UNCLASSIFIED U.S. Department of State Case No. F-2014-20439 Doc No. C05778093 Date: 12/31/2015

- Kyl has a an op-ed tomorrow and doing news shows Sunday. They expect McCain, Durban to join him - The opponents

are still pushing modernization and now this new thing alleging the admin cutting "secret deals" with Russia on

defenses

- they really need help with pushback - including the kinds of points Gen Adams was highlighting about the breakthroughs with allied/Russia agreement on missile defense in Lisbon - and some urgent help in Tennessee - can we get Castellaw, others?
