met with Amb Kislvak this r	norning and went over Paul Dean's points with him. Also told him the ratification process is
	nd there would be further work on the floor; new amendments being offered, some of which
	uld have to be beaten back. I also said we would work to get the understandings out of the
	ut I did not hold out any hope that it would actually happen.
instrument of Natification, bi	act and not hold out any hope that it would actually happen.
	be into dueling IORs and would not be able to exchange them. I continued to emphasize not change the rights or obligations of the Treaty nor impose any new obligations on the is not a lawyer and Russian lawyers would need to look at the ROR, but he was concerned
Russians. He granted that he about the tone—Cold War is would play well at all in Mosmeasured tone in both capit amendments" in the mark-up ROR, nor any new obligation Bottom line: we agreed to st	sues were being rehashed, he complained, like cheating and compliance. He didn't think it cow, and warned me of Russian Cold Warriors. I stressed it was important to take a als—he agreed with that—and also stressed that Chairman had beaten back all "killer p process yesterday. Again, nothing affecting the rights or obligations of the Treaty is in the s imposed on the RF. ay in close touch. I told him I'd send him the clean final ROR as soon as I have it; also
Russians.
