Subject: Rep. Price

Madam Secretary-Both Deputy Nides and I have reached out to Rep Price. He's tied up in a meeting but I have conveyed to his staff our request to delay delivery of his letter until at least next week. His staff seems amenable to the delay while we work the issue with the Gol. He noted that Rep Price would like to speak to Tom and would call him within the hour.

I've spoken to Tom so he is aware of my conversation with Rep Price's office. Dave
