SENT VIA FOIA ONLINE TO: JOHN@GREENEWALD.COM
MR JOHN GREENEWALD
THE BLACK VAULT

Dear Mr. Greenewald:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST, FILE
NUMBER DON-USMC-2017-002270

This our first interim release in response to your January 3, 2017, FOIA request for a copy of the U.S. Marine Corps' FOIA request log for calendar (CY) 2016. Your request was assigned file number **DON-USMC-2017-002270**.

We initiated a search of our files and identified 113 pages of records as responsive to your request. Due to the large volume of records and the detailed research involved in processing them, we will be releasing them to you on a rolling basis. The enclosed interim release includes pages 1 – 30 of the CY 2016 FOIA log. You will see that some portions have been redacted. Specifically, we routinely withhold third-party names and any information that may tend to identify personnel pursuant to FOIA exemptions (b)(6) and (b)(7)(C), which prohibit disclosure of personal information when an individual's privacy interest in it outweighs any public interest. Additionally, several requests were identified as first-party "Privacy Act" requests, which are not subject to disclosure under the Act and were also outside of the scope of your request.

Because some information has been removed from these records, you may consider this to be an adverse determination that may be appealed to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 90 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe it should be granted. We recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal." Please be assured that you will still retain the right to appeal our final determination and, when we provide our final response, you will be afforded another 90 calendar days in which to appeal.

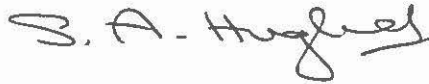

You also have the right to seek assistance and/or dispute resolution services from the Marine Corps FOIA Public Liaison, Ms. Sally Hughes, at hqmcfoia@usmc.mil or (703) 614-4008, and/or the Department of the Navy FOIA Public Liaison, Mr. Christopher Julka, at Christopher.a.julka@navy.mil or (703) 697-0031. You may also contact the Office of Government Information Services for assistance and/or dispute resolution at ogis@nara.gov or 1-877-684-6448. For more information online about services provided by OGIS, please visit their website at <https://ogis.archives.gov>.

We have categorized you as an "other requester" for the purpose of assessing FOIA processing fees. As such, you are entitled to two hours of search time and 100 pages of duplication free of charge but are responsible for the payment of any fees beyond that. In this instance, however, any applicable fees are waived in light of the length of time it will take to provide you with a complete response.

I am the official responsible for this determination. If you have questions concerning this action, please contact Mr. Michael Peters of my staff at (703) 614-4008, or via email to hqmcfoia@usmc.mil or fax at (703) 614-6287. Please reference the file number in the subject line above.

Sincerely,

S. A. HUGHES

DON-USMC-2016-003448	Tom E. Vanden Brook	USA Today	02/10/2016	All records referred to another agency	Dear FOIA Officer: Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of commendations or Distinguished Service Cross medal and Silver Star medal awarded without public notice to Marines serving since Sept. 11, 2001. I would like to receive the information in electronic format. As a representative of the news media I am only required to p for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information on Distinguished Service and Silver Star medals issued without public notice since Sept. 11, 2001 that is of current interest to the public because it is my understanding that hundreds of them have been awarded without public notice. This information is being sought on behalf of USA Today for dissemination to the general public. Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. The existence of hundreds of the military's most prestigious honors is not known to the public. Last month, the Pentagon announced that it would review these commendations to determine if they should be upgraded. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request. I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance. Sincerely, Tom

DON-USMC-2016-004357	Brian E. Connolly	USMC - Vet / Author	03/10/2016	Partial grant/partial denial	I am a veteran of 2nd BN / 6th Marines and served with 2/6 Golf during their deployment to Marjah from June 2010 to January 2011. I am an author currently working on a first hand account book about the units deployment during that time. The book is currently being represented by an esteemed agency and is entering the editing and then publication phase. However, the project is incomplete until I can procure a definitive list of casualties (wounded) of 2/6 in that time. Through extensive interviews and personal notes I have not been able to precisely document the dates and names of all the casualties through the book. In order to dutifully convey the extent of sacrifice of those men, I would need the names and dates of every casualty. At the very least, a total number of casualties and possibly the dates they occurred. Please let me know if this is possible to attain, or if not, refer me to the proper agency. Thank you

MR JOHN GREENEWALD
THE BLACK VAULT

Dear Mr. Greenewald:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST, FILE
NUMBER DON-USMC-2017-002270

This is our second interim release in response to your January 3, 2017, FOIA request for a copy of the U.S. Marine Corps' FOIA request log for calendar (CY) 2016. Your request was assigned file number **DON-USMC-2017-002270**.

