Andrew,

See below. Jim Miller's team can loop you into the PA rollout in case you are interested. I think this may take shape Wednesday. []

All
I just got off the phone with Lt Gen Ayeesh. He confirmed the LOA has been signed! He is most pleased, as are all of us.

I will await "go-ahead" from IA or OSD before calling [redacted] @ Boeing, in case others up the chain want to call more senior levels in Boeing.

Ma'am/Sir,

I just got off the phone with [redacted] who confirmed the Boeing report that Prince Salman signed the F-15SA LOA today, Saturday. [redacted] had already gone home for the day, but promised to send me the scanned signature page tomorrow.

I know it is Christmas Eve and you are both on leave, but if it would be possible, I think a quick call to Lt Gen Ayeesh would be terrific. [redacted] relayed that Lt Gen Ayeesh had been working closely with other Saudi leaders through out the summer/fall to keep the F-15SA program moving.

Lt Gen Ayeesh's cell number is: [redacted]

[redacted] said Lt Gen Ayeesh is available and in the Kingdom.

As soon as I get the scanned copy, I will send it to everyone.

Not a bad Christmas present.
