Secretary LaHood may be calling ______about his son, Sam, who was prohibited from leaving on his flight tonight. Apparently, he is on the exit control list, and there may be others. I think we have a decent chance of resolving this tomorrow if we can keep it out of the press. We got hints earlier in the day that there might be restrictions on departing the country and had talked to the Foreign Ministry about it.

Lorne told me that Secretary LaHood had some ideas, and Lorne had urged him to call
