Subject: FW: Urgent UNGA Resol	lution to be Introduced Monday
Subject. 1 W. Sigent Sites (Ness)	idion to be introduced monday
Pls see below, just received from Palestinian statehood:	n Amb Rice, regarding Arab League intent to move forward with a GA resolution on
Pal an observer state. The PA is r	e in confidence that the Arab League will introduce UNGA resolution on Monday making not driving this, an Arab initiative despite parallel effort in UNSC. They expect some Euro pro-Pal. EU). Don't seem interested in negotiating to get more. They seek a vote next
