Subj: Stand with Huma

Will you stand with Huma? And will you stand against the outrageous lies that Michele Bachmann and her Republican colleagues are peddling?

We at Eleanor's Legacy are standing with Huma Abedin. We just joined the Facebook group I Stand with Huma. And we ask you to join us.

Senator John McCain could not have said it any better: "When anyone, not least a member of Congress, launches specious and degrading attacks against fellow Americans on the basis of nothing more than fear of who they are and ignorance of what they stand for, it defames the spirit of our nation, and we all grow poorer because of it."
