Subject: updates

- we just saw the batik shirts for bali. very very very floral. pretty color but very different from anything we have been given before. i think you would be fine if you didnt wear yours because they are only doing photos with the leaders. rest of bali seems fine although lavrov people seem to want a more formal bilat now. the hotel you are staying at is really nicer than the potus one. nice restaurant, great spa. reminder bali is also where the spectacular bulgari hotel is. its just far (30 min solid) and better to go during day.

- we are working through next trip and resolving busan travel issues. as expected, hearing from other staff who want to go to secret stop like [redacted] government is already holding hotel rooms which apparently are quite scarce so its coming along slowly. at the rate cdms team is going, you will be hosting busan when we get there.

- did you hear qureshi officially quit the party in pakistan?

- [redacted] wants to be in dc when you get back fyi.
