**Subject:** Re: Ferry

Ferry advises that it is underway

Not yet cleared harbor but moving

Will advise again when it is in open waters

Have update

Ferry captain will sail at 1pm local / 6am EST (he wants a little more cushion on sea conditions)

Have air charter launching to land in tripoli at 430 local for 530 departure (1030 EST)

Embassy will all/all depart on air charter as long as ferry sails as scheduled above

Will continue to update
