Hi. Think we're fixing to meet in DC next week. Meanwhile - in another part of what I do - my charity is helping the President of Guinea with Soros Foundation. President is seeking to ensure that the 6 mth IMF programme is agreed to have started in October 2011 which allows the HIPC debt relief to kick in March. US Treasury says 1 January 2012. This makes a big difference since President has elections in early summer. IMF board meets tomorrow. Any support would be very welcome! Thanks Tony.
