Let's get separate address or device but I don't want any risk of the personal being accessible.

Also, I didn't get an ops email, only the Jake one. I'm forwarding my response to Dan on Kyi.

We should talk about putting you on state email or releasing your email address to the department so you are not going to spam. Its not the phone message system, its the device delay.

I emailed back yes but ops told me they didn't hear from you so didn't make call which I just ordered them to do. Also Jake said hed been trying to reach me and ops said they had called you about that too. This is not a good system.
