•	LB appreciates the conversations with Robert to date and looks forward to a lengthier, in-person brainstorm their respective schedules allow in the next week.	in NY, if
•	As concerns the bilat with S, LB said he was grateful she was able to make the time to see him. He looked for meeting her and intended to be as candid and honest as he could in answering any questions she had. He whappy to share insights from his contacts to date with Syrian and external actors (e.g. Egypt, Turkey, Saudi A Qatar, Iran, France, UK). But he will be reluctant to volunteer unsolicited opinions or information, as he doe want to come across as presumptuous.	vill be rabia,
•	As concerns the UNSC session tomorrow, LB did not plan to go into too much detail and naturally will stay clemuch of the above.	ear of
