Subject: North Korea threatens to fire at South Korea (AP)

SEOUL, South Korea - (AP) North Korea says it will fire at South Korea if it continues allowing activists to launch propaganda leaflets toward the North.

The North's official Korean Central News Agency says the country's military conveyed the warning to South Korea's military Sunday.

The warning comes one day before South Korea kicks off annual military drills with the United States. The North says the drills a preparation to attack the North.
