Re: **2019-HQFO-00483**

Dear Mr. Greenewald:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), dated March 1, 2019, and received by this office on March 4, 2019. You are seeking the following:

1. FOIA Case Log for 2018 ;
2. FOIA Appeals Log for 2018; and
3. Mandatory Declassification Review (MDR) Log for 2018, including the case number, date submitted, date closed, name of requester, and subject/topic of request

Information responsive to item 1 of your request can be accessed online at <https://www.dhs.gov/dhs-privacy-foia-logs>, accessed on May 3, 2019. Pursuant to Title 5 U.S.C. § 552 (a)(1) and (a)(2), DHS need not make available under FOIA records that are publicly available.

A search of the FOIA Xpress for records pertaining to item 2 of your request produced 20 pages that are responsive to your request. After review of those documents, I have determined that 16 pages are partially releasable and 4 pages are released in their entirety, pursuant to Title 5 U.S.C. § 552, (b)(6), exemption 6 of the FOIA as described below.

**FOIA Exemption 6** exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

With respect to item of 3 of your request, we conducted a comprehensive search of files within the DHS Privacy Office for records that would be responsive to your request. Unfortunately, we were unable to locate or identify any responsive records.

You have a right to appeal the above withholding determination and search results. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: Privacy Office, Attn: FOIA Appeals, U.S. Department of Homeland Security, 245 Murray Lane, SW, Mail Stop 0655, Washington, D.C. 20528-0655, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 5.8. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS FOIA regulations are available at [www.dhs.gov/foia](http://www.dhs.gov/foia).

Additionally, you have a right to right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Provisions of FOIA allow DHS to charge for processing fees, up to \$25, unless you seek a waiver of fees. In this instance, because the cost is below the \$25 minimum, there is no charge.

If you need any further assistance or would like to discuss any aspect of your request, please contact our office and refer to **2019-HQFO-00483**. You may send an e-mail to [foia@hq.dhs.gov](mailto:foia@hq.dhs.gov), call 202-343-1743 or toll free 1-866-431-0486, or you may contact our FOIA Public Liaison in the same manner.

Sincerely,

James Holzer  
Deputy Chief FOIA Officer  
Department of Homeland Security

2018-HQAP-00292	6/28/2018	11/8/2018	Zhou, Enid	appeals denial of expedited processing and partial fee waiver "EPIC has reviewed the expedition determination and it is not correct. According to the agency regulation, requests will be processed on an expedited basis whenever they involve "an urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information." 6 C.F.R. § 5.5(e)(1)(ii). The original EPIC request made clear that EPIC is "primarily engaged in disseminating information" and there is an "urgency to inform the public" about a government activity. EPIC' s FOIA Request presented specific facts which demonstrated that the OHS contacted state election officials about Russian cyberattacks but withheld information from Congress about the methodology of notification. EPIC establish that there is an urgency to inform the public because the intelligence community published a report in early February concluding that Russia will continue to probe U.S. critical infrastructure and undermine democratic order. With the upcoming 2018 midterm elections and continued concerns about election security vulnerabilities, the public urgently needed to know whether the OHS has policies and procedures set in place to notify state officials regarding cyber threats on election infrastructure. And by definition a statement supported by specific facts cannot be "conclusory in nature." "The acknowledgement letter also conditionally granted EPIC's request for a fee waiver. The letter stated that a fee waiver determination will be based upon a "sampling" of responsive documents as a result of the search conducted for EPIC' s FOIA Request. EPIC has reviewed the methodology for determining a fee waiver and it is not correct. In an appeal of the same OHS fee response in a different FOIA matter, the administrative law judge determined that the DHS may not use a "sampling" methodology to determine fee waivers."
