated From And ABC Were Fine, (Jimmy Kimmel Live). Nothing Kimmel Said Was Fine And He (Jimmy Kimmel) In My Observations And Opinions Is Not A Good Person.

Description

Dear Jennifer Witz,
CEO Sirius XM Radio;

I Have Been With Sirius XM And Our Car Fleet Since 2009, And We Are Very Good Customers, Subscribers And Supporters. We Pay For These Radio Channels And Keep Sirius XM In Good Business. We Are Certain That You Honor And Respect All Of Us Here.

Today, September 18th At Approximately 1900 Hours, I Heard Stephen A. Smith Newly Hired On Mad Dog Sports Radio In My Vehicle On The Air Supporting And Defending The Bad And Very Disrespectful Bias Actions And Comments Of Jimmy Kimmel Regarding The Recent Tragic Death Of Charlie Kirk!

My Family And I Were And Still Are Very Offended, Shocked And Felt Deeply Hurt By Stephen A Smith's Statements, Aired Negative Comments, And These Implications On The Air. His Hurtful And Insidious Remarks Reflect Your Business And Your Channel Shows. This Should Not Be Tolerated Or Allowed Ever.

Let Me Make This Very Clear, Nobody Deserves To Be Killed At All Expressing Their First Amendment Rights And Having An Open Debate About Political Topics! I Also Served This Country My Whole Life And Fought For Our Country, Constitutional Rights, And Amendments, But Free Speech Also Have Its Limitations And Laws.

Stephan A. Was Stating On Sirius XM Mad Dog Sports Radio That Jimmy Kimmel Was A Good Man, Decent On His Show, And Stephan A. Seemed To Agree And Imply Kimmel's Evil Statements And His Behaviors On His Show That Kimmel Was Recently Indefinitely

Terminated From And ABC Were Fine, (Jimmy Kimmel Live). Nothing Kimmel Said Was Fine And He (Jimmy Kimmel) In My Observations And Opinions Is Not A Good Person.

Jennifer, I Ask You To Listen To What Stephen A. Smith Said On Sirius XM And Tell Him To Focus On His Specialty (sports) And Not Emotionally Charged Violence, Political Groups, And Most Importantly Assassinations Of Good, And Innocent Conservative Groups Or People Serving Any Political Party Or Affiliations.

Jennifer, What Jimmy Kimmel Said On His Live Show Was Indeed Very Bad Stating And Implying

Date: 9/19/2025

City/State/Zip: Nashville, TN 37211

Name of TV Program: On TV

Network: ABC

Description

I Am Writing To Formally Complain About FCC Chairman Brendan Carr's Use Of His Regulatory Authority To Pressure ABC Into Suspending Jimmy Kimmel, A Late-night Comedian, In What Appears To Be A Clear Violation Of The First Amendment And The FCC's Duty To Remain Neutral And Impartial.

While Chairman Carr Rushed To Punish Kimmel, He Has Said Nothing About Fox News Hosts Who Have (i) Repeatedly Spread Election Lies (e.g., Claiming The 2020 Election Was Stolen) (ii) Downplayed Or Excused Political Violence (e.g., January 6th), (iii) Aired Misleading Segments About Public Health (e.g., COVID Denialism, Vaccine Misinformation). In Fact, Fox News Settled A \$787.5 Million Defamation Lawsuit Over Deliberate Lies About Dominion Voting Systems. Yet Carr Never Threatened Fox Affiliates. He Never Opened An Investigation. He Never Cited "news Distortion."

This Is Selective Enforcement Based On Political Viewpoint " A Clear Abuse Of Power. Chairman Carr's Actions Violate The First Amendment, Which Prohibits Government Officials From Using Their Power To Punish Or Suppress Disfavored Speech. I Respectfully Request That The FCC, (i) Investigate Whether Chairman Carr Violated Agency Rules Or Constitutional Protections, (ii) Reprimand Or Censure Carr For Abuse Of Authority, (iii) Clarify That The FCC Will Not Use Licensing Threats To Punish Lawful Speech, Regardless Of Political Content.

Sincerely,

(b) (6)

I Was Watching Fox News And Host Brian Kilmeaid Suggested Involuntarily Lethal Injection To Solve The Homeless Issues In America. Afterwards, He Confirms What He Said To Show That It Wasn't A Mistake, He Said 'kill Them!'

This Is Disgusting, Violent And Hate Speech And Should Have No Place On Television, Especially One Presenting Itself As A News Station. If We're Suspended Kimmel For Suggesting That Donald Trump Shouldn't Have Blamed Democrats For The Death Of Charlie Kirk, I Believe The Only Fair Punishment Would Be To Terminate Brian Kilmeaid And To Suspend Fox News Indefinitely Until They Can Get Their Act Together. There Is No Place On Television For Inciting Violence, And FCC Made A Ruling On The Kimmel Show Where He Actually Was Actually Detesting Violence And The Wreckless Actions Of President Trump For Blaming One Political Party On A Shooting Without Gathering Any Facts. At The FCC, I Know You Will Have The Responsibility To Do The Right Thing And Treat Both Political Sides Evenly, Regardless Of Who Donald Trump Named To Head Your Organization.

Chairman Carr - What Country Do You Think You Are Living In? Have You Lost Your Senses? We Live In The United States Of America Where The First Amendment In The U.S. Constitution Applies. Please Take The Time To Read It Again. It's Been A While Since You Have Been In Law School. I Am Happy To Provide A Copy That I Recently Reviewed Since I Have Been Out Of Law School Even Longer. According To The First Amendment, We Don't In This Country Censor People For Speech You Don't Like. Mr. Kimmel's Show Has Now Been Cancelled Because You Threatened ABC With The Consequences Of Not Approving Their Merger Unless They Suspended Mr. Kimmel's Show! This Is A Terrifying Development! I Am Scared For My Country Now! And, Of All People, Senator Cruz Criticized You. I Didn't Know He Had It In Him. But He Clearly Does And It Should Be Of Concern To You In This Congress Where No Republicans Seem To Be Concerned About Anything The Trump Administration Does! On Top Of All Of That, Mr. Kimmel Didn't Even Say Anything About Charlie Kirk, Whose Horrific Assassination I Wholeheartedly Condemn. In America, We Abide By The First Amendment And We Do Not Kill People Who We Disagree With Like Mr. Kirk. I Urge You To Work To Reverse The Terrible Decision You Have Led ABC To Make In Cancelling Mr. Kimmel's Show. There's Still Time To Salvage Your Reputation And, In The Process, Put Country Above Party And Your Own Interests And Preserve The Important Principles Of The First Amendment That Make America Great!

Description

I Am A Devout Christian Conservative And Am Disgusted With Many Vile Responses To The Death Of Charlie Kirk. That Said I Was Appalled By Brendan Carr's Threatening Language On The Benny Johnson Podcast As Well As His Immature Text Response To Bryan Stelter. This Is Both Undignified And Thuggish. In No Way Does This Type Of Response To Kimmel's Vileness Do Anything To Honor The Memory Of Charlie Kirk Or Heal The Nation. It Only Serves To Bring Question On The Trump Administration's To Rule With Honor And Impartiality For All Americans. It Would Have Been Much Wiser To Allow The Free Market To Do It's Own Work. It's Very Hard To Defend The Integrity Of This Administration When They Seem To Be Talking Like High School Jocks Bent On An Eye For An Eye Retribution. You Are Further Inflaming And Dividing This Country. Please Remember The Proverb 'A Soft Answer Turns Away Wrath, But Greivous Words Stirs Up Anger.' Leave The Vileness To The Woke Left So The Public Can See Their True Colors. Don't Give The Public Any Reason To Fear Government Overreach.

Network: Other Network Name

Description

Brendan Carr Says Jimmy Kimmel Was Not Just Doing A Monologue On His Talk Show, He Was Distributing Misinformation. This Is Supposed To Justify His Assault On Him.

I Am Complaining That Brendan Carr Is Distributing Misinformation.

1) When I See The FCC Pulling Licenses From The Likes Of Alec Jones And The Ku Klux Klan, Then Mr. Carr May Be Able To Prove He Is NOT Acting In Bad Faith When He And Mr. Trump Threaten ABC/Nexstar/Jimmy Kimmel. When Brendan Carr Challenges The Misinformation Coming Out Of The CDC, White House Itself And The DOJ, Then Maybe He Will Show Integrity And Compliance With His Own Stated Values.

The White House And The DOJ Are Constantly Blaming All Criminal Activities On Illegal Immigrants, Especially When They Are From South Of Our Own Border. Mmmm. Not True, Folks, Not True. It Is Hyperbole. Hyperbole Is Protected Free Speech, Even When It Comes Out Of The Mouths Of Non-Trump Supporters. I Tolerate Knowing Mr. Trump Is Blasting Off His Mouths In Ways That Condemn Other People Unfairly, Because It Means The Rest Of Us Can State Our Own Opinions Too.

2) Brendan Carr's Intimidation Tactics Are Taking Place In Full Light Of Day, That He Is Just Plain Going After Non-Trump Supporters In The Media. He Is Acting In A Total Partisan Activity. And He Is Not Comprehending That Hyperbole Is Protected Free Speech Under The Consitution.

3) Brendan Carr Threatened Also To Use Future FCC Action If His And Mr. Trump's Targets (ABC And Nexstar) Didn't Get Rid Of Jimmy Kimmel, And This Does Not Seem To Be Anything But Waste, Unnecessary Costs To Provide FCC Functions. I Complain That You Are

Wasting My Taxpayers Money On Trying To Shut Up Trump Critics. And You Are Failing To Comprehend That Hyperbole Is Protected Free Speech Under The Constitution.

But Really, Mr. Brendan Carr Is Distributing Misinformation Himself, Showing No Real Principles.

Please Remove His License.

Most Sincerely,

I Read An Article On A Letter From Onetime Irate President Johnson To The Smother's Brothers In The 1960's And Told Them To Not Apologize For Their Political Humor And Satire. It Plays An Important Role In A Politicians' Role As A Leader, To Be The Object Of Jokes And Clever Satirists. If You Really Watched The Jimmy Kimmel Live, From The Beginning That Night. He Spoke With Empathy And Disdain About The Assassination Of Charlie Kirk. What Is It You Want To Do As The POS Trump Wants You To Or You Just Like Licking His Shoes. I Don't Know. Nexstar, The Owner Of My Local ABC Affiliate WYTV, Channel 33, Is Preempting Jimmy Kimmel Live. This Is A Blatant Example Of Government Bullying, Political Censorship, And Corporate Cowardice. The Fake Outrage Regarding Kimmel Is Based On A Fictitious Premise That The Government Can, And Should Punish Broadcasters For Inaccuracies; Or That Broadcasters Should Protect Its Viewers From Things That They Don't Want To Hear (instead Of Just Suggesting That They Change The Channel). Jimmy Kimmel Wasn't Promoting Or Celebrating Violence. At Worst, He Was Wrong About The Political Leaning Of The Murderer, But Even That Is Unclear As Apparently The Murderer Did Come From A Conservative Family, Even If His Views Were Very Different. Jimmy Kimmel's Show Is Entertainment And Not A News Program. Contrast This To The Recent Show On Faux News Where A Commentator Recently Suggested Killing Homeless People. The FCC Has Yet To Say Anything About That. I Can Only Hope That There Is Still Someone At The FCC That Is Willing To Regulate In An Apolitical Fashion. This Is An Issue Of Free Speech, The FIRST, Amendment Of Our Constitution. The FCC's Mission Is To Serve The Public Interest, Not The Political Interest Of Your Chairman Or The Dear Leader. I Strongly Urge You To Condemn Nexstar And Demand That They End Their Political Censorship.

To Whom It May Concern,

I Am Writing To Formally Express Concern Regarding Sinclair Broadcasting's Decision To Prevent Its Local Affiliate From Airing Jimmy Kimmel Live!—a Program That Is Part Of ABC's National Lineup—apparently Due To Objections To The Host's Political Views.

As A Member Of The Public Who Relies On Broadcast Television For News, Entertainment, And Cultural Programming, I Find This Deeply Troubling. The Broadband Spectrum That Sinclair Uses Is Not A Private Asset—it Is A Public Resource, Granted To Broadcasters For Free Under The Condition That They Serve The Public Interest, Convenience, And Necessity. This Arrangement Is Not A Gift To The Broadcaster, But A Trust Between The Public And Those Who Are Licensed To Use Our Airwaves.

By Selectively Censoring Programming Based On Political Content, Sinclair Is Failing To Uphold Its Obligation To Serve A Diverse Spectrum Of Viewpoints. This Undermines The Spirit Of The FCC's Licensing Framework And Violates The Expectation That Broadcasters Will Not Use Their Privileged Position To Promote Narrow Ideological Agendas.

I Urge The FCC To Investigate Whether Sinclair's Actions Are Consistent With Its Public Interest Obligations And To Consider Whether Such Editorial Interference—especially When Politically Motivated—should Be Subject To Regulatory Scrutiny.

The Public Deserves Access To A Plurality Of Voices, Not Just Those That Align With The Political Preferences Of A Station Owner Or Executive. If Sinclair Wishes To Operate As A Private Media Company With Full Editorial Control, It Should Do So On Cable Or Streaming Platforms—not On The Public Airwaves.

Thank You For Your Attention To This Matter.

On September 23, 2025, Disney/ABC Ended The Suspension Of 'Jimmy Kimmel Live' And Returned It To Air. WJLA The ABC Affiliate Serving The Washington, DC Area (including My Location In Reston, VA) Is Owned By Sinclair Broadcast Group And Subsequently Did Not Air 'Jimmy Kimmel Live' On September 23rd.

The Owner Of A Network Affiliate Station Does Not Have The Right To Censor National Programing For Political Reasons. Stations Are Licensed To 'serve The Public Interest;' Ownership Cannot Arbitrarily Decide What Is In My Interest. Not Only Is Sinclair Broadcast Group Not Serving The Public Interest, But Tying Ending The Pre-emption To Receiving An Apology/donation To Something Of Interest To The Owner Is Tantamount To Extortion. Sinclair Must Immediately End The Pre-emption Of 'Jimmy Kimmel Live' Without Any Conditions, Apologies, Donations, Or Be Subject To Sanctions From You (FCC) For Not Meeting The Obligation To 'serve The Public Interest'.

I Am Writing To Formally File A Complaint Against Sinclair Broadcasting For Failing To Uphold Its Responsibility To Serve The Public Interest, Which Is The Prime Directive Of Licensed Broadcasters In The United States. Broadcasters Are Entrusted With Access To Our Public Airwaves Under The Condition That They Act In Good Faith To Provide Fair, Balanced, And Informative Programming That Benefits The Communities They Serve. Unfortunately, Sinclair Broadcasting Has Repeatedly Demonstrated Behavior That Undermines This Obligation.

Sinclair's Programming Decisions Often Prioritize Political And Corporate Agendas Over The Delivery Of Unbiased Local News And Information. Stations Owned Or Operated By Sinclair Frequently Air Mandated Segments And Editorialized Content That Do Not Reflect The Needs, Concerns, Or Diversity Of Their Local Audiences. This Practice Erodes Public Trust, Suppresses Authentic Community Voices, And Fails To Provide The Type Of Fact-based, Balanced Reporting The FCC Requires Of License Holders. The Most Recent Demonstration Of This Is Reflected In Their Decision To Aid The Current Administration In Trying To Suppress Free Speech By Preempting The Broadcast Of Jimmy Kimmel Because Your President Didn't Like The Commentary Of A Comedian.

The Airwaves Are A Public Good, And Sinclair's Continued Disregard For Community Service Represents A Violation Of The FCC's Core Standards. I Respectfully Request That The FCC Review Sinclair Broadcasting's Practices And Take Appropriate Action To Ensure They Meet Their Duty To Operate In The Public Interest.

In A Country In Which Free Speech Is A Very Core Aspect Of Our Foundational Documents, It Is Not Right That My Local Station Is Denying The Airing Of Jimmy Kimmel Because Of Some Political Reasoning. (It Is Not Right That He Was Even Taken Off The Air To Begin With, But Seeing As How That Has Been Corrected By ABC, I Feel Like The Local Station Ownership--in This Case That Of Sinclair--should Not Then Be Playing God With Refusing To Allow Such Programming Available On The Local Stations In Certain Areas JUST BECAUSE Of Some Reasoning That Is Wrong On SO MANY LEVELS.)

Nothing About The Initial Comments That Even Started This Whole Thing Seemed To Be Anything Outside Of What Comedians Have Been Doing & Saying For GENERATIONS, But Because Trump Is A Thin-skinned Bully Who Wants To Play Dictator, We Ended Up In This Mess. Either Way, The Fact That Kimmel Is Back On The Air By ABC Should Be Enough And Sinclair Should NOT Be Denying The Rights Of Americans To View It Just Because He Has Not Issued Some Apology And/or Donation. (Which, Last I Checked, Seems Like Some Degree Of Extortion To Me. But Hey, We're Not Going There... Yet.)

It Is Level Of Censorship That This Country Truly Does Not Need To Say Is Even Remotely Acceptable. To Allow It In Any Capacity. The Whole, 'I May Not Like What You Say, But I Will Defend To The Death Your Right To Say It' Quote?

That Is The Essence & Core Of FREEDOM OF SPEECH And A Company Like Sinclair Has No Right To Censor The Broadcasting Of Anything (in This Case, Jimmy Kimmel) Because Of Some Political Reasons And A Degree Of Extortion They're Trying To Get For Trump And/or Kirk And/or Republicans Or What.

Description

I'm Writing To File A Complaint Against My Local ABC Station In Hartford, CT, Owned By Nexstar, For Censoring National Programming Due To Political Reasons. Nexstar Is Licensed To Serve The Public Interest, And They Have Chosen This Moment To Censor The National Broadcast Of The Jimmy Kimmel Show. It Grieves Me To See Our US First Ammendment Rights Of Freedom Of Speech Being Censored In This Way. Some May Argue That Freedom Of Speech Is Not Freedom From Consequences, And That May Be True. Others May Say That What Jimmy Kimmel Said Violated FCC Rules, And Alienated Half Of His Audience. I Would Say That That 'half Of The Audience' That Would Find What He Said Offensive Would Not Be Tuning Into Jimmy Kimmel In The First Place. Who Exactly Is This Network Protecting? Personally, I Found What Kimmel Said To Be An Observational Commentary On How Our Current Administration Operates... Which Is To Point The Finger For Wrongs At Anyone But Themselves. Kimmel Voiced His Observation Of The Administration Doing Exactly That In Trying To Distance Themselves From The Shooter, And The Administration Then Blaming ALL Democrats, For The Horrific Assassination Of Charlie Kirk. Interestingly, Those Who Do Say That Free Speech Does Not Mean Freedom From Consequences In Reference To Kirk's Own Broadcasts Are Being Fired From Jobs In Light Of This Administration's Actions To Squelch Free Speech. ABC Is Ignoring The Criteria Put Forth In Our First Amendment Rights, They Should Be The Ones Apologizing To The American People For Censoring Kimmel From Speaking Freely, And There Should Be An Apology To Kimmel For The Sanctions Set Against Him Unlawfully. Put Kimmel Back On The Air.

Sincerely,

When They're Obviously Broadcasting Misinformation As Part Of Their Regular Programming, And Generating Conflict Through It, Why Are They Being Allowed To Continue Doing So? The Incident With Jimmy Kimmel Being Removed From Being Broadcast Sure To The FCC Actions Is Absurd When Fox And Friends Has Been Doing Far Far Worse As Part Of Their Programming Model Targeting Elderly Viewers/voters. I Didn't Know Who To Contact Regarding This In The Past. I Hope The FCC Can Actually Do Something About The Obvious Misinformation Campaign Of Programs And Network Models Related To And Similar To Fox And Friends. It Resulted In An Attack On The United States Capital, And Yet Nobody's Shutting It Down Or Anything. Can't Anyone Do Anything About It And Other Such Misinformation Or Is It Going To Be Allowed To Continue To Lead To Further Conflict, Division, And Likely Violence?

I Am Writing To Formally Lodge A Complaint Against Jimmy Kimmel Live! For Spreading Intentional Falsehoods Regarding The Tragic Assassination Of Charlie Kirk On The September 16, 2025 Broadcast.

During This Episode, The Show Presented Misleading And Factually Incorrect Statements About The Nature Of The Shooting. Rather Than Accurately Reporting The Facts “ Including The Shooter’s Radical Left-wing Affiliations, The Engraved Extremist Messages Found On The Bullet Casings, And The Targeted Assassination Of A Conservative Leader ” The Program Downplayed, Distorted, And Mocked The Truth.

This Was Not Harmless Comedy. By Intentionally Lying To The Public About A Politically Motivated Murder, Jimmy Kimmel Live! Crossed The Line From Satire Into Malicious Disinformation. The Program’s Actions Dishonor The Victim, Mislead Viewers, And Contribute To The Very Climate Of Hatred And Violence That Led To Charlie Kirk’s Death.

I Demand That ABC And Jimmy Kimmel Live! Issue A Full On-air Correction And Apology For This False Reporting, And Take Steps To Ensure Such Reckless Disinformation Is Not Repeated.

Description

I Am Filing A Formal Complaint Regarding A Broadcast On Jimmy Kimmel Live! Aired On September 16, 2025 On ABC Network.

During This Episode, Jimmy Kimmel Claimed That Charlie Kirkâ€™s Shooter Was Affiliated With â€œMAGA.â€• This Statement Was False. Reports From Law Enforcement And Credible Outlets Confirm That The Suspect Identified With Far-left Ideology, Not MAGA. This Broadcast Violated 47 CFR Â§73.1217 (the Broadcast Hoax Rule) And The FCCâ€™s Policy Against Deliberate News Distortion, Which Prohibit Airing Knowingly False Information About A Crime Or Catastrophe That Foreseeably Causes Substantial Public Harm.

The Assassination Of A National Political Figure Is A Matter Of Public Safety And National Concern. Misrepresenting The Perpetratorâ€™s Political Affiliation In Such A Context Spreads Misinformation, Unfairly Maligns An Entire Group Of Americans, And Undermines Public Trust In Licensed Broadcasters.

I Respectfully Request That The FCC Enforcement Bureau Investigate This Violation And Require A Public Correction And Apology From ABC And Jimmy Kimmel Live! To Mitigate The Harm Caused.

Thank You For Your Attention To This Matter.

Description

Dear FCC,

I Am Writing To Formally Express My Concern About Recent Content Aired On The ABC Program Jimmy Kimmel Live. In Particular, I Believe That Jimmy Kimmel Has Used His Platform To Spread Misinformation And Engage In Divisive Speech That Does Not Align With The Standards Expected Of A Nationally Broadcast Television Show.

While I Respect The Importance Of Free Speech And Satire In American Media, I Also Believe There Is A Responsibility To Maintain Truthfulness And Civility, Especially When Addressing Politically Or Socially Sensitive Topics. The Repeated Airing Of Content That May Misinform Viewers Or Further Polarize Public Opinion Is Deeply Troubling.

I Urge The FCC To Review Recent Broadcasts Of Jimmy Kimmel Live For Any Potential Violations Of Broadcasting Standards And To Take Appropriate Action. I Also Respectfully Request That A Public Statement Or Correction Be Issued By The Program In The Event That Factual Inaccuracies Or Misleading Narratives Are Found.

Citizens Deserve Media That Upholds Integrity And Encourages Constructive Dialogue—not One That Promotes Division Or Misrepresents The Truth Under The Guise Of Comedy.

Thank You For Your Attention To This Matter.

Description

Dear FCC,

I Am Submitting This Complaint Regarding Comments Made By Jimmy Kimmel On Jimmy Kimmel Live!, Broadcast On ABC, A Network Owned By The Walt Disney Company. On September 16, 2025, Mr. Kimmel Made Statements Regarding Tyler Robinson, The Individual Accused Of Assassinating Conservative Activist Charlie Kirk.

During The Broadcast, Mr. Kimmel Suggested That Mr. Robinson Was Affiliated With The "MAGA Gang" And Implied A Connection To Conservative Political Movements. Publicly Available Evidence, Including Law Enforcement Statements And Media Reporting, Indicates That Mr. Robinson Held Left-wing Political Views, Not Conservative Ones.

These Statements Were Presented To A National Audience On A Broadcast Television Platform And Were Factually Misleading. ABC, As A Licensed Broadcaster, Has A Responsibility Under Section 315 And Other Relevant FCC Guidelines To Serve The Public Interest, Including Avoiding Knowingly False Statements That Could Misinform Viewers About Matters Of Public Concern.

Given The National Reach Of ABC And The Serious Nature Of The Allegations, I Respectfully Request That The FCC Review This Broadcast For Potential Violations Of Its Obligations To The Public. Misrepresentation Of Politically Or Socially Sensitive Events Can Contribute To Public Confusion, Mistrust, And Potential Harm.

I Have Included Links To Relevant Coverage And Statements For Reference:

"We Hit Some New Lows Over The Weekend With The MAGA Gang Desperately Trying To Characterize This Kid Who Murdered Charlie Kirk As Anything Other Than One Of Them And Doing Everything They Can To Score Political Points From It," At This Point In Time It Had Been Publicly Established The The Assassin Wrote Leftist Slogans On The Bullets, And Was A Homosexual Deviant Who Had Relations With Another Deranged Sexual Deviant Tranny. Description

I Am Writing To Lodge A Formal Complaint Regarding The Recent Decision To Pull Jimmy Kimmel Live! From Broadcast, As Well As Comments Made By The FCC Chair That Appear To Endorse This Decision For Reasons Unrelated To Legal Broadcast Standards.

The FCC's Mandate Is To Uphold The Public Interest, Not To Police Speech Based On Viewpoint. Pulling Jimmy Kimmel's Show Appears To Be An Act Of Censorship That Undermines The First Amendment Protections Guaranteed To All Broadcasters And Citizens. Comedy, Satire, And Political Commentary Are Vital Components Of A Free Press And A Healthy Democracy " Whether One Agrees With The Content Or Not.

Of Particular Concern Are The FCC Chair's Comments That Went Beyond Neutral Regulation And Instead Expressed Disapproval Of The Speech Itself. This Is Inappropriate And Risks Chilling Lawful Expression. The Role Of The Commission Should Never Be To Silence Voices Based On Content That Is Merely Controversial, Offensive To Some, Or Politically Inconvenient.

I Respectfully Request That The FCC:

1. Provide A Clear And Public Explanation Of The Legal And Regulatory Basis For The Removal Of Jimmy Kimmel Live!
2. Review The Chair's Comments For Any Potential Violation Of Neutrality And Commitment To Free Expression.
3. Reaffirm The FCC's Dedication To Protecting The Constitutional Right To Free Speech And Preventing Government Overreach Into Broadcast Editorial Decisions.

This Is A Matter Of Principle That Affects All Americans, Regardless Of Political Affiliation. I Urge The Commission To Take Immediate Action To Correct This Chilling Precedent.

This Is A Suppression Of Free Speech And Is Completely Unwarranted And Wrong. I Know That It Is Probably Impossible, But Your Agency Should Take Appropriate Steps To Correct This Issue. I Wish To File A Formal Complaint Against FCC Chair Brendan Carr On Behalf Of Citizens Of The United States Of America For His Reprehensible Threat Of Censorship Of ABC And Specifically The 'Jimmy Kimmel Live!' Program On September 17th, 2025. Chair Brendan Carr Is Actively Violating The Good Faith Of The Policies Of The FCC To Censor A Political Commentator, Satirist, And Comedian--Jimmy Kimmel.

Mr. Carr, I Hope That You Are Ashamed Of Yourself For This Blatant Violation Of The Trust Of Millions Of Americans To Uphold The Rules Of The FCC And The Good Faith Of This Country. Your Threat To Silence Broadcasters Who Are In Good Faith Discussing Discourse And Goings On In American News And Politics Is Reprehensible And A Grave Digression From The Freedom That America Stands For. It Is Public Record That Mr. Carr Is A Registered Republican, And So It Is Not A Far-cry To Assume That He Attempts Further The Policies Of His Political Party Over The Position To Which He Was Appointed And The Policies Of The FCC.

It Is My Hope In Submittal Of This Complaint That Mr. Carr Apologize For His Threat Of Retaliatory Action Against ABC, And Resign From The FCC Forthwith.

I Read Today That Your Organization Is Insisting Jimmy Kimmel (a Comedian!!) Should Face Consequences For His Factually Accurate And Relatively Tame Words About Kirk. Yet Somehow You Missed That Fox News Has A Host Calling For Actual Murder. Or Maybe Youâ€™re Only Interested In Violating The Free Speech Rights Of People You Donâ€™t Agree With? How UnAmerican! Not Surprising Given Your Support Of The Trump Fascist Regime! Theyâ€™re Always Terrified Of Comedians Because They Point Out The Absurdity Of People Like Trump.

If Youâ€™re Concerned About People Making Insensitive Comments Or Inciting Violence, I Suggest You Take It Up With The President Because He Is By Far The Worst Offender (and Has To Tell Lies While Doing It).

Brian Kill Me Should Be Fired. And The Fact That Fox News And Their Viewers Arenâ€™t Demanding It Already Really Shows How Much Damage Their Years And Years And Years Of Daily Lies Have Done To This Country. It Should Be Stopped.

I Would Like The FCC To Uphold Their Rules Regarding Certain Types Of Television Programming. I Encourage The FCC Highly To Uphold Freedom Of Speech In The United States. We Expect A Formal Statement From The FCC Regarding The Errors Of Removing The Jimmy Kimmel Show On ABC Television For Allowing Him To Exercise Free Speech Unless You Are Going To Do It To Everyone. So I Thought I Would Remind You About Your Operational Guidelines That You List On Your Official Website As Part Of Our Government The FCC's Authority To Regulate Content Is Narrow And Does Not Include Broad Prohibitions On Hate Speech. Its Rules Generally Focus On:

Obscenity: This Is Illegal At All Times. To Be Considered Obscene, Content Must Meet A Strict Legal Definition Established By The Supreme Court.

Indecency And Profanity: Broadcasts Of This Material Are Restricted To The Hours Between 10 P.m. And 6 A.m. When Children Are Less Likely To Be In The Audience.

Indecent Content Typically Involves Sexual Or Excretory Organs Or Activities, While Profanity Is 'grossly Offensive' Language That Is A Public Nuisance.

Hate Speech And Offensive Viewpoints: The First Amendment Prohibits The FCC From Censoring Or Preventing The Broadcast Of Most Content, Even If It Is Offensive To Many People. The FCC Generally Promotes 'counter-speech' Rather Than Suppressing Speech, Believing The Public Interest Is Best Served By Allowing A Free And Diverse Range Of Viewpoints.

Let's Compare What Fox G Friends Said To What Jimmy Kimmel Has Been Suspended By The FCC For Saying.

'We Hit Some New Lows Over The Weekend With The MAGA Gang Trying To Characterize This Kid Who Killed Charlie Kirk As Anything Other Than One Of Them,' Kimmel Said. He Also Poked Fun At President Trump's Response To A Question From The Press About How He Was Mourning Kirk's Death After Trump Pivoted To A Discussion Of The Construction Of A New White House Ballroom.

Kimmel's Show Has Been Suspended By The FCC.

This Country Was Founded On Free Speech And You Actively Working Against It For The Current Sitting President Is Nothing Short Of Disgusting. As I Can See He Is Off Indefiniety But The Current Office Will See This As A Win And Take It To The Bank And Celebrate About It. Charlie Kirk Wasn't A Good Man, Should He Have Died, No. He Should've Been Debated Against From New York To California. Why Was Charlie Kirk Allowed To Spread Misinformation And Hate Speech Ignored, But Jokes About The Sitting President Made Offense Towards? I Watched The Video Of The Comment That Got Jimmy Kimmel Pulled, He Clearly Was Talking About Trump, Not Kirk. What Are You As An Organization If Not Now A Tool For Authoritarianism? Description

To Whom It May Concern,

I Am Submitting This Complaint Regarding Recent Reports That The FCC Chair Publicly Condemned Remarks Made By Jimmy Kimmel And That Such Statements May Have Influenced ABC's Decision To Suspend Jimmy Kimmel Live!.

As A Citizen, I Am Deeply Concerned About What Appears To Be Politically Motivated Pressure Being Applied By The FCC " An Independent Regulatory Body " On A Broadcaster. The FCC's Role Should Be To Ensure Compliance With Communications Law And Technical Standards, Not To Weigh In On The Political Content Of Television Programming.

When A Sitting FCC Chair Makes Statements That Could Reasonably Be Interpreted As Political Censorship, It Undermines The Credibility Of The Commission And Raises Serious First Amendment Concerns. I Respectfully Request Clarification Of The FCC's Position On This Matter, And I Urge The Commission To Refrain From Actions Or Statements That Could Be Seen As Political Interference In Broadcast Content.

Thank You For Your Attention.

Respectfully,

Description

Remember The 1st Amendment? Or Do Bully's Win?? Is ABC Violating The Law? Seems Our Freedoms Are Being Taken Away Out Of Fear. Here Is The LEGAL Protections Of Jimmy Kimmel's Show. Our 'president' Has Made MUCH More Offensive Remarks That Are Not Silenced. In Case ABC, Nexstarr, DISNEY, Etc And Your Affiliates Have The Power To Object - But Fear Offending (or Being Blackmailed). In Case You Are Unaware Of The LEGAL Definition Of Parody:)Parody Is A Creative Work That Imitates, Comments On, Or Mocks A Subject, Often Humorously Or Satirically. It Can Target Original Works Of Art, Literature, People (e.g., Politicians, Public Figures), Events, Or Cultural Movements, Using Exaggeration Or Ironic Imitation For Commentary Or Critique. The Term Comes From The Greek 'paroidia' Meaning A Burlesque Song Or Poem 'beside A Song'.

In Law, Parody Has Specific Protections But Is Not A Free Pass. In The US, Parody Is Protected Under The First Amendment As A Form Of Free Speech And Relies On The 'fair Use' Doctrine Under Copyright Law. This Means Parodists Can Use Elements Of The Original Work Without Permission If It Comments On Or Criticizes The Original, Is Transformative, And Does Not Harm The Market Value Of The Original. Courts Generally Favor Parody As Fair Use When It Serves Social Commentary And Not Merely Commercial Gain.

The Landmark US Supreme Court Case Hustler Magazine, Inc. V. Falwell (1988) Confirmed That Offensive Parody Targeting Public Figures, Even If Emotionally Distressing, Is Protected Free Speech, Provided It Does Not Contain Knowingly False Factual Statements With Actual Malice. Public Figures, Including Politicians And Celebrities, Thus Have Limited Legal Recourse Against Parodies That Ridicule Or Criticize Them.'

While We Are Big Fans Of ABC, We Will Boycott All Of Your Programming, Including Disney And Hulu...and We Will Encourage Everyone We Know To Do The Same.

What Kimmel Said With Regards To The Very Early Framing Of The Shooters Motives And Ideology Was Clearly Accurate!! What In The Hell Are You Thinking, From The President, To Congress, To Right Wing Tv Commentators And Podcasters Were All Citing Inaccurate And Premature Suppositions Before Any Investigative Conclusions Had Been Disclosed, This Was At Every Level Of Law Enforcement!!

Kimmel Simply Shared What Was Painfully Obvious, As It Was Almost Exclusively Coming From Right Wing Sources.

Ask Yourself Why A DOJ Study Over 30yrs, Showing Right Wing Terrorism And Deadly Assaults Have Exceeded Left Wing By Nearly 500%, Was Removed From The DOJ Website?!! Conservative CATO Institute Reported The Same Result In Their Study! You Are Perpetuating This Appalling And Heinous Censorship Of Facts And Truth!! North Korean BS!!! Congrats On Your Abjectly Abhorrent Actions, And This Will Only Escalate Division.

Charlie Kirk Was Very Consistent In His Stong Opinions On Censorship And Cancel Culture And You're Unquestionably Guilty Of This And Brainlessly Reacting Without Deliberate And Thoughtful Management.

Shameful Lack Of Concience And Intelligent Conduct. This Will Blow Back Tremendously To Your Agency As It Will Come From All Sides. Kirk's Death Was Despicable And His Followers Absolutely Believed Fervently In His Thoughts On Censorship!!