We initiated a search of our files and identified 113 pages of records as responsive to your request. Due to the large volume of records and the detailed research involved in processing them, we will be releasing them to you on a rolling basis. The enclosed interim release includes pages 31 – 60 of the CY 2016 FOIA log. You will see that some portions have been redacted. Specifically, we routinely withhold third-party names and any information that may tend to identify personnel pursuant to FOIA exemption (b)(6), which prohibits disclosure of personal information when an individual's privacy interest in it outweighs any public interest. Additionally, several requests were identified as first-party "Privacy Act" requests, which are not subject to disclosure under the Act and were also outside of the scope of your request.

Because some information has been removed from these records, you may consider this to be an adverse determination that may be appealed to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 90 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe it should be granted. We recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal." Please be assured that you will still retain the right to appeal our final determination and, when we provide our final response, you will be afforded another 90 calendar days in which to appeal.

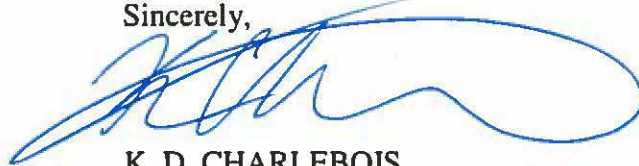

You also have the right to seek assistance and/or dispute resolution services from the Marine Corps FOIA Public Liaison, Ms. Sally Hughes, at hqmcfoia@usmc.mil or (703) 614-4008, and/or the Department of the Navy FOIA Public Liaison, Mr. Christopher Julka, at Christopher.a.julka@navy.mil or (703) 697-0031. You may also contact the Office of Government Information Services for assistance and/or dispute resolution at ogis@nara.gov or 1-877-684-6448. For more information online about services provided by OGIS, please visit their website at <https://ogis.archives.gov>.

We have categorized you as an "other requester" for the purpose of assessing FOIA processing fees. As such, you are entitled to two hours of search time and 100 pages of duplication free of charge but are responsible for the payment of any fees beyond that. In this instance, however, any applicable fees are waived in light of the length of time it will take to provide you with a complete response.

I am the official responsible for this determination. If you have questions concerning this action, please contact Mr. Michael Peters of my staff at (703) 614-4008, or via email to hqmcfoia@usmc.mil or fax at (703) 614-6287. Please reference the file number in the subject line above.

Sincerely,

K. D. CHARLEBOIS

DON-USMC-2016-006011	Matthew J. Novak	Gizmodo / Univision	05/02/2016	Not an agency record	<p>This is a request under the Freedom of Information Act. I request that documents related to the following subject be provided to me: The latest policy document of the Motion Picture & TV Liaison Office Office of U.S. Marine Corps Communication for determining when fees should be charged by the Marine Corps in providing support to entertainment industry projects and how those fees are collected. Gizmodo's interest in obtaining this document is to inform the public about the ways in which government agencies interact and lend credibility to film and TV productions dealing with various agencies, especially as it relates to science and technology. The real-world impact of how organizations like the CIA influence society's understanding of science and technology have been examined at length in academic papers and books. I would refer you to just three examples such as Reel Reality: Science Consultants in Hollywood by Scott Fra (2003), the book Lab Coats in Hollywood by David A. Kirby (2013), and the book Sailing on the Silver Screen: Hollywood and the US Navy by Lawrence Suid (1996). I can provide further academic journal articles at your request. Gizmodo's job as a media outlet that reaches 35 million unique Americans each month (72 million globally) is to inform our readers about how science, technology, and government agencies affect their lives. My role, as a reporter working on stories about how Hollywood has historically affected the real world through depictions of science, technology, and government, is to sometimes give readers a look at how that may be happening in a contemporary setting. My goal with this request is to give readers a better understanding of how the depictions of US interests related to the military that they see in media may or may not be affected by the the Marine Corps's advisory role.</p>

