Cheryl,		
	already becoming apparent re our ability to do development as I phase out and if	
were not here, I wonder again if		
w/ the transition (this is assuming	succeeds me). Given how much time I put in to trying to get the rest of the	
UNCLASSIFIED U.S. Depa	artment of State Case No. F-2014-20439 Doc No. C05772641 Date: 11/30/2015	1

building to pay attention to development and to pushing that entire part of S's agenda (as do u, of course), which will not do except as specifically tasked, I am increasingly worried about what is going to happen. I think she wd take the job if properly formulated, and we will HAVE an open slot by the end of the year (I just found that out.) But ithe trick is making it a deputy directorship -- like a DAS anywhere else.