Some Are For Him And Some Not Liking The Divisiveness And Hate In Is Speech. You Go After ABC, Like Trump Has Done To Colleges And Universities All Over This Nation. Yet, I Don't See You Telling 'Fox 'Entertainment' News', Who Spews Tons Of Hate And Lies About Anyone Not MAGA Everyday, All Day, To Tone It Down Or Get Rid Of Their Far Right Hateful Speech. Have You Fined Or Threatened Them After Their Host, Brian Kilmeade, Just Said On Fox And Friends Program How Homeless People Should All Be Injected Lethally, And Killed 'just Kill Them'??? Did You? Oh But Wait, He Gave A Phony Brief Apology 5DAYS LATER So Now It's Ok? Hope You're Proud Of Yourself. I Wanna See You Fine Or Threaten Fox Over Brian Kilmeade's Comments On Air Of The Homeless! Or How About You Do Something About All Their Lies & Propaganda? Stopping Free Speech, From Anyone From Jimmy Kimmel To Stephen Colbert To Mr. Trump To The Late Charlie Kirk To Regular Citizens In Private Homes Is NOT Something We Should Support Or Ever Be Acceptable. I Am Writing To Express My Outrage Over Your Recent Decision To Cancel Jimmy Kimmel's Show, And The Broader, Troubling Trend Of Prioritizing Petty Political Vendettas Over The Actual Issues That Affect The American Public. It Is Deeply Concerning That, As The Chairman Of The FCC, You Are Using Your Position To Stifle Free Speech And Comedy, While Turning A Blind Eye To The Real And Urgent Issues That Americans Face Every Day.

The Fact That You Are Focusing Your Attention On A Comedian whose Job Is To Entertain And Provoke Thought while Ignoring The Relentless Barrage Of Robocalls That Invade The Lives Of Millions Of Americans Every Single Day Is Not Only Irresponsible But Downright Absurd. Instead Of Tackling The Real Challenges That Harm People, You Are Using Your Office To Fuel Personal Grievances. It Is Frankly An Embarrassing Misuse Of Power.

Censorship Is A Dangerous Precedent To Set In Any Democracy, And It's Shocking To See You Take Such Actions In A Country That Values Free Expression And The Diversity Of Thought. This Is A Clear Overreach.

The FCC's Primary Responsibility Is To Protect The Public Interest, Not To Chase Personal Vendettas. With The Ongoing Crisis Of Robocalls, Misinformation, And Other Digital Threats Undermining The American People's Trust In Communication, It Is Beyond Disappointing To See You Squander Your Time On These Trivial Matters. Your Failure To Address The Real Issues At Hand Speaks Volumes About Your Ability To Perform The Duties Of Your Office.

You Have Lost Sight Of The Commission's True Purpose, And Your Actions Are Only Serving To Divide The Country Rather Than Unite.

Description

I Am Disgusted That The FCC Chair, Brendan Carr, Saw Fit To Use His Position To Threaten An Individual, Jimmy Kimmel, And In Fact To Threaten The Entire ABC And Disney Networks, Due To An Expression Of Free Speech. Apparently It Is Perfectly Fine For Vice President JD Vance To Claim, With NO Evidence, That Kirk's Murderer Was Part Of Left-wing Extremism Groups (Vance's Quotes Reported By ABC News: <https://abcnews.go.com/Politics/vance-left-wing-extremism-led-charlie-kirks-killing/story?id=125587999>). Yet If Jimmy Kimmel Expresses That The Killer Was Right-leaning (also Without Evidence Though Probably Out Of Context) Then Suddenly There Is An Uproar? Frankly The Uproar Should Be At Any Person That Makes Such Extreme Claims With Zero Evidence, Purely To Stir Political Vitriol! But In BOTH Cases, The Freedom To Express These Views Falls Well Within First Amendment Rights. To Condemn One (Kimmel) Without Condemning The Other (Vance) Is Not 'protecting Communities,' As Is The Nonsense Excuse Given For Pulling Kimmel's Show. It Is Merely Preventing Communities From Hearing Both Sides Of An Issue. It Is Political Bias And Censorship. It's Sickening, And It Is NOT What The FCC Is For! Brendan Carr Should Apologize, Or Resign, For Using A Federal Agency To Push A Personal, Political Agenda.

Dear Commissioners,

I Am Writing To Express My Concern And Disappointment About The Reported Cancellation Of Jimmy Kimmel Live! On ABC. The Show Has Been A Staple Of Late-night Television For Over Two Decades, Providing Not Only Comedy And Entertainment But Also A Valuable Platform For Diverse Voices, Social Commentary, And Important Public Conversations.

Programs Like Jimmy Kimmel Live! Contribute To The Vibrancy Of American Broadcasting By Blending Humor With Cultural Relevance And By Showcasing Emerging Artists, Creators, And Causes. Its Absence Represents More Than The Loss Of A Single Program—it Reflects A Reduction In The Variety Of Perspectives And Styles Available To Viewers In The Public Broadcast Space.

As The FCC Continues To Oversee Broadcast Standards And Ensure That Our Media Environment Serves The Public Interest, I Hope That You Will Take Note Of The Public's Concern About This Cancellation And Encourage Networks To Preserve Diverse Programming That Informs, Entertains, And Connects Communities.

Thank You For Your Time And Consideration.

Sincerely,

Description

Dear FCC Commissioners / Enforcement Bureau,

I Write To File A Formal Complaint Concerning On-air Remarks Made By Fox News Host Brian Kilmeade During A Broadcast Of Fox & Friends, In Which He Advocated For The Execution Of Homeless People With Mental Illness. Specifically, Mr. Kilmeade Stated "Just Kill 'em," In Response To A Discussion About Offering Help To Mentally Ill Homeless Individuals Who Refuse Services. He Also Referenced "involuntary Lethal Injection."

These Comments Appear To Violate The Commission's Rules Regarding Broadcast Standards Of Decency, Incitement To Violence, And Public Interest Obligations. Such Statements Constitute Hateful, Dangerous Rhetoric Directed At A Vulnerable Group—namely, Homeless People With Mental Illness. They Are Not Merely Offensive But Seem To Cross The Line Into Advocating For Extrajudicial Killing, Which Is Arguably Incitement To Violence.

I Am A Republican, Not That It Matters, And I Will Be Very Disappointed If You Do Not Censure Brian Kilmeade But Try To Take Jimmy Kimmel Off The Air For Similarly Offensive Comments. Kilmeade's Comments Are Un-American And Deeply Un-Christian.

Description

Dear FCC Commissioners,

I Am Writing To Express My Deep Concern And Disappointment Over Recent Events Involving Jimmy Kimmel Live! And The Pressure The FCC Has Placed On ABC And Its Affiliates.

For Over 20 Years, Jimmy Kimmel Has Been An Important Voice In American Entertainment And Commentary. The Recent Actions “ Public Threats From The FCC And The Subsequent Decision By ABC To Suspend His Program ” Strike Me As A Direct Assault On Free Expression And The Values Our Country Stands For.

The First Amendment Protects Speech, Even When It Is Controversial Or Offensive To Some. Government Regulators Should Not Be In The Business Of Punishing Or Silencing Viewpoints Simply Because Certain Individuals Or Political Groups Disagree. When The FCC Uses Its Platform To Pressure Networks Or Imply Regulatory Repercussions, It Creates A Chilling Effect On Broadcasters, Undermines Public Trust, And Erodes The Bedrock Principle Of Free Speech In A Democracy.

I Urge The FCC To Reconsider Its Approach And To Reaffirm Its Commitment To Protecting The Open Exchange Of Ideas, Rather Than Silencing Them. The American People Deserve A Media Landscape Free From Political Coercion.

Sincerely,

(b) (6)

Our Family Has Collectively Decided To Cancel Our Disney+ & Hulu Subscriptions In Direct Response To The Actions That ABC Has Taken Against Jimmy Kimmel.

We Don't Watch Kimmel's Show. However, We Recognize That Kimmel Plays In Articulating Counterpoints To Popular Narratives In The Current American Government. And That Is Really Why Kimmel Is Being Punished By ABC: To Placate The Trump Administration And Minimize The Cost Of Defending Against Costly Legal Actions.

But This Won't Be The Last Time That The Government Leans On Disney. They'll Begin To Make Demands As To Who To Employ In Front Of And Behind The Camera. What Characteristics Define A Hero And What Defines An Enemy. What Stories Can Be Told.

The Irony Is, Caving To The Demands Of The US Government Will Only Cost Disney In The Long Run. Ultimately, You'll Become Distributors Of Bland American Propaganda, And The Lucrative Foreign Markets That Disney Relies Upon To Grow Their Profits Will Decline. Other Governments Will Make Their Own Impositions. Viewers Will Grow Bored.

We Have No Interest In Paying Disney For Stories Of Make Believe Heroes Defeating Make Believe Fascists, When Disney Is All Too Eager To Cave To Political Censorship.

Our Family Has Collectively Decided To Cancel Our Subscription In Direct Response To The Actions That ABC Has Taken Against Jimmy Kimmel.

We Don't Watch Kimmel's Show. However, We Recognize That Kimmel Plays In Articulating Counterpoints To Popular Narratives In The Current American Government. And That Is Really Why Kimmel Is Being Punished By ABC: To Placate The Trump Administration And Minimize The Cost Of Defending Against Costly Legal Actions.

But This Won't Be The Last Time That The Government Leans On Disney. They'll Begin To Make Demands As To Who To Employ In Front Of And Behind The Camera. What Characteristics Define A Hero And What Defines An Enemy. What Stories Can Be Told.

The Irony Is, Caving To The Demands Of The US Government Will Only Cost Disney In The Long Run. Ultimately, You'll Become Distributors Of Bland American Propaganda, And The Lucrative Foreign Markets That Disney Relies Upon To Grow Their Profits Will Decline. Other Governments Will Make Their Own Impositions. Viewers Will Grow Bored.

We Have No Interest In Paying Disney For Stories Of Make Believe Heroes Defeating Make Believe Fascists, When Disney Is All Too Eager To Cave To A Real Fascist.

Description

To Whom It May Concern,

I Am Submitting This Formal Complaint Regarding ABC/Disney's Decision On September 17, 2025, To Suspend Jimmy Kimmel Live! Following Jimmy Kimmel's Remarks On Air. I Believe This Action Represents An Alarming Form Of Corporate Censorship That Undermines The Principle Of Free Expression In Broadcast Media.

The United States Is Built On The Protection Of Speech, Including Commentary And Satire. What Happened To The First Amendment In America? Decisions Like This Feel Disturbingly More Like Putin's Russia Than The Free Nation We Claim To Be. When Broadcast License Holders Silence Voices For Political Or Controversial Opinions, It Erodes Public Trust In Media Neutrality And Sets A Dangerous Precedent.

History Teaches Us The Cost Of Silence. A Famous Reflection On Nazi Germany Reminds Us: First They Came For Others, And I Remained Silent. Then They Came For Me, And There Was No One Left To Speak For Me. We Cannot Allow Silencing One Voice To Open The Door To Silencing Many More.

I Respectfully Urge The FCC To Review This Matter, Ensure Broadcast Licensees Are Not Abusing Their Power To Suppress Speech, And Reaffirm The Public's Right To Diverse, Uncensored Perspectives.

Thank You For Your Attention.

Sincerely,

Description

Dear Commissioners,

I Am Writing As A Citizen Concerned About FCC Chair Brendan Carr's Public Statements Regarding Jimmy Kimmel Live! And ABC/Disney. While I May Not Always Agree With Late-night Hosts " In Fact, I Stopped Watching Long Ago " I Am Deeply Troubled By The Idea That The FCC Would Threaten Regulatory Action Because Of "misinformation" • In A Comedy Monologue.

The FCC Has A Legitimate Role In Regulating Indecency, Profanity, And Technical Broadcast Standards. But Policing The Accuracy Of Political Commentary Or Satire, Even When Clumsy Or One-sided, Sets A Dangerous Precedent. Political Humor Has Long Targeted Both Left And Right " And Should Remain Free To Do So Without Fear Of Government Reprisal.

Comedy And Satire Are Protected Speech Under The First Amendment. Whether The Remarks In Question Were Fair, Unfair, Accurate, Or Inaccurate, It Is Not The FCC's Role To Decide What Political Jokes Are Allowed To Air.

I Urge The FCC To Reaffirm Its Commitment To Free Expression And To Refrain From Pursuing Punitive Action Against ABC/Disney Or Jimmy Kimmel Live! Over Commentary That Falls Squarely Into The Realm Of Satire And Political Speech.

Respectfully,

What Happened To Kirk Is Unforgivable And Terrible, But It Does Not Mean That He Is Above Criticism For His Past Divisive Words And Statements. Brian's Calls For Murder And The Treatment Of Homeless People And The Mentally Ill Should Receive Action From The FCC. Fox Should Remove Him From Their Employ And The Company Should Be Fined Because Of Their Unwillingness To Act. Brian Has Apologized, But That Is Not Enough. Mr. Carr's Threats Of Severe Actions If These Groups Continue To "run Kimmel" Are A Direct Violation Of Americans' First Amendment Rights And The FCC's Own Policy.

Mr. Carr Has Disgraced His Position. His Resignation Would Be An Appropriate Response To Maintain The Integrity And Professionalism Of The FCC.

The FCC Is A Service By And For The People, Not To Serve The President Or Political Agendas. Free Speech Is Guaranteed By The First Amendment, Whether Or Not ANYONE Agrees With It. The Current President Incited The January 6th Riots And The FCC Did Nothing To Restrict Or Limit Free Speech During That Time. Elon Musk Performed The Nazi Salute Multiple Times (and Even Had Advertising Featuring The Nazi Salute Made) Yet, The FCC Did Not Step In.

Now, In The Wake A Tragic Death, The Rights Of People Speaking Against The Deceased Is Being Taken Away. The Removal Of The Jimmy Kimmel Show From Network TV Is An Epic FAILURE Of The FCC To Remain Non-partisan And To Preserve The Rights Of Americans. When Fox News Host Brian Kilmeade Suggested We Forcefully KILL The Homeless The FCC Made No Effort To Take His Show Off The Air Or Pressure Fox To Change Their Practices. The Text Of The First Amendment Is: 'Congress Shall Make No Law Respecting An Establishment Of Religion, Or Prohibiting The Free Exercise Thereof; Or Abridging The Freedom Of Speech, Or Of The Press; Or The Right Of The People Peaceably To Assemble, And To Petition The Government For A Redress Of Grievances

Your Actions Serve No One But Those Who Wish To Silence Those Who Do Not Fall Into Party Lines. Do Not Be A Part Of A Problem That Will Just Get Worse. Stop Censoring The Very Rights That Allow The FCC To Exist, The Right To Communicate Our Ideas And Opinions And Information Unfettered.

Dear Sir/Madam,

The Power Of The Written Word Is Undeniable. Your Recent Actions May Have Attempted To Silence Voices In The United States, But History Will Remember This Moment. Justice Will Ultimately Prevail. Jimmy Kimmel Represents Values That Extend Far Beyond What You May Comprehend. We Are Committed To Standing Firm In Our Pursuit Of What Is Right, And We Are Confident In Our Ability To Succeed.

We Urge You To Proceed With Caution And Humility. It Is Important To Recognize That We Do Not Require Your Support; Rather, It Is You Who Needs Our Engagement.

Sincerely,

Ticket: # 8159551 - Inconsistent Enforcement Of Public Interest Standards

Date: 9/18/2025

City/State/Zip: Mckinney, TX 75072

Name of TV Program: Fox & Friends

Network: Fox News

Description

I Am Writing To Formally Express Concern Over What Appears To Be A Troubling Inconsistency In The FCC's Enforcement Of Its Mandate That Broadcasters Operate "in The Public Interest, Convenience, And Necessity."

FCC Chairman Brendan Carr Recently Stated, In Reference To ABC's Broadcast Of Jimmy Kimmel Live!, That "broadcasters ... Have A License Granted By Us At The FCC, And That Comes With It An Obligation To Operate In The Public Interest". This Statement Was Used To Justify Pressure On ABC Affiliates To Indefinitely Suspend The Show Following Mr. Kimmel's Monologue About The Political Affiliations Of The Suspect In Charlie Kirk's Assassination.

Yet, In Stark Contrast, The FCC Has Taken No Public Action Regarding Fox News Host Brian Kilmeade, Who Stated On-air That Mentally Ill Homeless Individuals Should Be Subjected To "involuntary Lethal Injection" And Followed With "just Kill 'em". These Remarks Were Widely Condemned As Dehumanizing And Inciting Violence Against Vulnerable Populations. Kilmeade Later Apologized, Calling His Own Statement "extremely Callous," But The Damage Was Done"and The FCC Remained Silent. This Discrepancy Raises Serious Questions:

• Why Was Jimmy Kimmel's Political Commentary Met With Threats Of License Revocation And Suspension, While Kilmeade's Advocacy Of Violence Received No Regulatory Scrutiny?

• Is The FCC Applying Its "public Interest" Standard Equitably Across Broadcasters, Or Selectively Based On Political Alignment Or Public Pressure?

• Does The FCC Consider Calls For Violence Against Marginalized Groups To Be Less Offensive Than Political Satire Or Criticism?

The FCC's Own Guidelines Emphasize That Licensees Must Serve Their Communities And Treat Local Matters Responsibly In Their Programming. If Political Commentary Is

Grounds For Suspension, Surely Advocating Violence Against Mentally Ill Individuals Should Be As Wellâ€”if Not More So.

I Urge The Commission To Clarify Its Standards And Apply Them Consistently.

Description

The 1st Amendment Guarantees Freedom Of Speech. It's Deeply Disturbing How People And Programs Are Being Censored By A President In Power Simply Because They Have A Different Of Opinion. The Acquisition Of Tenga Is Even More Disturbing As It's A Monopolization Of Services That Will Further Censor News And Media. This Merger Cannot Happen And I Wholly Oppose It. A Weak President Should Worry More About Their Health And Running A Country Than A Firing Of A Late Night Host And The Bastardization Of Our Civil Liberties. Further Promoting Hate Speech In Lieu Of Normal Programming Is Also Just Another Example Of Why Nexstar Cannot Be Given Further Reach In Media And Broadcasting.

This Is Reprehensible Behavior I Would Expect In A Government Like Russia Where Media Is Government Run Propaganda. Brendan Carr Made A Public Statement That Ultimately Led To ABC/Disney To Remove Jimmy Kimmel From The Air, A Threat Donald Trump Has Made In The Recent Past. I Cannot Watch Jimmy Kimmel Because Brendan Carr Is Corrupt And Abusing His Power. He Should Be Immediately Fired From His Position Because He Has Lost The Faith In The American Public And Failed To Uphold The US Constitution. The Actions Initiated By Brendan Carr Amount To A Quid-pro-quo In Order To Get A Merger Approved By Currying Favor With Donald Trump. The Same Goes For The Cancellation Of Steven Colbert. SHAME

Kilmeade Is A Hateful, Despicable Person. I Am Appalled At The FCCs Decision To Cancel Jimmy Kimmel's Show. Jimmy Did Not Say Anything Hateful Or Harmful. He Did Not Mock The Death Of Charlie Kirk. He Did Not Call For Violence Against Anyone. I Thought You Honored Free Speech. I Thought Those Of Us Who Don't Think Alike Are Entitled To Watch Shows With Other Opinions.

In Cancelling Jimmy Kimmel For His Comments, I Demand The Immediate Firing Of Fox Anchor Brian Kilmeade For His Horrid Comments Against The Unhoused And His Call For VIOLENCE. He Said Unhoused People Who Don't Comply With Getting Mental Health Should Be Killed. He's Calling For The Deaths Of Other Human Beings For Not Living How He Would Like To See Them Live. He's Inciting Violence Against People Who Have Fallen On Hard Times And Need Our Help, Not Our Hatred. He Definitely Deserves To Lose His Job.

If You're Going To Punish People Being "talentless" And Offensive, Maybe Start With The People Who Are Using Hate Speech Just Like Brian Kilmeade.

Stop Chasing The Money, Mr. Carr And Allow People To Watch Things That May Not Align With Your Taste As Long As They Aren't Committing Hate Speech. You Should Be Ashamed.

I Am Reaching Out To Voice My Displeasure With ABC Pulling Jimmy Kimmel From The Air Over, Very Neutral And Quite Frankly Gracious, Comments About Charlie Kirk. If I May Be Honest, He Didn't Say One Single Disparaging Thing Against Charlie Kirk, He Merely Pointed Out That Kirk's Assassin, And His Family, Were Very Vocal Trump Supporters, Which Is True. The Family Has Publicly Admitted As Such. He Went On To Say That There Is A Huge Effort To Paint The Assassin As Anything Other Than A Trump Supporter, Which Can Be Proven Simply Through Watching JD Vance Host Charlie Kirk's Show.

Nothing In His Statements Were Defamatory And Certainly Did Not Warrant His Firing. This Is Blatant Abuse Of Power By The Trump Administration To Censor And Control The False Narratives That He Is A Beloved Man. He Is Not. In The Real World, He Is Widely Disliked And It Is Proven Whenever He Attends A Public Event.

It Feels Wrong That Jimmy Is Punished For Commentary, While Dangerous Rhetoric Like Kilmeadeâ€™s Goes Without Equal Scrutiny. Chairman Carr And FCC Commissioners,

I Am Writing To Strongly Condemn The Indefinite Suspension Of Jimmy Kimmel, Which Appears To Be The Result Of External Political Pressure. Conservative Media Outlets, Reportedly Threatening To Withdraw Support From Kimmel's Show, Seem To Have Forced Disney's Hand In This Matter.

As A Firm Believer In The First Amendment, I Find This Not Only Troubling But An Outright Abuse Of Power.

Kimmel's Comments, Made In The Realm Of Comedy, Should Never Have Been Subjected To This Kind Of Censorship. His Remarks"though Controversial To Some"were Not Hateful. They Were Satire, A Vital Part Of Free Expression.

The Fact That Disney Succumbed To Pressure From Conservative Media Groups"especially Amidst A High-profile Merger"raises Serious Questions About Corporate Influence And Political Interference.

This Is An Attempt To Silence Dissenting Voices Under The Guise Of Corporate Interest, And It Undermines The Very Essence Of Free Speech Protected By The Constitution.

Chairman Carr, Your Recent Comments On Benny Johnson's Podcast Were Not Just Alarming But Deeply Concerning. You Suggested That The FCC Could Intervene Or Take Punitive Action Against Kimmel, Even Threatening, 'We Can Do This The Easy Way Or The Hard Way.' This Is A Clear Abuse Of Power"an Overreach That, If Carried Out, Would Directly Violate The First Amendment.

The Government Has No Right To Use Its Authority To Punish A Private Citizen For Expressing An Opinion, Especially In The Context Of Comedy. Your Remarks, And Any Potential FCC Action, Would Be A Direct Assault On The Constitutional Rights Of Every American.

What Is Even More Infuriating Is The FCC's Blatant Inconsistency. When Brian Kilmeade Of Fox News Suggested Violence Against The Homeless, The FCC Took No Action. But When A Comedian Makes A Satirical Comment, You Are Quick To Threaten Punitive Measures. This Double Standard Undermines The Credibility Of The Commission And Reveals Its Political Bias.

The FCC's Suggestion Of Fines Or License Revocation For Broadcasters Airing Protected Speech Is An Overreach That Threatens First Amendment Rights.

Chairman Carr's Remarks Create A Chilling Effect, Pressuring Networks To Censor Content Out Of Fear Of Regulatory Retaliation. This Undermines Free Speech And The FCC's Mission To Serve The Public Interest. The Swift Response From ABC Affiliates Like Nexstar And Sinclair, Who Have Business Before The FCC, Raises Concerns About Undue Influence.

I Urge The FCC To:

Clarify That It Will Not Penalize Broadcasters For Lawful Speech.

Investigate Whether Chairman Carr's Comments Improperly Pressured ABC.

Protect Free Expression By Avoiding Actions That Suppress Diverse Voices.

The Suspension Of Jimmy Kimmel Live! Sets A Dangerous Precedent. Please Act To Uphold First Amendment Principles And Ensure A Free Media Landscape.

Network: ABC

Description

I Am Writing To File A Complaint Concerning What I Perceive As Inconsistent Application Of Standards By Broadcast Licensees, Which I Believe Undermines The Public Interest Responsibility Required Under The Communications Act Of 1934. Fox News Host Brian Kilmeade Made Statements On Air That I Interpreted As Promoting Violence Or Extreme Disregard For Homeless Individuals. To My Knowledge, These Remarks Did Not Result In Significant Disciplinary Action Or Widespread Accountability From The Network. Conversely, ABC Television Networkâ€”specifically, Its Program Jimmy Kimmel Live!â€”reportedly Faced Intense Pressure, Including From Other Broadcast Groups Like Nexstar Media Group, To Suspend Or Censure Host Jimmy Kimmel For Making A Satirical Joke About Political Commentator Charlie Kirk And The President. While I Understand The FCC Does Not Regulate Content Itself, This Apparent Double Standard Raises Serious Questions About Whether Broadcasters Are Operating In Good Faith And Serving The Public Interest With Consistency And Integrity. Such Selective Enforcement (or Lack Thereof) Of Standards Regarding On-air Speech Can Erode Public Trust In Broadcast Media And Create An Uneven Playing Field In Public Discourse. I Urge The FCC To Encourage Broadcasters To Apply Their Standards Of Conduct And Public Responsibility Consistently, Regardless Of The Political Leanings Or Affiliations Of The Speakers Involved.

Thank You For Your Attention To This Matter.

Description

To Whom It May Concern,

I Am Filing A Complaint Regarding Nexstar Media Group's Decision To Block ABC Programming, Specifically Jimmy Kimmel Live!, In My Viewing Area. This Appears To Be A Targeted Act Of Censorship Due To The Program's Political Comedy And Criticism Of Former President Donald Trump.

Blackening Out A Nationally Broadcast Network Show Because Of Its Political Content Is An Abuse Of Nexstar's Position As A Broadcaster. This Deprives Viewers Of Free Expression And Access To Lawful, Protected Speech On Public Airwaves. It Is A Dangerous Precedent When Corporate Or Political Pressure Determines What Programming The Public May See.

Details:

Program Affected: Jimmy Kimmel Live!

Date Censorship Began: 9/17/25

ZIP Code: 80030

Cable/satellite/streaming Provider: [Insert Provider Name]

I Am Asking The FCC To Investigate Whether This Blackout Violates The Communications Act Or FCC Rules Protecting Viewpoint Diversity And Preventing Unfair Manipulation Of Broadcast Content.

The FCC's Mission Includes Preserving Competition, Localism, And Diversity Of Voices. Preventing A Major Late-night Show From Airing Due To Political Content Undermines All Three.

Sincerely,

(b) (6)

Description

I Am Deeply Concerned And Disappointed Over The Indefinite Suspension Of Jimmy Kimmel Live! Following Mr. Kimmel's Recent Monologue Referencing The Tragic Death Of Charlie Kirk. Mr. Kimmel's Remarks Were Not Insensitive—they Were A Satirical Critique Using The Very Language Of President Donald Trump Himself! To Characterize This Commentary As Offensive Is A Misrepresentation To The Public (viewers) Of Both The Content And Intent. Satire And Political Commentary Have Long Been 'protected Pillars Of Free Speech,' Especially In Late-night Television.

This Decision Appears To Be A Capitulation By ABC And Other Networks To Political Pressure Rather Than A Principled Stand For Journalistic Integrity Or Public Interest. By Removing The Show, ABC And Its Affiliates Risk Setting A Dangerous Precedent: That Quoting A Public Figure Or Challenging Political Narratives Can Result In Censorship.

I Urge You To Reconsider This Suspension And Rebuke And Restore Jimmy Kimmel Live! To Its Rightful Place On Air. Viewers Deserve Programming That Challenges, Entertains, And Provokes Thought—not One That Is Sanitized To Appease Partisan Outrage.

Thank You For Your Attention To This Matter. I Look Forward To Your Response And To Seeing Jimmy Kimmel Live! Return Without Delay!

The Decision By ABC To Suspend Jimmy Kimmel After The Head Of The FCC, Brendan Carr, Threatened ABC Live On A Podcast Demonstrates A Gross Misuse Of The Position Of FCC Commissioner To Achieve Political Aims. In America It's Common That We Don't Like All The Shows Or News Being Aired. Many Folks Disagree With The Commentaries Put Out Every Day By FOX News And CNN. Yet A Hallmark Of American Democracy Is That We Allow This To Happen Given The Protection Of Free Speech. The Commissioner Has Clearly Become Politicized In His Role, And Threatening To Harm ABC By Encouraging Networks To No Longer Run The Kimmel Show (all While Having Input Into A Merger Affecting Those Networks) Amounts To Coercion In Broad Daylight. I Call On The Commissioner To Resign Given He Is Clearly Not Fit To Perform This Apolitical Role Intended To Protect Democracy And All Americans.

I'm Writing To Express Outrage And Disappointment At The Federal Communications Commission's (FCC) Apparent Role In Undermining The First Amendment Right To Free Speech. Recent Actions, Or Lack Thereof, In Response To Trump Administration Pressure Represent A Dangerous Capitulation To Censorship.

The Termination Of Stephen Colbert's The Late Show And Jimmy Kimmel's Jimmy Kimmel Live! Are Clear Examples Of Government-orchestrated Censorship. These Actions, Following Criticism Of Trump, Reek Of Quid Pro Quo And Demonstrate A Blatant Double Standard. When Trump Supporters Flood Social Media With Inflammatory Statements, No FCC Threats Are Issued, But When Late-night Hosts Critique Power, The Full Weight Of Federal Regulatory Muscle Is Brought To Bear.

The FCC's Inaction, Or Complicity, Is A Direct Assault On The First Amendment. The Supreme Court Has Repeatedly Affirmed That Government Cannot Use Regulatory Power To Chill Protected Speech. I Demand That The FCC Investigate These Incidents, Reverse Any Regulatory Pressures, And Commit To Upholding Broadcaster Independence From Political Interference.

The American People Deserve Better “ A Commission That Defends The Constitution, Not One That Tramples It Underfoot.

While I Understand The FCC Has Guidelines To Follow, Itâ€™s Blatant Partisanship And It Is Important That These Rules Do Not Stifle Legitimate Satire, Criticism, Or Political Commentary, All Of Which Are Protected Under The First Amendment.

I Urge The FCC To Exercise Caution In Limiting Speech, Especially In Entertainment And Commentary Formats That Serve As A Platform For Public Discourse.

Dear FCC,

I Am Writing An Informal Complaint About The Unavailability Of Jimmy Kimmel Live From My Television (as Well As YouTube, Etc.). In A Normal World Any Mistake In Information Would Be Followed By A Correction, Which I Believe Kimmel (and His Producers) Would Have Thought To Do Himself Because He Is A Person Of Moral Character And High Standards. What The FCC Is Doing Is Hitching Its Wagon To The Current Administration's Attack On Free Speech In Service Of Amassing As Much Executive Power As Possible, Further Dissolving Democracy And Spreading Fear To Anyone Speaking Out About This Administration. The FCC Is Currently ON THE WRONG SIDE OF HISTORY. I Hope You Will Think About Your Children And Grandchildren And The World They Will Live In And Reinstate Kimmel And Stop Using Your Department To Squash Free Speech That, Let's Call A A Spade A Spade, Trump Doesn't Like. Also, An Aside, Kimmel's Response To Kirk's (someone Who's Entire Career Depended On Free Speech) Death Was Compassionate And Not Hateful At All, Because He's By All Accounts And By My Observations Of Him As A Public Figure, A Decent, Caring Person.

But The FCC Threatening Entities Because A Comedian Said Something That Other Didnt Agree With, That Was Not A Threatening Comment, Is Infringement Of The 1st Amendment. That I Do Care About. I Enjoy My God Given Rights, And The 1st Amendment Is First For A Reason. The FCC Is An Extension Of Authoritarianism In This Country, And The FCC Chairman Is WRONG.

If The FCC Was Going To Do Anything, Perhaps Looking Into FOXNEWS Brian Kilmeade Comments About Lethal Injections For Homeless Persons. That Is A Threat Comment He Did.

Just For The Record, I Was Homeless When I Was 17. I Worked A Full Career, Paid In Million Dollars Into Tax Base And Was A Productive Member Of Society My Whole Career. Raised A Family. Paid My Mortgage, Etc. Good Thing I Wasnt Euthanized Because I Was Homeless.

I Am Submitting This Complaint To Formally Object To Recent Comments Made By FCC Chairman Brendan Carr Regarding Jimmy Kimmel. The Remarks Were Inappropriate, Partisan In Tone, And Inconsistent With The Standards Of Impartiality, Professionalism, And Regulatory Responsibility That The Chairman Of The FCC Is Obligated To Uphold.

The Chairman's Role Is To Serve As A Neutral Steward Of U.S. Communications Policy, Ensuring That Broadcasting And Telecommunications Are Governed In A Fair, Content-neutral, And Non-political Manner. By Publicly Targeting A Private Citizen And Television Host With Disparaging Remarks, The Chairman Has Undermined Public Trust In The Commission's Impartiality Just Like Every Other Agency In The Current Administration.

Such Comments Risk Chilling Free Expression, Create The Appearance Of Retaliatory Bias Against A Member Of The Media, And Erode Confidence In The FCC's Ability To Regulate Without Prejudice. This Conduct Is Especially Concerning Given The FCC's Direct Jurisdiction Over Broadcasters And The Necessity Of Maintaining Public Confidence In Its Even-handed Oversight.

When Media Conglomerates And Advertisers Use Economic Power To Silence Voices Like Jimmy Kimmelâ€™s, They Undermine This Foundational Right And Erode Public Trust In Our Media Institutions.I Urge The Federal Communications Commission To Take A Strong Stand Against Media Consolidation And Corporate Censorship, Including The Pending Nexstar Merger, Which Threatens To Further Concentrate Control Over What Americans Can Hear And See.Protecting Diverse Viewpoints And Maintaining An Open Marketplace Of Ideas Are Critical To Preserving Democracy. Federal Communications Commission Chair Brendan Carr's Recent Actions, Including Threats Made, Regarding Jimmy Fallon Jokes Have Raised Concerns About Overreach. It Is Important For Leadership To Maintain Professionalism And Impartiality; Therefore, An Apology From Chair Carr Is Advisable. Additionally, Consideration Should Be Given To His Continued Tenure To Ensure The Agency Remains Focused On Its Core Regulatory Responsibilities Without Partisan Influence.

Im Infuriated That American Broadcastibg Company Was FORCED To 'bend The Knee' To This Fascist Dictator Of A President, By Canceling Jimmy Kimmel, Or Lose Their FCC License If They Did Not Cancel Him! This Is Government Overreach, Fascism, And Is Against Our Constitutional Rights That Falls Under The 1st Amendment. This Has NOTHING To Do With His Ratings And Everything To Do With Fascism. Donald Trump Didnt Like What Jimmy Kimmel Said. If Donny Doesnt Like It, He Can Always Change The Channel. If The Issue With Jimmy Kimmel's Monologue Was The Potentially Incorrect Information Regarding The Shooter, Then Fox And Friends Should Have Been Taken Off The Air Years Ago For Being Inflammatory And Largely Incorrect. If The Issue Is, And I Rather Strongly Suspect It Is, The President's Own Words Being Used Against Him, Perhaps He Should Consider Just Not Saying Things That Make Him Look Like A Heartless Feckless Moron. He Did Not Actually Care About Kirk Beyond The Opportunity For Control That His Death Presents. Frankly I've Seen More Convincing Grieving At A Rich Miser's Funeral. Nobody Skips The Vigil For A Dear Friend To Go Play Golf. Quit Acting Like We Have State Media In This Country, Get Off Jimmy Kimmel's Back, And If You Find Mocking Of The Dead So Obscene, There's A Backlog Of Shit Fox Got Away With That You Could Start Addressing.

I Can't Stand Jimmy Kimmel, I Think He Is A Giant Soy Boy, But If ABC Wants To Platform Him And His Lies, That Is Their Right. The Government Doesn't Get To Make Those Calls Or Pressure Private Organizations.

Threatening Their License Is Completely Unacceptable And You Need To Apologize And Brandon Carr Needs To Resign Over This.