DON-USMC-2016-006733	McClendon N. Waters, III		05/26/2016	No records	Referencing Exhibit D, on September 1, 2011 a complainant wrote a formal letter to the Staff Judge Advocate to the Commandant of the Marine Corps stating that (B)(6) was the victim of a serious cyber crime in (B)(6) home and related misconduct at the hands of "active duty Marines, including (B)(6) and relatively senior personnel both in and outside of (B)(6) chain of command." Per Exhibit E, on September 22, 2011, the Inspector General of the Marine Corps replied to the complainant stating that "You will be provided more information as expeditiously as possible." Referencing Exhibit A and its enclosure, paragraph 4 of the "IGA" December 20, 2011 Memorandum of the Record shows that the IGMC recommended "Close case" for Case #0007095 approximately 21 days after Major General V.A. Ary, the Staff Judge Advocate to the Commandant of the Marine Corps, responded to the complainant via letter "5800 JAM2" dated 29 NOV 2011 (Exhibit E) stating that: 1. "...information was provided to...1st Radio Battalion, I Marine Expeditionary Force (I MEF) for action." 2. "I contacted the I MEF Staff Judge Advocate to ensure that your concerns...could be addressed." Accordingly, I request a copy of all available documents and records showing what actions were taken by First Radio Battalion, I MEF, I MEF SJA, SJA to the Commandant of the Marine Corps, or Headquarters Marine Corps to "address" and investigate the serious allegations related to Case #0007095, especially during the 21-day period leading to the recommendation that the IGMC case be closed.

MR JOHN GREENEWALD
THE BLACK VAULT

Dear Mr. Greenewald:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST, FILE
NUMBER DON-USMC-2017-002270

This is our third interim release in response to your January 3, 2017, FOIA request for a copy of the U.S. Marine Corps' FOIA request log for calendar (CY) 2016. Your request was assigned file number **DON-USMC-2017-002270**.

We initiated a search of our files and identified 113 pages of records as responsive to your request. Due to the large volume of records and the detailed research involved in processing them, we will be releasing them to you on a rolling basis. The enclosed interim release includes pages 61 – 90 of the CY 2016 FOIA log. You will see that some portions have been redacted. Specifically, we routinely withhold third-party names and any information that may tend to identify personnel pursuant to FOIA exemption (b)(6), which prohibits disclosure of personal information when an individual's privacy interest in it outweighs any public interest. Additionally, several requests were identified as first-party "Privacy Act" requests, which are not subject to disclosure under the Act and were also outside of the scope of your request.

Because some information has been removed from these records, you may consider this to be an adverse determination that may be appealed to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 90 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe it should be granted. We recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal." DON-USMC-2016-008552	Daniel G. Morris	Law Offices of D.G. Morris, LLC	08/02/2016	Full denial based on exemption	(b)(6) (b)(6) Therefore I am asking from the Marine Corps Forces Reserve Command for copies of the following information from the military records of each drilling Marine Reservist who has entered into his military records that his current civilian employer is an Ohio municipality or the public agency of an Ohio municipality (i.e. the Akron Fire Department, the Cleveland Metropolitan School District, etc.): the Marine's name, rank, address (or home of record) civilian employer, and the civilian employer's address. In my civilian capacity I am an attorney-at-law in private practice. I have recently filed a lawsuit on behalf of two (2) currently drilling members of the Ohio Army National Guard who are permanent public employees of the Cleveland Police Department. The gravamen of their complaints, filed individually and as a potential class action, is that a class of Ohio cities, led by Cleveland, Cincinnati and Akron, is using a legal loophole to avoid paying their permanent public employees who are also drilling U.S. military reservists some or all of their statutory Ohio Paid Military Leave benefit. This policy is costing affected drilling reservists tens of thousands of dollars each. The purpose of this lawsuit is to close that loophole by declaratory judgment and to recover for the injured reservists their back Ohio Paid Military Leave by a USERRA claim. Your cooperation will ensure that no injured drilling Marine reservist employed by a non-compliant Ohio municipality goes uncompensated. The records produced by this request will be used to assemble complete lists of Plaintiff class members and Defendant class members for the Court's review in this litigation.

