Oh we will get this done - sometimes it is hard for folks to see how they are actually helping themselves -- you are what this initiative needs and what the president needs to secure a legacy in this space -- HRC and I just have to help his team appreciate that - this week.

You are a great friend and whatever happens I am most grateful for your friendship and support. I am a Cheryl Mills fan forever. I am also a HRC fan forever and want to help her on this and related issues. Dan

Sorry - onb calls till 1am

No yes news, side commitment to get to yes but drama I wanted to explain re froman arg 1) do we need a fs now that we have raj and 2) if we announce a fsc, doesn't that prejudice the psd on development which is being dicussed at PC tues and 3) doesn't having one undermine raj at usaid?
