I set up that time. Did a long call with everyone talking about all the big stuff and the little stuff.
I gave times for stuff all of next week. Call can be anytime in the evening. So its really up to you.

I just rec'd paper for next week and there's a prep call at 8pm Monday night which I can't do if we don't leave until 7 so let's leave at 6:30. Does that call have to be secure?
