	st announced plans to bring Libya before the Security Council
The Libyan mission to the U	JN has just held a press conference, hosted by the deputy perm rep and the legal adviser,
who said they spoke for the	e entire mission. They made a plea to the international community to save their country, and
	ibya) were planning to take steps to bring the situation in Libya to the Security Council. They
•	nd opposition, called for ICC involvement, asked that a no fly zone be declared, and called on
neighbors not interfere in l	Libya (presumably referring to foreign mercenaries).
