We woke Jeff up at 3 am and he helped us to adapt the formulation

Sung Kim joined us this evening and was extremely helpful in wordsmithing the North Korea section. Please take a look at the attached *ad ref* final text.

I am scheduled to meet with VFM Cui on the White House lawns at 0830. We have set up a process to make final edits if necessary. Our teams are working on ensuring that a properly formatted document is ready to launch pending final formal approval. We are also coordinating with the Chinese on translation issues, as well.
