Cheryl, here is a Haitian media report on the French pledge to help train a border patrol. We have the French desk looking to see if it was reported in the French press. I have also asked the Elizabeth Beton-Delegue, the French equivalent of Roberta, to give me a call.

Hi Tom,

Here is the summary and link you requested. No western media yet, but Haitian media and radio have reported it.

Defend Haiti: France to Help Haiti Set Up New "Security Force"
