**Subject:** RE: CSO

We are working with Toria on a press strategy (which won't include "cobwebs" references) and with Dave's team on a Hill approach (there is a weekly call today). Toria will have strong lines for the podium and we'll be prepared to background further as necessary.

**Subject:** CSO

The NYTimes article about the Syrian oppo complaining that they're not getting stuff from us has a weak response from Rick Barton.
