Hi. Am with Tony now en route to plane for london from paris.

Spent 2 hours with her. [redacted] We made good progress on statement but she is also focused on the then what. We discussed different ways to get focused back on negotiations and on supporting state-building. So overall level good.

But still issues. Berger was there and she clearly is relying on him and Helga.

[redacted]

So the next step will be to try some new formulations.

Btw, TB saw Bibi yesterday. That was good. On margins, M did express desire to get US take on Jupe language on JS from DR. Would be very important to be supportive.

[redacted] TB would like to see you in region next week if you can. Which day did you say works for you--Tuesday or Wednesday?

B5

Oops taking off....

Thanks, rob

Hi Rob, just checking in to see if there is anything new from TB. I know he's seeing S today, but our readout may be delayed and we'd be interest in knowing this morning in advance of some internal discussions how things are going with Ashton. Best, David
