Subject: Stu, below is text of the letter that David Schaecter will be faxing to Secretary Clinton any minute if it hasn't

gone already.

I believe the conversations were very important and productive, and more importantly, so do the survivors with whom you spoke.

We look forward to working together this week and thereafter.

Sam

Dear Secretary Clinton:

With reference to our letter dated June 19, 2009, on behalf of the Holocaust Survivors Foundation USA, Inc. (HSF), I would like to state that based on conversations that took place in the intervening time period between Ambassador Eizenstat and the leadership of the HSF, and the commitments he made to our leaders, we are no longer asking that he be replaced as the head of the U.S. delegation to the Prague Conference taking place on June 26-30.

On behalf of all of the survivors for whom we have been fighting over the last decade, including tens of thousands in desperate need, we wish Ambassador Eizenstat the best of success as the head of the United States delegation at the Conference, as well as in the follow-up activities that we understand will occur on matters affecting Holocaust survivors' rights and interests.

Sincerely,

David Schaecter
