Subject: RE: [redacted] requesting travel to DC

All,
I just spoke to an official at Georgetown Univ Hospital who confirmed that [redacted] is/is a patient in the ICU. She would not share with me the nature of [redacted] condition.

With this info, and with Mr. Brennan's guidance, which I've pasted below, I would like to get 7th floor approval before passing word to the party they may travel, likely departing NY tomorrow at 10 am.
