Also, we are moving forward on US-EU summit along with energy council. All fine and cookie cutter.
Lastly, [Redacted] is leaving the white house. Don't think he was able to keep his job and stay off campaign trail....

I hope day 1 is going well. We did thorough calls last night and this morning and are in good place.

Reminders:

- Va maughns brother mufi hanneman (former mayor) asked to see you. I invited him to the meet and greet this morning at east west. You know him.
- bill daley is asking for private time in hawaii. I'm sure cdm has kept you looped on this situation so we will work out something appropriate.
- I left the thai foreign minister mtg on for hawaii. He is coming even though PM canceled and one of main reasons is to see you so we shouldn't cancel.
- the business event in bali seems well worth doing so told them to add.