DON-USMC-2016-009193	Jeff D. Schogol	Sightline Media Group	08/24/2016		Pursuant to the Freedom of Information Act, I'm writing to request a copy of records concerning how many flight hours deployed aviation units, deploying aviation units and non-deployed aviation units are getting per month. I understand that these numbers change often, but I want to give readers an idea of how often pilots are flying downrange vs. how often pilots not slated to deploy are flying. My request would include the most recent numbers of how many of the following fixed- and rotary wing aircraft are flyable: AV-8B Harriers II; F/A-18A, F/A-18C and F/A-18D Hornets; EA-6B Prowlers; KC-130J Super Hercules; KC-130T Hercules; AH-1W Super Cobras; AH-1Z Vipers; UH-1Y Venoms; MV-22B Ospreys; CH-53E Super Stallions. For each aircraft variant, I want to know how many are ready basic aircraft and how many are not flying because they are in depot, awaiting maintenance, in storage or some other reason. The information I am requesting includes, but is not limited to, maintenance logs, endorsement letters, photographs, audio files and videos and emails. As members of the news media and publishers of the primary news publication serving the men and women of the U.S. military, we at Marine Corps Times consider this information to have significant public interest and therefore request that you waive the processing fees. If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. I request that all segregable portions of otherwise exempt material be provided. Please contact me by email at jschogol@marinecorpstimes.com or telephone at (703)-909-6488. If I can clarify or expedite this request. Thank you for your assistance. Sincerely, Jeff Schogol.

MR JOHN GREENEWALD
THE BLACK VAULT

Dear Mr. Greenewald:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST, FILE
NUMBER DON-USMC-2017-002270

This is our fourth and final release in response to your January 3, 2017, FOIA request for a copy of the U.S. Marine Corps' FOIA request log for calendar year (CY) 2016. Your request was assigned file number **DON-USMC-2017-002270**.

We initiated a search of our files and identified 113 pages of records as responsive to your request. The enclosed final release includes pages 91 – 113 of the CY 2016 FOIA log. You will see that some portions have been redacted. Specifically, we routinely withhold third-party names and any information that may tend to identify personnel pursuant to FOIA exemption (b)(6), which prohibits disclosure of personal information when an individual's privacy interest in it outweighs any public interest. Additionally, several requests were identified as first-party "Privacy Act" requests, which are not subject to disclosure under the Act and were also outside of the scope of your request.

Because some information has been removed from these records, you may consider this to be an adverse determination that may be appealed to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 90 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe it should be granted. We recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal."

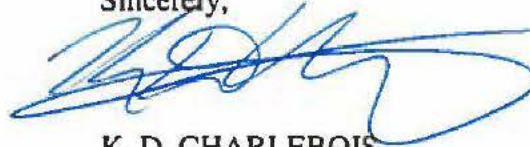

You also have the right to seek assistance and/or dispute resolution services from the Marine Corps FOIA Public Liaison, Ms. Sally Hughes, at hqmcfoia@usmc.mil or (703) 614-4008, and/or the Department of the Navy FOIA Public Liaison, Mr. Christopher Julka, at Christopher.a.julka@navy.mil or (703) 697-0031. You may also contact the Office of Government Information Services for assistance and/or dispute resolution at ogis@nara.gov or 1-877-684-6448. For more information online about services provided by OGIS, please visit their website at <https://ogis.archives.gov>.

We have categorized you as an "other requester" for the purpose of assessing FOIA processing fees. As such, you are entitled to two hours of search time and 100 pages of duplication free of charge but are responsible for the payment of any fees beyond that. In this instance, however, any applicable fees are waived in light of the length of time it has taken to provide you with a complete response.

I am the official responsible for this determination. If you have questions concerning this action, please contact Mr. Michael Peters at (703) 614-4008, or via email to hqmcfoia@usmc.mil or fax at (703) 614-6287. Please reference the file number in the subject line above.

I am looking to obtain copies of any briefings members of Office of the Deputy Commandant for Aviation presented over the course of a four-day long industry day event in November 2012. According to a recently released Justification and Approval document regarding F-35 modifications (See: https://www.fbo.gov/spg/DON/NAVAIR/N00019/N00019-14-G-0020-5516/listing.html), the F-35 JPO held the meetings "to foster competition in selected F-35 sustainment areas." If an exemption applies, I ask that Headquarters, Marine Corps please consider exercising the agency's discretionary release powers to disclose the records. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption am also willing and would prefer to receive any release in an electronic format. Thanks, Joseph Trevithick

DON-USMC-2017-001244	Eddie Hackler		11/17/2016	Full grant	To Whom It May Concern, Under the Freedom of Information Act, I am requesting an opportunity to inspect or obtain data on race and sexual assaults in the Marine Corps. The Marine Corps collects the data on race, but does not disseminate the data. The organization does disseminate all other demographics such as age, rank, gender, day assaults are more likely to occur, etc.; however, when it comes to race, the organization does not and will not willingly release the information. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to members with the Marine Corps organization understanding of how race and sexual assault correlates. I am a member of the Marine Corps family and this information is not being sought for commercial purposes. If my request is denied, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request. Respectfully, Ed Hackle