Description

In The Constitution, We Are Guaranteed Our First Amendment Rights. By Removing Jimmy Kimmel's Show From The Air ABC Has Violated The Freedom Of Speech And The Press. Jimmy Kimmel's Direct Quote Was 'The Maga Gang Desperately Trying To Characterize This Kid Who Murdered Charlie Kirk As Anything Other Than One Of Them And Doing Everything They Can To Score Political Points From It.' This Is A Statement That Does Not Violate Any Profanity Regulations And Is Not An Offense Statement. He Simply Summarized What Is Happening And Then Showed A Clip Of The President Who Cares More About His Ballroom Being Built With Tax Payer Dollars Rather Than The Death Of Charlie Kirk. What Kimmel Said Is True. Nancy Mace Is Constantly Running Her Mouth Trying To Blame Trans People For A Crime That Has Nothing To Do With Them. Nancy Said Robinson Was "radicalized" Because He Supports "the Transgender Community. This Is False But She Is Still Free To Spout Lies. What Jimmy Kimmel Said Was A Direct Summary Of Her And Other People's Behavior. The Fact That ABC Has Removed His Show Is Alarming And A Violation Of Free Speech. This Complaint Is About ABC's Violation!

Description

I Find It Appalling That Brandon Carr Was Instrumental In Getting Kimmel's Show Taken Off The Air For A Nothing Comment, But That A Fox News Host Can Call For Lethal Injections Of The Homeless As A Cure To The Homeless Problem And He Still Has A Job. I Find It Objectionable That Both Nexstar And Sinclair Called For Removing Kimmel But Do Nothing About The Hate Speech On Fox New Etc. I Object To The Fact That Not Only The President Can Use Extortion Techniques To Shake Down The Media But Now Sinclair Has Gotten Into The Act. Sinclair Told Kimmel That If He Would Give A Public Apology To Kirk's Widow (for What - He Didn't Insult Kirk Or His Widow) And Give A 'donation' To Kirk's Turning Point Organization Then Maybe Sinclair Would Resume Airing His Show. That Is Extortion - It Was Illegal When Trump Did It And The FCC Turned A Blind Eye And It Is Illegal When Sinclair Does It. The FCC Is Supposed To Be A Non-partisan Organization To Protect Consumers But It Is Apparent That It Is Just Another Arm Of The Russian Asset In The White House - Carr Showed This When He Went On Benny Johnson's Podcast To Issue His Ultimatum To ABC And Disney - He Even Used The Mafia Language That Trump Is So Fond Of 'Nice TV Network You Got There; Be A Shame If Something Happened To It.'

The FCC's Position On Speech And Intimidation Tactics Against ABC And Jimmy Kimmel Is Incongruent With The First Amendment And The American Way. Attempting To Pre-empt A Talk Show Host (or Any Other Type Of Content) Based On Blatant Political Bias And Then Intimidating And Threatening Retaliation Are The Activities Of Countries Like Russia, North Korea, Or China All Of Which Are Heavily Censored And Biased. It Is Embarrassing To See The FCC Chair Openly Threatening ABC While Other Networks Such As Fox News, NewsMax, And One America News Consistently Present One Sided Views That Are Not Supported Through Journalistic Integrity, Create Dangerous Narratives Around LGBTQ Individuals And Immigrants, And Blatantly Support Positions That Are False (such As Election Fraud As Evidenced By Fox News Settlement With Dominion. The Jimmy Kimmel Show Is Comedy And Satire, It Doesn't Claim To Be News And It Doesn't Pretend To Be Something Other Than Evening Entertainment. What You Did To Jimmy Kimmel Is Indecent And Immoral! You Did It For Political Reasons! You Know Better Than That! Jimmy Had Already Said How Wrong The Shooting Was And Sent His Love To The Family Of Charlie Kirk. Trump Was After Jimmy And You Bowed To Him. You Were Looking For Any Little Thing He Said That You Could Twist. He Said Nothing Wrong About The Death Of Charlie In Saying The Shooter Was Maga. He Did Call Out Trump For Going To A Baseball Game The Next Day After Charlie Was Shot And Dancing And Cheering After Making Statements About Grieving Charlie And Saying He Was Like A Son. Jimmy Justiciably Called Trump Out. That Is What Letting Jimmy Go Was All About, Not About Anything Said About Charlie's Death. It Was All About Trump Not Being Able To Accept Criticism! The Head Of The FCC Chair, Brendan Carr, Even Made Statements In The Past About Free Speech Being The Check On Government Control And That Censorship Is The Authoritarians Dream! Our Country Is Very Sick Right Now And Is Heading Toward Total Authoritarian Control! Please Reconsider What You Did In Pulling The Jimmy Kimmel Show. He Did Nothing Wrong And You Know It! I Am Writing To Express Deep Concern About Reports Alleging That The Federal Communications Commission (FCC) Chair, Brendan Carr, Has Exerted Undue Influence Over Media Companiesâ€”specifically ABC Corporationâ€”in A Manner That May Have Affected Programming Decisions Involving Jimmy Kimmel.

If These Reports Are Accurate, They Raise Serious Questions About Government Interference With Freedom Of Speech And Of The Press. The First Amendment Protects All Americans From Government-driven Censorship, And Any Appearance Of Regulatory Retaliation Or Manipulation Of Media Transactions Undermines Public Trust In Our Democratic Institutions.

The First Amendment Exists To Protect Precisely This Kind Of Unpopular Or Controversial Speech. It Does Not Exist To Shield Only Polite Conversation Or Majority-approved Jokes. Kimmelâ€™s Remarksâ€”satirical, Caustic, Perhaps Debatableâ€”are Fully Within The Realm Of Protected Commentary. What Carr Did Was To Leverage His Regulatory Power To Punish Speech He Dislikes. That Is Government Censorship In Everything But Name. The FCC Is Required To Operate Within The Bounds Of Its Statutory Authority And Our Constitutional Protections. Transparency And Accountability Are Critical To Maintaining A Free And Open Society.

I Want To Know What Actions The FCC Will Take To Protect Free Expression And Prevent Government Overreach.

Clearly Calls To Genocide Of An Economic Class Is Worse Than Implying The Politics Of Some Confused Kid, So I Expect That Fines And Removal Should Come Swiftly For Brian Kilmeade And Those That Provided Him The Opportunity. If Not, I Have To Assume That It Truly Was Political Censorship Of An American Citizen And That These Calls To Violence From My Own Side Are Intentionally Being Ignored. Description

I Am Writing To Express My Concern Regarding ABC's Recent Suspension Of Jimmy Kimmel Live! Following Pressure From Government Officials, Including FCC Chair Brendan Carr. This Action Appears To Be Politically Motivated And Raises Serious Concerns About Censorship And The Suppression Of Free Speech In Broadcast Media.

Jimmy Kimmel's Monologue Addressed The Tragic Death Of Charlie Kirk And The Political Climate Surrounding It. While The Content May Be Controversial, Satire And Commentary Are Protected Forms Of Expression Under The First Amendment. The FCC's Involvement "particularly Threats Of Regulatory Consequences" suggests Undue Influence And A Violation Of The Principles Of Free And Independent Media.

I Urge The FCC To Investigate Whether Its Leadership Or Other Government Officials Improperly Pressured ABC Or Its Parent Company, Disney, To Suspend Mr. Kimmel. The Public Deserves Transparency And Accountability When It Comes To Government Interference In Media Operations.

This Issue Is Not Just About One Show "it's About Protecting The Integrity Of Our Communications Systems And Ensuring That Broadcasters Are Not Coerced Into Silencing Voices That Challenge Power.

Thank You For Your Attention To This Matter.

While Within The Same Week Of Jimmy's Monologue, Brian Killmeade On Fox News Openly Claimed That Homeless Individuals With Mental Health Issues Should Be Given Lethal Injection. The Fact That The FCC Is Willing To Censure A Host Of Late Night Whose Job Is To Make Light Of Daily Events But Also Willing To CONTINUALLY Look The Other Way When A Host On Fox 'news' Says Something Obscenely Offensive And Insights Violence Is A Shame And An Abhorrent Example Of Extreme Misconduct Produced By A Trump Nut Licker. I'm Filing This Complaint About KDNL In St. Louis, MO. On July 22nd, President Trump Called For Jimmy Kimmel's Removal From ABC Broadcasting. On September 17th, The FCC Chair Brendan Carr Stated That Mr. Kimmel 'misled' The Public With Regard To Comments Made During The September 15th Broadcast Of Jimmy Kimmel Live Concerning The Murder Of Mr. Charles Kirk. Within Hours Of Mr. Carr's Comments, ABC And Disney Inc. Complied And Pulled Jimmy Kimmel Live From Further Broadcast.

This Is Unconstitutional Government Censorship. The 1st Amendment And Supreme Court Precent (Bantam Books V. Sullivan, 1963) Forbid Government Officials From Pressuring Media To Silence Lawful Speech. Under 47 U.S.C. Â§ 309(k), Broadcasters Must Serve The Public Interest (protecting The First Amendment), Not Political Demands.

Please Place This On Record And Review KDNL's License.

I Would Like To Point Out That Our Veterans Are Overrepresented In The Homeless Community. We Have An Obligation To Reach Our Hand Out To Every Homeless Person, And That Especially Includes Those Who Served. In The Case Of Kimmel, An Apology Was Not An Option Before He Was Removed. That Same Standard Should Be Applied To Kilmeade If The FCC Is A Just And Impartial Organization. Dear Chairman Carr And Commissioners,

Iâ€™m Writing To Express My Anger And Disgust At The Recent Suspension Of Jimmy Kimmel Live! Following Your Politically Motivated Remarks On His Monologue About Charlie Kirk. As A Taxpayer Funding The FCC, I Find It Appalling That A Government Agency Is Being Used To Silence Political Speech, Particularly To Protect The Far-right And MAGA Interests.

Itâ€™s Clear To Anyone Paying Attention That Chairman Brendan Carrâ€™s Actions Are Not About Upholding Fairness Or Media Integrity, But About Pandering To The Whims Of A Right-wing Political Agenda. This Isnâ€™t Oversightâ€”itâ€™s Blatant Political Interference. Your Comments, And The Pressure Youâ€™ve Put On ABC, Show A Disturbing Willingness To Target Media Content That Doesnâ€™t Align With Your Personal Or Partisan Views.

As A Citizen And Taxpayer, I Am Appalled That The FCC Is Being Weaponized To Intimidate Late-night Comedy Shows And Other Media Outlets Into Self-censorship, Simply Because They Dare To Criticize Or Satirize Conservative Figures. This Is Not Your Role. The FCCâ€™s Job Is To Regulate The Airwaves, Not To Act As A Mouthpiece For Any Political Faction, Especially One That Represents A Minority Of Americans.

This Kind Of Overreach Is Not Only An Attack On Free Speechâ€”itâ€™s An Abuse Of Power. The Idea That Taxpayer Dollars Are Being Used To Further The Interests Of Right-wing Politics Is Enraging. You Should Be Ashamed Of Yourself For Using Your Position To Censor Content In Favor Of A Specific Ideology, And I Demand Accountability For This Blatant Overstep.

If You Want To Preserve Any Semblance Of Credibility As A Public Servant, You Need To Stop This Reckless Political Interference Immediately And Return The Power To The People, Where It Belongs. We Won't Tolerate Our Government Turning Into An Instrument For Partisan Censorship.

I Expect A Response And Clarification On How You Intend To Rectify This Issue.

This Decision, And The Political Pressure Behind It, Is Terrible, Transparent In Its Motives, And Deeply Disappointing To Me As An American Citizen And Paying Customer Of ABC/Disney.

The FCC Should Be Ashamed Of Itself For Allowing Political Influence To Silence Creative Voices And Undermine Free Expression. Your Organization Is Meant To Protect The Public Interest - Not To Be Used As A Tool To Censor Commentary That Some May Disagree With. By Threatening Broadcasters Over Jimmy Kimmel's Words, You Have Set A Dangerous Precedent That Undermines Trust In Your Institution And Erodes The Very Principles Of Openness, Fairness, And Free Speech.

Instead Of Protecting Freedom Of Expression, You Are Complicit In Damaging It.

Name of TV Program:

Description

I Am Writing To Express My Strong Concern About Disney's Decision To Indefinitely Suspend Jimmy Kimmel Live! After The Host's Remarks Regarding The Killing Of Charlie Kirk.

Why This Matters:

Free Expression And Public Discourse

In A Democracy, We Depend On Open, Sometimes Uncomfortable Conversations. Late-night Hosts Often Push Boundaries, Critique Power, Provoke Debate. Silencing Them Sets A Troubling Precedent " Especially When The Remarks Were Commentary Directed At Political Reaction, Rather Than Incitement Of Hatred.

Corporate Pressures And Regulatory Overreach

Reports Indicate That Pressure From The FCC Chair And Certain Affiliates Played A Role In This Decision. If Regulatory Threats Are Driving Editorial Decisions, The Risk Is That Companies Will Err On The Side Of Self-censorship Rather Than Defending Expression.

Trust, Audience, And Reputation

Disney Has Long Been Seen As A Leader In Entertainment And Media. Upholding Principles Of Openness, Tolerance For Dissent, And Journalistic Integrity Is Part Of What Builds Audience Trust. Taking Away Or Restricting Voices Under Pressure Threatens That Trust.

What I Request:

Reinstate Jimmy Kimmel Live! At The Earliest Opportunity.

Commit To Transparent Policies About How Editorial Content Is Handled When Under Political Or Regulatory Pressure.

Publicly Reaffirm Disney's Commitment To Free Speech, Within Legal Bounds, Even When The Speech Is Controversial.

Final Thoughts:

I Understand Companies Have To Manage Legal, Regulatory, And Financial Risks. But There Are Moments When The Right Thing Must Be Defended — Even When It's Harder. This Is Such A Moment. Taking A Stand For Free Expression Isn't Merely Symbolic; It Can Define What Kind Of Culture Disney Wants To Foster For Its Employees, Its Audiences, And The Broader Society.

Thank You For Your Time And Attention. I Hope You'll Reflect Carefully On The Long-term Consequences Of This Decision.

Violent Remarks**

City/State/Zip: Saint Petersburg, FL 33712

Name of TV Program: Fox & Friends

Network: Fox News

Description

I Am Filing A Formal Complaint Regarding Comments Made By Fox News Channel Host Brian Kilmeade On Fox & Friends On September 10, 2025.

During Discussion Of A Recent Stabbing Case In Charlotte, North Carolina, Mr. Kilmeade Stated On Live Broadcast:

“Or Involuntary Lethal Injection, Or Something. Just Kill ‘em.” • This Remark Referred To Homeless Individuals And People With Mental Illness.

Such Statements:

- Promote Violence Against Vulnerable Populations.
- Normalize Discriminatory Rhetoric Against The Homeless And Mentally Ill.
- Risk Incitement By Suggesting Execution As A Policy Response.

The FCC Has Previously Taken Swift Action Against Broadcasters For Offensive Or Harmful Speech. It Is Therefore Deeply Concerning That Fox News Continues To Air Content Advocating Violence Without Immediate Accountability, Especially When Other Hosts On Different Networks (e.g., Jimmy Kimmel, Stephen Colbert) Have Faced Rapid Disciplinary Consequences For Far Less Extreme Remarks.

I Urge The FCC To:

- Investigate Fox News Channel For Broadcasting Content That Promotes Violence And Hate Against Protected Groups.
- Hold Both Brian Kilmeade And The Network Accountable Under Relevant Broadcast Regulations.

- Ensure Consistent Enforcement Across Networks To Maintain Public Trust In FCC Standards.

Thank You For Your Attention To This Serious Matter.

I Don't Know If This Is The Right Place To Send This Message, But I Just Wanted To Say That I Think The Threatening Of ABC And Pulling Of The Jimmy Kimmel Show Is Pure Censorship. Whether Or Not Someone Agrees With What Was Said On The Air, It Was Not Something That Would Justify This Sort Of Action. It Is Over-stepping And At Least Inappropriate, If Not Illegal. The Jokes Made Were Not Exactly My Sense Of Humor (and I Don't Regularly Watch This Particular Show), But The Threats Made By The FCC Chair Were Not Justified. I'm Shocked That This Would Be Allowed - It's An Embarrassment To Our Country. Please Reverse This Decision To Threaten ABC Into Pulling The Jimmy Kimmel Show.

I Am Beyond Disgusted That The FCC Is Not Upholding Every American's FIRST AMENDMENT RIGHT TO FREE SPEECH. Censorship Is A Violation Of Our Constitution, And We Know That Donald Trump Is The Epstein Files Because He Is A 34 Count Felon And I Am Disgusted He's Even Elected As A President, And I Am Even More Disgusted With You For Bending The Knee To A Wanna-be Dictator. Americans Do Not Stand With Your Decision, Hulu/Disney/ABC Are Being Cancelled By Nearly Every American For A Violation Of The First Amendment. Grow A Spine And Stand Up For What Is Right. You Are Bending The Knee To A Fascist Regime Who Actively Wants To Ruin Our Country For Their Own Gain. 80% Of The Media Is Already Owned By ONE FAMILY. This Is An UNACCEPTABLE MONOPOLY AND AMERICANS DO NOT STAND WITH YOU. Make It Right, Keep The First Amendment, Because I Promise You, The Citizens Of The U.S. Will Not Forget What You Did To Enrich The Oligarchy Killing Citizens And Actively Harming Our Country As A Whole. Brendan Carr Is A Disgusting Chairman And The American People Are Being Censored From Having Feelings That Cankles McGee In The White House Doesn't Like. I Am Concerned That The Words And Actions Of FCC Chairman Brendan Carr Regarding Jimmy Kimmel Do Not Operate In The Public Interest And Are Infringing Upon Free Speech. Additionally, Mr. Carr Stated That Mr. Kimmel's Words May Constitute "news Distortion," But This Is At Best A Poorly-disguised Political Attack Against Vocal Opposition To The President. Mr. Carr Should Be Ashamed, And All Efforts To Rectify This Situation, Namely By Assuring That ABC And Its Affiliates That They Are Under No Obligation To Punish Kimmel For Protected Speech, Should Begin. Comedians Are The Canaries In The Coal Mine Of Encroaching Fascism, And Opponents Of The Current Administration Should Continue To Speak Out Vocally (and Comedically, If Appropriate). The FCC Is A Government Body And Therefore Should Be Obligated To The People, To Help Ensure That The Electorate Is Well-informed Not Sitting An Echo Chamber Of Sycophants. Please Contact ABC And Its Affiliates To Help Restore Mr. Kimmel To The Airwaves. Democracy Can Only Exist When Dissenting Voices Are Heard.

Federal Communications Commission
45 L Street NE
Washington, DC 20554

Subject: Stop Silencing Jimmy Kimmel " Protect Free Speech

To Whom It May Concern,

I Am Outraged At The FCC's Suspension Of Jimmy Kimmel Live! And I Demand That You Reverse This Attack On Free Speech Immediately. The First Amendment Is Clear: The Government Has No Business Deciding Which Voices Are Allowed To Speak And Which Must Be Silenced. By Targeting A Comedian Whose Job Is To Challenge Power Through Satire, You Are Crossing A Dangerous Line Into Outright Government Censorship.

This Is Not Just About A TV Show—it's About The Future Of Democracy. Once The Government Starts Punishing Speech It Doesn't Like, No One Is Safe. If A Late-night Host Can Be Silenced For Criticizing Those In Power, What Stops The FCC From Silencing Ordinary Citizens, Journalists, Or Anyone Who Dares To Speak Up?

I Will Not Stand By While The Government Tramples Our Rights. The FCC Must Immediately Restore Jimmy Kimmel Live! And Reaffirm That It Serves The Public, Not Political Interests.

Censorship Has No Place In America. Do The Right Thing.

Sincerely,

Very Concerned Citizen

I'm 76 Years Old, A Retired University Professional Who Believes In Freedom Of Speech. What Kimmel And Cobert Said Was Not Nearly As Bad As Some Of The Fact Checked Truths That Charlie Kirk Spewed. His Words Were Terrible. His Message Was Filled With Non-truths But He's Now A Martyr, A Saint...yet Others Cannot Speak Out Against Him Or The Guy In The White House.

remember The Smother's Brothers? I Do. Remember That Other 'crook' Richard Nixon? I Do. They Filed A Breach Suit And Won - Hoping Jimmy Kimmel Does The Same. It's Not About The Money - Smothers Brothers Didn't Receive Much But It's The POINT!

Shame On You And Shame On All Of You In Print And Media Who Just Can't Get The Guts To Do The Right Thing And Uphold The Constitutional Right To Freely Speak And Criticize. Soon, We Will Be A Nation Of Controlled Media And Anything Not Pleasing To The King Will Be Censored. It Terrifies Me To Think We Are Becoming A Little More That Way Every Day.

Hello.

I Am Writing To Express My Disappointment With Primarily The FCC, Who Threatened To Pull ABC's Broadcasting License (and Specifically Chairman Carr), And Disney, For Suspending Jimmy Kimmel Based On His Remarks On His Show.

I Am A Life Long Disney Fan, And A Constituent Who Relies On Many Broadcast Networks, Including ABC, For Information On Important National Events. I Am Deeply Disappointed In The FCC For What Appears To Be Blatant Censorship Of National Discourse.

Look, Whether Or Not You Believe Jimmy Kimmel's Comments Are Abhorrent, They Threatened The Safety Of No One, And Thus The Decision Of Whether To Pay Attention To Them Must Lie In The Hands Of The American People. To Decide Otherwise Is To Threaten To Freedoms Of Every American -- Including, For The Record, Yourself.

I Find Disney's Decision To Agree To Suspend The Show Without A Legal Fight , Not Protecting Their Employees Nor Their Viewers, Disturbing. This Pales In Comparison, However, To The Fact That The FCC Also Deserves Our Ire For Encouraging The Suspension In The First Place.

I'm Not Asking For Much; I Am Simply Asking For Both The FCC And Disney To Answer For Their Actions That Violate The Spirit And (in The Case Of The FCC) The Literal Letter Of The First Ammendment.

Thank You For Your Time.

Description

I'm Writing To Express My Deep Frustration And Disappointment Regarding The FCC's Response To The Recent Situation Involving Jimmy Kimmel And The Pressure That Appears To Have Come From The Trump Administration.

The Fact That The FCC Seems More Willing To Appease Political Pressure Than To Defend The First Amendment Is Disturbing. Comedy, Satire, And Criticism " Even When Pointed " Are Protected Forms Of Speech. These Are Essential Parts Of A Functioning Democracy, Especially When They Involve Public Figures And Government Officials.

Instead Of Standing Firm On The Constitutional Right To Free Expression, The Commission Appears To Have Opted For Political Convenience, Settling Too Quickly In Ways That Feel More Like Submission Than Regulation. That's Not What This Agency Was Created To Do, And Certainly Not What The American People Expect From An Independent Regulatory Body.

You Are Entrusted With The Responsibility Of Ensuring That The Public Airwaves Remain A Platform For Diverse Voices " Not A Tool To Silence Criticism Or Curry Favor With Political Figures. We Deserve Better Than A Commission That Buckles Under Pressure. We Need One That Upholds The Constitution And Protects The Right Of Americans " Including Entertainers And Comedians " To Speak Freely, Even When That Speech Makes Those In Power Uncomfortable.

I Urge You To Seriously Reconsider The Precedent You Are Setting. The First Amendment Is Not Negotiable, And Your Role In Defending It Is Not Optional.

Why Is Mr Carr More Concerned About A Comedian Making A Joke Than A Fox News Host Who Said We Should Execute The Homeless. What Planet Is Mr. Carr Living On? Date: 9/20/2025

City/State/Zip: Port Charlotte, FL 33952

Name of TV Program: Jeremy Scott

Network: CNN

Description

I Am Writing To Formally File A Complaint Against CNN Regarding Comments Made By Kaitlan Collins During Her Recent Interview With Senator Ted Cruz Concerning The September 10, 2025, Assassination Of Charlie Kirk.

During This Interview, Ms. Collins Repeatedly Stated That "authorities Don't Have A Motive Yet" For The Killing. Senator Cruz Directly Corrected Her, Citing The FBI's Public Release Of The Motive "that The Assassin, Tyler Robinson, Acted Out Of Hatred For Mr. Kirk's Political Views. Despite Being Presented With This Fact, Ms. Collins Talked Over Senator Cruz And Continued To Insist There Was No Known Motive.

This Is Not Cautious Reporting. This Is The Deliberate Dissemination Of Misinformation By Ignoring Officially Established Facts, Thereby Downplaying Or Obscuring The Political Reality Of The Crime. Such Conduct Mirrors The Exact Pattern For Which Jimmy Kimmel Faced Severe Professional Consequences Just Days Prior. In Kimmel's Case, FCC Leadership Publicly Condemned His Comments As "truly Sick," Raising Potential License Implications For ABC Affiliates, Which Ultimately Led To The Suspension Of His Show.

By Any Objective Measure, Ms. Collins's Actions Constitute The Same Type Of Willful Misinformation, If Not Worse, Given Her Role As A Journalist Rather Than A Comedian. If The FCC Considered Mr. Kimmel's Conduct Grounds For Public Condemnation And Affiliate Scrutiny, Then Consistent Enforcement Requires That Ms. Collins's Statements Receive Equal Treatment.

To Fail To Address This Incident Would Create The Appearance Of Selective Enforcement And Political Bias By The Commission. I Respectfully Request That The FCC Take Action

Consistent With Its Handling Of The Jimmy Kimmel Matter And Publicly Address CNN's
Broadcast Of Kaitlan Collins' Misinformation.

Sincerely,

(b) (6)

Description

The Strangest Thing Has Happened. Many Nights, I Would Turn On My Television, Scroll To ABC And Enjoy An Episode Of Jimmy Kimmel's Late Night Show. Now, All Of The Sudden, It's Just Gone. There's A Rumor (we All Know It's Not) That Kimmel's Show Was Suspended Indefinitely Because He Said Something Inappropriate About Charlie Kirk. First, No He Didn't. Second, He Made Fun Of Trump's Lack Of Showing Grief About His Dear Friend Kirk. Which, Kirk Hated Empathy So I Suppose It's Appropriate That Trump Quickly Said He Was Doing Well And Then Immediately Had To Talk About Something "great" He's Doing At The White House. So THIS Is Actually What Got Jimmy Cancelled. The FCC Is Treading Dangerous Waters By Allowing This Level Of Infringement On The 1st Amendment Right. You Should Be Completely Ashamed Of Yourself. Disney Has Lost Billions And Will Continue To Do So For Bending The Knee. The FCC And All Other Departments Who Decide To Abhorrently Violate Our Constitution Are The Opposite Of Patriotic. There Is Nothing Patriotic About This Administration Or Mr. Carr.

Bring Back Jimmy Kimmel, Stand Up Before Your Knee Gives Out From Bending To Much, And Honor The Founding Fathers Who Worked So Hard To Provide Us With The Freedoms, And The Troops Who Have Sacrificed Everything To Protect Them, That Have Been Cemented Into The Foundation Of Our Nation For Almost 250 Years.

Sincerely,

My Dad Fought Along With His 4 Brothers During World War II. They Sacrificed So Much To Ensure Our Country's Freedoms Set Forward In The Constitution Were Honored And Protected. That Means Doing The Hard Thing Protecting Speech Even When You Don't Agree With That Speech. That Takes Men And Women With Integrity Who Would Lay Down Their Lives For The Constitution. Sadly, What Is So Clearly Visible To Many Of Us Is Bowing To Money And Power.

I Am Writing To Express My Concern Regarding The Cancellation Of Jimmy Kimmel Live! And The Troubling Circumstances Surrounding It. From Public Reporting, It Appears That This Decision Was Influenced By Outside Corporate Pressures From Major Broadcast Owners, Rather Than Being Based Purely On Programming Considerations.

The FCC Is Entrusted With Safeguarding The Public Interest In Broadcasting. When Corporate Owners Silence Voices That Provide Cultural, Political, And Comedic Commentary, It Raises Questions About Whether Our Airwaves Are Truly Being Managed In Service Of The Public. Viewers Should Not Be Deprived Of Longstanding Programming Because Executives Or Affiliates Cave To Political Or Financial Pressure.

I Urge The FCC To Look Closely At The Conditions Surrounding This Cancellation, And To Consider Whether The Concentration Of Media Ownership Among Companies Like Disney, Nexstar, And Sinclair Undermines The Diversity Of Voices That The Public Airwaves Are Supposed To Protect.

Description

I Am Writing To Express My Strong Opposition To The Sudden Removal Of The Late Night Host, Jimmy Kimmel, From ABC Broadcast Stations Across The Country. In Tracing The Events That Took Place Prior To This Decision Being Made By Disney Plus Hulu And Their Affiliate Stations To Pull Jimmy Kimmel Live, It Appears These Entities Were Responding To Chairman Brendan Carr's Statements Regarding The Appropriateness Of Jimmy's Monologue About The Death Of Charlie Kirk And His Implied Threat Of Cancelling The Networks Broadcast Licenses If He Was Not Stopped Or His Show Taken Off The Air. Within Hours The Decision Was Made By Disney Plus To Pull Jimmy's Show Indefinitely; No Warning Or Notice Given. This Is A Direct Result Of Chairman Carr Expressly Threatening Stance Toward Broadcasters, Some Of Whom Have Potential Mergers Requiring FCC Approval. This Is A Gross Misuse Of Government Power And Straight Up Censorship! The First Amendment Of The Constitution Guarantees All Americans The Right To The Freedom Of Expression And Was Created To Ward Off Governments Overreach Or Censorship. It Underpins Our Democracy And As Carried Out Here, Illegal. I Would Ask Jimmy Kimmel Be Allowed To Be Return To His Job, His Musicians, Writers And Stage Crew Along With Him And The Brendan Carr Retrack His Statement And Correct The Record For Oversight Of Any Mergers In The Future. As It Stands Now, This Is A Dangerous Precedent And Requires Courageous Leaders To Stand Up For What Is Right.

I Have Unsubscribed Countless Times But ActBlue Keeps Illegally Giving Out Numbers To Organizations. Sometimes Repeatedly Even After You Unsubscribe.

Here Is An Example From 860-743-8048.

'Sen. Chris Murphy Here. Trump And His Lieutenants Showed Us That There Is No End To How Much They Are Willing To Weaponize The Federal Government To Destroy Political Opposition.

This Summer, To Appease Trump, The Executives At Paramount Canceled Colbert's Show. Now, Trump's FCC Pressured ABC To Pull Jimmy Kimmel Off The Air.

That's Censorship. That's State Speech Control. It's Bone Chilling.

Trump Is Making It 100% Clear He Is Going To Ramp Up His Efforts To Use The Power Of The Federal Government To Harass And Punish His Critics. This Is The Standard Format For Every Budding Despot.

That's Why I Just Announced I Will Be Introducing The No Political Enemies Act (NOPE Act) To Ensure The Law Is On The Side Of Free Speech And The Right To Dissent. I Wish This Legislation Weren't Necessary, But It Is Now. So We Need To Build New Protections In Court. And This Bill Would Allow For A Specific Defense For Those That Are Being Targeted For Political Reasons.

There Should Be A Commonsense, Bipartisan Agreement On This Law. But This Is A Decision Moment For The Country. Conservatives Who Say They Support Democracy And Free Speech Need To Speak Up Right Now.

So I Need Your Help To Put Pressure On My Republican Colleagues To Put Our Democracy Before Loyalty To Their Leader. So Please, Demand My Colleagues To Support The No Political Enemies Act.

Subject: Complaint Regarding Content Of Jimmy Kimmel Live!

Date(s) Of Broadcast:

Tesla Segment: March 2025 (exact Date/time To Be Confirmed From Local Listings)

Charlie Kirk Segment: September 15, 2025 (approx. 11:35 P.m. ET)

Station/Channel: ABC Television Network “ [Insert Your Local Affiliate Call Sign, City, And State]

Description Of The Issue:

I Am Submitting This Complaint Regarding Two Separate Jimmy Kimmel Live! Broadcasts That I Believe Contained Content That May Violate FCC Broadcast Standards For Accuracy Or Public Interest Obligations:

Tesla Remarks (March 2025):

During A Monologue, Mr. Kimmel Joked About Recent Arson And Vandalism Of Tesla Vehicles.

According To Multiple News Sources (e.g., Economic Times, Fox News, Deadline), He Said Words To The Effect Of “Please Don’t Ever Vandalize Tesla Vehicles,”

Followed By A Humorous Pause That Critics Interpreted As Encouraging Or Trivializing Criminal Activity.

Charlie Kirk Remarks (September 15, 2025):

During Coverage Of The Murder Of Political Commentator Charlie Kirk, Mr. Kimmel Stated That "the MAGA Gang [was] Desperately Trying To Characterize This Kid Who Murdered Charlie Kirk As Anything Other Than One Of Them," Implied That The Suspect Belonged To A Specific Political Movement.

Subsequent Law-enforcement Reports Indicated That The Suspect's Political Affiliation Was Unconfirmed At The Time And Later Evidence Suggested Left-wing Ideological Leanings.

These Broadcasts Were Presented On A National Television Network Without Clear Disclaimers Distinguishing Satire/opinion From Factual Reporting. I Am Concerned That These Statements May Mislead Viewers, Potentially Violating FCC Rules Regarding Broadcast Responsibility And The Public Interest.

Please Investigate Jimmy Kimmel Live And Take Appropriate Action.

Description

To Whom It May Concern,

With Great Disappointment, I Read Your Recent Press Release Confirming That Disney Will Continue To Air Jimmy Kimmel Live.

At One Time, This Program Was Among My Favorites. However, Over The Past Several Years, It Has Drastically Declined In Quality And Appeal. The Ratings Reflect This Decline, Which Has Mirrored The Show's Increasingly One-sided And Polarizing Political Commentary.

It Is Deeply Troubling To Witness The Extent To Which Disney Has Embraced And Promoted Divisive, Left-wing Rhetoric, Often At The Expense Of Civility, Balance, And Respect For A Broad Audience. The Political Tone Coming From Much Of Disney's Programming Today Does Not Reflect The Values Of Millions Of Americans And Seems Far Removed From The Vision Of Walt Disney Himself. It's Difficult To Imagine That He Would Have Supported Using The Disney Brand To Push A Narrow Political Agenda.

I No Longer Wish To Support A Company That Appears To Disregard Half Of The Country. As A Result:

I Will Be Cancelling My Disney+ Subscription.

I Will Not Purchase Products Or Services From Companies That Advertise On Disney-owned Platforms And Will Be Reaching Out To Those Advertisers To Explain Why.

I Will Be Divesting Any Disney Stock Held In My 401(k) And Will Encourage Others To Reconsider Their Investments As Well.

It's Unfortunate To See A Once-beloved Institution Alienate Such A Large Portion Of Its Audience. I Hope Disney Reconsiders The Direction It Is Taking Before Further Damage Is Done"both To Its Legacy And Its Future.

Sincerely,

After Jimmy Kimmel's Comments About Blaming The 'MAGA' Movement For The Assassination Of Charlie Kirk, Jimmy Kimmel's TV Show Was Cancelled By Disney. Now That Appears To Have Changed. I Thought Is Was A Violation Of FCC Rules To Blatantly Make False Statements/stories As Truth, And No Repercussions From The FCC. What Is The Purpose Of The FCC If Not Only To Monitor But Hold Accountable These Types Of False And Disparaging Comments. I Hope Some Corrective Action Would Be Taken By The FCC And Hold ABC/Disney For Allowing The Inaccurate Comments To Continue.

Description

To Whom It May Concern,

With Great Disappointment, I Read Your Recent Press Release Confirming That Disney Will Continue To Air Jimmy Kimmel Live.

At One Time, This Program Was Among My Favorites. However, Over The Past Several Years, It Has Drastically Declined In Quality And Appeal. The Ratings Reflect This Decline, Which Has Mirrored The Show's Increasingly One-sided And Polarizing Political Commentary.

It Is Deeply Troubling To Witness The Extent To Which Disney Has Embraced And Promoted Divisive, Left-wing Rhetoric, Often At The Expense Of Civility, Balance, And Respect For A Broad Audience. The Political Tone Coming From Much Of Disney's Programming Today Does Not Reflect The Values Of Millions Of Americans And Seems Far Removed From The Vision Of Walt Disney Himself. It's Difficult To Imagine That He Would Have Supported Using The Disney Brand To Push A Narrow Political Agenda.

I No Longer Wish To Support A Company That Appears To Disregard Half Of The Country. As A Result:

I Will Be Cancelling My Disney+ Subscription.

I Will Not Purchase Products Or Services From Companies That Advertise On Disney-owned Platforms And Will Be Reaching Out To Those Advertisers To Explain Why.

I Will Be Divesting Any Disney Stock Held In My 401(k) And Will Encourage Others To Reconsider Their Investments As Well.

