ok i have asked when shes around but you dont have a lot of time when you land.
right now we have the babacan bilat set for right before core group. i had asked if we can do hims thurs but he travels early that day and they offered super early before dav breakfast which isnt great. we can see if we can push him to do later. you cant leave the GCTF until all the FM are done speaking since you are running it with dav. this is identical to NY during UNGA.

I'd love to see her if I can find time. Maybe right before 9pm meeting if I get earlier enough?
