We have stuck with the "its too late" line and will continue to do so.
Hope you get some time to breathe tomorrow morning. Reading press on this end is rough.

Subject: departure

we are sticking with the 1pm wheels up unless you are antsy to get out of town. we would need to tell crew asap if you want to change. other thing to mention is the bengalis have been extremely difficult on every issue, including requiring that they screen all luggage. moni has come back saying she wants a dinner tomorrow night and would do it at your hotel at end of night. we are continuing to say no unless you want to give in but if you do, i would recommend you leave china an hour earlier. ambassador/bob blake think its fine to skip dinner but wanted you to know