It's Unfortunate To See A Once-beloved Institution Alienate Such A Large Portion Of Its Audience. I Hope Disney Reconsiders The Direction It Is Taking Before Further Damage Is Done"both To Its Legacy And Its Future.

Sincerely,

(b) (6)

I Am Writing This Complaint Specifically For Brendan Carr. I Am Outraged At The Overreach From The White House And From The FCC. Cancellation Of Jimmy Kimmel Is Not About What He Said Or Didn't Say But More About What Brendan Carr Himself Has Said Over The Years About Censorship. Freedom Of Speech Is What Charlie Kirk Stood For And Is Paramount To Maintaining Our Democracy And The Very First Amendment Of Our Constitution. Mr. Carr's Insistence That He Acted Independently Is Laughable And All Of Us Can See That. Shame On Mr. Carr And The FCC For These Democracy Threatening Actions. Canceling Of Comedians Was The First Steps Putin And Erdogan Of Turkey Took In Order To Proceed With Their Autocratic And Dictatorial Agendas. People In Those Countries Will Tell You By The Time They Realized What Was Happening It Was Too Late. Don't Let That Happen To Us! You Should Be The Firewall That Saves Us Instead Of Being Bullied Into A Willing Participant.

Description

FCC Chairperson Carr Has Illegally Used (hence Abused) His Position By Forcing Disney (Bob Iger) To Suspend Jimmy Kimmel's TV Show. Quote, "we Can Do This The Easy Way Or The Hard Way."

A Government Entity/official (you, FCC Chairperson Brendan Carr, Is Not Allowed To Coerce A Private Entity Simply Because You (or Trump) Don't Like What They Are Saying. That Is Federal Government Censorship.

You Know It, I Know It, Ted Cruz Knows It, The Entire Nation Knows It. That Is Not Allowed By Our Constitution.

We All Enjoy The Rights To Free Speech As Guaranteed By The First Amendment To Our U.S. Constitution.

The FCC Was Not Created To Control Speech/thoughts.

Oh, Yes, Everyone Knows All About Nexstar Merger Issues And The Real Background Here As To Why Bob Iger Folded. We're Not That Stupid.

Yet, You Did It, And Are On TV Saying It. You Said It Is Sick What Kimmel Said. You Are, As The Nation Knows, Bending The Knee To Trump Who Cannot Countenance Anything Less Than Flattering Being Said About Him.

You Completely Are (for Sake Of Your Job, We Get It) Ignoring The Entirety Of What Kimmel Said, Including Saying How Horrific The Kirk Assassination Was, And Kimmel's Expression Of Condolences To His Family. So Convenient To Ignore That BTW.

On Trump's Behest You Simply Caved And Went After What He Said About MAGA-land, Which Likely Was Quite Accurate, But Of Course Infuriates A Dictator And His Sycophants.

You Cannot Deny Your Involvement At This Point Chairperson Carr.

Your "in Your Face" Sick Memes You Sent To Several Major National News Organizations, Such As CNN (the Clip From The Office) Are On Record Illustrating Your Insincerity.

I Am Filing This Complaint Seeking The Removal Of FCC Chairperson Brendan Carr. He Is Obviously Unsuitable For This Important Role In Our Government.

Please Notify Me Of The Next Steps I, A Private Citizen, Need To Take, To Ensure My Complaint Is Heard And Acted Upon.

Thank You.

City/State/Zip: Arlington, TX 76010

Name of TV Program: Jimmy Kimmel Live

Description

The FCC Has An Obligation To Check On Air Personalities And Their Networks When Promoting Dangerous, Purposefully Misinformed Takes That Knowingly Blurs The Line Between Reality And Misinformation On Developing News Stories.

Jimmy Kimmel, On His Late Night Show Hosted On ABC, Used His Platform To Misinform His Audience About A Developing Story By Making Two Accusations:

1. That The 'MAGA' Movement Was Purposefully Using What He Claims As Misinformation To Paint Charlie Kirks Murderer As 'anything But One Of Theirs'
2. With The First Statement, This Implies That Evidence That Was Released By Local Police Departments And The FBI Was Either Falsified Or Fabricated.

Rhetoric Like This Is What Many Americans Believe Is What Caused The Assassination Of Charlie Kirk. Political Tribalism And Those Who Promote It Put Out An Incredibly Dangerous Message Of 'these People Are Bad And Someone Needs To Do Something About It'. This Has Not Only Put Those In The Media In A Position Of Having To Worry About Political Violence, But Everyday Americans.

A Quick Glance Over The Reaction Of ABC And Disney Returning His Program To Air Proves This. The Mischaracterization Of This As A 'free Speech' Issue, The Blatant Lies That The Initial Suspension Was Caused By The FCC And Other Baseless Lies Need To Be Checked.

Description

This Complaint Is Regarding An Indecency Violation Of 47 U.S. Code Â§ 312 By ABC And Jimmy Kimmel Show

I Am Writing To Formally Address A Violation Of 47 U.S. Code Â§ 312 By ABC And The Jimmy Kimmel Show That Occurred On September 15, 2025, At 10:35 PM CST. During This Broadcast, Jimmy Kimmel Made A Malicious And Indecent Comment Regarding The Tragic Death Of Charlie Kirk. Specifically, He Stated:

â€œWe Hit Some New Lows Over The Weekend With The MAGA Gang Trying To Characterize This Kid Who Killed Charlie Kirk As Anything Other Than One Of Them And Doing Everything They Can To Score Political Points From It.â€

Additionally, Kimmel Criticized President Trumpâ€™s Response To The Tragedy, Claiming:

â€œThis Is Not How An Adult Grieves The Murder Of Someone He Called A Friend.â€

These Statements Were False And Calculated, With The Clear Intent To Mislead The Public And Manipulate Perceptions Of Both The Tragic Event And Public Figures Involved. This Kind Of Rhetoric Is Not Only Malicious But Also Constitutes Blatant Propaganda.

As A Network Holding A Public Broadcasting License Granted By The FCC, ABC Has A Legal Obligation To Ensure That Its Programming Upholds Standards Of Public Decency And Does Not Broadcast Content That Is Defamatory, Malicious, Or False. This Violation Of Broadcasting Ethics Undermines The Trust And Responsibility ABC Holds To The Public.

Should ABC Choose To Continue Airing Content From Jimmy Kimmel, The FCC Must Immediately Reconsider ABC's Broadcasting License. This Kind Of Reckless And Inflammatory Content Is Inconsistent With The Standards Expected Of Any Public Network.

I Urge You To Take Appropriate Action In Accordance With Federal Law.

Sincerely,

City/State/Zip: Nashville, TN 37203

Description

I Am Filing This Complaint Because FCC Chairman Brendan Carr Publicly Pressured ABC/Disney And Its Affiliates Regarding The Broadcast Of Jimmy Kimmel Live. He Suggested That Affiliates Could Face FCC Regulatory Consequences If They Continued To Air The Program After Mr. Kimmel's Political Commentary.

This Appears To Exceed The FCC's Statutory Mandate. The FCC's Role Is To Regulate Obscenity, Indecency, Technical Broadcast Standards, Children's Programming, And Related Issues " Not To Police Political Satire Or Commentary. Chairman Carr's Threats, Tied To Viewpoint And Political Content, Create A Chilling Effect On Free Speech And Raise Serious First Amendment Concerns.

I Respectfully Request That This Complaint Be Logged, That The FCC's Office Of Inspector General Investigate Whether Chairman Carr Acted Outside Of His Lawful Authority, And That Appropriate Oversight Be Exercised.

Show Me In The First Amendment Where Any Of These Propaganda Companies Full Of Communists, Faggots, And Bolshevik Jews Are Entitled To A Broadcast License Or Never Be Fined For Lying For Years? The Same People Who Pretend To Care About The People In Gaza Use The Same Dehumanizing Tactics Towards Conservatives And Christians And Just Regular Americans Who Don't Subscribe To Communist Ideology. I Bet You'd Have Terminated Their Broadcast License Had They Said Something 'no-no' Against Israel. You're Just A Total Muppet. All You Politicians And Soviets Are Muppets And Fools. It's Why You Let These Communists Endlessly Propagandize America. Yuri Bezmenov Was Right, And These Communists Don't Respect America Because Feckless Cunts Like You Allow Them To Have A Platform (our Very Own Public Broadcast Bands Meant To Serve America, Not Destroy It With LIES). They Can't Even Control Their Own Violent Audiences They Brainwash

It'd Be One Thing If He Said 'I Don't Believe The FBI' Or 'I Don't Think...' Or 'I Think...', But He Just Outright Stated It Was A Right-winger At A Time When The Left Is Openly Celebrating Murder And Justifying It And Calling For More Of It, And The Evidence Pointed To The Suspect Being Left-wing At The Time. Then We Have To Hear Him LIE And Blame The Victims Of LITERAL TERRORISM (violence Against Civilians For A Political Purpose) For

The Murder? We 'supposedly' Have 'conservatives' In And You Won't Do Anything To Punish The Communist Propagandists That Want To Destroy Apart America With Lies.

Description

I Am Filing A Complaint Against Sinclair Broadcast Group And Its Portland Affiliate Regarding Their Announced Intent To Preempt ABC's Jimmy Kimmel Live. This Decision Appears To Be Based On Partisan Disagreement With The Program's Content Rather Than Any Legitimate Public-interest Need.

This Is Not A Dispute Over "Opinion Programming." Jimmy Kimmel Live Is A Nationally Distributed Network Program That ABC Has Determined Is Appropriate For Broadcast Across All Affiliates. Affiliates Are Expected To Carry Such Programming Consistently Unless There Is A Legitimate Reason For Preemption, Such As Breaking News, Emergencies, Or Major Community Events.

By Choosing To Block This Program For Partisan Reasons, Sinclair Is Overriding Both The Network's Contractual Programming Decisions And Its Own Duty As A Broadcast Licensee To Serve The Public Interest, Convenience, And Necessity. Arbitrary Or Politically Motivated Preemptions Undermine The Freedom Of Expression, Reduce The Diversity Of Viewpoints Available To The Public, And Misuse The Public Airwaves That Broadcasters Are Entrusted To Manage.

I Respectfully Request That The FCC Review This Matter, Ensure That Sinclair's Conduct Is Consistent With Its License Obligations, And Protect The Public's Access To Network Programming Without Viewpoint-based Suppression.

Thank You For Your Attention To This Matter.

For Example, Laura Ingraham Recently Said “Good Work” In Reference To ICE Throwing A Democrat On The Ground. On The Other Side, Jimmy Kimmel Made Comments Suggesting A Republican Was Trying To Make Charlie Kirk’s Assassin Look Liberal.

While I Understand That Political Commentary Is Protected Speech, When Hosts Celebrate Violence Or Use Rhetoric That Risks Inflaming Division, It Goes Beyond Healthy Debate. I Ask The FCC To Review Whether These Types Of Statements Meet Broadcast Standards For Decency And Public Responsibility.

My Concern Is Not About Left Or Right “It’s About Holding All Broadcasters Accountable To The Same Standard So Viewers Are Not Exposed To Rhetoric That Could Encourage Hostility Or Violence.

This Was A Highly Misleading And Lie As It Was Widely Known And Reported By ABC's Own ABC NEWS By Kendall Wright And Quinn Scanlan September 14, 2025, 1:25 PM That The Shooter Was 'deeply Indoctrinated With Leftist Ideology.' It Was Also Widely Reported At Prior To Airing That Charlie Kirk's Shooter Had Leftist Messages On His Bullets Including 'Hey Fascist! Catch!' And The Leftist Antifa Anthem Bella Ciao. Kimmel Has Sent Leftist Terrorists A Clear Message... Kimmel Is Demonstrating To Leftist Terrorists That If They Commit An Act Of Violence, He Will 'run Cover' For Them And Blame It On Their Victims Instead Of The Ones Perpetrating The Violence. My Concern Is That Kimmel's Act Of Misleading His Audience May Make Future Terrorists More Emboldened To Commit Future Acts Of Violence, Knowing That Kimmel Was Already Willing To Mislead Americans And Blame The Side Of The Victim.

Description

I Am Writing To Express My Strong Objection To The Reinstatement Of Jimmy Kimmel Live! On ABC, Scheduled For September 23, 2025. The Decision To Bring Back The Show, Despite Its History Of Controversial And Divisive Content, Is Deeply Concerning.

Specifically, I Find Mr. Kimmel's Recent Comments Regarding The Suspected Killer Of Conservative Activist Charlie Kirk To Be Highly Inappropriate, Potentially Obscene, And Indecent Under FCC Guidelines. These Remarks, Coupled With His History Of Polarizing Commentary, Including Past Incidents Like Blackface Sketches, Undermine The Standards Expected Of Broadcast Television. FCC Chair Brendan Carr Has Already Indicated Scrutiny Of The Program, Reflecting Broader Public And Regulatory Concern.

The Return Of Jimmy Kimmel Live! Risks Amplifying Divisive Rhetoric, As Mr. Kimmel's Remarks Are Often Repurposed As Soundbites Across Media Platforms, Further Inflaming Tensions. This Content Is Unsuitable For A Broad Audience And May Contribute To A Polarized Or Violence-inducing Climate, Which Is Particularly Troubling Given The Show's Prime-time Slot.

I Urge The FCC/ABC To Reconsider This Decision And Replace Jimmy Kimmel Live! With Programming That Is More Inclusive, Family-friendly, And Less Likely To Provoke Controversy. Viewer Trust And Network Accountability Should Take Precedence Over Reinstating A Program With Such A Contentious Track Record.

Thank You For Addressing This Matter Promptly. I Look Forward To Your Response And Any Steps Taken To Ensure Responsible Broadcasting.

Of Course, If People Want To Have No Holds Barred Boundary Breaking Shows And Themes, Then They Can Pay For Satellite, Streaming, Ond Other Options, I Watch Over The Air Television Not Out Of Economic Limitations At All, But Rather Because I Prefer To Moderate What I And My Family See And Are Entertained By, With The Expectation Of Decency, Decorum, Respect, And Standards And Practices Of Which No One May Be Ashamed. This Comedian In Question Could Never Be Viewed By Us Ever Again Without The Stain That He Now Bears, And The Injury To The ABC Brand Is Certainly Substantial. It Is Not An Issue Of Free Speech. We Watch OTA Programming Precisely To Avoid Being Exposed To Filthy Language, Objectionable Imagery, And All The Other Manner Of Gratuitous Adult Excess Associated With Cable, Satellite, Internet, Etc. None Of That Serves The Public Interest, And People Who Enjoy Gutter Humor And Tavern Talk Still Have Their Freedom To Subscribe And Pay For That. And People Who Produce Trash Are Still Free To Do So, But Should NOT On The Public Airwaves! I Think I Speak For A Majority Of Americans When I Say That We Are Absolutely Fed Up With The Disrespectful Garbage That So Called Entertainers Like Kimmel Foist Upon Us, That Is At Least Perhaps The 77, 302, 580 Voters In The 2024 National Election. All We Need Do Is Ask Ourselves, Would Johnny Carson Or Even David Letterman Do Such A Thing? Of Course Not. It Is Absolutely Fitting And Proper That The Standards Of Decency Be Upheld And The The Public Interest Be Respected.

Description

Dear Federal Communications Commission,

I Am Writing To Demand The Immediate Revocation Of ABC's Broadcast License Due To The Deeply Offensive Comments Made By Jimmy Kimmel. His Remarks About Charlie Kirk's Assassination Were Not Only Insensitive But Also Dangerous, And They Have No Place On Public Airwaves.

Kimmel's Comments Were A Clear Violation Of Broadcasting Standards And Demonstrated A Reckless Disregard For The Impact Of His Words. Such Inflammatory Rhetoric Can Incite Violence And Hatred, And It Is The FCC's Responsibility To Protect The Public From Such Harmful Content.

ABC Has A Responsibility To Ensure That Its Programming Is Respectful And Responsible. By Allowing Kimmel's Comments To Air, They Have Failed In This Duty. The FCC Must Take Swift Action To Hold ABC Accountable And Send A Clear Message That Such Behavior Will Not Be Tolerated.

I Urge You To Revoke ABC's Broadcast License Immediately. This Is The Only Way To Ensure That Such Harmful Content Is Not Allowed To Air Again.

Sincerely,

I Am Writing To Express My Strong Disappointment That Jimmy Kimmel Live! Has Been Removed From My Provider, Sinclair Broadcasting. I Have Been A Long-time Viewer, And This Decision Deprives Me And Many Others Of Programming That We Value And Enjoy. Sinclair Has Indicated There May Be "alternate Programming," But That Does Not Address The Fact That A Program I Rely On Has Been Taken Away Without My Consent Or Input As A Paying Customer.

What Troubles Me Further Is The Inconsistency In How Programming Decisions Are Made. For Example, A FOX News Reporter Once Publicly Advised The Administration To Consider Euthanizing Senior Citizens, And No Action Was Taken Against That Programming. Yet Jimmy Kimmel Is Removed. This Feels Like An Unfair Double Standard.

I Respectfully Urge The FCC To Investigate This Matter And Work To Ensure That Sinclair Returns Jimmy Kimmel Live! To Its Networks. Viewers Deserve Access To A Diversity Of Perspectives And Entertainment Without Arbitrary Removals That Limit Choice.

Thank You For Your Attention To This Issue.

Sincerely,

This Isn't Just Editorial Discretion; It's A Calculated Suppression Of Opinion, And Thier Demand That Kimmel "make A Donation" To Appease Them Reeks Of Extortion. It's Not Only Unethical"its Unlawful.

As A Strong First Amendment Proponent I Find Any Attempt To Silence Free Speech Not Only Illegal, But Morally Reprehensible For Any American And Especially A Broadcast Corporation.

I Am Filing A Complaint Regarding Sinclair Broadcast Group's Decision To Preempt Jimmy Kimmel Live! On Its ABC Affiliates, Including KDNL In St. Louis, Missouri.

Disney/ABC Reinstated The Program Nationwide, Yet Sinclair Has Chosen To Block The Broadcast And Replace It With Other Programming. This Denies Viewers In Multiple Markets Access To The Same Network Programming Available Elsewhere In The Country.

As Sinclair Operates Under FCC Broadcast Licenses, It Has A Public Obligation To Provide Fair And Consistent Access To National Network Programming. Replacing Scheduled ABC Content With Sinclair-directed Alternatives Undermines Viewer Choice, Editorial Independence, And The Public's Right To Access Network Broadcasts Without Interference From Affiliate Owners.

I Respectfully Request The FCC Review Sinclair's Actions And Ensure That Viewers In Affected Markets Are Not Treated Differently Than Viewers Elsewhere.

Description

I Am Filing This Complaint Regarding Sinclair Broadcast Groupâ€™s Undue Influence Over Broadcast Programming And Its Harmful Effects On Free Expression And Viewpoint Diversity. Sinclair Affiliates Suspended Jimmy Kimmel Live! After Government Intimidation, As Documented In Public Statements By FCC Commissioner Anna M. Gomez (Sept. 18 And Sept. 22, 2025). This Corporate Capitulation Demonstrates How Concentrated Ownership Makes Broadcasters Vulnerable To Political Pressure.

Sinclair Already Controls Approximately 178 Television Stations Across 81 Markets, Reaching About 40% Of U.S. Households. Along With Nexstar, It Controls More Than 25% Of ABC Affiliates, Giving It Power To Block Or Distort National Programming. Sinclair Has Previously Attempted To Exceed The FCCâ€™s National Ownership Cap (39%) Through The Failed Tribune Media Merger, Which Would Have Reached ~72% Of U.S. Households.

The FCCâ€™s Public Interest Mandate Requires Broadcasters To Promote Localism, Competition, And Viewpoint Diversity. Sinclairâ€™s Excessive Market Share And Its Willingness To Engage In Censorship At The Behest Of Government Officials Are Contrary To Those Obligations. I Respectfully Request That The FCC:

â€™ Investigate Sinclairâ€™s Role In Suppressing Programming Following Political Pressure.

â€™ Ensure Sinclair Does Not Exceed National Ownership Limits Through Loopholes Such As The UHF Discount.

â€™ Block Any Further Attempts By Sinclair To Expand Its Market Share Until Compliance With The First Amendment And The Public Interest Can Be Assured.

Attached Is A Fact Sheet Summarizing Sinclairâ€™s Market Concentration And Influence,

City/State/Zip: Watertown, NY 13601

Name of TV Program: Jimmy Kimmel Live

Network: ABC

Description

I Am Filing A Complaint Regarding Nexstar Media Group's ABC Affiliates And Their Decision To Preempt Jimmy Kimmel Live.

This Decision Is More Than A Matter Of Scheduling. It Is A Matter Of Principle.

The Public Airwaves Belong To The People, Not To Any Corporation Or Political Leader. Nexstar Holds Licenses To Use These Public Resources Only So Long As It Serves The Public Interest, Convenience, And Necessity, As Required Under Federal Law. By Blocking A Nationally Scheduled Program That Is Otherwise Carried On ABC, Nexstar Is Undermining The Diversity Of Voices That The FCC Is Charged With Protecting.

By Censoring Lawful Speech Under The Pretext Of "indecent," Nexstar Has Distorted The FCC's Rules. What Jimmy Kimmel Said Was Not Indecent Under FCC Definitions. It Contained No Obscene, Profane, Or Patently Offensive Sexual Or Excretory Content. Labeling It As Such, And Preempting The Program On That Basis, Is An Abuse Of The Public Trust And A Misapplication Of FCC Standards.

When A Broadcaster Uses The Public's Airwaves To Silence Speech Under Political Pressure, It Acts Less As An Independent Licensee And More As An Agent Of The State. That Is Precisely The Danger Our Constitution And Communications Laws Are Meant To Prevent.

I Respectfully Request That The FCC Investigate Whether Nexstar's Conduct Is Consistent With Its Obligations As A Licensee Of The People's Airwaves. The FCC Should Require Nexstar To Explain How Continuing To Preempt Jimmy Kimmel Live Serves

The Public Interest, And Why It Is Misusing “indecent” Standards To Justify Political Censorship.

Description

I Am Filing A Complaint Regarding Sinclair's ABC Affiliates And Their Decision To Preempt Jimmy Kimmel Live.

This Decision Is More Than A Matter Of Scheduling. It Is A Matter Of Principle.

The Public Airwaves Belong To The People, Not To Any Corporation Or Political Leader. Sinclair Holds Licenses To Use These Public Resources Only So Long As It Serves The Public Interest, Convenience, And Necessity, As Required Under Federal Law. By Blocking A Nationally Scheduled Program That Is Otherwise Carried On ABC, Sinclair Is Undermining The Diversity Of Voices That The FCC Is Charged With Protecting.

By Censoring Lawful Speech Under The Pretext Of "indecent," Sinclair Has Distorted The FCC's Rules. What Jimmy Kimmel Said Was Not Indecent Under FCC Definitions. It Contained No Obscene, Profane, Or Patently Offensive Sexual Or Excretory Content. Labeling It As Such, And Preempting The Program On That Basis, Is An Abuse Of The Public Trust And A Misapplication Of FCC Standards.

When A Broadcaster Uses The Public's Airwaves To Silence Speech Under Political Pressure, It Acts Less As An Independent Licensee And More As An Agent Of The State. That Is Precisely The Danger Our Constitution And Communications Laws Are Meant To Prevent.

I Respectfully Request That The FCC Investigate Whether Sinclair's Conduct Is Consistent With Its Obligations As A Licensee Of The People's Airwaves. The FCC Should Require Sinclair To Explain How Continuing To Preempt Jimmy Kimmel Live Serves

The Public Interest, And Why It Is Misusing “indecent” Standards To Justify Political Censorship.

Description

I Am Filing A Complaint Regarding WWTI (ABC 50, Watertown, NY), Owned By Nexstar Media Group, And Its Refusal To Air Jimmy Kimmel Live. I Have Already Filed A Complaint , No. 8181511.

WWTI Broadcasts On The Public Airwaves, Which Are A Public Resource Licensed Under The Condition That Stations Serve The Public Interest, Convenience, And Necessity. By Preempting A Nationally Scheduled ABC Program, WWTI Is Depriving Viewers In Watertown Of Lawful Programming And Undermining The Diversity Of Voices The FCC Is Tasked With Protecting.

This Action Appears To Be Motivated By Political Considerations Rather Than Technical Necessity Or Community Need. When A Licensed Broadcaster Uses The Public's Airwaves To Suppress Programming That Is Critical Of Political Figures, It Risks Functioning Not As An Independent Licensee But As An Agent Of The State, Which Is Fundamentally Contrary To Democratic Principles And The FCC's Licensing Framework.

I Respectfully Request That The FCC Investigate Whether WWTI's Conduct Complies With Its Obligations As A Licensee And Require Nexstar To Explain How This Preemption Serves The Public Interest In Watertown.

I Live In ZIP 63141 (St. Louis DMA). My Local ABC Affiliate KDNL-TV (ABC 30), Owned By Sinclair, Is Preempting The Network Program Jimmy Kimmel Live! And Replacing It With Other Content. This Occurred On September 23, 2025 At Approximately 10:35â€“11:37 P.m. CT And Appears To Be Ongoing. I Pay For TV Service Expecting The ABC Network Lineup Carried By My Local Affiliate; Removing A Regularly Scheduled Network Program Without A Comparable Delayed Airing Materially Reduces Access To Network Programming In My Market.

I Understand Editorial Discretion Rests With Licensees, But This Is A Systematic Blackout Of A Network Program Rather Than A One-off Breaking-news Interruption. Iâ€™m Requesting That The FCC Log This Complaint, Forward It To KDNL-TV And Its Licensee, And Require A Written Response Explaining The Basis For Ongoing Preemptions And Whether/when The Station Will Restore Or Time-shift Jimmy Kimmel Live! So St. Louis Viewers Can Watch The Program Over Broadcast TV As Intended.

Description

To The Federal Communications Commission,

I Am Filing This Complaint Regarding Sinclair Broadcast Group's Decision To Continue Suspending Jimmy Kimmel Live! On Its ABC Affiliates, Including KOMO In Seattle, Despite ABC Having Lifted The Suspension.

This Action Constitutes Unjust Censorship And Undermines Sinclair's Obligation To Serve The Public Interest As A Licensed Broadcaster. Sinclair's Behavior Suggests That It Is Yielding To Political Influence, Particularly From Donald Trump And His Allies, In Determining Programming Decisions. Such Conduct Is Inconsistent With The Responsibility Of Broadcast Licensees To Provide Fair, Diverse, And Independent Programming For The Communities They Serve.

Sinclair Is Applying A Double Standard. Conservative Outlets And Commentators Routinely Air Insensitive Or Inflammatory Remarks Without Consequence, Yet Sinclair Is Silencing Jimmy Kimmel Live! For Content That Simply Challenges The Political Right. This Is Not A Neutral Programming Decision But Rather A Partisan Act Of Censorship.

I Urge The FCC To Review Sinclair's Conduct In The Context Of Its Broadcast Licenses And Any Pending Regulatory Matters, Including Mergers Or Acquisitions Requiring Commission Approval. Sinclair Should Be Held Accountable For Undermining The Principles Of Free Expression And The Public Interest.

Sincerely,

Description

I Am Submitting This Complaint Regarding WEHT And WTVW, Two Local Stations In Evansville, Indiana, Owned By Nexstar Media Group. These Stations Have Recently Refused To Air The Jimmy Kimmel Show, A Decision That Appears To Be Driven By Corporate Directives Rather Than Local Viewer Interests.

This Action Undermines The FCC's Mandate That Broadcasters Serve The Public Interest, Convenience, And Necessity. Jimmy Kimmel Live Is A Nationally Syndicated Program That Offers Timely Commentary, Entertainment, And Cultural Relevance. By Pulling The Show, WEHT And WTVW Are Depriving Local Audiences Of Diverse Viewpoints And Programming That Many Residents Value.

The Decision Seems Rooted In Nexstar's Corporate Agenda, Not In Any Documented Community Concern Or Feedback. Local Stations Should Reflect The Needs And Interests Of Their Viewers—not Act As Mouthpieces For Corporate Censorship. This Move Sets A Troubling Precedent And Raises Serious Questions About Editorial Independence And The Erosion Of Local Media Integrity.

I Urge The FCC To Investigate Whether WEHT And WTVW Are Fulfilling Their Obligations To Serve The Public Interest And To Consider Whether Nexstar's Influence Is Compromising The Diversity And Accessibility Of Programming In Our Region.

My Sinclair ABC Affiliate, WJLA Washington DC, Is Blocking My Availability To ABC Network's Jimmy Kimmel Live! Program. I Feel Sinclair And Nexstar Are Acting In Bad Faith Of Their Licenses By Blocking Lawful Content From Their ABC Television Network Provider. Further, OTA Reception Has Degraded After The Broadcaster Changed Frequencies From UHF To VHF. Licensed Coverage Should Extend To The Greater Fredricksburg Suburban Area Which Is Part Of The Washington DC Market. The FCC Should Not Be In The Business Of Censorship Unless Laws Are Broken. Historically, The 'Big Three' Aka ABC, CBS And NBC Had To Give Up Their Broadcast Stations To Minimize Monopolies. Affiliates Should Not Be Allowed To Become Monopolies Who Can Dictate What Content Network Providers Will Air And Ignore What The Audience Desires To Watch. Anyone Who Finds A Program Offensive Does Not Have To Watch And Can Tune Out. An Affiliate Should Broadcast Their Network's Programming On The Network's Nationwide Schedule. FCC Rules Should Mitigate Monopolies And Favor Rules Where Affiliates Must Carry The Content Of The Network They Choose To Affiliate With On The Nationwide Schedule Of The Network.

I Do Not Accept The Company That Owns My Local Television Station Gets To Decide When I Get To Watch A Show. My Current ABC Affiliate Is Owned By Tegna. If The Proposed Merger Between Tegna And Sinclair Group Goes Through, I May Lose My Ability To Watch Shows Like Jimmy Kimmel That Either Company May Find Objectionable. If The Merger Were With TBN, Would TBN Be Able To Pick And Choose Which Shows To Air Based Upon Their Religious Beliefs? I Expect To Be Able To Watch ALL Of The Content Being Provided By ABC And The Local Station, Not Just What The Station Owner THINKS I Should Be Able To Watch. I Don't Watch Jimmy Kimmel Myself, As Most Of Late-night Comedy Shows Are On After I Go To Bed. I Have The Right To BE Offended. I Can Exercise This Right By Turning The Channel, Writing Out A Complaint To The Local Station For Airing The Offending Show Or You, (as I Am Doing Now) If Something Deeply Offends Me. If This Were A Paid Service, I Wouldn't Care So Much, As I Have The Option To Not Pay For That Channel/service.

If The Station Owners Were To Put Up A Blurb That The Show/episode Contains Statements That They Don't Agree With Or Content They Don't Approve Of, That Lets Me Know As A Viewer That I May Want To Avoid Said Show Or Episode. This Still Leaves ME In Charge Of Watching The Show, Not Someone Else. My Ability To Watch A Show/channel Is Already Being Censored In The ATSC 3.x Standard, With Broadcasters Scrambling Stations That Are OTA. I Should Never Need To Connect A Television To The Internet To Watch An OTA Channel.

Description

I Am Filing This Complaint Requesting Investigation Of A Violation Of 47 C.F.R. Â§ 73.1217 (Intentional News Distortion) That Occurred During Jimmy Kimmel Live On ABC During The Week Following Charlie Kirk's Assassination On September 10, 2025. Host Jimmy Kimmel Broadcast The Following False Statement As Factual News Commentary: 'We Hit Some New Lows Over The Weekend With The MAGA Gang Desperately Trying To Characterize This Kid Who Murdered Charlie Kirk As Anything Other Than One Of Them And Doing Everything They Can To Score Political Points From It.' This Statement Deliberately Misrepresented Established Facts About Tyler Robinson, The Accused Shooter, Who Court Documents And News Reports Confirm Was Raised In A Conservative Republican Family But Recently Shifted To Leftist Ideology According To Charging Documents, And Is Registered As Politically Unaffiliated. The Statement Was Presented As Serious Political Analysis Following A Political Assassination Without Comedic Setup, Punchline, Or Fictional Disclaimer, Constituting Intentional News Distortion That Misleads Viewers About An Ongoing Criminal Investigation. This False Characterization Could Cause Substantial Public Harm By Inflaming Political Tensions And Spreading Misinformation About A Serious Crime, Warranting FCC Investigation And Enforcement Action Under Section 73.1217. I Request The FCC Obtain The Specific Broadcast Details And Transcript From The Station As Part Of Their Investigation.

To Whom It May Concern,

I Am Writing To Formally Express My Disappointment And Concern Regarding Sinclair & ABC's (WJLA) Recent Decision To Discontinue Airing Jimmy Kimmel Live. As You Are Aware, Disney And Jimmy Kimmel Have Already Resolved The Matter, And The Program Has Returned To Air Across The Country"except On Your Station.

This Decision Raises Serious Concerns About Sinclair & ABC's (WJLA) Commitment To The Principles Of Free Speech And Journalistic Independence. By Choosing Not To Air The Program, This Station Gives The Appearance Of Yielding To Political Pressure Rather Than Upholding The Values Of A Free Press. Such Actions Risk Eroding Viewer Trust And Set A Troubling Precedent.

As A Long-time Viewer, I Find It Disturbing That Sinclair & ABC (WJLA) Would Distance Itself From Standing Firmly In Support Of Free Expression. Many Members Of Your Audience, Myself Included, Expect Media Outlets To Protect"not Restrict"the Open Exchange Of Ideas.

Unless This Decision Is Reconsidered I, Along With Many Others Who Share These Concerns, Will No Longer Watch Your Station. I Hope Sinclair & ABC (WJLA) Reflect Carefully On The Impact Of This Choice And Take Steps To Demonstrate Its Commitment To Free Speech And To Its Viewers.

Sincerely,

My Understanding Is That While ABC Is Now Showing The Jimmy Kimmel Show, My Local ABC Affiliate In Washington DC, Owned By The Sinclair Group, Will Not Be Showing This To The Local Audience. I Find That This Position Reflects The Conservative Position That Is Much Aligned With MAGA That Has Caused Sinclair To Decide Not To Show Jimmy Kimmel And In Turn Taking That Choice Away From Me. Perhaps Many Others Are Complaining Both Sides Of The Argument, But I Resent The Fact That Sinclair Has Taken The Choice Away From Me. In A Sense, This Is Not A Very Open Market Approach.

But, In All Fairness, That's Fine. They Own The Local Affiliate. It's Their Business. However, I Still Wish To Have A Choice, And So I Would Ask The FCC To Investigate For The Public Good The Ability Of Individual Customers That Have Cable Access To Decide On The Individual Stations I Want In My Package Of TV Stations (broadcast And Cable) That I Choose To See. And Thus, I Would Like To Have The Option Of Adding Or Subtracting Specific Channels That Conform To My Viewing Habits And Choices.

Last I Checked, We Live In A Democracy. Since When Does Sinclair, Which Owns WLOS, Decide What The People In The Viewing Area Can And Cannot Watch? I Cancelled My Disney Subscription Because I Disagreed With The Company's Policy Of Dropping Jimmy Kimmel, Who Had Done Nothing Wrong. His Show Was Reinstated On Disney (Hulu), But Now I Cannot Watch It Live On My Own Local TV Station. I Know The Head Of The FCC Is A Real Suck Up To Trump. My Father Fought In World War 2 To Defend Our Freedom And This Sure Does Not Feel Like Freedom.

Brendan Carr Has Stated That The FCC Is Allowing Local Communities To Decide The Jimmy Kimmel Issue. That Is 100% False! Sinclair And NextStar, Who Own A Huge Number Of Stations, Are Making That Decision For All Their Stations. It's Not Local Communities, Making The Call, It's Two CEO's Who Want To Stay On The Good Side Of The FCC Chair, Who Is Making Mafioso Threats Towards Them. Brendan Carr Needs To Resign So We Can Have A First Amendment Again.

I Live In Newark Ohio. The Local ABC Channel Is Owned By Sinclair. They Are Refusing To Broadcast Jimmy Kimmel Live And Instead Airing A 'news' Show. When I Am Denied Access To A Show That The Rest Of The Nation Is Able To Watch, I Am Being Treated Unfairly. Why Does Sinclair And Their Stupid Political Agenda Take Precedent Over My Right To Watch Shows That I Am Paying A Subscription To See? PS I Haven't Contacted Windstream Because There's Nothing They Can Do About It. If I Lived In Cleveland, I Could Watch The Show.

