[redacted]

- maureen white is going to come see you monday for a minute. she promised a group she would hand deliver an invitation to you. she knows you probably cant go [redacted]
- talked to steve wozencraft. gave him contact info for laura ricketts. he says you asked him to call her. he also wants you to come to this elton john AIDS foundation event in july which we are working on and need to show you.
- i know you are making the [redacted] call [redacted] Just flagging for you that I spoke with [redacted] awhile ago about their annual dinner in November. they want a commitment that you can be in NY (its their big fundraiser). i told her way too early to know especially with all the crazy travel already planned. shes pretty anxious and happened to check back in this week asking if she can tell people she invited you. plan to tell her she can list you an invited guest knowing that you may not be able to come. i know you are calling [redacted] not [redacted] but just mentioning in case it comes up .
