1. I'm convinced this is a winner for all involved. Set up a time to come see me to discuss further.
2. Let's do a big reception for members of the Alliance and the dip corps around the exhibit. Get Capricia working on this--at a time I can come and speak.
3. Pls get address of family to Rob asap.
4. And pls get me Karen's address too so I can write her.
5. I'm copying Lona, Capricia and Rob for followup.

Subject: Update from a friend

- 1 -Thnx for the mentions of PNB in North Africa. We are getting a great response from our local partners. It truly empowers us to help them further.
- 2- Appreciated your cookstove answer to Senator Udall. The exhibit is great and I have talked to lona about a possible reception inviting members, dip corps sponsors and press corp.
- 3- finally a note from our old pal Karen St Hilaire telling us about

B6

I will get the family's address to Rob.