I Am A Viewer In Seattle Concerned About KOMO-TV (Channel 4, ABC Affiliate), Owned By Sinclair Broadcast Group. The Station Has Stopped Airing Jimmy Kimmel Live! And Is Preempting ABC Network Programming Without Explanation.

Viewers Expect Their Local ABC Affiliate To Provide The Full Network Schedule. Removing Nationally Broadcast Programming Without Transparency Reduces Public Trust And May Not Serve The Public Interest, Convenience, And Necessity – Which Licensees Are Required To Uphold.

I Am Requesting That The FCC Review Sinclair/KOMO's Decision, Require A Clear Explanation From The Broadcaster, And Ensure That Affiliates Meet Their Obligation To Carry Network Programming In Good Faith For Their Communities.

To Whom It May Concern,

Iâ€™m Writing To Express My Absolute Outrage Over The Blatant Censorship Being Pushed By Media Giants Like Nexstar And Sinclair â€” Specifically Their Apparent Refusal To Air Jimmy Kimmel Live! This Isnâ€™t A Technical Glitch. Itâ€™s Not A Scheduling Conflict. Itâ€™s Media Manipulation, Plain And Simple â€” And The FCC Is Just Standing There, Doing Nothing.

Letâ€™s Be Real: These Corporations Are Actively Silencing Voices They Donâ€™t Like, And That Should Be A Massive Red Flag. The Public Airwaves Are Just That â€” Public. Not Private Tools For Media Monopolies To Muzzle Viewpoints They Find Inconvenient. So Why Is The FCC, The Very Agency Tasked With Protecting The Integrity Of American Broadcasting, Sitting On Its Hands?

Worse Yet, Itâ€™s Hard Not To Notice That Commissioner Brendan Carr Seems More Interested In Cozying Up To Corporate Interests Than Protecting The Public. His Record Is A Joke â€” Unless Youâ€™re A Telecom Exec, In Which Case Heâ€™s A Damn Hero. Carr Has Proven Time And Again That Heâ€™s Not Acting In The Best Interest Of The American People. Heâ€™s Protecting The Very Conglomerates That Are Killing Media Diversity And Stifling Free Expression.

He Needs To Be Fired. Immediately. There Is No Room For Corrupt, Industry-captured Bureaucrats On The FCC. The Commission Should Not Be A Revolving Door For Corporate Lobbyists And Media Enablers. Carr's Presence Is A Stain On The FCC's Credibility And A Threat To Democracy.

If The FCC Wants To Be Taken Seriously, Start By Investigating Nexstar And Sinclair For Abuse Of Power And Political Censorship. Then Clean House. Kick Brendan Carr To The Curb And Remind The American Public That The FCC Still Has A Spine.

The Country Is Watching. Do Something.

Sincerely,

(b) (6)

Sinclair Has Chosen To Preempt Jimmy Kimmel Live On ABC Because They Don't Like His Message. Since They Hold A Broadcasting License, Aren't They Supposed To Operate With The Good Interests Of The Public In Mind? In My Opinion Sinclair Is Suppressing Speech While Operating On Public Airwaves Which Infringes Upon My Right To Hear What Jimmy Kimmel Has To Say On ABC. As A Retired Military Officer Who Spent My Working Life Helping Protect The Rights Of All Americans, I Find This Unacceptable. Ideological Speech Should Never Be Suppressed Unless It Is Obscene, Violent Or Otherwise Violates Supreme Court Guidelines On Free Speech. If The FCC Allows Sinclair To Suppress The Speech Of One Person, Where Does It Stop?

I'm Appalled That The Kimmel Show Was Suspended As A Result Of His Innocent Comments Regarding The Charlie Kirk Assassination. But, I'm Very Happy He's Been Placed Back On The Air. But, Since We Live In WA State, And ABC Programming Is Broadcast By Sinclair, It Seems That We'll STILL Be Prevented From Watching It Live. The FCC And Broadcast Conglomerates Should NOT Be In The Business Of Politically Influencing Programming, Particularly From One Side Of The Political Spectrum. Given Sinclair's Political Approach To Broadcasting, They Should NOT Be Allowed To Expand Their Footprint And Influence.

The Public Wants To Watch Jimmy Kimmel And Should Have The Ability To Decide If They Want To Watch Or Not, By Having The Show Aired On TV. At Least Then, They Will Have The Ability To I Decide To Watch, Or Not.

By Sinclair And Nexstar NOT EVEN SHOWING IT, The People, The Consumers, Don't Even Have A Choice Whether They Want To Watch Or Not!!!

That Is Why Sinclair And Nexstar Should Air The Program!! They Are Taking CHOICE Away From The Consumer. Nova Good Thing AT ALL!!!

Such Censorship Is Contrary To The Public Interest And Hence Contrary To The Purposes For Which Broadcast Licenses Are Granted. Nexstar And WOOD-TV's Licenses Should Be Reviewed, And Any Mergers Proposed By Nexstar Blocked. I Have Complained To WOOD-TV. Subject: Request To Restore Access To ABC Programming And Prevent Future Blocks

Dear FCC Representative ,

Iâ€™m A Tennessee Resident In Franklin County, And I Was Disappointed That I Couldnâ€™t Watch Jimmy Kimmelâ€™s Return Show Due To A Block On The ABC Broadcast. As A Paying Viewer Who Relies On Local Stations To Stay Connected, This Felt Like An Infringement On My Ability To Access Lawful Programming And To Share In A Cultural Moment With My Neighbors.

Please Restore Full Access To ABC Programming, Provide A Clear Explanation For The Blackout, And Outline Steps To Prevent Future Disruptions. Our Community Is Stronger When We Can Gather Around Shared Eventsâ€”from Local News To National Broadcastsâ€”without Arbitrary Barriers.

Thank You For Your Attention And For Helping Keep Franklin County Informed And Connected.

Name of TV Program:

Description

Am Writing To File A Formal Complaint Regarding The Recent Decision To Block Jimmy Kimmel Live! From Airing In Salt Lake City, Utah. This Program Is Part Of ABC's National Broadcast Schedule, And Withholding It From Local Viewers Constitutes Censorship Of Content That Is Otherwise Freely Available To The Rest Of The Country.

This Action Is An Abuse Of The Public Airwaves. Local Stations Operate Under FCC Licenses That Exist To Serve The Public Interest, Not To Silence Political Viewpoints Or Limit Access To Nationally Distributed Content. By Removing This Show, The Local Station (and Its Parent Company, Nexstar) Is Making Editorial Decisions That Cross The Line From Programming Discretion Into Censorship.

This Raises Urgent Questions:

â€¢ How Can A Licensed Broadcaster Justify Blocking Nationally Syndicated Programming Without Violating Its Public-interest Obligations?

â€¢ What Precedent Does This Set For Other Local Stations To Censor Voices Or Shows Based On Political Or Corporate Pressure?

â€¢ What Remedies Are Available To Ensure Utahns Are Not Deprived Of Access To The Same Programming Other Americans Receive?

The FCC's Role Is To Safeguard Access, Fairness, And The Free Flow Of Information. I Urge The Commission To Investigate This Matter And Take Action To Ensure Local Broadcasters Cannot Manipulate Access To Content In Ways That Undermine Free Speech And The Public's Right To Information.

Viewers Deserve Better Than Backroom Censorship Deals. The People Of Salt Lake City Should Not Be Treated As If They Are Less Capable Of Handling Diverse Viewpoints Than The Rest Of The Nation.

Description

After Seeing The Bias On ABC With Jimmy Kimmel It Is Hard To Think That Standards Of The Communications Act Of 1934, A Federal Law That Established The Federal Communications Commission (FCC) To Regulate Interstate And Foreign Communications By Radio, Television, Wire, Satellite, And Cable. The Act's Primary Goal Is To Ensure A Nationwide Communications Service That Is Rapid, Efficient, And Serves The Public Interest, Convenience, And Necessity.

I Do Not Know Why It Is In The 'public Interest' To Constantly Bash One Side Of Political Thought Night After Night. Watching Abc News There Is Never Anything But Bad Journalism, Along With Always Leaning To The Left.

Description

I Was Expecting To See The ABC Show Jimmy Kimmel Live On Washington DC Local Station Channel 7 On September 23, 2025. I Now Find That, Apparently, Sinclair Corporation, The Owner Of This Station And Multiple Others, Suppressed The Over-the-air-viewing Of This Show In All The TV Markets Where They Have Licenses.

My Question/complaint For The FCC -- Will You Hold A Public Hearing Regarding How The Sinclair Corporation Is Hampering Its Public Service Mandate By Suppressing The Viewing Of The One Show (Jimmy Kimmel Live) In The Washington TV Market. Has The Sinclair Corporation Provided Any Polls Or Surveys Showing Their Viewing Audience Supports Removal Of The Jimmy Kimmel Live Show From Its Lineup? What Remedies Do Viewers Have To Demand That A National TV Show Be Made Available In A Major TV Market (provided By An Alternative Over-the-air TV Station)? Is It A Form Of Suppressing Free Speech To Limit Access To National TV Shows Or Maybe Show How This Is In The Public Interest To Remove A Viewing Option?

Ticket: # 8184190 - Complaint Regarding Sinclair And Nexstar's Refusal To Air Jimmy Kimmel

Name of TV Program:

Description

I Am Submitting This Complaint Regarding The Decision By Sinclair Broadcast Group And Nexstar Media Group To Block The Airing Of Jimmy Kimmel Live! On Their ABC Affiliate Stations.

This Action Appears To Be Taken Not For Business Or Technical Reasons, But For Political Purposes, Since Other ABC Programming Continues To Air While This Specific Show Has Been Singled Out. Such A Decision Undermines The Principle Of Free Speech And Equal Access To Diverse Viewpoints That Is Fundamental To A Functioning Democracy.

By Preventing Local Viewers From Accessing This Program, Sinclair And Nexstar Are Effectively Interfering With The Editorial Independence Of ABC, And Depriving The Public Of Content That The Network Itself Has Chosen To Broadcast.

This Type Of Selective Censorship Has Broader Consequences. Today It Is One Host; Tomorrow It Could Be Another Program With Views That Station Owners Dislike. If Broadcast Licensees Are Permitted To Use Their Control Of The Public Airwaves To Silence Voices For Political Reasons, It Threatens The Integrity Of Broadcasting And The Rights Of All Americans.

I Respectfully Urge The FCC To Investigate This Matter And Take Appropriate Action To Ensure That Sinclair And Nexstar Stations Uphold Their Obligations Under Their Licenses To Serve The Public Interest, Without Discrimination Or Censorship Based On Political Content.

Thank You For Your Attention To This Matter.

Description

I Am A Resident Of Gulf Shores, Alabama, And I Receive ABC Programming Through A Local Station Owned Or Operated By Sinclair Broadcast Group. In Recent Weeks/months, The Nationally Broadcast Late-night Program Jimmy Kimmel Live! Has Been Censored, Blocked, Or Otherwise Not Aired As Scheduled In My Area.

This Appears To Be Editorial Interference With A National Broadcast And Is Preventing Me And Other Viewers In My Community From Accessing The Full ABC Programming Lineup. This Is Unacceptable For A Licensed Broadcaster Using Public Airwaves And Undermines My Right As A Consumer To Receive National Programming Without Alteration.

I Am Requesting That The FCC Investigate Why Sinclair Broadcast Group Or Its Affiliate Is Censoring Or Blocking ABC Programming, Specifically Jimmy Kimmel Live!, In Gulf Shores, Alabama. This Censorship Limits Diversity Of Viewpoints, Violates The Public Trust, And May Be Inconsistent With The Station's Obligations Under FCC Regulations.

Thank You For Your Attention To This Matter.

Disney And WTOC Should Be Removed From The Public Airwaves, They Go On The Attack Against Individual American Citizens As Myself Destroying My Life. For Their Own Self Serving Purposes. As Far As I Am Concerned, I Don't Care That Jimmy Kimmel Loses His Job, Because Most Individual Youtubers On The Internet, Can't Earn Revenue, Because Of What PewdiePie Did. Pewdiepie, Worked For Disney, And Hired Some Indian Males Throught The GIG Website, And They Made Some Anti-semitic Message On Video. This Also Proves How The Foreign Workers Are Being Hired Through The Internet, Which Means The Networks Use Their Network Power, To Create Trends. Those Of Us Who Are Independent Outside Of A Network, Do Not Have Big Fancy Expensive Attorneys. I Would Even Go As Far As Saying That Disney Hurt Googles Business Model, Yet Disney Has Been Around Much Longer Than Google. They Started These Youtube Multi-Channel Networks, Where They Networks, And They Entice Youtubers, Based On The Content They Create, Such As Topics That Are Very Popular. This Also Include People Outside Of The USA. The H2B Visa Program, Allows For Someone To Bring Youtubers To The USA, For Entertainment Purposes. Seems Like A Demon, Much Larger With The Internet, Where Money Can Be Dumped And Invested In Foreign Entertainment Instead Of American Citizens. It Costs A Lot More Money, Having My Job Killed On The Internet, With Inflation, Being A Senior Citizen In The USA, With No Civil Rights Protections, No Unemployment, No Medical, No Home, No Attorney. So What Exactly Are Civil Rights, For Individual American Citizens, With All These Illegals, Who Want To Come To USA, Just For Internet Jobs, While This Excludes Amerrikan Citizens. Why Are The Illegals Getting Favored On The Internet?

Description

Jimmy Kimmel Did Knowingly, Intentionally And With Reckless Disregard For The Outcome Of His Actions Directly State On Live TV (ABC) That Taylor Robinson, Who Assassinated Charlie Kirk Is A 'MAGA' Supporter; In Violation Of FCC Rules (47 CFR Â§ 73.1217).

The Facts Do Not Support This Statement As Robinson Has Been Clearly Identified As 'leftist' Which Is The Opposite Of 'MAGA.'

This Is A Part Of An Ongoing Conspiracy Of Multiple Broadcast Personalities To Push False Narratives To The Public That Has Resulted In Multiple Violent Acts By Those On The Left, To Include But Not Limited To Riots, Assassinations, Attempted Assassinations, Looting, As Well As Aiding Domestic And International Terrorist Organizations In Pursue Of These Crimes Through Influencing Others To Not Report Them, And In Some Cases Directly Support Them. (Note That ANTIFA Is Organized Internationally). This Conspiracy Exists Between Broadcasters As Well As Personalities, By Tactic Or Implied Consent; These Personalities (400 Now) Work In Concert To Use Their Celebrity Status And Their Finances To Fund These Terrorist Organizations.

When Mr. Kimmel Returned To The Airwaves Instead Of An Apology Or Retraction Of His Materially False Statement; He Instead Mocked The FCC Stating That 'we Can't Allow The Government (the FCC) To Control What We Say.' Directly Mocking The FCC And Clear Congressional Intent To Do Just That When Certain Conditions Are Met, And They Have Been.

Description

On September 23, 2025, I Tuned In To Watch Jimmy Kimmel Live On Hulu + Live TV In Patchogue, NY (New York DMA). This Was The First Episode After The Showâ€™s Suspension. Instead Of Airing The Program, The ABC Feed Showed A Rerun Of Family Feud.

This Was Not A Simple Scheduling Mix-up. It Effectively Blocked The Return Of A Nationally Scheduled Program. Ads Still Aired During The Replacement Broadcast, So Advertisers Directly Supported Content That Replaced Jimmy Kimmelâ€™s Show.

This Blackout Did More Than Deny Viewers Access To Entertainment. Jimmy Kimmel Live Is A Platform Where Political Humor And Commentary Are Expressed. By Cutting It Off And Substituting Another Program, The Station Silenced A Voice That Exercises Free Expression. That Action Runs Against The Principles Of The First Amendment And Is Deeply Un-American.

This Complaint Really Is Against The Sinclair Corporation, But You Don't Have Them In Your List. The FCC Is Responsible To Make Sure TV Stations Provide Fair Coverage To Their Entire Communities. By Throttling Standard Network Programming Based On Their Political Views, As Was The Case With ABC's Reinstated Jimmy Kimmel Show, Sinclair Is Suppressing Free Speech. They Should Lose Their FCC Licenses, And They Should Be Awarded To Balanced, Nonpartisan/bipartisan Community Organizations (cf WTBK). Before The Show Aired, I Was Told By Verizon That A Memo Had Circulated To Their Personnel Assuring The Show Would Not Be Blocked, However It Was. Follow-up After The Fact Yielded The Reverse Story, Blaming The Local ABC Station, Channel 7. At Showtime, A Kimmel Banner Had Popped Up, Followed By A Sinclair Banner, Followed By Sinclair News Instead Of The Kimmel Show. Fear Of Comedy Is Really Telling, Isn't It?

I Wish To Register A Complaint Against Nexstar AND Sinclair. I Am A Resident Of Bradenton, FL. Last Night I Tried To Watch The Jimmy Kimmel Live Program On WFLA, Tampa. I Do Not Normally Watch The Show But Wanted To See What He Would Say About Certain Current Issues After His Suspension. His Show Was Pre-empted By The Station's Owner Nexstar. I Then Called My Son Who Lives In Virginia - He Also Stated That The Program Was Pre-empted In The DC Area On WJLA, A Sinclair Affiliate. THIS IS RIDICULOUS! If People Do Not Want To Watch This Show They Can Turn Off The Channel! This Is CENSORSHIP Of Regular Programming For Political Reasons. Please Advise What Citizens Can Do About This Censorship, Or If You Can Take Any Action For Us. Thank You.

City/State/Zip: Benson, AZ 85602

Name of TV Program: Local News

Description

Brian Kilmeade Calling For The Homeless Population To Involuntarily Receive Lethal Injections (just Kill Them) Is Despicable. How He Can Still Be On The Air After Calling For Such Cruel Treatment Of A Human Being Is Beyond Comprehension.

As We All Know, Many Members Of That Population Are Suffering From Mental Illness And Are Oftentimes Discarded By Family And Other Loved Ones.

Brian Kilmeade's Comments Showed His True Personality Of Being Nothing But A Cruel, Callous Trump Sycophant. He Is Encouraging Violence Against This Population And Yet, He Still Has A Job.

The FCC's Decision To Pull Jimmy Kimmel While Ignoring Brian Kilmeade's Comments Demonstrates A True Attack Of The First Amendment And Our Right To Free Speech. When The Speaker Goes Against The Government And Leadership, They Are Punished. When They Are Spewing Hate From State Run Media, They Are Ignored.

Again, It Is Beyond Comprehension How Kilmeade Is Still Sitting On The Couch After Calling For The Deaths Of Thousands Of Men, Women, And Children.

Description

I Am A Resident Of The Rochester, NY Market And I Am Filing This Complaint About Sinclair Broadcast Group And Nexstar Media Group Removing Jimmy Kimmel Live! From Their ABC Affiliates After FCC Commissioner Brendan Carr Publicly Threatened Regulatory Consequences. Even After Disney Reinstated The Program, These Broadcasters Continue To Block It.

This Denies My Community Access To Nationally Available Programming, Undermines Viewpoint Diversity, And Represents Censorship Driven By Political Pressure. The FCC's "public interest" Mandate Requires Licensees To Serve Local Communities, Not Silence Lawful Speech Out Of Fear Of Reprisal.

I Respectfully Request The FCC To:

Investigate Sinclair And Nexstar's Removal Of Jimmy Kimmel Live! In Rochester.

Examine Whether Commissioner Carr's Statements Constituted Improper Use Of Regulatory Authority.

Require Corrective Action To Restore The Program And Reaffirm That Broadcasters May Not Censor Lawful Content Under Political Pressure.

For Decades I Have Heard Politicians, Particularly Conservatives, Harp On The Importance Of People Being Able To Voice Their Opinions. Those Lessons Seem To Have Been Suddenly Forgotten By The Current Administration. What The FCC Has Been Doing And Is Continuing To Do With ABC And Jimmy Kimmel Is Anti-American And Disgraceful. You Should Be Ashamed Of Your Selves. This Is A Blatant Fascist Move, Look It Up. It Is What The Nazi's Did With Their Oppositional Media. It Is What Mussolini Did In Italy After Taking Power. Don't Be A Cog In The Fascist Machine. And Specifically For Brendan Carr, Resign You Despicable Hypocrite. Your Past Opinions Of Freedom Of Speech Are Documented, But Now That You Serve A Weak Minded Thin Skinned Tyrant, You Have Reversed Your Position. Simply Despicable. I'm Sure That That Brendan Carr Or Trump Had No Problem When Jimmy Kimmel, Steven Colbert, John Stewart, John Oliver, And Other Talk Show Host Degradingly Talked About The Biden Administration. There's No Correlation Between Biden's Attempts To Stop Social Media Outlets From Spreading Blatant Lies About The 2020 Election And Covid Vaccine Conspiracies With The Trump Administration's Attempts To Shut Down Speech That Isn't Favorable About Him Or Points Out The Administration Lies And Distortions Of The Truth. To Whom It May Concern,

I Am Filing A Serious Complaint Regarding Jesse Watters's™ Recent On-air Remarks On Fox News Where He Openly Suggested Bombing The United Nations. This Type Of Violent, Reckless Rhetoric Is Indefensible And Should Never Be Tolerated On Public Airwaves.

What Makes This Worse Is The Blatant Hypocrisy: Jimmy Kimmel Has Been Removed From Air For Far Less, While Watters Remains On Fox Despite Openly Calling For Violence. If The FCC Is Supposed To Enforce Standards Of Decency, Fairness, And Responsibility, This Double Standard Is An Insult To The Public And A Threat To The Credibility Of The Commission.

The Fact That Watters Tied This Outrageous Suggestion To Donald Trump's™ Trivial Grievances—such As His Escalator And Teleprompter Not Working At The UN—only Underscores How Unserious And Dangerous This Rhetoric Truly Is. Normalizing Calls For Violence Is Not Just “bias,” It's™ A Direct Public Safety Issue.

I Urge The FCC To Investigate This Matter And To Hold Both Watters And Fox News Accountable. Anything Less Would Demonstrate That The Commission Is Complicit In Allowing Violent Speech On The Air While Silencing Other Voices For Political Convenience.

City/State/Zip: Sioux Falls, SD 57108

Description

Subject: FCC Complaint " Dangerous Broadcast By Jesse Watters Advocating Bombing The UN

Description Of Complaint:

On September 23, 2025, During Jesse Watters Primetime On Fox News Channel, Jesse Watters Openly Suggested "bombing The UN." This Was Not Satire, Not Comedy, And Not Harmless Banter " This Was A Nationally Televised Broadcast In Which A Primetime Host Appeared To Advocate Outright Violence Against An International Institution Headquartered In New York City.

I Was Appalled And Outraged. A Host Of A Major Cable News Network Openly Fantasizing About Or Encouraging An Attack On The United Nations Is Reckless, Irresponsible, And Dangerous. This Kind Of Rhetoric, Broadcast Into Millions Of Homes, Could Inspire Violence, Inflame Extremism, And Create Real-world Threats To Safety.

What Makes This Even Worse Is The Blatant Double Standard. The FCC Has Intervened In The Past Over Far Less " Even Going So Far As To Target And Cancel Entertainers Like Jimmy Kimmel " Yet When Fox News Allows One Of Its Hosts To Call For Bombing The UN, There Is Silence. Why Is One Network Punished While Another Is Allowed To Get Away With Broadcasting Violent, Extremist Rhetoric? The Lack Of Equal Enforcement Makes The FCC Appear Complicit In Letting Fox News Cross Every Line Of Decency Without Consequence.

The FCC Cannot Ignore This. Viewers Expect A Basic Standard Of Responsibility From Broadcasters, And This Crossed Every Conceivable Line. This Was Indecent, Profane, And Harmful Content, Far Beyond Protected Opinion Or Political Commentary.

I Completely Disagree With The FCC Getting Involved When The President Has An Issue With What's Being Said On Television! It Is NOT Your Job! The President Needs Some Schooling On Free Speech! What's Next?! Are We, The American Public, Going To Be Arrested For Saying The Truth About The President? Just Because The Head Of The FCC Is Republican, Does Not Give Him The Right To Stop Free Speech!! If Jimmy Kimmel Had Made A Joke About A Democrat Who Was Killed, The President Would Have Applauded It. You Know I'm Right!! When Free Speech Becomes Only Say It If The President Is Going To Be Ok With It, It's Not Free Anymore! Has ANY Other President Gotten Involved With The FCC And Told Them To Shut Down A Tv Channel? What's America Coming To? Your Friend Mr. Trump Is Ruining This Country, It's Far From 'GREAT AGAIN'! This Country Was Better Off At ANY Point In History, Than It Is Today! We're Headed For Another American Civil War And World War 3 And It's All Due To Mr. Trump! You Are Playing Right Into His Hands By Doing His Bidding! Republican, Democrat, Independent, We Are All Human Beings And Need To Be Treated That Way! Mr. Trump Doesn't Believe That, He's Shown That Time And Time Again, What's Wrong For Democrats Is Not Wrong For Republicans And There's Where He And You Are Incorrect! Also, Late Night Comedians Have Always Made Fun Of Presidents And Their Friends, Mr. Trump And Republicans Alike Need To Recognize That ! He Thinks He's Above It All Though, No One Is Allowed To Talk About Him, Even If It's Truth That Can Be Fact Checked, Unless He's Ok'd It. How Is That Free Speech? The FCC Has Rules To Follow Too! I'm Guessing Mr. Trump Said 'get Kimmel Off The Air Or YOU'RE FIRED'!!

Description

To The Federal Communications Commission,

I Am Filing This Complaint To Express My Frustration That Jimmy Kimmel Live! Is Not Available Through Xfinity In Canton, Connecticut. This Is Unacceptable. If People Do Not Like The Program, They Do Not Have To Watch Itâ€”but Viewers Should At Least Have The Right And Ability To Choose. There Are Plenty Of Political Shows I Personally Do Not Watch, But I Acknowledge They Exist And Remain Accessible To Others.

By Restricting Access To Jimmy Kimmel Live!, This Situation Feels Like Censorship And A Political Game At The Expense Of Viewers. The FCC Has An Obligation To Ensure Citizens Of The United States Have Fair And Equal Access To Broadcast Programming Without Corporate Or Political Interference.

I Believe This Issue Has Been Handled Very Poorly, And I Urge The FCC To Act. You Must Stop Following Political Attacks Or Pressures And Instead Protect Freedom Of Speech And The Rights Of The American People To Access All Broadcast Content Equally.

I Am Submitting This Complaint Regarding Recent Actions By Chairman Brendan Carr That I Believe Overstep The FCC's Authority And Infringe Upon Matters Of Free Speech Protected Under The First Amendment.

The FCC's Mission Is To Promote Connectivity, Ensure Fair Competition, And Protect Public Safety And Consumer Interests In Communication Services. As An Independent Agency Accountable To Congress—not The President—the FCC's Role Does Not Include Judgment Or Intervention In Issues Of Free Speech.

Chairman Carr's Public Involvement With ABC Regarding Jimmy Kimmel's Program Is Inappropriate And Exceeds His Mandate. Decisions About Programming Should Rest With The Broadcaster As A Private Business. If ABC Chooses To Cancel Or Approve Content, That Is Their Prerogative. Likewise, Consumers May Exercise Choice By Tuning To Another Channel. However, Public Coercion Of ABC By An FCC Chairman Undermines The Agency's Independence And Violates Constitutional Boundaries, As Affirmed In *NRA V. Vullo*.

Additionally, I Am Concerned About The Undue Influence Of Large Broadcasting Groups Such As Nexstar. When Lobbying Efforts Or Potential Business Deals Appear To Shape The FCC Chairman's Public Actions, It Raises Serious Concerns About Fairness, Transparency, And Whether The FCC Is Acting In The True Interest Of The American People.

I Urge The FCC To Carefully Review This Matter And Ensure Its Leadership Refrains From Overreach Or Actions That Compromise Both Free Speech And Public Trust.

Thank You For Your Attention To This Issue.

Dear Commissioners,

I Am Submitting This Complaint Regarding WJLA (Washington, DC), Owned By Sinclair Broadcast Group, For Pre-empting Jimmy Kimmel Live! On September 23 2025. As An ABC Affiliate, WJLA Is Entrusted With Providing Viewers Consistent Access To The Network's Programming, Yet This Program Was Blocked Without Adequate Explanation.

I Am Particularly Troubled By The Appearance That Sinclair's Decision Reflects Political Pressure From Former President Trump, Which Amounts To A Dangerous Infringement On Editorial Independence And A Violation Of The Public's Right To Access Programming Free From Political Interference. This Undermines The Principles Of The First Amendment And Raises Serious Concerns About Sinclair's Fitness To Hold An FCC Broadcast License.

I Respectfully Request That The FCC Investigate This Matter And Hold Sinclair Accountable For Ensuring That Programming Decisions Are Made In The Public Interest And Without Undue Political Influence.

Sincerely,

(b) (6)

This Merger Requires Rewriting FCC Regulations, And Why Would Nextar Put This Potential Merger At Risk By Putting Jimmy Kimmel Back On The Air Knowing How Much The President Dislikes Him? Satire And Political Commentary Are Protected Speech Under The 1st Amendment. Allowing The Largest Media Company In The US To Silence A Comedian The President Does Not Like Sets A Dangerous Precedent. Protect Free Speech In America. Description

Just 1 Week Ago Jimmy Kimmel Was Taken Off The Air At The FCC Chairman's Suggestion Just For Saying Conservatives Were Doing Everything They Could To Connect The Kirk Shooter To The Left. That Was It.

Today, I Was Forced To Watch Jessie Watters Suggest 'bombing The UN' Because Trump's Own Team Stopped An Escalator And Messed Up His Teleprompter. Of Course, Jessie Left Out The Part That It Was Trump's Team, But He Suggested 'bombing The UN' In Retaliation To A Incorrectly Perceived Slight To His Dictator. I'm Sure The FCC Will Do Nothing About This, But Your Boss Threatens A Broadcast Company Over A True Statement And You Will Do Nothing To A 'Journalists' Call To Bomb An International Organization.

Description

Dear FCC,

I Am Writing To File A Formal Complaint Against WJLA-TV (ABC 7) In Washington, D.C., For Its Recent And Ongoing Decision To Preempt The Nationally Broadcast Program Jimmy Kimmel Live!

This Action Appears To Be A Deliberate, Politically Motivated Decision To Remove A Specific Voice And Program From The Local Airwaves. By Doing So, WJLA-TV At The Whims Of Sinclair Inc., Is Failing To Serve The Public Interest, Which Is A Core Tenet Of Its Broadcast License.

The Station's Choice To Replace A Scheduled, Network-affiliated Program With Other Content, Seemingly For Political Reasons, Represents A Misuse Of Its Public Trust And A Disservice To The Community.

I Urge The FCC To Investigate This Matter And Hold WJLA-TV, And It's Parent Company Sinclair Inc., Accountable For Its Broadcast Decisions, Which Do Not Align With Its Duty To Provide Diverse Programming And Serve The Public Interest.

Sincerely,

(b) (6)

Such Censoring Of National Programming For Purely Political Reasons (and, Likely, In Response To Pressure From The Current Administration) Does Not Serve The Public Interest. Nexstar's Actions Are Thoroughly Un-American. Censoring Speech It Does Not Like And Preventing The Public From Accessing Programming To Serve Its Own Political And Business Agenda Is Abhorrent, Undemocratic, And Should Not Be Condoned Or Ignored. Description

I Am Writing To File An Informal Complaint Against Sinclair Broadcast Group And Its ABC Affiliate Stations KOMO-TV In Seattle, WA And KATU-TV In Portland, OR For Their Refusal To Air Jimmy Kimmel Live! Following The Host's Reinstatement By ABC.

Despite ABC's Decision To Return Jimmy Kimmel To The Airwaves After A Brief Suspension, Sinclair Has Chosen To Preempt The Program With Local News Content. This Decision Appears To Be Politically Motivated, Stemming From Kimmel's Critical Commentary On The Assassination Of Conservative Activist Charlie Kirk. Sinclair Reportedly Demanded An Apology And Donations To Kirk's Family And Turning Point USA Before Considering Airing The Show Again.

This Action Is Deeply Troubling. Broadcasters Are Licensed To Serve The Public Interest, Convenience, And Necessity. By Refusing To Air A Nationally Syndicated Program Due To Political Disagreement With Its Content, Sinclair Is Failing In Its Obligation To Provide Programming Responsive To The Needs And Interests Of Its Local Communities. This Is Especially Concerning Given That Sinclair Owns Nearly 40 ABC Affiliates Nationwide, Effectively Silencing A Significant Portion Of The Public From Accessing This Content Through Traditional Broadcast Means.

The FCC Has Long Held That Deliberate News Distortion And Censorship For Political Reasons Are Contrary To The Public Interest. While Broadcasters Have Editorial Discretion, Using That Discretion To Suppress Speech Based On Political Bias Undermines Democratic Discourse And Violates The Spirit Of The Communications Act.

I Urge The FCC To Investigate Whether Sinclair's Actions Constitute A Breach Of Its Public Interest Obligations And To Take Appropriate Steps To Ensure That Local Stations Are Not Used As Tools For Political Censorship.

Am Writing To Formally Submit A Complaint Regarding WJLA-TV, The ABC Affiliate Serving The Washington, DC Market.

On September 23, 2025, WJLA Refused To Air The Scheduled Return Of Jimmy Kimmel Live! Following The End Of The Program's Suspension On September 22, 2025. This Appears To Have Been Done For Political Reasons, Not Due To Technical Issues Or Emergency Circumstances. By Blocking A Regularly Scheduled Program Carried Nationwide By The ABC Network, WJLA Is Failing To Fulfill Its Obligation As A Licensed Broadcaster To Serve The Public Interest In A Fair, Unbiased, And Consistent Manner.

Broadcast Licensees Are Entrusted With Public Airwaves And Are Expected To Provide The Programming Of Their Network Unless There Are Legitimate Reasons To Preempt (such As Breaking News, Weather Emergencies, Or Other Local Needs). Preempting Programming Based On Political Viewpoints Undermines Both The Integrity Of The Broadcast License And The Public's Access To Network Content.

I Request That The FCC Investigate WJLA's Actions To Determine Whether This Constitutes A Violation Of Its Broadcast Obligations And To Ensure That Viewers In The Washington, DC Area Receive Access To The Full ABC Programming Schedule Without Politically Motivated Interference.

Thank You For Your Attention To This Matter.

Ticket: # 8188695 - Formal Complaint Regarding WJLA's Removal Of Jimmy Kimmel Live!

Date: 9/25/2025

City/State/Zip: Bowie, MD 20720

Name of TV Program:

Network:

Description

I Am Submitting This Complaint Regarding WJLA, The ABC Affiliate Serving The Washington, D.C. Metropolitan Area. The Station Has Recently Chosen To Preempt The Broadcast Of Jimmy Kimmel Live! And Deny Local Audiences Access To This Nationally Scheduled ABC Program.

While Controversy May Surround Individuals Associated With The Program, It Is Not Fair, Reasonable, Or In The Public Interest For An Entire Community Of Viewers To Be Denied Access To A National Broadcast Because Of One Person's Behavior.

The First Amendment Protects Freedom Of Expression And Access To Information. Furthermore, The Federal Communications Commission Requires Broadcasters To Operate In The Public Interest, Convenience, And Necessity. By Selectively Withholding Jimmy Kimmel Live! From Its Schedule, WJLA Is Depriving Viewers In Our Region Of Equal Access To Network Programming That Remains Available In Other Markets.

This Constitutes A Violation Of The Station's Responsibility As A Federally Licensed Broadcaster To Serve Its Community. Viewers Should Not Be Punished Or Restricted From Access To National Programming Due To The Controversy Surrounding One Individual. I Feel That If We Should Have A Choice And If We Do Not Agree With What Jimmy Kimmel Repeated And Or Shared, One Should Have A Choice To Change The Channel.

I Respectfully Urge The FCC To Investigate This Matter And To Ensure That WJLA Complies With Its Obligations Under Federal Broadcast Law. Viewers In The Washington, D.C. Area Deserve Equal Access To The Programming Available To The Rest Of The Country, Free From Politically Or Socially Motivated Censorship.

