Dear Hillary and all.					
We arrived at the general h	hospital last night with 1500 people sick or dying with 40 percent needing surgery. It has no				
	nd very limited surgical suites or supplies. It the largest and most well known public hospital in				
	IH and paul farmer needs to be supported and it's infrastucture needs to be rebuilt.				
Right now we have surgeon	ns but not enough operating rooms set up. We				
-	generator and fuel and surgical lights and surgery supplies not just first aid. There are				
	n with festering wounds needing amputation and emergency				
<del>-</del>	nurses and patients have no food or water.				
Community to the state of the s					
	structure of electricity water and a medical hospital tent for post op patients. We are and hacksaws rinsed with alcohol.				
operating with neadlainps					
If we have the electricity a	nd water we can open 11 operating rooms tomorrow if we get what we need. Can the				
military help ASAP and for	security of equipment and medication.				
Until this morning when none at the General.	did the first amuptation there was almost no surgery happening at all here in the city and				
none at the General.					
Five days after the quake w	vith no acute surgical care wounds are				
festering patients are getti	ing septic and dying. If we had a little				
help with basic servcices w	ve could stop this.				
I don't have cell or email at	t the hospital. Please coordinate with Claire Pierre or Nancy from PIH.				
Thank you thank you thank	c you.
