I think the speech approach makes sense but I need to see a draft to respond. I'd like to get it tonight and have a conf call on my drive to a wedding tomorrow around 2:30 to discuss.

I'll work on that.	
A few things:	
1. Big debate	
2. Talked to Tom this am about	, and think we're okay there.
So that is an ongoing debate today.	
3. We are working with the NSC on	
4. Your Latin America speech.	
Dan K-P has worked up a pretty good draft along these lines that we'll get you later today, if you are comfortable with this approach.

Subject: Geithner

FYI that Uribe urged Dodd to call Geithner on Moreno and he pledged to do so.