47 U.S. Code Â§ 315 - Candidates For Public Office States That Public Airwaves Must Give Equal Time To Candidates Of Each Political Party. This Week Alone, Gavin Newsom Has Been On Both ABC And CBS To Promote His Redistricting Campaign. This Sort Of Bias Has Been An Open Secret For Decades, Yet The FCC Continues To Not Do Anything About It. When Will Brendan Carr Actually Step In And Take Action?

I Strongly Object To Sinclair Group Censoring Programming For Political Reasons By Blocking The Jimmy Kimmel Show. While His Return Garnered Very High Ratings And Abc Returned Him To The Air Sinclair Group Has Not. This Is Consistent With Practices Related To Limiting/promoting Political Speech Of One Ideology. It Is Also Concerning Since Many Outlets Are Pointing Out Threats From The Fcc Itself And Pending Merger Deals That Would Give Them Even More Influence On Content. I Hope This Is Addressed Quickly And Sinclair (and Any Others) Are Sanctioned For This Obvious Politically Motivated Action That Does Not Serve The Public Interest Or The Rights To Free Speech.

In Light Of The TX Shooting Yesterday At An ICE Facility, CNN Should Not Be Promoting & Inciting More Violence. Today My Husband Turned To CNN To See What They Were Reporting & They Were Saying That ICE Is Separating Kids From Their Parents. They Are Directly Responsible For The Violence In This Country. Them & Teachers. Teachers Program Kids & TV Programs The Population. It Needs To Be More Responsible Because We've Had So Much Violence. Just In The Last 2 Weeks We've Had A Woman Stabbed For Being White, Nobody Helping Her & Nobody Reporting It Because She Was White. The Campaign Against White People Needs To End. It's On Commercials & On MSNBC A Lot. White People In Commercials Are Only Portrayed As Stupid Now If They Are On There At All. We Cannot Just Throw The Term Fascist Around & Not Teach Kids What Fascists Really Are. I Had To Deprogram My Granddaughter Every Day After High School From Left-wing Teachers Not Teaching But Preaching Trump Hate Instead Of Their Subjects. TV Is Unwatchable For Half The Country. We Saw A Glimmer Of Hope W/ Kimmel Being Pulled But Now He's Back Making Charlie Kirk's Murder All About Him & His Victim Hood. I Don't Watch Him, Colbert, The View, SNL, Or Anything On Mainstream Media Because They Are Poison. It Needs To Stop. There Needs To Be More Fairness On TV Because Democrats Don't Own The Airwaves. We Need Fair Balanced Reporting Of The News & No Propaganda. We Need The Charlie Kirk Act To Make Propaganda Being Used On Americans Illegal Again. For 4 Years We Heard The Border Is Secure From Fake News Stations Who Labeled Trump Supporters As Dangerous, Violent & Racist. We're At The Brink Of Civil War Because Of THEM! DirecTV Took Off OAN, Does Not Have Newsmax On Their News Line-up Channel But Has Shows Such As This Week In White Supremacy. They Limit Access To Truth On Purpose & Promote Racism Instead. I Pay A Lot Of \$ In The Country & Get One Option. Ch 200 News Mix Has CNN, MSNBC, Fox, & BBC. All Owned By Trump Haters.

My Local ABC Affiliate, WEHT Based Out Of Henderson, Kentucky, Is Not Airing Programing Available To Other ABC Stations In Other Parts Of The Country. During The Regular Time Slot For 'Jimmy Kimmel Live' We Are Viewing Rehashed Local News. This Is Very Frustrating As A Viewer. I Fail To Understand Why It Should Be A Megacorporation's Decision Whether I Can View This Program Or Not. Viewers Are Not A Pawn In Nexstar's Political Games. Additionally, This Will Hurt Local Businesses Who Paid To Advertise During 'Jimmy Kimmel Live.' They Were Sold Advertising Packages Based On The Understanding That Their Commercials Would Air During A Popular National Program. How Many Potential Customers Are They Now Losing Because People Are Watching Kimmel On YouTube Instead? A Second Hour Of Local News Is In No Way Comparable.

Please Don't Let Nexstar Hold Local TV Stations Hostage. This Has Been Going On Long Enough And They Have Gone Too Far.

Ticket: # 8191859 - FORMAL COMPLAINT: KTVX (ABC4 Utah) / Nexstar Media Group

Date: 9/26/2025

City/State/Zip: West Valley City, UT 84128

Name of TV Program:

Network:

Description

I Am Writing To File A Formal Complaint Against Nexstar Media Group, The Licensee For Television Station KTVX (ABC4 Utah), Regarding A Pattern Of What I Believe To Be The Politically Motivated Abuse Of Licensee Discretion And Failure To Serve The Public Interest. This Complaint Is Made On The Basis That The Station Has Intentionally Removed Or Altered Programming For Political Gain, Thereby Failing To Uphold The Public Trust Mandated By Its Broadcast License.

On Or About September 17, 2025, KTVX Preempted The Airing Of 'Jimmy Kimmel Live!,' A Program Typically Scheduled To Air At Approximately 11:35 PM, And Aired Local News Or Other Programs Instead. My Specific Concerns Are Related To The Apparent Political Motivation For This Action, Which I Believe Constitutes A Violation Of The Station's Duty To Provide Fair And Unbiased Information To The Public.

This Preemption Appears To Be A Direct Result Of Public Comments Made By FCC Chairman Brendan Carr. Mr. Carr, In A Public Interview, Stated That Television Companies Could Either 'do This The Easy Way Or The Hard Way,' And That There Would Be 'additional Work For The FCC Ahead' If They Did Not Take Action Against The Show. At The Time Of These Comments And The Subsequent Preemption, Nexstar Media Group Had A Substantial, Pending Multi-billion Dollar Merger Requiring FCC Approval. These Comments, Therefore, Created An Environment Of Regulatory Coercion That I Believe Led To The Preemption Of The Program. I Believe That Nexstar's Decision To Remove The Show Was Not An Editorial Or Business-as-usual Scheduling One, But Rather A Politically Motivated Action Taken To Appease The FCC And Secure Favorable Treatment For Its License Renewal And Business Interests.

I Urge The FCC To Thoroughly Investigate This Matter And Take Appropriate Action To Ensure That Nexstar Media Group And Its Stations Adhere To The Standards Of Public Service And Fair Broadcasting.

Description

I Am Filing This Complaint Because Sinclair Broadcasting Announced That It Would Not Air Jimmy Kimmel Live After FCC Chair Brendan Carr Publicly Warned Affiliates That Their Broadcast Licenses Could Be In Jeopardy If They Did Not Act. This Amounts To Government Pressure On A Private Broadcaster. ABC Later Suspended Jimmy Kimmel, Citing That Pressure And Affiliate Refusals.

The Issue Is Not About Ratings Or Business Decisions. It Is About Political Motivation And Government Interference In Programming Choices. That Undermines The First Amendment And The Public's Right To Free Speech Protections. Sinclair's Refusal To Carry The Show Under These Circumstances Raises Serious Concerns About Misuse Of Broadcast Licenses And The Independence Of Media Companies From Political Threats.

Am Filing A Complaint About The Preemption Of ABC Network Programming (Jimmy Kimmel Live!) On ABC Networks Owned By Nexstar / Sinclair. After Moving To Washington, DC In 1977 I Watched News On WJLA Everyday Both Morning And Evening. Once Sinclair Began Presenting Biased News After The 2016 Election I Stopped Watching That Channel Even Though Alison Starling Was My Favorite Anchor.

At This Time You Have Pulled The Last Straw In Banning Jimmy Kimmel For Practicing Free Speech In Giving Has Thoughts About Charlie Kirk, An Avowed Racist White Supremacist Christian Nationalist, Homophobe And Anti-semite. That You Would Bow To A Fascist Convicted Felon Who Lies To America Everyday, Destroys Affirmative Action, Slanders Immigrants Of Color Calling Them Rapists And Thugs And Fires Over 300,000 Qualified Black Women Shows How Hypocritical You Are. Fox News Says Worse Things Than Comedians Jimmy Fallon, Stephen Colbert, Jimmy Fallon And Seth Meyers Combined, Yet You Seek To Call For Them To Be Censored.

I Will Not Watch ANY Show On ABC 7 Until Jimmy Kimmel Is Again Shown On The Local Channel.

I Am Absolutely Opposed To The Proposed Merger Of Sinclair/Nexstar With Tegna Because It Would Mean That All Three Local Channel Here In The Washington D.C. Area Would Be Owned By The Same Group. This Would Not Be In The Best Interest Of Us The Consumers Of Programming. We Have Already Seen Where Jimmy Kimmel Was Removed From The Air And Not Returned By Sinclair Nor Nexstar When It Came Back On The ABC Disney Company. We Cannot Have All Three Channels Owned By The Same Company. Thank You. Nexstar Has A Major Deal Pending Before The Trump Administration, A \$6.2 Billion Pact To Acquire The Local TV Colossus Tegna. To Complete That Merger, Nexstar Would Need To Secure Permission From The F.C.C., And It Would Require That Agency To Relax Rules That Limit The National Reach Of Local TV Companies.

According To The Media Company With Whom I Subscribe, Only The FCC Could Authorize Kimmel's Preemption. That Media Company Representative Also Said That There Is No Way To Remove Programming From Monopolies Such As Sinclair Or Next Star From The Tv Packages Available To Me. Federal Communications Commission

Dear Commissioner Brendan Carr,

I Would Like To Address Your Consideration Of

ESPN Acquisition Of The NFL Network And Their . Purchase Of Tegna. I Am Requesting That You Reject Both. I Claim ABC , Disney And ESPN Need To Realize That They Need To Use Our Public Airways And And That The American Public Claims They Are In Fact Abusing Our Airways.

Jimmy Kimmel Lied On Our Public Airways When He Broadcast That Charlie Kirks Murderer Came From Make America Great Again, MAGA. His Claim Was A Complete Lie Therefore Freedom Of Speech Claims Do Not Apply. Since ABC And Kimmel Refused To Apologize Or Even Change The Way They Handle Issues Like This, This Issue Now Moves To Complaining To The FCC About ABC.

Disney And Nexstar Deserting America By Allowing Kimmel To Lie About Where This Murderer Came From Was An Outrageous Breach Of The Public Trust The FCC Has Given Them. If The FCC Doesn't React And Deny Their Acquisition Of The NFL Network And Tegna, The FCC Will Be Approving Of ABC, Disney's Nexstar, And ESPN Abuse Of Our Public Airways.

Kimmel Broadcast This Assassin Came From The Right When It Is A Provable Fact That He Clearly Came From The Left. This Was A Plain Lie And Had Nothing To Do With Freedom Of Speech.

We Both Know It Is A Crime To Publish Or Broadcast A Lie In America. Kimmel Plainly And Simply Lied About Where The Murderer Came From When He Had Information Proving The Opposite. The Assassin Clearly Came From The Left, Kimmel Broadcast It Came From The Right, Therefore He Lied. That Is Not Legal, It Is A Fact Provable In Court. Do You Believe A Bank Robbery Should Be Excused In Court Because He Claims He Didn't Rob The Bank?

Kimmel Broadcast A Lie On Our Public Airways, He Is Accountable To The American Public For That Lie. He Should Be Held Accountable When The FCC Addresses Renewing ABC And Its Affiliated Partners FCC Licenses.

I Specifically Reference Future FCC Business Where Disney Is Seeking Regulatory Appro

Description

On Or About September 16, 2025, Mr. Kimmel Asserted That The MAGA Group Was Attempting To Characterize The Individual Responsible For The Murder Of Charlie Kirk As Someone Other Than One Of Their Own, With The Intention Of Gaining Political Advantage From The Incident.

However, This Statement Was Clearly Inaccurate And Neither Mr. Kimmel Nor ABC Has Issued A Retraction Of This Factual Assertion. The Corporate Address For ABC Is 500 South Buena Vista Street, Burbank, CA 91521. This Statement Is False Because Evidence Presented By Prosecutors, Which Has Not Been Controverted, Indicates That The Perpetrator Of The Shooting Was An Anti-MAGA Leftist Who Advocated For A Left-wing Anti-Christian Agenda. Specifically, As Reported By The Guardian (<https://www.theguardian.com/us-news/2025/sep/16/charlie-kirk-shooting-prosecutor-utah>), The Individual Confessed To Espousing A Transgender Ideology And Had Engraved The Bullets With Evidence Of Their Motive:

“Hey Fascist! [sic] Catch!” Exclaimed One. “O Bella Ciao, Bella Ciao, Bella Ciao, Ciao, Ciao!” Exclaimed The Second. “If You Read This, You Are GAY Lmao,” Stated The Third, As Per The Charging Document.

Consequently, The Aforementioned Statement Was Blatantly False And Contradicted By Publicly Available Information. This Action Violates The Rule That A Licensed Over-the-air Broadcaster Is Prohibited From Disseminating Misinformation, Which Is Part Of The Commitment To Act In The Public Interest. Therefore, I Request That The ABC Network Be Subject To A Fine For This Violation Of FCC Regulations, Which I Consider Continuing, As The Factual Statement Cited Above Has Not Been Formally Retracted By Either ABC Or Mr. Kimmel.

Re: FOIA Control No. 2025-001320

Mr. Cameron:

This letter responds to your Freedom of Information Act (FOIA) request to the Federal Communications Commission (Commission) for "All agency records and communications . . . created or held by personnel in the Office of the Chairman, on or after September 15, 2025" concerning the following subjects:

Jimmy Kimmel / Jimmy Kimmel Live / Kimmel

ABC / American Broadcasting Company

Disney / Walt Disney Company

Charlie Kirk / Charlie Kirk shooting / Charlie Kirk assassination

Nexstar / Nexstar Media Group

Sinclair / Sinclair Broadcast Group

Broadcast licenses / license reviews.¹

Your request has been assigned FOIA Control No. 2025-001320.

The Office of the Chairman searched for responsive records. We located 287 pages of records responsive to your request. Of the responsive records located, 270 pages are produced here. Some material on the pages produced has been redacted for the reasons discussed below. The remaining 17 pages are withheld in full for the reasons discussed below.

Records responsive to your request were withheld or redacted under FOIA Exemption 5.² Exemption 5 protects certain inter-agency and intra-agency records that are normally considered privileged in the civil discovery context.³

¹ FOIA Control No. 2025-001320 (submitted Sept. 18, 2025).

² 5 U.S.C. § 552(b)(5).

³ See *id.*

Exemption 5 encompasses a deliberative process privilege that generally covers “documents reflecting advisory opinions, recommendations and deliberations comprising part of a process by which governmental decisions and policies are formulated.”⁴ To fall within the scope of this privilege, the agency records must be both (i) predecisional, meaning generated before the adoption of the agency decision and (ii) deliberative, meaning it reflects the “give-and-take” of the decision-making process.⁵

We have withheld or redacted portions of the records reflecting internal communications that contain predecisional and deliberative material, including deliberations regarding draft responses to Congressional inquiries; preliminary legal analysis of complaints; and advice and opinions regarding responses to press inquiries.

We have determined that disclosure of these records would cause specific reasonably foreseeable harms to the deliberative process and the quality of agency decisions, both of which Exemption 5 is intended to protect.⁶ Particularly, the withheld or redacted records will inhibit staff candor and frankness in providing advice or recommendations during deliberations.

Exemption 5 also encompasses the attorney-client privilege. The attorney-client privilege covers “confidential communications between an attorney and [the attorney’s] client relating to a legal matter for which the client has sought professional advice.”⁷ We have withheld communications where the Office of General Counsel provided legal advice to Commission staff.

We have determined that it is reasonably foreseeable that disclosure would harm the attorney-client relationship, which Exemption 5 is intended to protect. Release of this information would foreseeably impair open and frank communication between the agency and its counsel in receiving or giving legal advice.

Records responsive to your request were redacted under FOIA Exemption 6.⁸ Exemption 6 protects “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.”⁹ Specifically, material consisting of personal contact information of individuals has been redacted. Balancing the public’s right to disclosure against the individual’s right to privacy, we have determined that release of this information would constitute a clearly unwarranted invasion of personal privacy. We have redacted personal cell phone numbers and email addresses, internal-only email addresses, and identifying information regarding individual citizens.

We have determined that it is reasonably foreseeable that disclosure would harm the privacy interest of the persons mentioned in these records, which Exemption 6 is intended to protect.

We are required by both the FOIA and the Commission's own rules to charge requesters certain fees associated with the costs of searching for, reviewing, and duplicating the sought after information.¹⁰ To calculate the appropriate fee, requesters are classified as: (1) commercial use requesters; (2) educational requesters, non-commercial scientific organizations, or representatives of the news media; or (3) all other requesters.¹¹

Pursuant to section 0.466(a)(5)-(7) of the Commission's rules, you have been classified as category (2), "educational requesters, non-commercial scientific organizations, or representatives of the news media."¹² For such requesters, the Commission assesses charges to recover the cost of reproducing the records requested, excluding the cost of reproducing the first 100 pages.

You have requested a fee waiver pursuant to section 0.470(e) of the Commission's rules.¹³ Because you are not required to pay any fees in relation to your FOIA request, the Office of the General Counsel, which reviews such requests, does not make a determination on your request for a fee waiver.¹⁴

You may seek review of this determination by filing an application for review with the Office of General Counsel within 90 calendar days of the date of this letter.¹⁵ Your appeal must articulate specific grounds for review, identify factors warranting further consideration of the issue presented, and specify the relief being sought.¹⁶

Dear Mr Carr:

Respectfully, your ignorance and anti-democracy antitude is showing.

You verbally threatened the license of the ABC TV Network for not being "fair" in reporting news.

1. ABC itself is NOT licensed by the FCC. It is a programming source, which does not require a license.
2. Only its owned and operated individual stations hold operating station licenses.
3. Broadcast licensees are not required to broadcast "fair" information, even under the "public convenience, interest and necessity" requirement. Check FCC and Congressional history. The FCC Fairness Doctrine was repealed in 1987, almost 40 years ago, under the Reagan Administration in accordance with Congressional Directive. That "doctrine" required providing equal opportunity for all sides of a controversial issue of public importance to be addressed by a licensee.

You and FCC lawyers would be laughed out of court if you tried to shut down a licensee for bring "unfair".

You and President Trump better start showing some respect for laws and federal regulations and quit lying to the public. That includes the 1st Amendment.

President Trump and you owe the Disney company a public apology immediately.

Disclosure: I own Disney stock.

You are an embarrassment to American democracy and not qualified to hold the job you are in. You need to resign.

Roy Cohen

To Chairman Carr,

The FCC seems to have lost its way as witnessed by the attempted shut down of Jimmy Kimmel. Fortunately, after a huge outcry from ordinary citizens, etc., he was returned to the air. This only one example of politically motivated attacks on CBS News, NPR, and PBS.

This cannot be allowed to continue as it attacks the very right of freedom of thought and expression.

The FCC must reaffirm its commitment to independence and service to the public by:

supporting free press and closing investigations tha weaponize FCC authority.
conducting investigations with transparency, independence and impartiality.
ending interference with the independence of media outlets and their internal DEI programs.

Sincerely,
Patricia Taviss

Re: Request for FCC Inquiry & Investigation for a Possible Violation of the Broadcast Hoax Rule & Enforcement of the Public Interest Standard

This letter is to encourage the Federal Communications Commission (FCC) to enforce the Broadcast Hoax Rule and the Public Interest Standard and investigate the ABC content that was transmitted over the public airwaves and televised on September 15, 2025 by ABC Owned and Operated (O & O) Stations¹, as well as, by major broadcast stations such as Nexstar Media Group, Sinclair Inc., Mission Broadcasting Inc., and Cunningham Broadcasting Corporation.

According to the FCC, “Broadcasters – not the FCC or any other government agency – are responsible for selecting the material they air”²; however, the “FCC has had a policy against ‘news distortion’ in over-the-air broadcast (local TV and radio stations) news for over 50 years (Federal Communications Commission).”

As public trustees, broadcast licensees may not intentionally distort the news. The FCC has stated that “rigging or slanting the news is a most heinous act against the public interest” (Al Gemini).

The FCC has the authority to impose certain restraints and obligations on broadcasters. Speech regulations are confined to specific topics, which usually have been identified by Congress through legislation or adopted by the FCC through full notice-and-comment rulemaking or adjudicatory proceedings. These topics include: indecency, obscenity, sponsorship identification, conduct of on-air contests, hoaxes, commercial content in children's TV programming, broadcast news distortion, accessibility to emergency information on television, and inappropriate use of Emergency Alert System warning tones for entertainment or other non-emergency purposes (FCC).

¹ ABC Owned and Operated Stations

ABC's parent company, Disney Entertainment Television, directly owns and operates several major-market ABC television stations: WABC-TV (New York); KABC-TV (Los Angeles); WLS-TV (Chicago); WPVI-TV (Philadelphia); KTRK-TV (Houston); KGO-TV (San Francisco) WTVD-TV (Raleigh-Durham); KFSN-TV (Fresno)

There are nearly 200 affiliated ABC broadcast stations in the United States, including the eight owned-and-operated by ABC. Together, these stations cover the majority of U.S. television households, though ownership of these affiliates is distributed among ABC, Nexstar, Sinclair, and other groups.

² The FCC allocates a portion of the broadcast spectrum to new broadcast stations based upon both the relative needs of various communities for additional broadcast outlets, and specified engineering standards designed to prevent interference among stations and other communications users. Whenever we review an application – whether to build a new station, modify or renew the license of an existing station or sell a station – we must determine if granting the application would serve the public interest. As mentioned earlier, we expect station licensees to be aware of the important problems and issues facing their local communities and to foster public understanding by presenting programming that relates to those local issues. Broadcasters – not the FCC or any other government agency – are responsible for selecting the material they air. The First Amendment and the Communications Act expressly prohibit the Commission from censoring broadcast matter. Our role in overseeing program content is very limited. We license only individual broadcast stations (Federal Communication Commission).

This letter is a request to investigate a possible violation of the Broadcast Hoax Rule as the result of airing content controlled by Disney Entertainment Television Group and the American Broadcasting Company, Inc. which aired on September 15, 2025 on ABC affiliated television stations and other major broadcasting stations and which may have violated 47 CFR § 73.1217.³

Broadcast Hoaxes. (47 CFR § 73.1217)

(a) No licensee or permittee of any broadcast station shall broadcast false information concerning a crime or a catastrophe if:

(1) The licensee knows this information is false;

(2) It is foreseeable that broadcast of the information will cause substantial public harm, and

(3) Broadcast of the information does in fact directly cause substantial public harm.

(b) Any programming accompanied by a disclaimer will be presumed not to pose foreseeable harm if the disclaimer clearly characterizes the program as a fiction and is presented in a way that is reasonable under the circumstances.

(c) For purposes of this rule, “public harm” must begin immediately, and cause direct and actual damage to property or to the health or safety of the general public, or diversion of law enforcement or other public health and safety authorities from their duties. The public harm will be deemed foreseeable if the licensee could expect with a significant degree of certainty that public harm would occur. A “crime” is any act or omission that makes the offender subject to criminal punishment by law. A “catastrophe” is a disaster or imminent disaster involving violent or sudden event affecting the public.

[89 FR 7254, Feb. 1, 2024]

According to the FCC, the broadcast by a station of false information concerning a crime or catastrophe violates the FCC's rules if:

1. The station licensee knew that the information was false;
2. Broadcasting the false information directly causes substantial public harm; and
3. It was foreseeable that broadcasting the false information would cause such harm.

³ The show Jimmy Kimmel Live! is broadcast as part of the ABC network, which is a subsidiary of The Walt Disney Company. The program is specifically part of the Disney Entertainment division. The chain of ownership is as follows: The Walt Disney Company is the parent company. Disney Entertainment is the division that holds ABC. ABC (American Broadcasting Company) is the broadcast television network.

According to news reporting, “In the past two weeks, vandals and other offenders have allegedly targeted Kirk memorials and TV stations involved in the suspension of late-night TV host Jimmy Kimmel’s show” (O’Neil, 2025)⁴.

ABC News Shooting

“Police arrested Anibal Hernandez Santana, 64, after he allegedly opened fire at the office of Sacramento ABC affiliate KXTV’s station on Friday. Tenga, not Sinclair, owns the station in question. Santana faces charges of interference with a licensed communications station and possession and discharge of a firearm within a school zone, ABC News reported” (O’Neil, 2025).

“Authorities reportedly found a note Santana had written [. . .] The note had been signed “CK” with the words “from above.” Sacramento County District Attorney Thien Ho called the note ‘circumstantial evidence’ that Santana had a ‘political motive’ for the shooting. Ho also said he thinks “CK” stands for Charlie Kirk” (O’Neil, 2025).

Threats made to Sinclair, Inc.

“Sinclair abruptly canceled plans to air a Charlie Kirk tribute last week after the company’s ABC affiliates received multiple violent threats, the New York Post reported. The company pulled the tribute Friday after it learned about “local threats directed at specific local ABC stations resulting from [the] ABC suspension” of Kimmel, a source told the Post. The company reportedly increased security at its ABC stations. Sinclair did not respond to a request for comment to confirm or deny the report” (O’Neil, 2025).

Additionally, on September 15, 2025, authorities had disclosed the following information of the alleged suspect in the assassination of Charlie Kirk.

Casings retrieved from the scene are believed to be connected to the shooting, including a fired casing that read, “notices bulges OWO what’s this?
There were also three unfired casings, each with a different inscription:
“Hey fascist! Catch!” with an up arrow symbol, right arrow symbol, and three down arrow symbols.
“O bella ciao bella ciao bella ciao ciao ciao”
“If you read this you are gay LMAO (Bajarjas, 2025).”⁵

⁴ O’Neil, Tyler. “8 Incidents of Violence, Threats in the Wake of Charlie Kirk’s Assassination, Kimmel’s Suspension.” *The Daily Signal*. September 23, 2025.

⁵ Barajas, Joshua. “What we know so far about the Charlie Kirk shooting suspect.” *PBS News*. Updated on September 15, 2025 12:46 PM EDT — Published on Sep 12, 2025 4:44 PM EDT.

In summary, the assassination of Charlie Kirk qualifies as both a crime and a catastrophe in the context of 47 CFR § 73.1217 (a) and (c). No known disclaimer was included in the programming that aired on September 15, 2025 on Jimmy Kimmel Live! (47 CFR § 73.1217 (b)). Finally, “public harm” began immediately and caused direct and actual damage to property and to the health or safety of the general public, and created a diversion of law enforcement or other public health and safety authorities from their duties (47 CFR § 73.1217 (c)). The Federal Communication Commission has an obligation to the public to enforce this standard.⁶

Lastly, the purpose of this letter is to encourage the FCC to recognize its obligation to enforce the public interest standard for the nearly 1,500-1,600 television stations which carry a FCC license to broadcast content in the United States. Requiring broadcasters to uphold the public interest standard is not ‘inappropriate’ as has been suggested.⁷ Requiring broadcasters to uphold the public interest standard is in the public’s interest. It is also incumbent on the FCC to recognize the existing reach of content originally broadcast in the United States on public airwaves which is streamed to and shared with audiences around the world.⁸ These broadcasts carry the mark of America and it should go without saying that America should not be amplifying content around the world which fails the public interest standard at home.

⁶ “courts have recognized that the policy ‘makes a crucial distinction between deliberate distortion and mere inaccuracy or difference of opinion’” FCC Consumer Guide

⁷ Gomez previously responded to the remarks, saying the Trump administration is “using the weight of government power to suppress lawful expression.”

“So, any pressure on these broadcasters to alter their broadcast because of their content is in fact inappropriate,” Gomez said. “And I think it’s important to keep in mind the FCC doesn’t have the authority the ability, or the constitutional right to revoke a license because of content like this.”

Wang, Christine. “Exclusive: FCC commissioner criticizes administration for “weaponizing” agency’s authority” *Axios*. September 18, 2025.

⁸ Broadcast content is shared with international audiences through a variety of platforms and pipelines, such as Hulu and Disney+, and is amplified around the world.

Between 2021 and 2024 the following countries began receiving content created by Disney Entertainment Television and ABC News: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Iceland, Ireland, Italy, Luxembourg, Netherlands, New Zealand, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, United Kingdom, Japan, South Korea, Taiwan, Hong Kong, South Africa, Algeria, Bahrain, Egypt, Iraq, Jordan, Kuwait, Lebanon, Libya, Morocco, Oman, Palestine, Qatar, Saudi Arabia, Tunisia, United Arab Emirates, Yemen, Albania, Andorra, Bosnia and Herzegovina, Bulgaria, Croatia, Czech Republic, Estonia, Greece, Hungary, Kosovo, Latvia, Liechtenstein, Lithuania, Malta, Montenegro, North Macedonia, Poland, Romania, San Marino, Serbia, Slovakia, Slovenia, Türkiye, Vatican City, Israel, Philippines, Indonesia, Malaysia, Thailand, Argentina, Bolivia, Brazil, Chile, Colombia, Commonwealth Caribbean, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Suriname, Uruguay, Venezuela

On August 6, 2025, after the completion of its acquisition of Comcast’s stake in the service, Disney announced plans to fully migrate Hulu to the Disney+ platform in the United States. While Disney+ and Hulu will remain separate subscription products, their separate apps are to be replaced by a new “unified” platform in 2026. Concurrently, Disney also announced that it would replace Star with Hulu as its “global general entertainment brand” on October 8, 2025.

Respectfully submitted,

/s/ Alicia Bankston, citizen

Host, Benny Johnson: Mr. Chairman, thank you so much for being on our program. This is something that obviously is (sic) concerned, a great many number of people, about Jimmy Kimmel's monologue. What does (sic) the FCC's stance on this? Certainly is a heightened moment in American history where you do not want to see copycats, you do not want to see further radicalization, but by slandering and maligning and distorting what happened to Charlie Kirk, Jimmy Kimmel seems to be inviting it.

Guest, FCC Chairman, Brendon Carr: First of all, Benny, I don't think you and I haven't had a chance to talk yet since Charlie Kirk's death and I think I just want to join everything you've been saying about Charlie, his life, an amazing man. I think what was so revealing in the last few days is, I think what dawned on so many people is that everyone I think knew that Charlie Kirk had said something kind to them, had lifted them up when they were either a low point in their career or at no point in their career. And when you saw so many people conveying their stories with Charlie, you saw a sort of a connection across hundreds and thousands of people that you knew he meant something to you, but you didn't know that he had somehow found the capacity to be that sort of meaningful inspiration for so many people. I think that's why there's sort of a dawning on people and a reflection in the last couple of days that's been so meaningful to see. You know, when you look at the conduct that has taken place by Jimmy Kimmel, it appears to be some of the sickest conduct possible. As you've indicated, there are, you know, avenues here for the FCC, so there are some ways in which I need to be a little bit careful, because we could be called ultimately to be a judge on some of these claims that come up, but I don't think this is an isolated incident. I mean, you go back to Representative Swalwell, and he had a tweet out last week where he was saying that, you know, emphasizing that Charlie Kirk's killer was a straight white male from a Republican family that voted for Donald Trump. In some quarters, there's a very concerted effort to try to lie to the American people about the nature, as you indicated, **one of the most significant newsworthy public interest acts that we've seen in a long time**. And what appears to be an action, appears to be an action, by Jimmy Kimmel to play into that narrative that this was somehow a MAGA or Republican motivated person. If that's what happened here with his conduct, that is really, really sick. And I've been very clear from the moment that I have become chairman of the FCC, I want to reinvigorate the public interest. And what people don't understand is that the broadcasters, and you've gotten this right, are entirely different than people that use other forms of communication. They have a license granted by us at the FCC, and if that comes with it, an obligation to operate in the public interest. And we can get into some ways that we've been trying to reinvigorate the public interest and some changes that we've seen. But frankly, when you see stuff like this, I mean, look, we can do this the easy way or the hard way. These companies can find ways to change conduct, to take action, frankly, on Kimmel, or, you know, there's going to be additional work for the FCC ahead. **(emphasis added)**

Host, Benny Johnson: What kind of action would you see? At the very least, I would like to have an on air apology from Jimmy Kimmel to the Kirk family, to all of those who he slandered because he did say that Charlie Kirk, he is effectively saying that our movement did this, our movement killed Charlie, that Charlie was deserving of this effectively. And we've seen that rear its head. This happens quite regularly, actually, on MSNBC and on other networks, where they're trying to victim blame. And what that does, Mr. Chairman, respectfully, is continues the lie and continues the threat level to say effectively that we have no share in this problem at all on the left. This is a clear-cut case. What would you like to see done at ABC?

Guest, FCC Chairman, Brendon Carr: Well, look, I think what you said there strikes me as a very reasonable minimal step that can be taken. I mean, obviously, look, there's calls for Kim will be fired. I think, you know, you could certainly see a path forward for suspension over this. And again, you know, the FCC is gonna have remedies that we could look at. And again, you know, we may ultimately be called to be a judge on that. But this also strikes me as sort of conduct that to some extent shows some sort of desperate irrelevance. I mean, we're sort of exiting an era where the three main broadcast legacy broadcast networks could control and dictate the narrative to the American people. And one of the things that President Trump did when he ran for office, he ran directly at that legacy media establishment. He smashed the façade that they get to control what we say, what we think, the narrative around events. And we're seeing a lot of consequences that are flowing from President Trump doing that. I mean, look, NPR has been defunded, PBS has been defunded, Colbert is retiring, Joy Reid is out at MSNBC, Terry Moran has gone from ABC and is now admitting that they are biased. CBS has now made some commitments to us that they're going to return to more fact-based journalism. And so I think you see some lashing out from people like Kimmel who are, frankly, talentless and are looking for ways to get attention. But, you know, their grip on the narrative is slipping. That doesn't mean that it's still not, you know, important to hold in the public interest standard. That's what we're going to have to do.

Host, Benny Johnson: So we did elucidate and enumerate a number of statutes that could be used against ABC. If you would, Mr. Chairman, would you just explain for us what broadcasting in the public interest means? I don't think most people understand actually the depth of how important it is that ABC, NBC, CBS have these gratuitous broadcast privileges granted to them by the American taxpayer."

Guest, FCC Chairman, Brendon Carr: Yeah, the right way to sort of explain this to people so they understand it is in the media landscape as relevant here, there's two main buckets of actors. One, you've got what we call national programmers. That's what Comcast is, Comcast NBC, that's what Disney is, Disney ABC. They're the ones that effectively create and produce these shows. They then provide those shows to individually licensed TV stations. Those TV stations are in the main owned by independent companies, independent from Comcast and Disney. But Disney and Comcast both own some televisions themselves. So start

from the idea that you have national programmers that create the show, including The Kimmel Show, and then they're given to and distributed over licensed TV stations. It's the licensed TV stations that have the public interest standard, including those TV stations that Comcast and Disney own. So FCC regulatory action focuses on those individual stations. And one thing that we're trying to do is to empower those local stations to serve their own communities. And the public interest means you can't be running a narrow, partisan circus and still meeting your public interest obligations. It means you can't be engaging in a pattern of news distortion. We have a rule on the book that interprets a public interest standard that says news distortion is something that is prohibited. Likewise, we have a rule that addresses broadcast hoaxes. And so, again, over the years, the FCC has stepped back from enforcing it. And I don't think it's been to the benefit of anybody. Just look at the credibility of this legacy media. It's absolutely through the floor. They used to be able to say at least they were more trustworthy than Congress, but now they're even less trustworthy than Congress. And so I think as a business matter for them, something has to change. And at the FCC, we need to reinvigorate this. So again, there's actions that we can take on licensed broadcasters. And frankly, I think that it's really sort of past time that a lot of these licensed broadcasters themselves push back on Comcast and Disney and say, listen, we are going to preempt. We are not going to run Kimmel anymore until you straighten this out, because we, we licensed broadcasters, are running the possibility of fines or license revocation from the FCC if we continue to run content that ends up being a pattern of news distortion. So I think, again, Disney needs to see some change here, but the individual licensed stations that are taking their content, it's time for them to step up and say, this garbage, to the extent that that's what comes down the pipe in the future, isn't something that we think serves the needs of our local communities. But this sort of status quo is obviously not acceptable where we are.

Host, Benny Johnson: Yes, thank you, Mr. Chairman, for explaining it that way, because I don't think that a lot of people quite understand the regulatory nightmare that a company like Disney is under in a situation like this. Because you have one, you have the company Disney, that obviously appeals and markets to children in a constant basis, and they are having one of their companies that they own, that is now maligning a hero of so many of those kids. Charlie Kirk was a Gen Z hero, and so many of those kids that were raised on Disney and Disney products, looked up to Charlie, looked up to Charlie, and to lie about his death and to not be forthright about the forces that killed him culturally, and that threaten other children, obviously, on a day-to-day basis, as we are constantly seeing, is a massive liability. Disney should get very serious about threats to children.

