Dear Cheryl

I hope by now that you and Secretary Clinton received my letter by fedex thanking the Secretary for her graciousness in meeting with me.

[Redacted]

I hope you will convey to Secretary Clinton my high regard for her and for the stature she brings to being Secretary of State. She has already made a difference in the way people around the world are regarding the United States and I believe she will be one of our most successful Secretaries of State. Secretary Clinton raised the possibility of my service in the future and I will be open to that discussion if she finds it appropriate.

I am taking the liberty of copying those whom I have mentioned and to whom I am so grateful for efforts on my behalf.

with warmest regards

Henry
