**STATEMENT BY SECRETARY CLINTON**

**Explosion in Mahabad, Iran**

I condemn the bombing targeting Iranians attending a parade in Mahabad today. The United States deplores this senseless loss of life and extends its sympathy to the families and loved ones of those injured and killed. We also call for the perpetrators of this horrific attack to be held accountable for their actions.

The United States condemns terrorism and all forms violence against innocent people, wherever it occurs, and stands with the victims of these appalling acts. This attack underscores the global community's need to work together to combat terrorist organizations that threaten the lives of innocent civilians all around the world.