Guest, FCC Chairman, Brendon Carr: Yeah, I mean, Disney's got a lot of trouble. I mean, look, we've launched, I don't know if we've talked about this publicly yet, but we have launched, have launched, and are continuing to run a investigation into Disney for their DEI practices for potentially violating the FCC's equal employment opportunity rules. We've issued Disney a letter of inquiry on that. We've received some documents from them. Again, we haven't talked, I don't (sic) think publicly about that before, but that is a very active investigation that's underway into Disney on that conduct. And again, it's your point. I mean, step back for a second. But if the public interest means anything, if we're going to enforce this thing, I mean, just look at the number of hoaxes that have been run on the American people with the aid of a lot of these broadcasters. You've got, you know, you've got this, you know, the whips at the border store.

You've got Covington Catholic. You've got Juicy Smollett. You've got Hunter Biden's laptop.

You've got, you know, Joe Biden is sharp as attack. You've got, you know, fake stories about hospitals being overrun by ivermectin overdoses and therefore people dying of gunshots, mostly peaceful protests. I mean, the list goes on and on and on. And again, I think whether it's the FCC through our public interest enforcement actions, whether it's as a business matter, these people need to sort of change course or frankly, the fact that they're increasingly irrelevant because President Trump has run right at them. Most politicians that just said, okay, I'll accept the narrative that mainstream media is pushing and President Trump hasn't done that. And frankly, I think not that there's a great part of the de-platforming of conservatives, but if there is any silver lining that I mean, look at what you built, look at what Charlie built.

Republicans, conservatives were forced to build alternate channels of reaching out directly to the American consumer and you are winning the battle of ideas by doing that and the legacy media is struggling and they're lashing out.

Host, Benny Johnson: Thank you, Mr. Chairman, for saying that. Obviously, that is what made Charlie so profoundly powerful is his capacity to reach directly to the millions of grassroots supporters and then also to reach physically those supporters at large scale events, many of which we were at together. And those are the kind of things that made him, he was able to do an end round, the gatekeepers that typically would keep someone like Charlie from ever having an audience. It actually is a remarkable moment. It's what made him frankly so dangerous to so many that wanted to see his life cut short. To honor his memory, we thank you for ensuring that the FCC is going to be enforcing these rules. A final question to you, do you believe that what Jimmy Kimmel said rises to the level of news distortion?

Guest, FCC Chairman, Brendon Carr: Look, again, the FCC could be called upon to be an ultimate judge in that, but at this point, I think it's clear, it appears to be clear, that you could make a strong argument that this is sort of an intentional effort to mislead the American people about a very core, fundamental fact, a very important matter. At the end of the day, if we do get called upon to cast a vote on this, Disney will have a chance to put in their arguments and explain it, but this is a very, very serious issue right now for Disney.

Host, Benny Johnson: Yes. Thank you very much, Mr. Chairman. Please follow Chairman Brendan Carr here on X, the Federal Communications Commission Chairman. This is Brendan Carr, FCC. Also, we have his official Chairman's account as well. I don't know if we have that handy, but ladies and gentlemen, you can find him here on X, 170,000 followers here, and ladies and gentlemen, also his official account as well. Godspeed, Mr. Chairman.

Guest, FCC Chairman, Brendon Carr: Thanks so much, Benny.

Hello

I wrote to you regarding the Jimmy Kimmel incident and for you to follow the Constitution not your political ideology. Now you post a re-tweet from the convicted felon Trump saying Seth Myers should be fired. It is also reported you are at Mar A Lago this weekend.

Again I urge you to follow the law and Constitution. It is obvious your position is because of political loyalty. Unfortunately this is the rest of what the Republican party has become under Trump.

Is is my wish when this administration is over some of the treason will come to light and those responsible will be punished accordingly by what is left of the functional US government. The Republican party is royally screwing this country over and it's working citizens like I've never seen in my lifetime as an American.

Commissioner Carr,

I am writing regarding concerns I have over your recent comments regarding The Jimmy Kimmel Show and freedom of speech.

In public comments, you asserted that the FCC has the power and privilege to revoke broadband licenses based on comments that you found were a "concerted effort to lie to the American people."

I've attached a document regarding the FCC and Freedom of Speech that can be easily found on the FCC's website.

In this document, it clearly states:

"The FCC is barred by law from trying to prevent the broadcast of any point of view.

The Communications Act prohibits the FCC from censoring broadcast material, in most cases, and from making any regulation that would interfere with freedom of speech. Expressions of views that do not involve a "clear and present danger of serious, substantive evil" come under the protection of the Constitution, which guarantees freedom of speech and freedom of the press and prevents suppression of these expressions by the FCC. According to an FCC opinion on this subject, **"the public interest is best served by permitting free expression of views."** This principle ensures that the most diverse and opposing opinions will be expressed, even though some may be highly offensive."

I am not writing to argue with you whether or not the comments that were made on the Jimmy Kimmel Show were lies or whether those opinions best serve the American people.

I am writing in hopes that you can at the very least acknowledge that the Commission's own website asserts that the FCC's own opinion on the subject of offensive speech is that the public interest is best served by permitting the free expression of all views.

Your public comments contradict these official opinions. Furthermore, the freedom and right to free speech regardless of whether or not the recipient finds it offensive is an American value we all can agree on.

I ask for you to follow these principles as you chair the Commission. Your comments clearly convey the power and impact one's words can have on the world. I am not one to presume the intentions of your words, but I ask that your personal opinions on Jimmy Kimmel's comments not impact your job of carrying out the FCC's mission to broadcast ALL points of view.

Sincerely,

Clinton Kolseth, MD

(b) (6)

The FCC and Freedom of Speech

The FCC receives numerous complaints that television and/or radio networks, stations or their employees or guests have broadcast extreme, incorrect or somehow improper political, economic or social statements.

In some cases, the complaints allege that certain broadcast statements may endanger the United States or its people, or threaten our form of government, our economic system or established institutions like family or marriage. They say these statements are “un-American” and an abuse of freedom of speech. The FCC also receives complaints that some broadcast statements criticize, ridicule, “stereotype” or demean individuals or groups because of the religion, race, nationality, gender, gender identification, or sexual orientation, or other characteristics of the group or individual. Finally, many consumers complain that television or radio broadcasts are obscene, indecent, profane or otherwise offensive.

What is the FCC’s Responsibility?

The FCC is barred by law from trying to prevent the broadcast of any point of view. The Communications Act prohibits the FCC from censoring broadcast material, in most cases, and from making any regulation that would interfere with freedom of speech. Expressions of views that do not involve a “clear and present danger of serious, substantive evil” come under the protection of the Constitution, which guarantees freedom of speech and freedom of the press and prevents suppression of these expressions by the FCC. According to an FCC opinion on this subject, “the public interest is best served by permitting free expression of views.” This principle ensures that the most diverse and opposing opinions will be expressed, even though some may be highly offensive.

The FCC, however, does have enforcement responsibilities in certain limited instances. For example, the Courts have said that **indecent material** is protected by the First Amendment to the Constitution and cannot be banned entirely. It may be restricted, however, in order to avoid its broadcast when there is a reasonable risk that children may be in the audience. Between 6 A.M. and 10 P.M. (when there is the greatest likelihood that children may be watching,) airing indecent material is prohibited by FCC rules. Broadcasters are required to schedule their programming accordingly or face enforcement action. Similarly, the Commission has stated that **profane material** is prohibited between 6 A.M. and 10 P.M.

Finally, the courts have ruled that **obscene material** is not protected by the First Amendment and cannot be broadcast at any time. For more information about these rules, see our consumer guide at www.fcc.gov/guides/obscenity-indecency-and-profanity.

What are the Broadcasters’ Responsibilities?

Individual radio and television station licensees are responsible for selecting all broadcast matter and for determining how their stations can best serve their communities. Broadcast licensees are responsible for choosing both the entertainment programming and the programming concerning local issues, news, public affairs, religion, sports and other subjects to be aired by the station. They also decide how their programs, including call-in shows, will be conducted and whether or not to edit or

reschedule programs or material (for example, moving a program to a time slot during which children may not be listening or watching).

What if I Have a Comment and/or Concern About a Specific Broadcast or Statement?

All comments and/or concerns about a specific broadcast should be directed to the stations and networks involved.

If you consider a broadcast obscene, indecent, or profane, you can also file a complaint with the FCC. You have multiple options for filing a complaint with the FCC:

- File a complaint online at <https://consumercomplaints.fcc.gov>
- By phone: 1-888-CALL-FCC (1-888-225-5322); TTY: 1-888-TELL-FCC (1-888-835-5322); ASL: 1-844-432-2275
- By mail (please include your name, address, contact information and as much detail about your complaint as possible):

Mr Carr;

I realize your boss is very loud; and also exceptionally ignorant. After all, he thought the Declaration of Independence was a “love letter”...., and was, “ not sure” if he was duty bound to uphold the Constitution!

The right to a free and an independent press, (free speech) is “enshrined” in our constitution.

Giving you the “benefit of the doubt”, that you are not simply a “yes man”, as are the rest of his appointees; you will have the foresight and courage to tell him you will not be revoking the broadcasting rights of ABC, CBS, NBC, NPR, PBS or any other independent news outlets.

May I remind you, sir, the FCC abolished the Truth in Broadcasting rule during the Reagan Administration. This rule held newscasters accountable for accurate reporting and if there were inaccuracies, they were subject to fines. The rule was abolished because it was ruled to be a violation of Freedom of Speech. Now you are in contradiction of this by your harsh unfair treatment of Jimmy Kimmel. You are allowing your agency to be politicized and are in direct violation of the rights granted to us in the Constitution.

If people are offended by ANY show, they can change the channel! It is just THAT simple!

As a baby boomer born at the height of patriotism in this country, I am deeply offended by your apparent need to assert your personal sense of power which feeds your ego and makes me question your motives. What do you have to gain personally from this? I would wager to bet there is something or someone driving your actions. Truly shameful!!! You are a sellout.

Mr. Carr,

I have little or no respect for such a tough guy - "you can do it the easy way, or do it the hard way", taken right from the Fuhrer Trump's playbook. How about staying in your lane, do your job, and stop kissing the orange ass of the worse leader in American History. You sound like a miserable, mean old rich guy - Maga - the worst kind. You got your job because you are a Trumpie Maga. Maybe not DEI, like you Maga's hate, but a white man of privilege; you probably loves guns, hate women (especially the ones in power), and prays every Sunday. You make me sick. Try kindness and fairness, but I'm sure that's not possible.

Long Live Jimmy Kimmel and Stephen Colbert.

I heard that you're trying to go after the networks again, and first, I just want to say, you are a vile, evil man for making me take the side of TV networks. They are dinosaurs.

However, they are also afforded their free speech.

I just wanted to remind you that the last time you attempted your little unconstitutional temper tantrum, the American people smacked you down to the tune of millions in the streets and BILLIONS shaved off Disney's stock price.

Keep defying The Constitution of the United States of America, and the will of the people, and in 2029 you'll be showing off your prison blues in Leavenworth.

Hello Mr. Carr -

What is the first Amendment?? Here it is for your reference- protects five fundamental freedoms: freedom of religion, speech, the press, assembly, and the right to petition the government for a redress of grievances .

How dare you put pressure on ABC and Disney. If people don't like what Jimmy Kimmel is saying - change the channel. I am appalled at the censorship that is being implemented. The government should NOT be dictating what is aired on TV. Are you that naive not to see what is happening??? The White House has no business determining what I can watch on TV. First Stephen Colbert now this. Shame on you - shame on you. I don't know how you can sleep at night knowing what you are doing. The party of law - follow it!! What's next Jimmy Fallon and Seth Myers???

Shame shame shame

How about Fox News spreading lie after lie or because it's their perspective it's ok. I don't watch Fox News because I don't like their perspective - I CHANGE THE CHANNEL!!!! Think about the constitution.

Mr Carr,

I'm stunned at the clearly improper threats you made that caused ABC/Disney to cancel Jimmy Kimmel. You and your administration have exceeded your authority by censoring a comedian. Obviously, you and your administration are thin skinned and were looking for an excuse to cancel a critic. It seems you and Trump really want to destroy America and make our media behave like Russia and other countries under with dictators. You betray all that is American, and you should be ashamed and removed from office by impeachment.

Commissioner Carr,

I'm writing out of grave concern over the cancellation of Jimmy Kimmel and what it suggests about the growing threats to free speech in media, directed by you.

Whether people agree with Kimmel or not, silencing voices because of their views is a dangerous trend. The First Amendment protects all speech — not just popular or conservative speech — and that principle must be defended.

I urge you to reconsider your stance, and use your platform to protect free expression across all forms of media.

Good morning,

I was wondering what will be done about Jimmy Kimmel telling dangerous misinformation lies on his television show? Kimmel stated that the person who assassinated Charlie Kirk was a republican and its a straight up lie with the individual being confirmed a left wing radical. Kimmel must be made to address this lie made to the American public and retract it on his show or ABC needs to have their broadcasting rights stripped.

Thank you.

Good evening, Mr. Carr. I, of course, know how busy you must be so I will
Be brief.

Just heard that our senile president is again fretting about his hurt feelings and raging about Seth Meyers, another gifted US comedian. Our comedians serve a very meaningful purpose in this crucial time for our democracy.

If the president and his cohorts don't like being made fun of, they certainly don't have to follow watch, listen, or read about the shows. Did they not learn anything when Kimmel was suspended?

This is our free country. They should relish that. We do. Also, following the law would give the comedians less material to work with.

He should stick with trying to manage the government and let the public enjoy the comedians.

Have a lovely evening.

WASHINGTON, DC 20510

September 19, 2025

The Honorable Brendan Carr
Chairman
Federal Communications Commission
45 L Street, NE
Washington, D.C. 20554

Dear Chairman Carr:

We are increasingly concerned that your unprecedented weaponization of the Federal Communications Commission (“FCC”) amounts to an unlawful attempt to corruptly wield government authority to chill First Amendment-protected speech and independent, fact-based news reporting. As the FCC has failed to provide substantive replies to congressional letters regarding these concerns, we write to invite you to appear before Members of Congress and the American people to explain what appear to be egregious abuses of the FCC’s authorities.

On September 15, 2025, Jimmy Kimmel, host of Jimmy Kimmel Live!, made a series of comments about the reaction to the assassination of Charlie Kirk.¹ Within hours of your direct threat that media companies “can find ways to change conduct and take action, frankly, on Kimmel, or there’s going to be additional work for the F.C.C. ahead,”² ABC took Kimmel’s show off the air immediately and indefinitely.³ Your and President Trump’s abuse of your self-described “powerful positions” to censor Stephen Colbert, Jimmy Kimmel, and others threaten a bedrock fundamental of our democracy, as you identified in 2022: “Free speech gives the powerless a voice. It ensures that anyone can challenge the political, religious, or scientific orthodoxy of the moment.”⁴

Our concerns go far beyond the suspension of Jimmy Kimmel’s show. We have sought information regarding our concerns multiple times and have not received complete responses. Senator Blumenthal wrote to the FCC twice since March with specific concerns about how you and the agency appear to be engaged in a campaign of deliberate abuse of the FCC’s regulatory authorities at the behest of President Trump. On March 12, 2025, Senator Blumenthal wrote to the Acting Chiefs of the FCC’s enforcement and media bureaus questioning the agency’s investigations of entities perceived to be opposed to President Trump and demanding information

and records to clarify the agency's actions.⁵ Your March 26, 2025, response addresses none of the specific questions posed in Senator Blumenthal's letter.⁶ On July 29, 2025, following the highly suspect timing of the FCC's approval of Paramount Global's merger with Skydance Media, LLC—just three weeks after Paramount settled a frivolous lawsuit brought by President Trump by handing \$16 million to his Presidential Library—Senator Blumenthal wrote to you demanding detailed answers and records that would begin to provide transparency into the Trump Administration's apparent corrupt bargain with Paramount.⁷ Again you responded by failing to meaningfully address the specific questions in Senator Blumenthal's letter and produced no responsive records.⁸

Senator Warren wrote to Paramount Chair Shari Redstone in May 2025 with questions regarding whether Paramount may have been engaging in potentially illegal conduct involving your agency in exchange for approval of its megamerger.⁹ The questions raised in her letter include why Paramount abruptly shifted from characterizing the lawsuit brought by President Trump as “meritless”¹⁰ to engaging in settlement negotiations and potentially meddling with the content of its subsidiary CBS to appease the Trump administration. In July, Senator Warren called for a full investigation into whether any anti-bribery laws were broken in response to news that Paramount settled President Trump's lawsuit for \$16 million, concerned this could be bribery in plain sight.¹¹ Days later, Senator Warren wrote to Skydance to seek information on the reported secret deal between Skydance and President Trump—potentially involving public service announcements worth between \$15 million and \$20 million that “support conservative causes supported by President Trump”¹²—and whether the deal was connected to the companies' efforts to secure FCC approval of their megamerger.¹³ Paramount and Skydance's dodgy

RE: September 1X, 2025 Letter to the FCC

Dear Senator [Last Name]:

Thank you for your September 19, 2025, letter regarding the decision by local TV stations to preempt Disney's *Jimmy Kimmel Live!* and Disney's own decision to suspend temporarily production of that program. I welcome the chance to respond to your letter because it provides an important opportunity to set the record straight and dispel the disinformation that many people have been spreading regarding these facts.

At the outset, the claim by Democrats in Congress that the FCC threatened to revoke broadcast licenses if Disney did not fire Jimmy Kimmel is simply incorrect. My remarks themselves, the companies' own statements, and the detailed reporting that has come to light all make this entirely clear.

What I have been talking about—and doing so for a long time now—are the unique set of rules and regulations that Congress has chosen to apply to broadcasters. Under the law, broadcasters, which are licensed to operate by the FCC, are simply different than other distributors like cable shows or podcasts or online platforms. Broadcasters originally got their spectrum from the government for free and have public interest obligations that flow from their spectrum licenses. For instance, as I mentioned, the FCC has a news distortion policy that applies to broadcasters but not to other distributors like cable shows. Stakeholders can quickly work out any concerns regarding news distortion claims or, in the alternative, if anyone chooses to bring a news distortion complaint to the FCC, I have been clear that the agency will ensure that everyone gets a fair shake and even-handed treatment.

Likewise and more broadly, the FCC has an important role to play in empowering licensed local broadcast TV stations to operate in the public interest. That includes ensuring that broadcasters have the freedom to determine whether the programming they air is serving the

needs of their local communities, including preempting national network programming that is inconsistent with their assessment of the values of their local viewers.¹

The detailed reporting on the Kimmel episode only confirms that local TV stations and Disney itself made their own decisions for their own business reasons. Indeed, Nexstar—one of ABC’s largest local broadcast affiliate groups—when announcing its decision to preempt Mr. Kimmel’s show stated, “Mr. Kimmel’s comments about the death of Mr. Kirk are offensive and insensitive at a critical time in our national political discourse, and we do not believe they reflect the spectrum of opinions, views, or values of the local communities in which we are located.” In its statement, Nexstar went on to say, “[Giving] Mr. Kimmel a broadcast platform in the communities we serve is simply not in the public interest at the current time.”

Later, Sinclair—another of ABC’s largest local broadcast affiliate groups—stated that “Mr. Kimmel’s remarks were inappropriate and deeply insensitive at a critical moment for our country. We believe broadcasters have a responsibility to educate and elevate respectful, constructive dialogue in our communities.” Sinclair went on to call on Mr. Kimmel to issue a direct apology to the Kirk family.

Disney itself then announced it was preempting the program nationwide. The detailed reporting on Disney’s decision shows that the company made its own businesses decision to pause the show after discussions that it held with Mr. Kimmel.

Disney confirmed all of this the following week. In its decision to reinstate Mr. Kimmel, Disney stated that “we made the decision to suspend production of the show to avoid further inflaming a tense situation at an emotional moment for our country.” Continuing, Disney added “It is a decision we made because we felt some of the comments were ill-timed and thus insensitive.” “We have spent the last days having thoughtful conversations with Jimmy, and after those conversations, we reached the decision to return the show on Tuesday.”

After Disney’s decision, Nexstar stated that it “made a decision last week to preempt ‘Jimmy Kimmel Live!’ following what ABC referred to as Mr. Kimmel’s ‘ill-timed and insensitive’ comments at a critical time in our national discourse.” Nexstar added that “We stand by that decision pending assurance that all parties are committed to fostering an environment of respectful, constructive dialogue in the markets we serve.”

Likewise, Sinclair stated, “[We] will be preempting *Jimmy Kimmel Live!* across our ABC affiliates and replacing it with news programming.” Sinclair added that “Discussions with ABC are ongoing as we evaluate the show’s potential return.”

¹ See 47 CFR § 73.658(e) (“No license shall be granted to a television broadcast station having any contract, arrangement, or understanding, express or implied, with a network organization which, with respect to programs offered or already contracted for pursuant to an affiliation contract, prevents or hinders the station from: (1) Rejecting or refusing network programs which the station reasonably believes to be unsatisfactory or unsuitable or contrary to the public interest, or (2) Substituting a program which, in the station’s opinion, is of greater local or national importance.”).

In closing, I have welcomed the chance to be responsive to this and prior requests. I look forward to continuing to do so. Thank you again for your letter. I hope this additional context and information has been helpful.

Sincerely,

Brendan Carr

United States Senate

WASHINGTON, DC 20510

September 24, 2025

The Honorable Brendan Carr
Chairman
Federal Communications Commission
45 L St NE
Washington, DC 20554

Dear Chairman Carr:

We are writing with grave concern regarding your agency's role in what can only be described as an unprecedented, purposeful assault on press freedom and the First Amendment. ABC's decision on September 17, 2025, to remove Jimmy Kimmel's program following your implicit threats to revoke its broadcast license represents a dangerous watershed moment for free speech in America.

On September 17, 2025, you appeared on the *The Benny Show* podcast and called on licensed broadcasters to “push back on Comcast and Disney” and preempt coverage of *Jimmy Kimmel Live!*¹ Furthermore, you warned that continuing to broadcast the program could result in “fines or license revocation from the FCC.”² You then delivered what can only be described as an ultimatum to broadcasters: “We can do this the easy way or the hard way. These companies can find ways to change conduct and take action, frankly, on Kimmel or there’s going to be additional work for the FCC ahead.”³

The chilling effects of your public comments are evident in ABC's response. While Disney reversed course on September 22, 2025, stating that *Jimmy Kimmel Live!* will return to air following “thoughtful conversations,” the timing of your threats and the broader pattern of government intimidation make clear that broadcasters were operating under extraordinary duress.⁴ According to reports, senior executives at ABC, Disney, and their affiliates convened emergency meetings following your statements.⁵ Multiple sources indicated that executives’ fear of retaliation from the Trump administration was the decisive factor, ultimately leading to the direct censorship of constitutionally protected speech. Meanwhile, Nexstar Media Group – while seeking FCC approval for a \$6.2 billion acquisition – and Sinclair Broadcast Group – also lobbying for favorable regulatory treatment from the FCC in its review of its broadcast business – quickly reacted to your intimidations by preempting *Jimmy Kimmel Live!* on their stations.⁶

This fear parallels the same alarm you previously expressed regarding potential action by the FCC to censor disfavored speech. On several prior occasions, you warned of the “chilling transgression of the free speech rights that every media outlet in this country enjoys”⁷ and applauded political satire as “one of the oldest and most important forms of free speech.”⁸

Your latest statements are part of a broad pattern of government coercion of the press emboldened by President Trump and your leadership at the FCC, and designed to intimidate and silence critical coverage of the Administration. On July 17, 2025, CBS announced plans to cancel *The Late Show with Stephen Colbert*, just one day after Paramount paid President Trump \$16 million to settle a frivolous lawsuit in time to ensure the FCC approved their \$8 billion merger with Skydance.⁹ President Trump has also filed a \$15 billion suit against the New York Times, claiming a series of articles “sought to undermine” the President’s reputation,¹⁰ and a \$10 billion lawsuit against the Wall Street Journal over its reporting on his ties to Jeffrey Epstein.¹¹

This apparent intimidation has achieved the intended effect. ABC News paid a \$15 million settlement plus \$1 million in attorney’s fees before Trump even returned to office, likely an effort to mitigate future retaliation from the President.¹² Meta paid \$25 million to settle a lawsuit over the President’s account suspension after the January 6, 2021, attack on the U.S. Capitol, also just days into Trump’s second term.¹³ The administration has also moved to defund public media, with an executive order cutting funding to PBS and NPR on claims of “biased and partisan news coverage.”¹⁴ It pushed a rescissions package to claw back \$1.1 billion in previously approved funding for the Corporation for Public Broadcasting¹⁵ and removed The Associated Press from the White House press room after the organization refused to adopt the administration’s preferred terminology.¹⁶ Even private media ownership has bent to pressure, with Jeff Bezos dramatically shifting the Washington Post’s editorial direction in

what many view as capitulation to the President.¹⁷ Viewed collectively, these actions represent the most blatant and coordinated attack on the free press in American history.

As Chairman of the Federal Communications Commission, you hold a position of extraordinary trust and responsibility. The FCC's regulatory authority over broadcast licenses was never intended to serve as a weapon to silence criticism or punish satirical commentary. Your agency's mission is to serve the public interest, not to act as an enforcement arm for political retribution against media outlets that displease those in power.

In order to fulfill Congress's constitutional obligation to perform oversight of regulatory agencies, we request responses to the following questions no later than October 1, 2025:

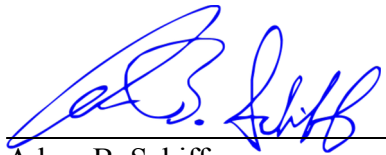

1. Have you, the Commission, or FCC staff had any communications with representatives of ABC, Disney, or any of their affiliates concerning specific programming content decisions, including *Jimmy Kimmel Live!* or other programs in the last 30 days?
 - a. If so, please name all individuals involved in those communications and provide the dates and documentation of all such communication.

The Honorable Brendan Carr
Chairman
Federal Communications Commission
45 L Street, NE
Washington, DC 20554

Dear Chairman Carr:

We write to express grave concerns regarding reports of pressure and threats of retaliation by you against Sinclair Broadcasting Group-owned ABC affiliate stations due to recent speech expressed on ABC programming. The Federal Communication Commission's (FCC) apparent weaponization of its federal regulatory authority and ABC's preemption of programming that may be critical of President Trump represents a dangerous escalation in attacks on press freedom and protected speech. This action should serve as a warning to all Americans—the Constitution's right to free speech is under attack by the Trump Administration. This corrupt political intimidation is unacceptable. We condemn these tactics and demand that you cease all actions to weaponize your authority for political gain.

As we defend free speech in the strongest possible terms, we state unequivocally that the escalation of political violence in America in recent years is extremely worrying. The murder of Charlie Kirk was a horrific act. We condemn political violence in all forms, as Jimmy Kimmel did in the immediate aftermath of the shooting when he sent "love to the Kirks" and stated, "Instead of the angry finger-pointing, can we just for one day agree that it is horrible and monstrous to shoot another human."¹

On the evening of September 15, Kimmel criticized President Trump for choosing to blame Democrats for Kirk's death instead of bringing the country together and made the following non-threatening statement to his audience in *Jimmy Kimmel Live!*:

We hit some new lows over the weekend with the MAGA Gang desperately trying to characterize this kid who murdered Charlie Kirk as anything other than one of them and doing everything they can to score political points from it.²

In a podcast interview on the afternoon of September 17, 2025, you appeared to threaten FCC action against ABC-affiliated stations should these stations fail to remove Jimmy Kimmel from the air, saying: “These companies can find ways to change conduct and take action, frankly, on Kimmel, or there’s going to be additional work for the FCC ahead.”³ Later in the day on September 17th, Nexstar Media Group announced that it would “preempt ‘Jimmy Kimmel Live!’ for the foreseeable future beginning with [that evening’s] show.”⁴ On the evening of September 17th, Sinclair followed suit, announcing that it would “indefinitely preempt” *Jimmy Kimmel Live!* and suspend production of the show.⁵ The Trump Administration’s actions this week raise a concern that the Administration is using the FCC as a tool to silence media and commentators who criticize the President or conservative viewpoints.

It appears that the Trump Administration, with your help, in the words of Democratic Commissioner Anna Gomez, “is increasingly using the weight of government power to suppress lawful expression.”⁶ Although genuine “threats” are not protected speech under the First Amendment to the U.S. Constitution, Kimmel’s words were clearly lawful and qualify as speech protected by the First Amendment.⁷ The government’s distaste for the sentiment expressed in his statement does not mean that such speech is inherently threatening.

The U.S. Supreme Court has repeatedly affirmed the fundamental principle that, although the government can prosecute unlawful threats, “[w]hat [it] cannot do ... is use the power of the State to punish or suppress disfavored expression.”⁸ Moreover, the Administration’s abuse of power in singling out speakers with specific viewpoints raises the threat of unconstitutional viewpoint discrimination.⁹

The Trump Administration’s current pressure against newspapers, publishers, and networks stands in stark contrast to Trump officials’ previous comments about speech. For example, on May 2, 2022, you stated on X that “Political satire is one of the oldest and most

important forms of free speech. [...] That's why people in influential positions have always targeted it for free speech."¹⁰ On November 17, 2024, you stated, "We must dismantle the censorship cartel and restore free speech rights for everyday Americans."¹¹ On the first day of his second term, President Trump issued an executive order claiming to promote the right to "engage in constitutionally protected speech."¹²

Despite these proclamations, it appears that the Administration's efforts to defend free speech apply only when the speech is aligned with the President's self-image and agenda. Instead of defending legitimate political expression, President Trump has demanded the suppression of speech he opposes and has wielded the government to silence dissent.

Your statements are part of a broader systematic assault on media freedom and protected speech. In July 2025, President Trump filed a lawsuit against the Wall Street Journal and Rupert Murdoch for reporting that President Trump submitted a lewd drawing and note for Jeffrey Epstein's "birthday book," despite the fact that the submission clearly bears the President's signature.¹³ In September 2025, President Trump launched another lawsuit against the New York Times and Penguin Random House, claiming they led a campaign to damage his reputation before the 2024 presidential election.¹⁴

President Trump clearly wishes to silence outlets and networks that he believes have portrayed him unfavorably. Then-candidate Donald Trump criticized ABC's moderation of the 2024 presidential debate.¹⁵ On October 31, 2024, then-candidate Trump filed a lawsuit against CBS regarding its 60 Minutes Interview with then-candidate Kamala Harris, calling the interview "mislead[ing]."¹⁶ While former FCC Chair Jessica Rosenworcel led the FCC in protecting free speech and rejecting Trump's complaints against NBC, ABC, and CBS, you

restored these complaints for alleged bias and appear to be abusing the FCC's authority.¹⁷ In July 2025, just one week after CBS canceled *The Late Show with Stephen Colbert*—a move celebrated by President Trump—the FCC approved a lucrative merger between CBS's parent company, Paramount, and Skydance.¹⁸ In late August 2025, Trump called ABC and NBC “FAKE NEWS” and “AN ARM OF THE DEMOCRAT PARTY,” urging your office to revoke their licenses.¹⁹ On September 17, 2025, when cancellation of Kimmel's show was announced, Trump took direct aim at NBC to remove Jimmy Fallon and Seth Meyers' late-night shows, stating “Do it NBC!!!”²⁰

The Administration's assault on free speech has also been taken up by the Trump Justice Department. Attorney General Pam Bondi recently made the incorrect statement that hate speech is not protected speech and threatened to “target you, go after you” if someone expresses protected speech with which the Trump Administration disagrees. We stand with the voices across the political spectrum that condemn the Attorney General's distortion of the founding principles designed to protect our freedoms into subjective rules designed to limit them.²¹

The suspension of *Jimmy Kimmel Live!* appears to be a clear demonstration of you carrying out Trump's demands for retribution against companies that do not align with his agenda by sheer intimidation. restored these complaints for alleged bias and appear to be abusing the FCC's authority.¹⁷ In July 2025, just one week after CBS canceled *The Late Show with Stephen Colbert*—a move celebrated by President Trump—the FCC approved a lucrative merger between CBS's parent company, Paramount, and Skydance.¹⁸ In late August 2025, Trump called ABC and NBC “FAKE NEWS” and “AN ARM OF THE DEMOCRAT PARTY,” urging your office to revoke their licenses.¹⁹ On September 17, 2025, when cancellation of Kimmel's show was announced, Trump took direct aim at NBC to remove Jimmy Fallon and Seth Meyers' late-night shows, stating “Do it NBC!!!”²⁰

The Administration's assault on free speech has also been taken up by the Trump Justice Department. Attorney General Pam Bondi recently made the incorrect statement that hate speech is not protected speech and threatened to “target you, go after you” if someone expresses protected speech with which the Trump Administration disagrees. We stand with the voices across the political spectrum that condemn the Attorney General's distortion of the founding principles designed to protect our freedoms into subjective rules designed to limit them.²¹

The suspension of *Jimmy Kimmel Live!* appears to be a clear demonstration of you carrying out Trump's demands for retribution against companies that do not align with his agenda by sheer intimidation. It is critical that the public understand the Trump Administration, ABC, and Sinclair's efforts to censor opposition to the President of the United States and his affiliates. ATTORNEY GENERAL

September 22, 2025

The Honorable Brendan Carr
Chairman
Federal Communications Commission
45 L Street NE
Washington, DC 20554

Dear Chairman Carr:

I write as the Attorney General of the State of California, which is home to a great many artists, entertainers, and other individuals who every day exercise their right to free speech and free expression, protected under the First Amendment to the U.S. Constitution.

Among the artists and entertainers who call California home is the comedian Jimmy Kimmel, host of a late-night talk show that, until this past week, aired weeknights on ABC. Following Mr. Kimmel's monologue last Monday, you stated in your capacity as Chairman of the Federal Communications Commission ("FCC") that broadcasters that carry Mr. Kimmel's show "can find ways to change conduct to take actions, frankly on Kimmel, or there's going to be additional work for the FCC ahead." You used your official capacity to intimate that the FCC would take adverse action against broadcasters if they did not comply with your demands that they "change conduct" and "take actions" against Mr. Kimmel's exercise of free speech, and threatened broadcasters that they could "do this the easy way or the hard way." After your comments, ABC suspended Mr. Kimmel's show.

The First Amendment prohibits the government from punishing or suppressing speech that it disfavors, and from attempting to coerce private parties to punish or suppress speech on its behalf. Rather than merely expressing your disagreement or disapproval of Mr. Kimmel's monologue, you threatened to use the coercive governmental power of the FCC against broadcasters if they did not "change conduct" and "take actions" against Mr. Kimmel for speech that you disliked. As the Supreme Court held over sixty years ago and unanimously reaffirmed just last year, "the First Amendment prohibits government officials from relying on the threat of

invoking legal sanctions and other means of coercion to achieve the suppression of disfavored speech.” *NRA v. Vullo*, 602 U.S. 175, 189 (2024) (quotation marks and ellipsis omitted) (quoting *Bantam Books, Inc. v. Sullivan*, 372 U.S. 58, 67 (1963)). The Supreme Court has been crystal clear that the First Amendment prohibits the government from threatening to take adverse actions against private entities like ABC or other broadcasters to induce or coerce them into suppressing speech like Mr. Kimmel’s show. *Id.* at 189–93.

You once posted that “censorship is the authoritarian’s dream.”¹ In our Nation, “[f]ree speech serves many ends. It is essential to our democratic form of government, and it furthers the search for truth. Whenever the Federal Government or a State prevents individuals from saying what they think on important matters or compels them to voice ideas with which they disagree, it undermines these ends.” *Janus v. Am. Fed’n of State, Cnty., & Mun. Emps., Council 31*, 585 U.S. 878, 893 (2018) (citations omitted).

You have previously acknowledged that the government should *not* censor speech that it disfavors: “Should the government censor speech it doesn’t like? Of course not.”² You have also pointed out that “[t]he FCC does not have a roving mandate to police speech in the name of the ‘public interest.’”³ Indeed, the right to free speech is the cornerstone of our democracy. The duty to protect free speech is not something to be cast aside now that you are Chairman of the FCC. I urge you, as Chairman, to fulfill your obligation to support and defend the Constitution, including the constitutional right to free speech protected under the First Amendment—and not to violate the First Amendment by using the power of your government office to threaten or coerce private parties in order to suppress their protected speech. In light of your statements, it will take more than an abstract expression of support for the First Amendment. It will take an express disavowal of your threats and an unambiguous pledge that you will not use the FCC to retaliate against private parties for airing speech with which you disagree. The American people deserve at least that guarantee.

News outlets have reported today that ABC will be returning Mr. Kimmel’s show to its broadcast tomorrow night. While it is heartening to see the exercise of free speech ultimately prevail, this does not erase your threats and the resultant suppression of free speech from this past week or the prospect that your threats will chill free speech in the future. Unless and until you explicitly retract your earlier statements about “doing this the easy way or the hard way” and

“find[ing] ways to change conduct and take action” and, going forward, commit to the principles of free speech that you recognize are vital to our democracy, the American people can only reasonably conclude that your earlier statements purporting to support free speech were nothing more than lip service.

Brendan Carr
Chairman
Federal Communications Commission
45 L Street, NE
Washington, DC 20554

Dear Chairman Carr,

We are outraged by your comments yesterday on a podcast suggesting that the Federal Communications Commission (FCC) would take action against ABC, its parent company Disney, and its affiliates, over comments made by comedian Jimmy Kimmel on his late-night show. It is not simply unacceptable for the FCC Chairman to threaten a media organization because he does not like the content of its programming—it violates the First Amendment that you claim to champion. The FCC’s role in overseeing the public airwaves does not give it the power to act as a roving press censor, targeting broadcasters based on their political commentary. But under your leadership, the FCC is being weaponized to do precisely that.

During an appearance on the Benny Johnson podcast on Wednesday, you suggested the FCC would consider revoking the broadcast licenses of ABC affiliates in response to comments made by Kimmel on his late-night talk show following the assassination of Charlie Kirk. You proceeded to threaten that the FCC “can do this the easy way or the hard way,” and telegraphed that “there’s going to be additional work for the FCC ahead” unless ABC affiliates “find ways to change conduct and take action, frankly, on Kimmel[.]”¹

These statements are outrageous and a betrayal of the FCC’s mission. Although broadcasters are obligated to act in the public interest—in return for receiving access to the public airwaves—this requirement does not give the FCC Chairman the authority to act as the speech police and force broadcasters to adopt political viewpoints that you favor. Under your leadership, the FCC appears to be discarding Congress’s clear directive in the Communications Act to ensure broadcasters act in the “public interest”—and is instead requiring them to act in “Trump’s interest.” This approach is an anathema to the Constitution.

The consequences of your comments were quickly apparent. Hours later, Nexstar—a major owner of ABC affiliates that has a significant merger pending before the FCC—announced that it would take Kimmel off the air.² Soon thereafter, Disney announced it was

indefinitely suspending his show altogether.³ This is precisely what government censorship looks like.

In fact, before assuming your role as President Trump's FCC Chairman, you publicly condemned perceived attempts "by government officials to silence political speech they don't like."⁴ You also defended comedians and talk show hosts' right to incorporate politics into their acts, posting: "From Internet memes to late-night comedians, from cartoons to the plays and poems as old as organized government itself - Political Satire circumvents traditional gatekeepers & helps hold those in power accountable. Not surprising that it's long been targeted for censorship."⁵ And you rightly rejected government censorship as a threat to our First Amendment protections, posting: "Free speech is not a threat to democracy—censorship is."⁶ But as FCC Chairman, you now have apparently forgotten these principles.

We urge you to immediately stop threatening media organizations due to their programming and return to the FCC's mission of ensuring all Americans have access to affordable, efficient communication services.

Additionally, to ensure we fully understand the implications of your recent comments, we expect you to respond in writing to the following questions by September 25, 2025:

1. How is the FCC defining the "public interest" standard to which broadcasters must adhere? To the extent that the FCC has adopted some new ideological or political neutrality test, how is the FCC defining ideological or political bias?
2. Did you, your staff, or any FCC staff have any communication with Disney, ABC, or their affiliates about Jimmy Kimmel, his Monday monologue, or his show between Monday, September 15, and today? If yes, we expect you to produce copies of all such communications.
3. You publicly stated that ABC and Disney could "do this the easy way or the hard way." Please detail the "easy way" and the "hard way" you were referencing in making this statement.

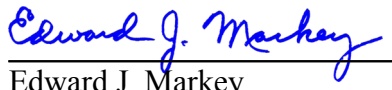

Sincerely,

The Honorable [First Name] [Last Name]

RE: September 18, 2025 Letter to the FCC

Dear Senator [Last Name]:

Thank you for your September 18, 2025, letter regarding the decision by local TV stations to preempt Disney's *Jimmy Kimmel Live!* and Disney's own decision to suspend temporarily production of that program. I welcome the chance to respond to your letter because it provides an important opportunity to set the record straight and dispel the disinformation that many people have been spreading regarding these facts.

At the outset, the claim by some that the FCC threatened to revoke broadcast licenses if Disney did not fire Jimmy Kimmel is simply incorrect. My remarks themselves, the companies' own statements, and the detailed reporting that has come to light all make this entirely clear.

What I have been talking about—and doing so for a long time now—are the unique set of rules and regulations that Congress has chosen to apply to broadcasters. Under the law, broadcasters, which are licensed to operate by the FCC, are simply different than other distributors like cable shows or podcasts or online platforms. Broadcasters originally got their spectrum from the government for free and have public interest obligations that flow from their spectrum licenses. For instance, as I mentioned, the FCC has a news distortion policy that applies to broadcasters but not to other distributors like cable shows. Stakeholders can quickly work out any concerns regarding news distortion claims or, in the alternative, if anyone chooses to bring a news distortion complaint to the FCC, I have been clear that the agency will ensure that everyone gets a fair shake and even-handed treatment.

Likewise and more broadly, the FCC has an important role to play in empowering licensed local broadcast TV stations to operate in the public interest. That includes ensuring that broadcasters have the freedom to determine whether the programming they air is serving the

needs of their local communities, including preempting national network programming that is inconsistent with their assessment of the values of their local viewers.¹

The detailed reporting on the Kimmel episode only confirms that local TV stations and Disney itself made their own decisions for their own business reasons. Indeed, Nexstar—one of ABC’s largest local broadcast affiliate groups—when announcing its decision to preempt Mr. Kimmel’s show stated, “Mr. Kimmel’s comments about the death of Mr. Kirk are offensive and insensitive at a critical time in our national political discourse, and we do not believe they reflect the spectrum of opinions, views, or values of the local communities in which we are located.” In its statement, Nexstar went on to say, “[Giving] Mr. Kimmel a broadcast platform in the communities we serve is simply not in the public interest at the current time.”

Later, Sinclair—another of ABC’s largest local broadcast affiliate groups—stated that “Mr. Kimmel’s remarks were inappropriate and deeply insensitive at a critical moment for our country. We believe broadcasters have a responsibility to educate and elevate respectful, constructive dialogue in our communities.” Sinclair went on to call on Mr. Kimmel to issue a direct apology to the Kirk family.

Disney itself then announced it was preempting the program nationwide. The detailed reporting on Disney’s decision shows that the company made its own businesses decision to pause the show after discussions that it held with Mr. Kimmel.

Disney confirmed all of this the following week. In its decision to reinstate Mr. Kimmel, Disney stated that “we made the decision to suspend production of the show to avoid further inflaming a tense situation at an emotional moment for our country.” Continuing, Disney added “It is a decision we made because we felt some of the comments were ill-timed and thus insensitive.” “We have spent the last days having thoughtful conversations with Jimmy, and after those conversations, we reached the decision to return the show on Tuesday.”

After Disney’s decision, Nexstar stated that it “made a decision last week to preempt ‘Jimmy Kimmel Live!’ following what ABC referred to as Mr. Kimmel’s ‘ill-timed and insensitive’ comments at a critical time in our national discourse.” Nexstar added that “We stand by that decision pending assurance that all parties are committed to fostering an environment of respectful, constructive dialogue in the markets we serve.”

Likewise, Sinclair stated, “[We] will be preempting *Jimmy Kimmel Live!* across our ABC affiliates and replacing it with news programming.” Sinclair added that “Discussions with ABC are ongoing as we evaluate the show’s potential return.”

¹ See 47 CFR § 73.658(e) (“No license shall be granted to a television broadcast station having any contract, arrangement, or understanding, express or implied, with a network organization which, with respect to programs offered or already contracted for pursuant to an affiliation contract, prevents or hinders the station from: (1) Rejecting or refusing network programs which the station reasonably believes to be unsatisfactory or unsuitable or contrary to the public interest, or (2) Substituting a program which, in the station’s opinion, is of greater local or national importance.”).

In closing, I want to thank you again for your letter and the opportunity to be responsive to your inquiry. The FCC has been focused over the last nine months on advancing the agency's Build America Agenda. That work includes taking important steps to advance national security, proceed with Congressionally mandated spectrum auctions, make it easier for Americans to build telecommunications infrastructure, promote the emerging space economy, and protect consumers on a myriad of issues including illegal robocalls. We will continue to advance this important agenda. Thank you again for your letter. I hope this additional context and information has been helpful.

Sincerely,

Dear Erin and Katie,

Just now, the Center for American Rights filed a complaint via the FCC's consumer complaints center against ABC's Jimmy Kimmel Live! Program for failure to disclose conflicts of interest in violation of FCC policy. A copy of the complaint and its accompanying exhibits is attached. So you can find it easily in the FCC consumer complaints system, it was assigned Ticket No. 8124256.

Thanks,

*Complaint against KABC (ABC7)
regarding Jimmy Kimmel Live!
Program*

September 4, 2025

COMPLAINT OF THE CENTER FOR AMERICAN RIGHTS

Any idea that Jimmy Kimmel’s comedy pokes fun evenly at politicians on both sides of the political aisle is itself laughable.¹ As the Media Research Center has found, “If ABC News was the most biased during the campaign, ABC’s comedian was also the most one-sided.”² In the lead up to the election, MRC reports, “Kimmel targeted the GOP ticket 97 percent of the time, telling 504 total jokes about the Republican ticket compared to 18 about the Democratic ticket.”³ He also promoted and delivered a monologue immediately before the election with a single goal: convince Republicans to vote against their party’s nominee and back Kamala Harris.⁴ It was a massive abuse of the airwaves and is a dubious fit with the public interest standard. Since President Trump returned to office, he has continued lopsidedly hosting Democratic politicians, pundits, and celebrities.⁵

² <https://www.newsbusters.org/blogs/nb/alex-christy/2024/10/30/no-laughing-matter-98-comedy-show-campaign-jokes-target-trump>

³ <https://www.newsbusters.org/blogs/nb/alex-christy/2024/10/30/no-laughing-matter-98-comedy-show-campaign-jokes-target-trump>.

⁴ <https://www.youtube.com/watch?v=Oy0zq8YzY9w>. He delivered this monologue just days after headlining events across Nevada with Democrats in which he attacked Donald Trump and rallied Harris-Walz supporters: <https://latenighter.com/news/jimmy-kimmel-hits-the-campaign-trail-in-las-vegas/>.

⁵ https://cdn.newsbusters.org/blog_attachment/2025%20H1%20Guests.pdf

But what's no laughing matter is Kimmel's failure to comply with this Commission's longstanding policies regarding conflicts of interest. The FCC's expectation is pretty simple: broadcasters must have in place and enforce policies that protect the public from conflicts of interest by themselves and their employees, and these policies must ensure that viewers have the information they need so they can make their own judgment about the credibility of what follows. Though often applied in the context of financial interests ("payola" and "plugola"), the Commission has applied the same principle to personal political activities.

Kimmel and ABC have failed the Commission's standard numerous times as he has hosted multiple Democratic politicians as guests while at the same time publicly backing their campaigns by fundraising for them, endorsing them, or donating significant funds to them without disclosing the nature of his support to his viewing audience.

I. Jimmy Kimmel has hosted numerous Democratic politicians in whom he has a significant personal political interest.

On May 20, 2024, it became public information that Kimmel was headlining a fundraiser for the Biden-Harris campaign in Los Angeles featuring President Joe Biden and former president Barack Obama.⁶ On June 4, 2024, Kimmel hosted Joe Biden's running mate, Vice President Kamala Harris, on his program.⁷ He did not disclose that he was headlining a fundraising event for her campaign.⁸

⁶ <https://latenightter.com/news/jimmy-kimmel-to-host-presidents-biden-and-obama-at-l-a-fundraiser/>

⁷ <https://www.youtube.com/watch?v=Ne3-KA8ja6g>

⁸ CAR staff reviewed all seven interviews referenced in this complaint (the 2015 Garcetti interview is not available on Kimmel's Youtube channel).

Two days later, June 6, 2024, the Biden campaign blasted out a text message from Kimmel inviting potential donors to the fundraising event later that month:

Hi, it's Jimmy Kimmel. I host a "poorly rated" show on TV that Donald Trump hate-watches. I'm intruding on your texts today because I'm interviewing President Biden and President Barack Obama — with special guests George Clooney, Julia Roberts, and more — and you're invited. Joe made me promise extra malarkey and malarkey there will be. Are you interested? Pitch in any amount and you will be entered to win a trip out to LA to meet a pair of presidents, two movie stars, and one "poorly rated" talk show host. Every cent will help keep Donald Trump out of the Oval Office.
<https://m.joe Biden.com/4LE1bzi0> Sincerely, Jimmy⁹

A similar fundraising message for the event was sent via email.¹⁰

Kimmel and Co. then held the “most successful fundraiser in Democratic party history.”¹¹

⁹ <https://lamag.com/politics/jimmy-kimmel-reveals-details-of-star-studded-biden-campaign-fundraiser-coming-to-l-a/>

¹⁰ <https://thehill.com/blogs/in-the-know/4707981-kimmel-biden-fundraising-trump-hate-watch-abc/>

¹¹ <https://www.thewrap.com/george-clooney-joe-biden-step-down-election/>

At the now infamous event¹², Kimmel went on stage to facilitate a friendly banter: “Saturday’s star-studded affair featured a moderated interview of Biden and Obama by Kimmel that touched on healthcare, abortion and the Supreme Court.”¹³

Several weeks later, on September 6, 2024, Kimmel hosted Second Gentleman Doug Emhoff on the show to talk about Vice President Harris’s campaign for the presidency.¹⁴ Again, he did not disclose that several weeks before he had hosted a fundraising event to benefit the Democratic ticket, funds she inherited from Biden.¹⁵

Then on September 22, Kimmel sent out a fundraising email to benefit the Harris-Walz ticket: “Sorry to break your cold little heart, Donald, but I endorse Kamala Harris for president. I’ve had the privilege of interviewing our Vice President several times. She is a kind, brilliant, and delightful person who cares very much about our country.”¹⁶ Fox News reports that “[t]he email provided links for recipients to send money to the Harris-Walz campaign, and added another message from Kimmel. ‘I want my four children to know I was on the right side of history (which is the left side). We need to protect our kids from the self-serving trolls who pretend to be fighting for ‘freedom.’ I believe in truth, justice and all the stuff we learned from Superman. Kamala Harris and Tim Walz are our best hope in this battle for sanity.’”¹⁷

¹² Infamous because Jake Tapper and Alex Thompson later reported that President Biden’s dementia was so pronounced that he forgot longtime friend George Clooney.

<https://www.cnn.com/2025/05/13/politics/biden-book-george-clooney>

¹⁷ <https://www.foxnews.com/media/abcs-kimmel-fails-disclose-fundraising-harris-campaign-friendly-walz-interview>

A few weeks later, on October 7, 2024, a month out from the election, Kimmel hosted Tim Walz for a softball interview.¹⁸ Again, he did not disclose his endorsement or fundraising activity during the program.

In other words, Kimmel consistently hijacked the public airwaves for his personal political agenda: supporting the Biden-Harris-Walz ticket by showering it with free airtime and the glitz and glam associated with his celebrity. And he did so without ever telling the viewers that he was personally engaged in their race.

Kimmel's conflicts are not limited to the Biden-Harris-Walz machine.

* In June 2019, Kimmel donated \$23,000 to Adam Schiff's campaign committees.¹⁹ Less than a year later, Kimmel hosted Schiff on his show (February 24, 2020).²⁰ He did not disclose his donations to Schiff.

* In March 2022, Kimmel gave \$10,000 to Beto O'Rourke's campaign for governor of Texas.²¹ Beto appeared on *Kimmel* on September 15, 2022, just six months later and less than two months before his gubernatorial election.²² Kimmel did not disclose his donation.

* On October 5, 2020, Kimmel gave \$1,000 to Jaime Harrison's US Senate campaign in South Carolina. Two days later, on October 7, Kimmel hosted him on his show.²³ Again, Kimmel did not disclose his donation.

* On February 23, 2015, and November 6, 2018, Kimmel hosted Los Angeles Mayor Eric Garcetti on the show.²⁴ He had donated \$4,000 to Garcetti spread across four donations from 2011-15²⁵; several represented max-out donations.

All of this, moreover, is separate and apart from donations made by staff members of the *Jimmy Kimmel Live!* show. A search of FEC.gov with Jimmy Kimmel as the employer reveals over 1,000 donations from producers, writers, and other staff on the show, much of which went to guests on the show like Biden, Harris, Beto, etc.²⁶ Hundreds or thousands more donations are missed by such a search when employees put down ABC or Disney as their employer on the FEC report rather than Kimmel. Co-head writer and executive producer Molly McNearney, for instance, has listed 215 donations on FEC.gov, but only five list the Kimmel show as her employer—the rest are attributed to Disney or ABC.²⁷

Some of these staff—the video engineer, teleprompter operator, or security guard, for instance—do not create a conflict concern. Senior staff who are choosing and booking guests and writing interview questions, however, do potentially operate with sufficient influence to fall within the FCC’s conflicts policy. *See In re Crowell-Collier Broad. Corp. Assignor & Westinghouse Broad. Co.*, 14 F.C.C.2d 358, 358 (1968) (rule applies to “employees in a position to influence program content”).

²⁶ Exhibit D.

²⁷ Exhibit E. She is also Kimmel’s wife.

II. Kimmel's donations and support represent a conflict-of-interest under longstanding Commission policy.

The Commission has made clear that its “conflict of interest principle” includes a broadcast employee's “personal political interests.” *In Re Complaint of Sagan*, 47 F.C.C.2d 580, 583 (1974). For instance, when a broadcaster did a story on a local elected official at the same time he intended to run against that elected official (though he had not announced his candidacy yet), he failed the FCC’s conflict of interest principle. *In re WCMP*, 41 F.C.C.2d 201, 206 (1973) (“Although most prior Commission rulings regarding disclosure of personal interests have dealt with financial interests, we believe the same principle governs personal political interests as well, since our basic purpose is that the public shall know by whom it is being persuaded.”).

In the most comparable instance, the FCC admonished a licensee when a broadcast station employee and talk show host hosted an interview show with municipal candidates without disclosing at the beginning that he was the campaign treasurer for one of the candidates. *In re complaint against WSIR*, 89 F.C.C.2d 382, 386 (1982). In a second example, the FCC said that a station principal who was highly active in a local GOP club “may editorialize or comment on matters in which it has a significant personal interest. However, its decision to do so would impose a responsibility to reveal to its listening audience the extent and nature of its interest.” *In re WRTA*, 69 F.C.C.2d 18, 19 (1978). *See In re KGMB-TV*, 67 F.C.C.2d 72 (1977) (similar); *In re WBPZ-AM-FM*, 90 F.C.C.2d 524, 526 (1982) (station manager may serve as elected city councilman but must disclose when station covers

city-related news and elections); *In Re Application of Ubiquitous Corp.*, 51 F.C.C.2d 780, 794 (1975) (station admonished for using stringer to cover a debate when that stringer was campaign manager for one of the candidates).

In fact, under ABC's own policy, if Kimmel worked in ABC's news department, he would be prohibited from making donations.²⁸ However, because he is apparently classified on the entertainment side of the house, that policy does not apply, even as he regularly hosts politicians. Moreover, this Commission does not draw the same line that ABC apparently does—this Commission has held previously that late night shows are appropriately classified as news programs when they interview politicians. *In the Matter of Equal Opportunities Complaint Filed by Angelides For Governor Campaign*, 21 FCC Rcd 11919 (2006). Plus, as the Pew Research Center points out, “The place where political messages are reduced to their simplest form, but perhaps also their most enduring, is late-night comedy/talk shows. Here news events that have entered the American psyche are morphed into accepted attitudes and become punchlines. Late night comedy is also a place where some Americans, particularly young people, glean information about the election.”²⁹

The Center is not proposing a hard-and-fast rule at this point. We recognize the potential for gray areas in developing a policy here. For instance, Kimmel donated \$2,000 to the Biden campaign in August 2020, and then hosted President Biden on his show on June 8, 2022.³⁰ In November 2020, Kimmel gave \$500 to Raphael

Warnock's Senate campaign and a further \$1,000 to the Georgia Senate Victory Fund.³¹ On October 15, 2024, Warnock was a guest on Kimmel.³² Kimmel also donated to Congresswoman Katie Porter: \$1250 on June 24, 2019, and a max-out \$2,800 on October 1, 2020. She then appeared as a guest on *Jimmy Kimmel Live!* on August 16, 2022, on a program guest-hosted by Al Franken.

These are gray areas that may turn on specific facts involving the size of the donation³³, the distance in time between the donation and the guest appearance, the proximity to an election, and the role of the donor in deciding on guests.

Indeed, one could even ask whether a host has an obligation not only when he has a politician on as a guest, but when he talks about that politician—or the politician's opponent. In a news setting, viewers would be understandably upset to learn the reporter was making donations to the subject of a story but the conflict policy did not apply as long as the reporter didn't interview the subject for the story. Similarly, viewers would be understandably upset if a journalist reported a story about one candidate at the same time he was a contributor to that candidate's opponent. It is not immediately obvious why that rule should be different for editorial satire about the news rather than the news itself; in both instances, viewers expect a loyalty first and foremost to the audience.

³¹ 11/18/2020 (\$500); 11/11/2020 (\$1000, Georgia Senate Victory Fund). Exhibit A.

³² https://www.imdb.com/title/tt33564704/?ref_=nm_flmg_job_1_cdt_epp_sm_1

³³ See *National Broadcasting Company*, 14 FCC 2d 713, 715-16 (1968) ("It might determine that the conflict is of a minimal or insignificant nature, or that it is so great as to call for the substitution of another, disinterested news employee to deal with this particular matter, or that while there could be said to be a significant conflict, broadcast journalism would best be served by permitting the employee to continue his duties while divulging the nature of his conflict to the audience").

Further, the Center is concerned that other networks and stations may also apply their political contribution conflict policies only to “hard” news employees; “soft” shows like late-night or daytime programs like *The View* may have significant political giving by hosts and senior producers without disclosure when they talk politics or host politicians.³⁴

These are topics for further research and discussion within the industry—and hopefully better voluntary compliance by the networks and shows. The immediate issue is obvious from the earlier and egregious examples about Mr. Kimmel’s failure to address his conflicts of interest.

III. KABC Los Angeles, which broadcasts *Jimmy Kimmel Live!*, is obligated to ensure the Commission’s policies are respected.

Jimmy Kimmel’s show is broadcast on KABC (ABC7) in Los Angeles, where the show is based. Because KABC carries the Kimmel program, it is responsible for its content. *In the Matter of Policies and Rules Concerning Children’s Television Programming*, 6 FCC Rcd 5093, 5102 (1991) (“broadcast affiliates have traditionally been responsible for network compliance with the Commission Rules”). That is especially so here where KABC is directly owned by ABC / Disney.

Moving forwards, ABC should clarify its policy for hosts and employees with a personal political interest in guests, which could include insulating employees from certain guests, not inviting certain guests, using other staff on certain guests, or full

³⁴ A concern made all the more apparent with the Center’s complaint against *Saturday Night Live* for hosting Vice President Kamala Harris the weekend before the election.

disclosure to viewers. See *In the Matter of complaints against Screen Gems Stations*, 46 F.C.C.2d 252, 257 (1974); *Letter to NBC*, 14 FCC 2d 713 (1968).

Looking back, this Commission has dealt with failures to address conflicts by admonition, *In re complaint against WSIR*, 89 F.C.C.2d at 386, a request for corrective steps, *Letter to NBC*, 14 F.C.C.2d at 718, and license renewal granted on a probationary basis, *In re Koka Broad. Co.*, 28 F.C.C.2d 41, 45 (1971). This Commission's enforcement bureau should investigate the full overlap between Mr. Kimmel's partisan personal activities and the programming on his show before determining the level of appropriate response.

CONCLUSION

The First Amendment protects the right to participate in the political process, including through donations to candidates, causes, and parties. Mr. Kimmel has every right to donate to politicians and to lend his celebrity to Democratic candidates and causes, to fundraise and stump for them. What he may not do is lend the public airwaves to the Democratic Party by constantly featuring its candidates and advocates while ignoring all Republicans, and especially not when he's contributing to those very same Democrats he's hosting on air.

Broadcasters owe a duty to viewers to disclose significant political interests, activities, and donations as a potential influence in their programming selection. This information is essential to helping ensure viewers and this Commission can evaluate whether stations and shows are truly serving the public interest. This Commission insists on disclosure of advertising in each station's political file to "further the First

Amendment's goal of an informed electorate that is able to evaluate the validity of messages and hold accountable the interests that disseminate political advocacy." *In re Disclosure Requirements for TV Broad. Licensee Obligations*, 27 FCC Rcd 4535, 4543 (2012). Viewers are owed the same disclosure so they can evaluate the validity of interviews and hold accountable the shows that disseminate political advocacy in line with the host and producers' personal political interests.

Dear Ms. Harold and Ms. Boone,

I write on behalf of the Center for American Rights to supplement our existing complaint to the Enforcement Bureau against KABC7 Los Angeles, ticket number 8124256 (Sept. 4, 2025). That complaint focuses on failures by KABC7 to comply with the public interest standard by carrying the program *Jimmy Kimmel Live!* from the ABC Network. I write to provide the commission with additional and timely information about the failure of *Jimmy Kimmel Live!* to comply with its public interest obligations. Please see the attached document for further information.

Respectfully yours - Daniel R. Suhr, president

*Supplemental Complaint against
KABC (ABC7) regarding Jimmy
Kimmel Live! Program*

*File with Ticket 8124256
September 17, 2025*

COMPLAINT OF THE CENTER FOR AMERICAN RIGHTS

Two weeks ago, the Center for American Rights complained to this Commission that Jimmy Kimmel was operating his *Jimmy Kimmel Live!* program in line with his personal leftist political agenda rather than the public interest as law requires.¹ Unfortunately, we now have all the proof this Commission should need of his failure to meet his public interest responsibilities, as he misused the airwaves to act in callous disregard of the facts and the obligations he owes viewers and the truth.

On Monday, September 15, when his show aired at 11:30pm Eastern time, Jimmy Kimmel said in his opening monologue, “We hit some new lows over the weekend with the MAGA gang desperately trying to characterize this kid who murdered Charlie Kirk as anything other than one of them and doing everything they can to score political points from it.”² When he said that, it had been clear for several days that what he said was utterly, totally, 100% false.

On the afternoon of Saturday, September 13, the *Wall Street Journal* was the first news outlet in the nation to print official confirmation that the Kirk shooter was leftist, after Governor Cox told the *Journal* in an interview: “It’s very clear to us and to the investigators that this was a person who was deeply indoctrinated with leftist ideology.”³

³ <http://wsj.com/us-news/who-tyler-robinson-charlie-kirk-suspect-814fd21f>

On Sunday, September 14, the *New York Times* ran a banner headline: “Kirk Shooting Suspect Held ‘Leftist Ideology,’ Utah Governor Says.”⁴ The *Times* based its reporting primarily on an interview Governor Cox gave on NBC’s Sunday morning program, *Meet the Press*, when Governor Cox said, “There clearly was a leftist ideology.”

Indeed, on Sunday, September 14, ABC News itself had covered the *Wall Street Journal’s* report of Cox’s comments: “Cox previously told the Wall Street Journal that Robinson was ‘deeply indoctrinated with leftist ideology.’”⁵

Around 6 pm Eastern on Monday, September 15, ABC News reported two separate stories with comments by two senior administration officials, the Vice President and the Attorney General, attributing Kirk’s shooting to left-wing ideology and radicalization.⁶

In other words, by 11 pm Eastern on Monday, September 15, it had been clear for several days and confirmed by several senior government officials that Charlie Kirk’s killer was motivated by leftist ideology and was not part of the MAGA movement or a right-wing splinter critique of the MAGA movement. Yet Kimmel went ahead with his monologue in spite of the clear news reporting—including reporting from his own station—showing multiple official statements that contradicted his monologue.

This is not a simple or innocent mistake. It is a massive error made regarding the most important news event of the month, if not the year. It was an error that was

obvious at the time it was made. And after the error was pointed out, he did not correct it the next night, during his show on Tuesday, September 16.⁷

That sort of reckless indifference or willful defiance of facts is incompatible with ABC's public interest obligations. "As a public trustee, a broadcast licensee may not engage in intentional and deliberate falsification of the news." *In re Complaint by Fitzpatrick*, 67 F.C.C.2d 153, 154 (M.B. 1977). "If the [news] material is based upon calculated falsehood or reckless disregard of the truth, it cannot properly be presented, consistent with the public interest." *In re Anti-Defamation League of B'Nai B'Rith Against Station Ktym*, 4 F.C.C.2d 190, 197-198 (1966) (dissenting statement of Comm'r Cox). See *Trinity Methodist Church, South v. Federal Radio Commission*, 62 F. 2d 850 (D.C. Cir. 1932) (affirming FCC predecessor agency's decision to deny license renewal to broadcaster who broadcast "defamatory and untrue matter").

It is no defense to say that Kimmel was engaging in satire or late-night comedy rather than traditional news. Jay Leno convinced this Commission previously that when he was commenting on the news, he was entitled to the protections of the Commission's news standards. Fair is fair: when Kimmel is commenting on the news without clearly labeling it as false satire, the same standards demand that he report it accurately. See *In the Matter of Equal Opportunities Complaint Filed by Angelides For Governor Campaign*, 21 FCC Rcd 11919 (2006).

Commission Chairman Brendan Carr has already rightly called out the terrible failure by ABC and Kimmel. He has reminded them: "They have a license granted by us at the FCC, and that comes with it an obligation to operate in the public interest."⁸ He warned against "an intentional effort to mislead the American people about a very core fundamental fact, a very important matter."

⁷ <https://x.com/alexchristy17/status/1968294770230620439>

⁸ <https://x.com/bennyjohnson/status/1968359685045838041>

And respectfully, Commissioner Gomez was wrong to say today on X that this is “justification for broader censorship and control.”⁹ It is not “using the weight of government power to suppress lawful expression.” Intentionally or recklessly lying about the news to the American people over the public airwaves is incompatible with the public interest standard, full stop. “There is . . . a clear public interest obligation for Commission licensees, regulatees, and permittees to protect the public from false, misleading, or deceptive programming and to promote an informed public.” *Chairwoman Rosenworcel Unveils First Step in New AI Transparency Effort*, 2024 FCC LEXIS 1422, *2 (May 22, 2024).

Here, where ABC affiliates nationwide broadcast “untrue matter” on the most important news story of our times, in line with the clear ideological bias of the host, without prompt correction, strong action by the Commission to protect the public interest is required.

ABC’s affiliates need to step up and hold ABC accountable as a network for passing through material that fails to respect the public-interest standard to which they are held. Disney as ABC’s corporate owner needs to act directly to correct this problem. And if ABC won’t take Kimmel off the air for this, then this Commission should tell KABC-7 it will come off the air if that’s necessary to put an end to this outrage.

Respectfully submitted,

Hi Brendan and Scott,

<https://x.com/bennyjohnson/status/1968359685045838041>

"This is a very, very serious issue right now for Disney. We can do this the easy way or the hard way. These companies can find ways to take action on Kimmel or there is going to be additional work for the FCC ahead."

I saw this today and just had to send you a note of support.

Having been a broadcaster for all my career (before the FCC), including Los Angeles for last 26 years... the absolute lack of accountability has always confused (and sickened) me.

Please - - do not let up, and let me know if I can help in any way.

Thank you.

Just FYI –

CGB logged a complaint filed by the Center for American Rights (CAR) regarding Jimmy Kimmel, and assigned it to EB. In this complaint, CAR alleges that Jimmy Kimmel abuses the airwaves because he overwhelmingly pokes fun at Republicans, and donates to Democratic causes, without disclosing this "conflict of interests." CAR is the group behind the complaints regarding Kamala Harris' appearance on SNL, and her interview on 60 Minutes.

As a follow up here are the other inquiries we've received on this in the last day:

NBC News (Kevin Collier)

Do you have any comment on the Petition for Special Relief filed today advocating for the repeal of the News Distortion Policy?

Politico (John Hendel) (two inquiries)

1. Hi there! We'll be touching on the FCC's news distortion policy for our next Morning Tech, and I wanted to check in to see if any comment on the policy. Does the chairman generally support its continued use? Any concerns with its implications as a policy or potential First Amendment ramifications? Does the chairman believe broadcasters' public interest obligations should continue to include news distortion restrictions in the future? The policy came under some criticism at today's Public Knowledge event. TechFreedom President Berin Szóka cautioned during that event, for instance: "The most dangerous tool the FCC has...is the news distortion policy. That's what the agency used to threaten Jimmy Kimmel." Let me know if any particular FCC comment on news distortion and its role at the agency, if you might want to weigh in!
2. I also spoke to former FCC Chairman Mark Fowler about the topic this afternoon. Mr. Fowler was particularly critical about how Chairman Carr has used the news distortion policy to advance his media agenda and said he's been "very reckless with the most important freedom guaranteed by the Constitution."
He said that the news distortion policy is like a "loaded gun" that the chairman has used a lot. He also criticized the broadness of the news distortion policy and said the chairman is acting at the behest of the White House's political interests. He also told me he hopes Sen. Cruz raises these concerns at next month's Senate Commerce oversight hearing: "What I do hope is that he beats the hell out of Brendan Carr and really comes down hard in terms of jawboning and saying, 'This is something we can't tolerate in a free society'...I think he's in a distinct minority, and I think Cruz knows it. He knows constitutional law and what the plain wording is of the

First Amendment.” Let me know if you'd want to comment on any of Mr. Fowler's thoughts! Thanks for any time.

The Hill (Dominick Mastrangelo)

Going to file something on this, for your awareness: <https://protectdemocracy.org/work/fcc-news-distortion-policy/>. If Chairman Carr or the agency has any response to any of this, just let me know and can make sure I include.

Hi there — I am reaching out for comment on a new petition that will be filed today by seven former FCC commissioners including former chairs Mark Fowler, Dennis Patrick, Alfred Sikes, and Tom Wheeler, urging the FCC under Chairman Carr to repeal the news distortion policy and criticizing chairman Carr's invocation and use of the policy as chilling free speech. Hi all,

Hope all's going okay this week. We're following up to see if there's been any FCC activity following Charlie Kirk's assassination. Has the FCC chairman (or staff) been engaged in any recent concerns around the discourse circulating in media or on social media? Is there a way in which the FCC may get involved, either with that content or with the management of communications companies hosting or potentially employing?

On Friday, Rep. Luna said she had [contacted the FCC](#) about taking down a website showing video and later [thanked the commission](#). What was the FCC involvement there?

Sen. Lee [also posted](#) that it's time for an "overhaul" of TV broadcasters in light of recent activity. Does the FCC agree and what might that look like?

No hard deadlines but interested if there's any comment addressing the FCC role and potential recent engagement, if any. Thanks for any time.

Good afternoon,

I'm Violet, a reporter with NOTUS. I hope this email finds you well.

I'm writing a story about how the FCC has changed in the second Trump administration. I was hoping I could get comment on the following questions:

- 1). President Trump said last week that the FCC should revoke licenses from ABC and NBC for their negative coverage of him, or, at minimum, have the networks pay more in license fees. Is the president expecting the FCC to act on this issue he has raised?
- 2). Some have suggested that the FCC is no longer operating or functioning like an independent agency, instead taking cues and direction from the executive office of the president. Do you have any comment to share on that assessment?
- 3). Is President Trump in support of the 39% broadcast ownership cap being lifted?

My deadline is 5pm today.

Thank You,

Violet Jira
